235 **63F-1-203. Executive branch information technology strategic plan.**

236 (1) In accordance with this section, the chief information officer shall prepare an  
237 executive branch information technology strategic plan:

238 (a) that complies with this chapter; and

239 (b) [~~which shall include~~] that includes:

240 (i) a strategic plan for the:

241 (A) interchange of information related to information technology between executive  
242 branch agencies;

243 (B) coordination between executive branch agencies in the development and  
244 maintenance of information technology and information systems, including the coordination of

245 agency information technology plans described in Section 63F-1-204; and

246 (C) protection of the privacy of individuals who use state information technology or  
247 information systems, including the implementation of industry best practices for data and  
248 system security [~~that are identified in Subsection 63F-1-104(3)~~];

249 (ii) priorities for the development and implementation of information technology or  
250 information systems including priorities determined on the basis of:

251 (A) the importance of the information technology or information system; and

252 (B) the time sequencing of the information technology or information system; and

253 (iii) maximizing the use of existing state information technology resources.

254 (2) In the development of the executive branch strategic plan, the chief information  
255 officer shall consult with:

256 (a) all cabinet level officials; and

257 (b) the advisory board created in Section 63F-1-202[; ~~and (c) the group convened in  
258 accordance with Subsection 63F-1-104(3)~~].

259 (3) (a) Unless withdrawn by the chief information officer or the governor in accordance  
260 with Subsection (3)(b), the executive branch strategic plan takes effect 30 days after the day on  
261 which the executive branch strategic plan is submitted to:

262 (i) the governor; and

263 (ii) the Public Utilities, Energy, and Technology Interim Committee.

264 (b) The chief information officer or the governor may withdraw the executive branch  
265 strategic plan submitted under Subsection (3)(a) if the governor or chief information officer  
266 determines that the executive branch strategic plan:

267 (i) should be modified; or

268 (ii) for any other reason should not take effect.

269 (c) The Public Utilities, Energy, and Technology Interim Committee may make  
270 recommendations to the governor and to the chief information officer if the commission  
271 determines that the executive branch strategic plan should be modified or for any other reason  
272 should not take effect.

273 (d) Modifications adopted by the chief information officer shall be resubmitted to the  
274 governor and the Public Utilities, Energy, and Technology Interim Committee for their review  
275 or approval as provided in Subsections (3)(a) and (b).

276 (4) (a) The chief information officer shall, on or before January 1, 2014, and each year  
277 thereafter, modify the executive branch information technology strategic plan to incorporate  
278 security standards that:

279 (i) are identified as industry best practices in accordance with Subsections  
280 63F-1-104(3) and (4); and

281 (ii) can be implemented within the budget of the department or the executive branch  
282 agencies.

283 (b) The chief information officer shall inform the speaker of the House of  
284 Representatives and the president of the Senate on or before January 1 of each year if best  
285 practices identified in Subsection (4)(a)(i) are not adopted due to budget issues considered  
286 under Subsection (4)(a)(ii).

287 (5) ~~[The]~~ Each executive branch agency shall implement the executive branch strategic  
288 plan ~~[is to be implemented by executive branch agencies through each executive branch~~  
289 ~~agency]~~ by adopting an agency information technology plan in accordance with Section  
290 63F-1-204.

291 Section 6. Section 63F-1-204 is amended to read:

292 **63F-1-204. Agency information technology plans.**

293 (1) (a) By July 1 of each year, each executive branch agency shall submit an agency  
294 information technology plan to the chief information officer at the department level, unless the  
295 governor or the chief information officer request an information technology plan be submitted  
296 by a subunit of a department, or by an executive branch agency other than a department.

297 (b) The information technology plans required by this section shall be in the form and  
298 level of detail required by the chief information officer, by administrative rule adopted in  
299 accordance with Section 63F-1-206, and shall include, at least:

300 (i) the information technology objectives of the agency;

301 (ii) any performance measures used by the agency for implementing the agency's  
302 information technology objectives;

303 (iii) any planned expenditures related to information technology;

304 (iv) the agency's need for appropriations for information technology;

305 (v) how the agency's development of information technology coordinates with other  
306 state and local governmental entities;

307 (vi) any efforts the agency has taken to develop public and private partnerships to  
308 accomplish the information technology objectives of the agency;

309 (vii) the efforts the executive branch agency has taken to conduct transactions  
310 electronically in compliance with Section 46-4-503; and

311 (viii) the executive branch agency's plan for the timing and method of verifying the  
312 department's security standards, if an agency intends to verify the department's security  
313 standards for the data that the agency maintains or transmits through the department's servers.

314 (2) (a) Except as provided in Subsection (2)(b), an agency information technology plan  
315 described in Subsection (1) shall comply with the executive branch strategic plan established in  
316 accordance with Section 63F-1-203.

