37 *Be it enacted by the Legislature of the state of Utah:*

38 Section 1. Section **75-3-109** is amended to read:

39 **75-3-109. Letters upon several estates jointly.**

40 (1) Upon application or petition by any person interested in two or more estates, the
 41 registrar may, in an informal proceeding without a hearing, or the court may, in a formal
 42 proceeding after notice and hearing, grant letters upon these estates jointly if administration has
 43 not commenced with respect to [~~any such~~] the estate and if:

44 (a) [~~All~~] all or any part of the estate of one decedent has descended from another
 45 decedent; or

46 (b) [~~Two~~] two or more decedents held any property during their lifetimes as
 47 tenants-in-common and if the persons entitled under the wills of these decedents or under the
 48 law of intestate succession to receive the estates of these decedents are the same.

49 (2) If letters are granted upon two or more estates jointly under this section, these
 50 estates shall be administered the same as if they were but one estate except that claims may be
 51 enforced only against the estate to which they relate.

52 Section 2. Section **75-3-402** is amended to read:

53 **75-3-402. Formal testacy or appointment proceedings -- Petition -- Contents.**

54 (1) Petitions for formal probate of a will, or for adjudication of intestacy with or
 55 without request for appointment of a personal representative, shall be directed to the court,
 56 request a judicial order after notice and hearing, and contain further statements as indicated in
 57 this section. A petition for formal probate of a will:

58 (a) requests an order as to the testacy of the decedent in relation to a particular
59 instrument which may or may not have been informally probated and determining the heirs;

60 (b) contains the statements required for informal applications as stated in Subsection
61 75-3-301(2) and the statements required by Subsections 75-3-301(3)(b) and (c), and, if the
62 petition requests appointment of a personal representative, the statements required by
63 Subsection 75-3-301(4); and

64 (c) states whether the original of the last will of the decedent is in the possession of the
65 court, accompanies the petition, or was presented to the court for electronic storage or
66 electronic filing and is [not] in the possession of the petitioner or the petitioner's attorney.

67 (2) If the original will is not in the possession of the court, has not been presented to
68 the court for electronic storage or electronic filing, does not accompany the petition, and no
69 authenticated copy of a will probated in another jurisdiction accompanies the petition, the
70 petition also shall state the contents of the will and indicate that it is lost, destroyed, or
71 otherwise unavailable.

72 (3) A petition for adjudication of intestacy and appointment of an administrator in
73 intestacy shall request a judicial finding and order that the decedent left no will and,
74 determining the heirs, contain the statements required by Subsections 75-3-301(2) and
75 75-3-301(5) and indicate whether supervised administration is sought. A petition may request
76 an order determining intestacy and heirs without requesting the appointment of an
77 administrator, in which case, the statements required by Subsection 75-3-301(5)(b) may be
78 omitted.

79 Section 3. Section 75-5-304 is amended to read:

80 **75-5-304. Findings -- Limited guardianship preferred -- Order of appointment.**

81 (1) The court may appoint a guardian as requested if it is satisfied that the person for
82 whom a guardian is sought is incapacitated and that the appointment is necessary or desirable
83 as a means of providing continuing care and supervision of the incapacitated person.

84 (2) (a) The court shall prefer a limited guardianship and may only grant a full
85 guardianship if no other alternative exists. If the court does not grant a limited guardianship, a

86 specific finding shall be made that nothing less than a full guardianship is adequate.

87 (b) An order of appointment of a limited guardianship shall state the limitations of the
88 guardianship. Letters of guardianship for a limited guardianship shall state the limitations of
89 the guardianship unless the court determines for good cause shown that a limitation should not
90 be listed in the letters.

91 (3) A guardian appointed by will or written instrument, under Section 75-5-301, whose
92 appointment has not been prevented or nullified under Subsection 75-5-301(4), has priority
93 over any guardian who may be appointed by the court, but the court may proceed with an
94 appointment upon a finding that the testamentary or instrumental guardian has failed to accept
95 the appointment within 30 days after notice of the guardianship proceeding. Alternatively, the
96 court may dismiss the proceeding or enter any other appropriate order.

