376 or from any reports from a mental health professional that there is a reasonable basis to believe
377 that the proposed patient has a mental illness that poses a substantial danger, as defined in
378 Section 62A-15-602, to self or others requiring involuntary commitment pending examination
379 and hearing; or, if the proposed patient has refused to submit to an interview with a mental
380 health professional as directed by the court or to go to a treatment facility voluntarily, the court
381 may issue an order, directed to a mental health officer or peace officer, to immediately place
382 the proposed patient in the custody of a local mental health authority or in a temporary
383 emergency facility as provided in Section 62A-15-634 to be detained for the purpose of
384 examination. Within 24 hours of the issuance of the order for examination, a local mental
385 health authority or its designee shall report to the court, orally or in writing, whether the patient
386 is, in the opinion of the examiners, mentally ill, whether the patient has agreed to become a
387 voluntary patient under Section 62A-15-625, and whether treatment programs are available and
388 acceptable without court proceedings. Based on that information, the court may, without
389 taking any further action, terminate the proceedings and dismiss the application. In any event,
390 if the examiner reports orally, the examiner shall immediately send the report in writing to the
391 clerk of the court.

392 [~~4~~] (5) Notice of commencement of proceedings for involuntary commitment, setting
393 forth the allegations of the application and any reported facts, together with a copy of any
394 official order of detention, shall be provided by the court to a proposed patient before, or upon,
395 placement in the custody of a local mental health authority or, with respect to any individual
396 presently in the custody of a local mental health authority whose status is being changed from
397 voluntary to involuntary, upon the filing of an application for that purpose with the court. A
398 copy of that order of detention shall be maintained at the place of detention.

399 [~~5~~] (6) Notice of commencement of those proceedings shall be provided by the court

400 as soon as practicable to the applicant, any legal guardian, any immediate adult family
401 members, legal counsel for the parties involved, the local mental health authority or its
402 designee, and any other persons whom the proposed patient or the court shall designate. That
403 notice shall advise those persons that a hearing may be held within the time provided by law. If
404 the patient has refused to permit release of information necessary for provisions of notice under
405 this subsection, the extent of notice shall be determined by the court.

406 ~~[(6)]~~ (7) Proceedings for commitment of an individual under the age of 18 years to ~~[the~~
407 ~~division]~~ a local mental health authority may be commenced ~~[by filing a written application~~
408 ~~with the juvenile court in accordance with the provisions of]~~ in accordance with Part 7,
409 Commitment of Persons Under Age 18 to Division of Substance Abuse and Mental Health.

410 ~~[(7)]~~ (8) The district court may, in its discretion, transfer the case to any other district
411 court within this state, provided that the transfer will not be adverse to the interest of the
412 proposed patient.

413 ~~[(8)]~~ (9) (a) Within 24 hours, excluding Saturdays, Sundays, and legal holidays, of the
414 issuance of a judicial order, or after commitment of a proposed patient to a local mental health
415 authority under court order for detention or examination, the court shall appoint two designated
416 examiners to examine the proposed patient. If requested by the proposed patient's counsel, the
417 court shall appoint, as one of the examiners, a reasonably available qualified person designated
418 by counsel. The examinations, to be conducted separately, shall be held at the home of the
419 proposed patient, a hospital or other medical facility, or at any other suitable place that is not
420 likely to have a harmful effect on the patient's health.

421 (b) The examiner shall inform the patient if not represented by an attorney that, if
422 desired, the patient does not have to say anything, the nature and reasons for the examination,
423 that it was ordered by the court, that any information volunteered could form part of the basis
424 for the patient's involuntary commitment, and that findings resulting from the examination will
425 be made available to the court.

426 (c) A time shall be set for a hearing to be held within 10 calendar days of the
427 appointment of the designated examiners, unless those examiners or a local mental health
428 authority or its designee informs the court prior to that hearing date that the patient is not
429 mentally ill, that the patient has agreed to become a voluntary patient under Section
430 [62A-15-625](#), or that treatment programs are available and acceptable without court

431 proceedings, in which event the court may, without taking any further action, terminate the
432 proceedings and dismiss the application.