317 (b) If the executive branch agency submitting the agency information technology plan  
318 justifies the need to depart from the executive branch strategic plan, an agency information  
319 technology plan may depart from the executive branch strategic plan to the extent approved by  
320 the chief information officer.

321 ~~[(3)(a) On receipt of a state agency information technology plan, the chief information~~  
322 ~~officer shall forward a complete copy of the agency information technology plan to the~~  
323 ~~Division of Enterprise Technology created in Section 63F-1-401 and the Division of Integrated~~  
324 ~~Technology created in Section 63F-1-501.]~~

325 ~~[(b) The divisions shall provide the chief information officer a written analysis of each~~  
326 ~~agency plan submitted in accordance with Subsections 63F-1-404(14) and 63F-1-504(3).]~~

327 ~~[(4)(a)]~~ (3) The chief information officer shall review each agency plan to determine:

328 ~~[(i)(A)]~~ (a) (i) whether the agency plan complies with the executive branch strategic  
329 plan and state information architecture; or

330 ~~[(B)]~~ (ii) to the extent that the agency plan does not comply with the executive branch  
331 strategic plan or state information architecture, whether the executive branch entity is justified  
332 in departing from the executive branch strategic plan, or state information architecture; and

333 ~~[(ii)]~~ (b) whether the agency plan meets the information technology and other needs of:

334 ~~[(A)]~~ (i) the executive branch agency submitting the plan; and

335 ~~[(B)]~~ (ii) the state.

336 ~~[(b) In conducting the review required by Subsection (4)(a), the chief information~~  
337 ~~officer shall consider the analysis submitted by the divisions under Subsection (3).]~~

338           ~~[(5)]~~ (4) After the chief information officer conducts the review described in  
339 Subsection ~~[(4)]~~ (3) of an agency information technology plan, the chief information officer  
340 may:

- 341           (a) approve the agency information technology plan;
- 342           (b) disapprove the agency information technology plan; or
- 343           (c) recommend modifications to the agency information technology plan.

344           ~~[(6)]~~ (5) An executive branch agency or the department may not submit a request for  
345 appropriation related to information technology or an information technology system to the  
346 governor in accordance with Section 63J-1-201 until after the executive branch agency's  
347 information technology plan is approved by the chief information officer.

348           Section 7. Section 63F-1-205 is amended to read:

349           **63F-1-205. Approval of acquisitions of information technology.**

350           (1) (a) Except as provided in Title 63N, Chapter 13, Part 2, Government Procurement  
351 Private Proposal Program, in accordance with Subsection (2), the chief information officer  
352 shall approve the acquisition by an executive branch agency of:

- 353           (i) information technology equipment;
- 354           (ii) telecommunications equipment;
- 355           (iii) software;
- 356           (iv) services related to the items listed in Subsections (1)(a)(i) through (iii); and
- 357           (v) data acquisition.

358           (b) The chief information officer may negotiate the purchase, lease, or rental of private  
359 or public information technology or telecommunication services or facilities in accordance with  
360 this section.

361           (c) Where practical, efficient, and economically beneficial, the chief information  
362 officer shall use existing private and public information technology or telecommunication  
363 resources.

364           (d) Notwithstanding another provision of this section, an acquisition authorized by this  
365 section shall comply with rules made by the applicable rulemaking authority under Title 63G,  
366 Chapter 6a, Utah Procurement Code.

367           (2) Before negotiating a purchase, lease, or rental under Subsection (1) for an amount  
368 that exceeds the value established by the chief information officer by rule in accordance with

369 Section 63F-1-206, the chief information officer shall:

370 (a) conduct an analysis of the needs of executive branch agencies and subscribers of  
371 services and the ability of the proposed information technology or telecommunications services  
372 or supplies to meet those needs; and

373 (b) for purchases, leases, or rentals not covered by an existing statewide contract,  
374 certify in writing to the chief procurement officer in the Division of Purchasing and General  
375 Services that:

376 (i) the analysis required in Subsection (2)(a) was completed; and

377 (ii) based on the analysis, the proposed purchase, lease, rental, or master contract of  
378 services, products, or supplies is practical, efficient, and economically beneficial to the state  
379 and the executive branch agency or subscriber of services.

380 (3) In approving an acquisition described in Subsections (1) and (2), the chief  
381 information officer shall:

382 (a) establish by administrative rule, in accordance with Section 63F-1-206, standards  
383 under which an agency must obtain approval from the chief information officer before  
384 acquiring the items listed in Subsections (1) and (2);

417 (vi) consistency with budget submissions and planning components of budgets; and

418 (vii) whether the work is within the scope of projects or initiatives envisioned when the  
419 current fiscal year budget was approved.

