value to the procurement unit in comparison to the other proposals;

(iii) if applicable, includes the cost-benefit analysis described in Subsection (2) and how the cost-benefit analysis relates to the best value to the procurement unit; and

(iv) if applicable, includes the written determination described in Subsection (5).

(b) An explanation under Subsection (1)(a)(i) need not address each criterion within each category.

(2) If, in determining the best value to the procurement unit, the evaluation committee awards the highest score, including the score for cost, to a proposal other than the lowest cost proposal, and the difference between the cost of the highest scored proposal and the lowest cost proposal exceeds the greater of \$10,000 or 5% of the lowest cost proposal, the evaluation committee and the conducting procurement unit shall prepare an informal written cost-benefit analysis that:

(a) explains, in general terms, the advantage to the procurement unit of awarding the contract to the higher cost offeror; and

(b) except as provided in Subsection (5):

(i) includes the estimated added financial value to the procurement unit of each criterion that justifies awarding the contract to the higher cost offeror; and

(ii) demonstrates that the value of the advantage to the procurement unit of awarding the contract to the higher cost offeror exceeds the value of the difference between the cost of the higher cost proposal and the cost of the lower cost proposals.

(3) If the informal cost-benefit analysis described in Subsection (2) does not justify awarding the contract to the offeror that received the highest score, the issuing procurement unit:

(a) may not award the contract to the offeror that received the highest score; and

(b) may award the contract to the offeror that received the next highest score, unless:

(i) an informal cost-benefit analysis is required, because the difference between the cost proposed by the offeror that received the next highest score and the lowest cost proposal exceeds the greater of \$10,000 or 5% of the lowest cost proposal; and

(ii) the informal cost-benefit analysis does not justify award of the contract to the offeror that received the next highest score.

(4) If the informal cost-benefit analysis described in Subsection (2) does not justify

SB0184S02 compared with SB0184S01

award of the contract to the offeror, described in Subsection (3), that received the next highest score, the issuing procurement unit:

(a) may not award the contract to the offeror that received the next highest score; and

(b) shall continue with the process described in Subsection (3) for each offeror that received the next highest score, until the issuing procurement unit:

(i) awards the contract in accordance with the provisions of this section; or

(ii) cancels the request for proposals.

(5) (a) The evaluation committee, with the issuing procurement unit's approval, may waive, in whole or in part, a requirement under Subsection (2)(b) if the evaluation committee determines in writing that assigning a financial value to a particular procurement item or evaluation criterion is not practicable.

(b) A written determination under Subsection (5)(a):

(i) shall explain:

(A) why it is not practicable to assign a financial value to the procurement item or evaluation criterion; and

(B) in nonfinancial terms, why awarding the contract to the higher cost offeror provides the best value to the procurement unit; and

(ii) may be included as part of the justification statement.

(6) (a) An issuing procurement unit is not required to make the cost-benefit analysis described in this section for a contract with a construction manager/general contractor if the contract is awarded based solely on the qualifications of the construction manager/general contractor and the management fee described in Subsection 63G-6a-707~~(6)~~(7).

(b) The applicable rulemaking authority shall make rules that establish procedures and criteria for awarding a contract described in Subsection (6)(a) to ensure that:

(i) a competitive process is maintained; and

(ii) the contract awarded is in the best interest of the procurement unit.

Section 38. Section **63G-6a-709** is amended to read:

63G-6a-709. Award of contract -- Cancellation -- Disqualification.

(1) After the completion of the evaluation and scoring of proposals and the justification statement, including any required cost-benefit analysis, the evaluation committee shall submit the proposals, evaluation scores, and justification statement to the head of the procurement unit

or designee for review and final determination of a contract award.

(2) After reviewing the proposals, evaluation scores, and justification statement, including any required cost-benefit analysis, the head of the issuing procurement unit [~~or designee~~] shall:

(a) (i) award the contract as soon as practicable to~~[-(i)]~~ the ~~[responsive and]~~ responsible offeror with the responsive proposal receiving the highest total score; or

(b) cancel the request for proposals without awarding a contract.

(3) [~~In accordance with Subsection (4), the procurement officer or the~~] The head of the issuing procurement unit may disqualify an offeror for:

(a) a violation of this chapter;

(b) not being responsive or responsible;

(c) a violation of a requirement of the request for proposals;

(d) unlawful or unethical conduct; [~~or~~]

(e) a failure to sign a contract within:

(i) (A) the time specified in the solicitation; or

(B) 90 days after the contract award, if no time is specified in the solicitation; or

(ii) a time authorized in writing by the head of the issuing procurement unit; or

~~[(e)]~~ (f) a change in the offeror's circumstance that, had the change been known at the time the proposal was submitted, would have caused the proposal to not have the highest score.

(4) A [~~procurement officer or~~] head of an issuing procurement unit who disqualifies an offeror under Subsection (3) shall:

SB0184S02 compared with SB0184S01

(a) make a written finding, stating the reasons for disqualification; and

(b) provide a copy of the written finding to the disqualified offeror.

(5) If an issuing procurement unit cancels a request for proposals without awarding a contract, the issuing procurement unit shall make available for public inspection a written justification for the cancellation.