97 Section 4. Section 75-5-309 is amended to read:

98 **75-5-309. Notices in guardianship proceedings.**

99 (1) In a proceeding for the appointment or removal of a guardian of an incapacitated
100 person other than the appointment of ~~a temporary~~ an emergency guardian or temporary
101 suspension of a guardian, notice of hearing shall be given to each of the following:

102 (a) the ward or the person alleged to be incapacitated and spouse, parents, and adult
103 children of the ward or person;

104 (b) any person who is serving as guardian or conservator or who has care and custody
105 of the ward or person;

106 (c) in case no other person is notified under Subsection (1)(a), at least one of the
107 closest adult relatives, if any can be found; and

108 (d) any guardian appointed by the will of the parent who died later or spouse of the
109 incapacitated person.

110 (2) The notice shall be in plain language and large type and the form shall have the
111 final approval of the Judicial Council. The notice shall indicate the time and place of the
112 hearing, the possible adverse consequences to the person receiving notice of rights, a list of
113 rights, including the person's own or a court appointed counsel, and a copy of the petition.

114 (3) Notice shall be served personally on the alleged incapacitated person and the
115 person's spouse and parents if they can be found within the state. Notice to the spouse and
116 parents, if they cannot be found within the state, and to all other persons except the alleged
117 incapacitated person shall be given as provided in Section 75-1-401. Waiver of notice by the
118 person alleged to be incapacitated is not effective unless the person attends the hearing or the
119 person's waiver of notice is confirmed in an interview with the visitor appointed pursuant to
120 Section 75-5-303.

121 Section 5. Section 75-5-310 is amended to read:

122 **75-5-310. Emergency guardians.**

123 (1) If an incapacitated person has no guardian and an emergency exists or if an
124 appointed guardian is not effectively performing the guardian's duties and the court further
125 finds that the welfare of the incapacitated person requires immediate action, it may, without
126 notice, appoint an emergency guardian for the person for a specified period not to exceed 30
127 days pending notice and hearing.

128 (2) ~~[The]~~ Upon request by an interested person after the appointment of an emergency
129 guardian, the court shall~~[, in all cases in which an emergency guardian is appointed,]~~ hold a
130 hearing within 14 days pursuant to Section 75-5-303.

131 Section 6. Section 75-5-312 is amended to read:

132 **75-5-312. General powers and duties of guardian -- Penalties.**

133 (1) A guardian of an incapacitated person has only the powers, rights, and duties
134 respecting the ward granted in the order of appointment under Section 75-5-304.

135 (2) Except as provided in Subsection (4), a guardian has the same powers, rights, and
136 duties respecting the ward that a parent has respecting the parent's unemancipated minor child.

137 (3) In particular, and without qualifying the foregoing, a guardian has the following
138 powers and duties, except as modified by order of the court:

139 (a) To the extent that it is consistent with the terms of any order by a court of
140 competent jurisdiction relating to detention or commitment of the ward, the guardian is entitled
141 to custody of the person of the ward and may establish the ward's place of abode within or

142 without this state.

143 (b) If entitled to custody of the ward the guardian shall provide for the care, comfort,
144 and maintenance of the ward and, whenever appropriate, arrange for the ward's training and
145 education. Without regard to custodial rights of the ward's person, the guardian shall take
146 reasonable care of the ward's clothing, furniture, vehicles, and other personal effects and
147 commence protective proceedings if other property of the ward is in need of protection.

148 (c) A guardian may give any consents or approvals that may be necessary to enable the
149 ward to receive medical or other professional care, counsel, treatment, or service.

150 (d) A guardian may not unreasonably restrict visitation with the ward by family,
151 relatives, or friends.