420 (c) The chief information officer shall determine the required form of the project plan  
421 and business case analysis described in this Subsection (5).

422 ~~[(5)] (6)~~ The chief information officer and the Division of Purchasing and General  
423 Services within the Department of Administrative Services shall work cooperatively to  
424 establish procedures under which the chief information officer shall monitor and approve  
425 acquisitions as provided in this section.

426 Section 8. Section **63F-1-206** is amended to read:

427 **63F-1-206. Rulemaking -- Policies.**

428 (1) (a) Except as provided in Subsection (2), the chief information officer shall, by rule  
429 made in accordance with Title 63G, Chapter 3, Utah Administrative Rulemaking Act[; the  
430 chief information officer shall make rules that]:

- 431 (i) provide standards that impose requirements on executive branch agencies that:  
432 (A) are related to the security of the statewide area network; and  
433 (B) establish standards for when an agency must obtain approval before obtaining  
434 items listed in Subsection 63F-1-205(1);
- 435 (ii) specify the detail and format required in an agency information technology plan  
436 submitted in accordance with Section 63F-1-204;
- 437 (iii) provide for standards related to the privacy policies of websites operated by or on  
438 behalf of an executive branch agency;
- 439 (iv) provide for the acquisition, licensing, and sale of computer software;
- 440 (v) specify the requirements for the project plan and business case analysis required by  
441 Section 63F-1-205;
- 442 (vi) provide for project oversight of agency technology projects when required by  
443 Section 63F-1-205;
- 444 (vii) establish, in accordance with Subsection 63F-1-205(2), the implementation of the  
445 needs assessment for information technology purchases;
- 446 (viii) establish telecommunications standards and specifications in accordance with  
447 Section 63F-1-404; and
- 448 (ix) establish standards for accessibility of information technology by individuals with  
449 disabilities in accordance with Section 63F-1-210.
- 450 (b) The rulemaking authority [in] granted by this Subsection (1) is in addition to any  
451 other rulemaking authority granted by this title.
- 452 (2) (a) Notwithstanding Title 63G, Chapter 3, Utah Administrative Rulemaking Act,  
453 and subject to Subsection (2)(b), the chief information officer may adopt a policy that outlines  
454 procedures to be followed by the chief information officer in facilitating the implementation of  
455 this title by executive branch agencies if the policy:
- 456 (i) is consistent with the executive branch strategic plan; and  
457 (ii) is not required to be made by rule under Subsection (1) or Section 63G-3-201.
- 458 (b) (i) A policy adopted by the chief information officer under Subsection (2)(a) may  
459 not take effect until 30 days after the day on which the chief information officer submits the  
460 policy to:
- 461 (A) the governor; and

462 (B) all cabinet level officials.

463 (ii) During the 30-day period described in Subsection (2)(b)(i), cabinet level officials  
464 may review and comment on a policy submitted under Subsection (2)(b)(i).

465 (3) (a) Notwithstanding Subsection (1) or (2) or Title 63G, Chapter 3, Utah  
466 Administrative Rulemaking Act, without following the procedures of Subsection (1) or (2), the  
467 chief information officer may adopt a security procedure to be followed by executive branch  
468 agencies to protect the statewide area network if:

469 (i) broad communication of the security procedure would create a significant potential  
470 for increasing the vulnerability of the statewide area network to breach or attack; and

471 (ii) after consultation with the chief information officer, the governor agrees that broad  
472 communication of the security procedure would create a significant potential increase in the  
473 vulnerability of the statewide area network to breach or attack.

474 (b) A security procedure described in Subsection (3)(a) is classified as a protected  
475 record under Title 63G, Chapter 2, Government Records Access and Management Act.

476 (c) The chief information officer shall provide a copy of the security procedure as a  
477 protected record to:

478 (i) the chief justice of the Utah Supreme Court for the judicial branch;

479 (ii) the speaker of the House of Representatives and the president of the Senate for the  
480 legislative branch;

481 (iii) the chair of the Board of Regents; and

482 (iv) the chair of the State Board of Education.

483 Section 9. Section **63F-1-207** is amended to read:

484 **63F-1-207. Coordination within the executive branch -- Cooperation with other**  
485 **branches.**

486 (1) In accordance with the executive branch strategic plan and the requirements of this  
487 title, the chief information officer shall coordinate the development of information technology  
488 systems between two or more executive branch agencies subject to:

489 (a) the budget approved by the Legislature; and

490 (b) Title 63J, Chapter 1, Budgetary Procedures Act.

