Be it enacted by the Legislature of the state of Utah:

Section 1. Section **26-7-9** is enacted to read:

26-7-9. Online public health education module.

(1) As used in this section:

(a) "Health care provider" means the same as that term is defined in Section

78B-3-403.

(b) "Nonimmune" means that a child or an individual:

(i) has not received each vaccine required in Section 53A-11-303 and has not developed a natural immunity through previous illness to a vaccine-preventable disease, as documented by a health care provider;

(ii) cannot receive each vaccine required in Section 53A-11-303; or

(iii) is otherwise known to not be immune to a vaccine-preventable disease.

(c) "Vaccine-preventable disease" means an infectious disease that can be prevented by a vaccination required in Section 53A-11-303.

(2) The department shall develop an online education module regarding vaccine-preventable diseases:

(a) to assist a parent of a nonimmune child to:

(i) recognize the symptoms of vaccine-preventable diseases;

(ii) respond in the case of an outbreak of a vaccine-preventable disease;

(iii) protect children who contract a vaccine-preventable disease; and

(iv) prevent the spread of vaccine-preventable diseases;

(b) that contains only the following:

(i) information about vaccine-preventable diseases necessary to achieve the goals stated in Subsection (2)(a), including the best practices to prevent the spread of vaccine-preventable diseases;

(ii) recommendations to reduce the likelihood of a nonimmune individual contracting or transmitting a vaccine-preventable disease; and

(iii) information about additional available resources related to vaccine-preventable diseases and the availability of low-cost vaccines;

(c) that includes interactive questions or activities; and

(d) that is expected to take an average user 20 minutes or less to complete, based on user testing.

(3) In developing the online education module described in Subsection (2), the department shall consult with individuals interested in vaccination or vaccine-preventable diseases, including:

(a) representatives from organizations of health care professionals; and

(b) parents of nonimmune children.

(4) The department shall make the online education module described in Subsection (2) publicly available to parents through:

(a) a link on the department's website;

(b) county health departments, as that term is defined in Section [26A-1-102](#);

(c) local health departments, as that term is defined in Section [26A-1-102](#);

(d) local education agencies, as that term is defined in Section [53A-1-401](#); and

(e) other public health programs or organizations.

(5) The department shall report to the Health and Human Services Interim Committee

before November 30, ~~H~~→ ~~[2017]~~ **2018** ~~←H~~ , regarding compliance with this section.

(13) "Vaccinating" or "vaccination" means the administration of a vaccine.

(14) "Vaccination exemption form" means a form, described in Section [53A-11-302.5](#), that documents and verifies that a student is exempt from the requirement to receive one or more required vaccines.

(15) "Vaccine" means the substance licensed for use by the United States Food and Drug Administration that is injected into or otherwise administered to an individual to immunize the individual against a communicable disease.

Section 3. Section [53A-11-302](#) is repealed and reenacted to read:

[53A-11-302. Grounds for exemption from required vaccines -- Renewal.](#)

(1) A student is exempt from the requirement to receive a vaccine required under Section 53A-11-303 if the student qualifies for a medical or personal exemption from the vaccination under Subsection (2) or (3).

(2) A student qualifies for a medical exemption from a vaccination required under Section 53A-11-303 if the student's legally responsible individual provides to the student's school:

(a) a completed vaccination exemption form; and

(b) a written notice signed by a licensed health care provider stating that, due to the physical condition of the student, administration of the vaccine would endanger the student's life or health.

(3) A student qualifies for a personal exemption from a vaccination required under Section 53A-11-303 if the student's legally responsible individual provides to the student's school a completed vaccination exemption form, stating that the student is exempt from the vaccination because of a personal or religious belief.

(4) (a) A vaccination exemption form submitted under this section is valid for as long as the student remains at the school to which the form first is presented.

(b) If the student changes schools before the student is old enough to enroll in kindergarten, the vaccination exemption form accepted as valid at the student's previous school is valid until the earlier of the day on which:

(i) the student enrolls in kindergarten; or

(ii) the student turns six years old.

(c) If the student changes schools after the student is old enough to enroll in kindergarten but before the student is eligible to enroll in grade 7, the vaccination exemption form accepted as valid at the student's previous school is valid until the earlier of the day on which:

(i) the student enrolls in grade 7; or

(ii) the student turns 12 years old.

(d) If the student changes schools after the student is old enough to enroll in grade 7, the vaccination exemption form accepted as valid at the student's previous school is valid until the student completes grade 12.

(e) Notwithstanding Subsections (4)(b) and (c), a vaccination exemption form obtained

through completion of the online education module created in Section [26-7-9](#) is valid for at least two years.

Section 4. Section [53A-11-302.5](#) is repealed and reenacted to read:

53A-11-302.5. Vaccination exemption form.

(1) The department shall:

(a) develop a vaccination exemption form that includes only the following information:

(i) identifying information regarding:

(A) the student to whom an exemption applies; and

(B) the legally responsible individual who claims the exemption for the student and signs the vaccination exemption form;

(ii) an indication regarding the vaccines to which the exemption relates;

(iii) a statement that the claimed exemption is for:

(A) a medical reason; or

(B) a personal or religious belief; and

(iv) an explanation of the requirements, in the event of an outbreak of a disease for which a required vaccine exists, for a student who:

(A) has not received the required vaccine; and

(B) is not otherwise immune from the disease; and

(b) provide the vaccination exemption form created in this Subsection (1) to local health departments.

(2) (a) Each local health department shall designate one or more individuals from within the local health department as a health official to consult, regarding the requirements of this part, with:

(i) parents, upon the request of parents;

(ii) school principals and administrators; and

(iii) licensed health care providers.

(b) A local health department may designate a licensed health care provider as a health official designee to provide the services described in Subsection (2)(a).

(3) (a) To receive a vaccination exemption form described in Subsection (1), a legally responsible individual shall complete the online education module described in Section [26-7-9](#), permitting an individual to:

(i) complete any requirements online; and
(ii) download and print the vaccine exemption form immediately upon completion of
the requirements.

(b) A legally responsible individual may decline to take the online education module
and obtain a vaccination exemption form from a local health department, if the individual:

(i) requests and receives an in-person consultation at a local health department from a
health official or a health official designee regarding the requirements of this part; and

(ii) pays any fees established under Subsection (4)(b).

(4) (a) Neither the department nor any other person may charge a fee for the exemption
form offered through the online education module in Subsection (3)(a).

(b) A local health department may establish a fee of up to \$25 to cover the costs of
providing an in-person consultation.

Section 5. Repealer.

This bill repeals:

Section **53A-11-305, Immunization by local health departments -- Fees.**

Section 6. Effective date.

This bill takes effect on July 1, 2018.

Section 7. Coordinating H.B. 308 with H.B. 309 -- Superseding substantive and
technical amendments.

If this H.B. 308 and H.B. 309, Public Health in Schools, both pass and become law, it is
the intent of the Legislature that, on July 1, 2018, the amendments to Sections [53A-11-302](#),
[53A-11-302.5](#), and [53A-11-305](#) in this bill supersede the amendments to Sections [53A-11-302](#),
[53A-11-302.5](#), and [53A-11-305](#) in H.B. 309 when the Office of Legislative Research and
General Counsel prepares the Utah Code database for publication.