152 (e) If no conservator for the estate of the ward has been appointed, the guardian may:

153 (i) institute proceedings to compel any person under a duty to support the ward or to
154 pay sums for the welfare of the ward to perform that duty;

155 (ii) compel the production of the ward's estate documents, including the ward's will,
156 trust, power of attorney, and any advance health care directive; and

157 (iii) receive money and tangible property deliverable to the ward and apply the money
158 and property for support, care, and education of the ward; but the guardian may not use funds
159 from the ward's estate for room and board which the guardian, the guardian's spouse, parent, or
160 child have furnished the ward unless a charge for the service is approved by order of the court
161 made upon notice to at least one adult relative in the nearest degree of kinship to the ward in
162 which there is an adult. The guardian shall exercise care to conserve any excess for the ward's
163 needs.

164 (f) (i) A guardian is required to report the condition of the ward and of the estate which
165 has been subject to the guardian's possession or control, as required by the court or court rule.

166 (ii) A guardian is required to immediately notify all interested persons if the guardian
167 reasonably believes that the ward's death is likely to occur within the next 30 days, based on:

168 (A) the guardian's own observations; or

169 (B) information from the ward's physician or other medical care providers.

170 (iii) A guardian is required to immediately notify all interested persons of the ward's
171 death.

172 (iv) Unless emergency conditions exist, a guardian is required to file with the court a
173 notice of the guardian's intent to move the ward and to serve the notice on all interested persons
174 at least 10 days before the move. The guardian shall take reasonable steps to notify all
175 interested persons and to file the notice with the court as soon as practicable following the
176 earlier of the move or the date when the guardian's intention to move the ward is made known
177 to the ward, the ward's care giver, or any other third party.

178 (v) ~~[The]~~ (A) If no conservator for the estate of the ward has been appointed, the
179 guardian shall, for all estates in excess of \$50,000, excluding the residence owned by the ward,
180 send a report with a full accounting to the court on an annual basis.

181 (B) For estates less than \$50,000, excluding the residence owned by the ward, the
182 guardian shall fill out an informal annual report and mail the report to the court.

183 (C) ~~[The]~~ A report under Subsection (3)(f)(v)(A) or (B) shall include [the following:] a
184 statement of assets at the beginning and end of the reporting year, income received during the
185 year, disbursements for the support of the ward, and other expenses incurred by the estate. The
186 guardian shall also report the physical conditions of the ward, the place of residence, and a list
187 of others living in the same household. The court may require additional information.

188 (D) The forms for both the informal report for estates under \$50,000, excluding the
189 residence owned by the ward, and the full accounting report for larger estates shall be approved
190 by the Judicial Council. ~~[This]~~

191 (E) An annual report shall be examined and approved by the court.

192 (F) If the ward's income is limited to a federal or state program requiring an annual
193 accounting report, a copy of that report may be submitted to the court in lieu of the required
194 annual report.

195 (vi) Corporate fiduciaries are not required to petition the court, but shall submit their
196 internal report annually to the court. The report shall be examined and approved by the court.

197 (vii) The guardian shall also render an annual accounting of the status of the person to

198 the court which shall be included in the petition or the informal annual report as required under
199 Subsection (3)(f). If a fee is paid for an accounting of an estate, no fee shall be charged for an
200 accounting of the status of a person.

201 (viii) If a guardian:

202 (A) makes a substantial misstatement on filings of annual reports;

203 (B) is guilty of gross impropriety in handling the property of the ward; or

204 (C) willfully fails to file the report required by this subsection, after receiving written
205 notice from the court of the failure to file and after a grace period of two months has elapsed,
206 the court may impose a penalty in an amount not to exceed \$5,000. The court may also order
207 restitution of funds misappropriated from the estate of a ward. The penalty shall be paid by the
208 guardian and may not be paid by the estate.

209 (ix) ~~[These]~~ The provisions and penalties in this Subsection (3)(f) governing annual
210 reports do not apply if the guardian or a coguardian is the parent of the ward.

