

59 (2) The program shall provide information regarding women's health, including
 60 reproductive health care, to selected women inmates who are incarcerated for more than 30
 61 consecutive days in certain correctional facilities operated by the Department of Corrections.

62 (3) The department shall:

63 (a) establish the purpose and goals of the program in accordance with Subsection (4);

64 (b) create a curriculum or contract with a private provider to create a curriculum, based
 65 on the purpose and goals the department establishes, including the subjects under Subsection
 66 (4);

67 (c) prepare for class presentations, including teaching materials, materials for the
 68 participating women inmates, and informational documents;

69 (d) establish with the Department of Corrections the process and logistical
 70 requirements for making the class available to women inmates by live presentation or by the
 71 Internet; and

72 (e) provide instruction, or contract with a private provider to teach the class.

73 (4) The program curriculum shall include current information regarding women's
 74 reproductive health, including:

75 (a) reproductive life planning;

76 (b) contraception;

77 (c) disease prevention and treatment; and

78 (d) information regarding available community services for women's health.

79 (5) The department shall make the program available on a schedule for selected women
 80 inmates who are incarcerated for more than 30 consecutive days to attend the class within 30
 81 days ~~of~~ prior to ~~of~~ their release from incarceration.

82 Section 4. Section **64-13f-104** is enacted to read:

83 **64-13f-104. Requirements of the Department of Corrections.**

84 The Department of Corrections shall make available to the department, as needed, the
 85 room, seating, and other resources the department requires for the presentation of the class.

86 Section 5. Section **64-13f-105** is enacted to read:

87 **64-13f-105. Private sector and governmental funding.**

88 (1) The department shall submit applications for available funding from the private
 89 sector and from governmental agencies to address as many of the expenses of the program as