433 (d) When the length of time between temporary commitment and the initial
434 commitment court hearing exceeds 72 hours, the local mental health authority or a designee of
435 the local mental health authority shall review the patient's condition regularly until the
436 commencement of the initial court hearing. If the local mental health authority or the designee
437 determines before the court hearing that the conditions justifying the findings leading to a
438 hearing for commitment no longer exist, the local mental health authority or the designee shall
439 immediately report that determination to the court.

440 [~~9~~] (10) (a) Before the hearing, an opportunity to be represented by counsel shall be
441 afforded to every proposed patient, and if neither the patient nor others provide counsel, the
442 court shall appoint counsel and allow counsel sufficient time to consult with the patient before
443 the hearing. In the case of an indigent patient, the payment of reasonable attorney fees for
444 counsel, as determined by the court, shall be made by the county in which the patient resides or
445 was found.

446 (b) The proposed patient, the applicant, and all other persons to whom notice is
447 required to be given shall be afforded an opportunity to appear at the hearing, to testify, and to
448 present and cross-examine witnesses. The court may, in its discretion, receive the testimony of
449 any other person. The court may allow a waiver of the patient's right to appear only for good
450 cause shown, and that cause shall be made a matter of court record.

451 (c) The court is authorized to exclude all persons not necessary for the conduct of the
452 proceedings and may, upon motion of counsel, require the testimony of each examiner to be
453 given out of the presence of any other examiners.

454 (d) The hearing shall be conducted in as informal a manner as may be consistent with
455 orderly procedure, and in a physical setting that is not likely to have a harmful effect on the
456 mental health of the proposed patient.

457 (e) The court shall consider all relevant historical and material information that is
458 offered, subject to the rules of evidence, including reliable hearsay under Rule 1102, Utah
459 Rules of Evidence.

460 (f) (i) A local mental health authority or its designee, or the physician in charge of the
461 patient's care shall, at the time of the hearing, provide the court with the following information:

- 462 (A) the detention order;
- 463 (B) admission notes;
- 464 (C) the diagnosis;
- 465 (D) any doctors' orders;
- 466 (E) progress notes;
- 467 (F) nursing notes; and
- 468 (G) medication records pertaining to the current commitment.

469 (ii) That information shall also be supplied to the patient's counsel at the time of the
470 hearing, and at any time prior to the hearing upon request.

471 ~~[(10)]~~ (11) The court shall order commitment of an individual who is 18 years of age or
472 older to a local mental health authority if, upon completion of the hearing and consideration of
473 the information presented in accordance with Subsection ~~[(9)]~~ (10)(e), the court finds by clear
474 and convincing evidence that:

- 475 (a) the proposed patient has a mental illness;
- 476 (b) because of the proposed patient's mental illness the proposed patient poses a
477 substantial danger~~[-as defined in Section 62A-15-602;]~~ to self or others, which may include the
478 inability to provide the basic necessities of life such as food, clothing, ~~[and]~~ or shelter, if
479 allowed to remain at liberty;
- 480 (c) the patient lacks the ability to engage in a rational decision-making process
481 regarding the acceptance of mental treatment as demonstrated by evidence of inability to weigh
482 the possible risks of accepting or rejecting treatment;
- 483 (d) there is no appropriate less-restrictive alternative to a court order of commitment;

484 and

485 (e) the local mental health authority can provide the individual with treatment that is
486 adequate and appropriate to the individual's conditions and needs. In the absence of the
487 required findings of the court after the hearing, the court shall ~~[forthwith]~~ dismiss the
488 proceedings.

489 ~~[(11)]~~ (12) (a) The order of commitment shall designate the period for which the
490 individual shall be treated. When the individual is not under an order of commitment at the
491 time of the hearing, that period may not exceed six months without benefit of a review hearing.
492 Upon such a review hearing, to be commenced prior to the expiration of the previous order, an

493 order for commitment may be for an indeterminate period, if the court finds by clear and
494 convincing evidence that the required conditions in Subsection [~~(10)~~] (11) will last for an
495 indeterminate period.