211 (x) For the purposes of Subsections (3)(f)(i), (ii), (iii), and (iv), "interested persons"
212 means those persons required to receive notice in guardianship proceedings as set forth in
213 Section [75-5-309](#).

214 (g) If a conservator has been appointed[;]:

215 (i) all of the ward's estate received by the guardian in excess of those funds expended
216 to meet current expenses for support, care, and education of the ward shall be paid to the
217 conservator for management as provided in this code; and

218 (ii) the guardian shall account to the conservator for funds expended.

219 (4) (a) A court may, in the order of appointment, place specific limitations on the
220 guardian's power.

221 (b) A guardian may not prohibit or place restrictions on association with a relative or
222 qualified acquaintance of an adult ward, unless permitted by court order under Section
223 [75-5-312.5](#).

224 (c) A guardian is not liable to a third person for acts of the guardian's ward solely by
225 reason of the relationship described in Subsection (2).

226 (5) Any guardian of one for whom a conservator also has been appointed shall control
227 the custody and care of the ward and is entitled to receive reasonable sums for services and for
228 room and board furnished to the ward as agreed upon between the guardian and the
229 conservator, if the amounts agreed upon are reasonable under the circumstances. The guardian
230 may request the conservator to expend the ward's estate by payment to third persons or
231 institutions for the ward's care and maintenance.

232 (6) A person who refuses to accept the authority of a guardian with authority over
233 financial decisions to transact business with the assets of the protected person after receiving a
234 certified copy of letters of guardianship is liable for costs, expenses, attorney fees, and damages
235 if the court determines that the person did not act in good faith in refusing to accept the
236 authority of the guardian.

237 Section 7. Section **75-5-418** is amended to read:

238 **75-5-418. Inventory and records.**

239 (1) Within 90 days after appointment of a conservator, the conservator shall prepare
240 and file with the appointing court a complete inventory of the estate of the protected person
241 together with an oath or affirmation that it is complete and accurate so far as the conservator is
242 informed. The estate of the protected person does not include the assets of a trust.

243 (2) The conservator shall provide a copy of the inventory to the protected person if the
244 person:

- 245 (a) can be located;
- 246 (b) has attained the age of 14 years; and
- 247 (c) has sufficient mental capacity to understand these matters, and to any parent or
248 guardian with whom the protected person resides.

249 (3) The conservator shall keep suitable [~~administrative~~] financial records and produce
250 them upon the request of any interested person.

251 Section 8. Section **75-5-421** is amended to read:

252 **75-5-421. Recording of conservator's letters.**

253 (1) (a) Letters of conservatorship are evidence of transfer of [aH] the assets of a

254 protected person to the conservator.

255 (b) An order terminating a conservatorship is evidence of transfer of [a] the assets of
256 the estate from the conservator to the protected person or [his] the protected person's
257 successors.

258 (c) Subject to the requirements of general statutes governing the filing or recordation of
259 documents of title to land or other property, letters of conservatorship and orders terminating
260 conservatorships may be filed or recorded to give record notice of title as between the
261 conservator and the protected person.

262 (2) A person who refuses to accept the authority of a conservator to transact business
263 with the assets of the protected person after receiving a certified copy of letters of
264 conservatorship is liable for costs, expenses, attorney fees, and damages if the court determines
265 that the person did not act in good faith in refusing to accept the authority of the conservator.

266 Section 9. Section **75-5-424** is amended to read:

267 **75-5-424. Powers of conservator in administration.**

268 (1) A conservator has all of the powers conferred in this chapter and any additional
269 powers conferred by law on trustees in this state. In addition, a conservator of the estate of an
270 unmarried minor as to whom no one has parental rights, has the duties and powers of a
271 guardian of a minor described in Section **75-5-209** until the minor attains majority or marries,
272 but the parental rights so conferred on a conservator do not preclude appointment of a guardian
273 as provided by Part 2, Guardians of Minors.

274 (2) (a) A conservator has the power to compel the production of the protected person's
275 estate documents, including the protected person's will, trust, power of attorney, and any
276 advance health care directives.

280 reinvest funds of the estate as would a trustee.

281 (4) A conservator, acting reasonably in efforts to accomplish the purpose for which the

282 conservator was appointed, may act without court authorization or confirmation, to:

283 (a) collect, hold, and retain assets of the estate, including land in another state, until, in
284 ~~his~~ the conservator's judgment, disposition of the assets should be made, and the assets may
285 be retained even though they include an asset in which ~~he~~ the conservator is personally
286 interested;

287 (b) receive additions to the estate;

288 (c) continue or participate in the operation of any business or other enterprise;

312 consolidation, merger, dissolution, or liquidation of a corporation or other business enterprise;
313 (p) hold a security in the name of a nominee or in other form without disclosure of the
314 conservatorship so that title to the security may pass by delivery, but the conservator is liable
315 for any act of the nominee in connection with the stock so held;

317 liability with respect to third persons;

319 (ii) advance money for the protection of the estate or the protected person, and for all

329 incurred in the collection, care, administration, and protection of the estate;
- 330 (u) allocate items of income or expense to either estate income or principal, as
331 provided by law, including creation of reserves out of income for depreciation, obsolescence,

- 333 (v) pay any sum distributable to a protected person or dependent without liability to the
334 conservator, by paying the sum to the distributee or by paying the sum for the use of the
335 distributee either to the distributee's guardian, or if none, to a relative or other person with
336 custody of the person;
- 337 (w) (i) employ persons, including attorneys, auditors, investment advisors, or agents,

347 qualified beneficiary; and

348 (z) execute and deliver [~~all~~] the instruments [~~which~~] that will accomplish or facilitate
349 the exercise of the powers vested in the conservator.

350 Section 10. Section **75-5-425** is amended to read:

351 **75-5-425. Distributive duties and powers of conservator.**

352 (1) A conservator may expend or distribute income or principal of the estate without
353 court authorization or confirmation for the support, education, care, or benefit of the protected
354 person and [~~his~~] the protected person's dependents in accordance with the following principles:

355 (a) The conservator is to consider recommendations relating to the appropriate standard
356 of support, education, and benefit for the protected person made by a parent or guardian, if any.
357 [~~He~~] A conservator may not be surcharged for sums paid to persons or organizations actually
358 furnishing support, education, or care to the protected person pursuant to the recommendations
359 of a parent or guardian of the protected person unless [~~he~~] the conservator knows that the
360 parent or guardian is deriving personal financial benefit therefrom, including relief from any
361 personal duty of support, or unless the recommendations are clearly not in the best interests of
362 the protected person.

363 (b) The conservator is to expend or distribute sums reasonably necessary for the
364 support, education, care or benefit of the protected person with due regard to:

365 (i) the size of the estate, the probable duration of the conservatorship and the likelihood

366 that the protected person, at some future time, may be fully able to manage the protected
367 person's affairs and the estate which has been conserved for the protected person;

368 (ii) the accustomed standard of living of the protected person and members of the
369 protected person's household; and

370 (iii) other funds or sources used for the support of the protected person.

371 (c) The conservator may expend funds of the estate for the support of persons legally
372 dependent on the protected person and others who are members of the protected person's
373 household who are unable to support themselves and who are in need of support.

374 (d) Funds expended under this Subsection (1) may be paid by the conservator to any
375 person, including the protected person to reimburse for expenditures which the conservator
376 might have made, or in advance for services to be rendered to the protected person when it is
377 reasonable to expect that they will be performed and where advance payments are customary or
378 reasonably necessary under the circumstances.

379 (2) If the estate is ample to provide for the purposes implicit in the distributions
380 authorized by Subsection (1), a conservator for a protected person other than a minor has power
381 to make gifts to charity and other objects as the protected person might have been expected to
