

**1st Sub. H.B. 75**  
**EPILEPSY TRAINING IN PUBLIC SCHOOLS**

Representative V. Lowry Snow proposes the following amendments:

1. Page 2, Line 55 through Page 3, Line 58:

55 (iii) requests that the public school of a student with an intranasal midazolam  
56 authorization identify and train at least three **trained** school employee volunteers; and  
57 (iv) authorizes a **trained** school employee volunteer to administer intranasal midazolam in an  
58 emergency to a student with an intranasal midazolam authorization, as described in this

2. Page 3, Lines 64 through 79:

64 (iii) a health plan approved by a school.  
= **(3) "Section 504 accommodation plan" means a plan developed pursuant to Section 504 of the**  
**Rehabilitation Act of 1973, as amended, to provide appropriate accommodations to an individual with a**  
**disability to ensure access to major life activities.**  
65 {~~(3) "School"~~ **(4) "Trained school** employee volunteer" means an individual who:  
66 (a) is an employee of a public school where at least one student has an intranasal  
67 midazolam authorization;  
68 (b) is 18 years old or older;  
69 (c) is certified in cardiopulmonary resuscitation; and  
70 (d) as described in Section 53A-11-603.5:  
71 (i) volunteers to receive training in administering intranasal midazolam;  
72 (ii) completes a training program; and  
73 (iii) demonstrates competency on an assessment.  
74 {~~(4) "Section 504 accommodation plan" means a plan developed pursuant to Section~~  
75 ~~504 of the Rehabilitation Act of 1973, as amended, to provide appropriate accommodations to~~  
76 ~~an individual with a disability to ensure access to major life activities.~~}  
77 Section 2. Section **53A-11-603.5** is enacted to read:  
78 53A-11-603.5. Administration of intranasal midazolam -- Training of school **trained**  
79 employee volunteers -- Authority to use intranasal midazolam -- Immunity from liability.

3. Page 3, Lines 83 through 85:

83 described in this section;  
84 (b) develop a training program for a **trained** school employee volunteer that includes:

85 (i) techniques for recognizing the specific seizure symptoms described in a student's

4. *Page 4, Lines 88 through 90:*

88 midazolam;

89 (iii) other emergency procedures in the event a **trained** school employee volunteer administers

90 intranasal midazolam, including:

5. *Page 4, Lines 98 through 100:*

98 provide the training described in Subsection (1)(b) to an individual who volunteers to become a

99 **trained** school employee volunteer.

100 (2) A public school where at least one student has an intranasal midazolam

6. *Page 4, Lines 103 through 109:*

103 (a) the training described in Subsection (1)(b) to an individual who volunteers to

104 become a **trained** school employee volunteer; and

105 (b) annual refresher training to a **trained** school employee volunteer.

106 (3) (a) Except as provided in Subsection (3)(b), a nonlicensed individual may not

107 remove intranasal midazolam from a locked secure location on school property.

108 (b) A **trained** school employee volunteer may:

109 (i) administer intranasal midazolam in accordance with Subsection (4);

7. *Page 5, Lines 122 through 124:*

122 (i) shall provide the intranasal midazolam:

123 (A) directly to a school nurse or **trained** school employee volunteer; and

124 (B) fully assembled and labeled with the student's name and dosage; and

8. *Page 5, Lines 126 through 128:*

126 student is under 18 years old.

127 (4) (a) A **trained** school employee volunteer may administer intranasal midazolam to a student

128 with an intranasal midazolam authorization if:

9. *Page 5, Lines 131 through 133:*

131 (ii) a licensed health care professional is not immediately available.

132 (b) A **trained** school employee volunteer who administers intranasal midazolam under

133 Subsection (4)(a) shall:

10. *Page 5, Lines 136 through 138:*

136 Subsection (1)(b).  
137 (5) A **trained** school employee volunteer who administers intranasal midazolam in accordance  
138 with this section in good faith is not liable in a civil or criminal action for an act taken or not

11. *Page 5, Lines 145 through 149:*

145 Occupations and Professions, including a nurse, physician, or pharmacist for, in good faith,  
146 training a nonlicensed **trained** school employee volunteer to administer intranasal midazolam in  
147 accordance with this section.  
148 (b) Allowing a **trained** school employee volunteer to administer intranasal midazolam in  
149 accordance with this section does not constitute unlawful or inappropriate delegation under
