

6th Sub. S.B. 89
CANNABIS-BASED MEDICINE AMENDMENTS

Representative **Robert M. Spendlove** proposes the following amendments:

1. Page 20, Lines 612 through 613:

612 (d) a trans-dermal preparation; ~~{or}~~

613 (e) a sub-lingual preparation ~~{-}~~ ;
or

(f) for cannabis-based medicine that is expanded CBM as defined in Section 58-37-3.6, a liquid intended for use in a device that generates a vapor by warming the liquid with a heating element.

2. Page 38, Lines 1170 through 1171:

1170 (a) "Cannabis-based medicine specialist" means a physician with a cannabis-based

1171 medicine specialist certification issued by the division under Subsection ~~{(7)}~~ (2) .

3. Page 38, Line 1174:

(c) "Expanded CBM" means the same as that term is defined in Section 58-37-3.6.

1174 (2) The division may issue a cannabis-based medicine certification to a physician who:

4. Page 39, Line 1179:

1179 Chapter 3, Utah Administrative Rulemaking Act.

(3) The division may issue an expanded CBM certification to a physician who completes training in cannabis-based medicine developed by the division in coordination with the department and required by the division by rule made in accordance with Title 63G Chapter 3, Utah Administrative Rulemaking Act.

5. Page 39, Line 1180:

1180 ~~{(3)}~~ (4) A cannabis-based medicine specialist may recommend treatment with

6. Page 39, Line 1187:

1187 ~~{(4)}~~ (5) A cannabis-based medicine specialist may recommend treatment with cannabis

7. Page 39, Lines 1195 through 1196:

(6) A physician with an expanded CBM certification issued by the division under Subsection (3) may recommend expanded CBM to a patient if:

(a) (i) the physician is board certified in hematology or oncology; and

(ii) the patient is being actively treated for a diagnosed malignancy or is being provided palliative care for an incurable malignancy;

(b) (i) the physician is a hospice director who, after a face-to-face evaluation with the patient, determines that the patient has six months or less to live; and

(ii) the patient is being actively treated by a licensed hospice care provider; or

(c) (i) the physician is an infectious disease specialist; and

(ii) the patient is diagnosed with HIV- or AIDS-associated anorexia and wasting syndrome.

1195 ~~{(5)}~~ (7) A patient to whom a physician recommends cannabis-based medicine under

1196 Subsection ~~{(3) or}~~ (4) , (5), or (6) is eligible for a medical cannabis card under this section.

(8) (a) An individual with a medical cannabis card may not purchase expanded CBM at a CBM dispensary unless the individual's physician recommends expanded CBM to the individual in compliance with this section.

(b) A physician may not recommend expanded CBM to an individual except in compliance with this section.

(9) A physician with an expanded CBM certification who recommends expanded CBM to a patient under Subsection (6) may recommend that the patient use expanded CBM in the form of a liquid intended for use in a device that generates a vapor by warming the liquid with a heating element.

8. *Page 45, Lines 1373 through 1377:*

1373 (a) " ~~{Cannabis-based}~~ Standard cannabis-based medicine" or "standard
CBM" means a product intended for human ingestion that:

1374 (i) contains an extract or concentrate that is obtained from cannabis;

1375 (ii) is prepared in a medicinal dosage form as required by Section 4-42-602; and

1376 (iii) contains at least one unit of cannabidiol for every one unit of
1377 tetrahydrocannabinol.

9. *Page 45, Line 1379:*

(c) "Cannabis-based medicine" means expanded CBM or standard CBM.

1379 ~~{(c)}~~ (d) "Drug paraphernalia" means the same as that term is defined in Section 58-37a-3.

(e) "Expanded cannabis-based medicine" or expanded CBM" means a product intended for human ingestion that:

(i) contains an extract or concentrate that is obtained from cannabis; and

(ii) is prepared in a medicinal dosage form as required by Section 4-42-602.