491 (2) In addition to the coordination described in Subsection (1), the chief information  
492 officer shall promote cooperation regarding information technology [~~in a manner consistent~~

493 ~~with the interbranch coordination plan created in accordance with Section 63F-1-201.] between~~  
494 ~~branches of state government.~~

495 Section 10. Section **63F-1-208** is amended to read:

496 **63F-1-208. Delegation of department functions.**

497 (1) (a) If the conditions of Subsections (1)(b) and (2) are met and subject to the other  
498 provisions of this section, the chief information officer may delegate a function of the  
499 department to another executive branch agency or an institution of higher education by contract  
500 or other means authorized by law.

501 (b) The chief information officer may delegate a function of the department as  
502 provided in Subsection (1)(a) if in the judgment of the director of the executive branch agency[;  
503 ~~the director of the division;~~] and the chief information officer:

504 (i) the executive branch agency or institution of higher education has requested that the  
505 function be delegated;

506 (ii) the executive branch agency or institution of higher education has the necessary  
507 resources and skills to perform or control the function to be delegated; and

508 (iii) the function to be delegated is a unique or ~~[mission critical]~~ mission-critical  
509 function of the agency or institution of higher education [~~which is not appropriate to: (A)~~  
510 ~~govern or manage under the Division of Enterprise Technology; or (B) govern or manage under~~  
511 ~~the Division of Integrated Technology.].~~

512 (2) The chief information officer may delegate a function of the department only when  
513 the delegation results in net cost savings or improved service delivery to the state as a whole or  
514 to the unique mission critical function of the executive branch agency.

515 (3) The delegation of a function under this section shall:

516 (a) be in writing;

517 (b) contain all of the following:

518 (i) a precise definition of each function to be delegated;

519 (ii) a clear description of the standards to be met in performing each function  
520 delegated;

521 (iii) a provision for periodic administrative audits by the [~~Division of Agency Services~~  
522 ~~in accordance with Section 63F-1-604]~~ department;

523 (iv) a date on which the agreement shall terminate if the agreement has not been

524 previously terminated or renewed; and

525 (v) any delegation of department staff to the agency to support the function in-house  
526 with the agency and rates to be charged for the delegated staff; and

527 (c) include a cost-benefit analysis justifying the delegation [~~in accordance with Section~~  
528 ~~63F-1-604~~].

529 (4) An agreement to delegate functions to an executive branch agency or an institution  
530 of higher education may be terminated by the department if the results of an administrative  
531 audit conducted by the [~~division~~] department reveals a lack of compliance with the terms of the  
532 agreement by the executive branch agency or institution of higher education.

533 Section 11. Section **63F-1-209** is amended to read:

534 **63F-1-209. Delegation of department staff to executive branch agencies --**  
535 **Prohibition against executive branch agency information technology staff.**

536 (1) (a) The chief information officer shall assign department staff to serve an agency  
537 in-house if the chief information officer and the executive branch agency director jointly  
538 determine it is appropriate to provide information technology services to:

539 (i) the agency's unique [~~mission-critical~~] mission-critical functions and applications;

540 (ii) the agency's participation in and use of statewide enterprise architecture [~~under the~~  
541 ~~Division of Enterprise Technology~~]; and

542 (iii) the agency's use of coordinated technology services with other agencies that share  
543 similar characteristics with the agency [~~under the Division of Integrated Technology~~].

544 (b) (i) An agency may request the chief information officer to assign in-house staff  
545 support from the department.

546 (ii) The chief information officer shall respond to the agency's request for in-house  
547 staff support in accordance with Subsection (1)(a).

548 (c) The department shall enter into service agreements with an agency when  
549 department staff is assigned in-house to the agency under the provisions of this section.

550 (d) An agency that receives in-house staff support assigned from the department under  
551 the provision of this section is responsible for paying the rates charged by the department for  
552 that staff as established under Section [63F-1-301](#).

553 (2) (a) [~~After July 1, 2006, an~~] An executive branch agency may not create a full-time  
554 equivalent position or part-time position, or request an appropriation to fund a full-time

555 equivalent position or part-time position under the provisions of Section 63J-1-201 for the  
556 purpose of providing information technology services to the agency unless:

557 (i) the chief information officer has approved a delegation under Section 63F-1-208;  
558 and

559 (ii) the ~~[Division of Agency Services]~~ department conducts an audit under Section  
560 63F-1-604 and finds that the delegation of information technology services to the agency meets  
561 the requirements of Section 63F-1-208.

562 (b) The prohibition against a request for appropriation under Subsection (2)(a) does not  
563 apply to a request for appropriation needed to pay rates imposed under Subsection (1)(d).

564 Section 12. Section 63F-1-210 is amended to read:

565 **63F-1-210. Accessibility standards for executive branch agency information**  
566 **technology.**

567 (1) The chief information officer shall establish, by rule made in accordance with Title  
568 63G, Chapter 3, Utah Administrative Rulemaking Act:
