31 under Subsection (1).

32 (3) (a) The compensation rate for housing state inmates pursuant to a contract
33 described in Subsection (1) shall be:

34 (i) [~~84%~~] 86% of the final state daily incarceration rate for beds in a county that,

39 (b) The department shall:

40 (i) make rules, in accordance with Title 63G, Chapter 3, Utah Administrative
41 Rulemaking Act, that establish standards that a treatment program is required to meet before
42 the treatment program is considered for approval for the purpose of a county receiving payment
43 based on the rate described in Subsection (3)(a)(i); and

44 (ii) determine on an annual basis, based on appropriations made by the Legislature for
45 the contracts described in this section, whether to approve a treatment program that meets the
46 standards established under Subsection (3)(b)(i), for the purpose of a county receiving payment
47 based on the rate described in Subsection (3)(a)(i).

48 (c) The department may not approve a treatment program for the purpose of a county

54 (B) pay each county that does not provide a treatment program an amount per state
55 inmate that is not less than the amount per state inmate received for the preceding fiscal year by
56 a county that did not provide a treatment program; and

57 (iii) the department determines that the treatment program is needed by the department
58 at the location where the treatment program will be provided.

59 (4) Compensation to a county for state inmates incarcerated under this section shall be
60 made by the department.

61 (5) Counties that contract with the department under Subsection (1) shall, on or before

71 (c) the approximate amount of the county's long-term debt; and

72 (d) the repayment time of the debt for the facility where the inmates are to be housed.

73 (7) The department may enter into a contract with a county government to house
74 inmates without complying with the approval process described in Subsection (6) only if the

76 (8) Any resolution passed by the Legislature under Subsection (6) does not bind or