496 (b) The court shall maintain a current list of all patients under its order of commitment.
497 That list shall be reviewed to determine those patients who have been under an order of
498 commitment for the designated period. At least two weeks prior to the expiration of the
499 designated period of any order of commitment still in effect, the court that entered the original
500 order shall inform the appropriate local mental health authority or its designee. The local
501 mental health authority or its designee shall immediately reexamine the reasons upon which the
502 order of commitment was based. If the local mental health authority or its designee determines
503 that the conditions justifying that commitment no longer exist, it shall discharge the patient
504 from involuntary commitment and immediately report that to the court. Otherwise, the court
505 shall immediately appoint two designated examiners and proceed under Subsections [~~(8)~~] (9)
506 through [~~(10)~~] (11).

507 (c) The local mental health authority or its designee responsible for the care of a patient
508 under an order of commitment for an indeterminate period, shall at six-month intervals
509 reexamine the reasons upon which the order of indeterminate commitment was based. If the
510 local mental health authority or its designee determines that the conditions justifying that
511 commitment no longer exist, that local mental health authority or its designee shall discharge
512 the patient from its custody and immediately report the discharge to the court. If the local
513 mental health authority or its designee determines that the conditions justifying that
514 commitment continue to exist, the local mental health authority or its designee shall send a
515 written report of those findings to the court. The patient and the patient's counsel of record
516 shall be notified in writing that the involuntary commitment will be continued, the reasons for
517 that decision, and that the patient has the right to a review hearing by making a request to the
518 court. Upon receiving the request, the court shall immediately appoint two designated
519 examiners and proceed under Subsections [~~(8)~~] (9) through [~~(10)~~] (11).

520 [~~(12)~~] (13) In the event that the designated examiners are unable, because a proposed
521 patient refuses to submit to an examination, to complete that examination on the first attempt,
522 the court shall fix a reasonable compensation to be paid to those designated examiners for their
523 services.

524 ~~[(13)]~~ (14) Any person committed as a result of an original hearing or a person's legally
525 designated representative who is aggrieved by the findings, conclusions, and order of the court
526 entered in the original hearing has the right to a new hearing upon a petition filed with the court
527 within 30 days of the entry of the court order. The petition must allege error or mistake in the
528 findings, in which case the court shall appoint three impartial designated examiners previously
529 unrelated to the case to conduct an additional examination of the patient. The new hearing
530 shall, in all other respects, be conducted in the manner otherwise permitted.

531 ~~[(14)]~~ (15) Costs of all proceedings under this section shall be paid by the county in
532 which the proposed patient resides or is found.

533 Section 9. Section **62A-15-632** is amended to read:

534 **62A-15-632. Circumstances under which conditions justifying initial involuntary**
535 **commitment shall be considered to continue to exist.**

536 (1) After ~~[a person]~~ an individual has been involuntarily committed to the custody of a
537 local mental health authority under Subsection **62A-15-631**~~[(10)]~~(11), the conditions justifying
538 commitment under that subsection shall be considered to continue to exist, for purposes of
539 continued treatment under Subsection **62A-15-631**~~[(11)]~~(12) or conditional release under
540 Section **62A-15-637**, if the court finds that the patient is still mentally ill, and that absent an
541 order of involuntary commitment and without continued treatment the patient will suffer severe
542 and abnormal mental and emotional distress as indicated by recent past history, and will
543 experience deterioration in the patient's ability to function in the least restrictive environment,
544 thereby making the patient a substantial danger to self or others.

545 (2) A patient whose treatment is continued or who is conditionally released under the
546 terms of this section, shall be maintained in the least restrictive environment available that can
547 provide the patient with the treatment that is adequate and appropriate.

548 Section 10. Section **62A-15-635** is amended to read:

549 **62A-15-635. Notice of commitment.**

550 Whenever a patient has been temporarily, involuntarily committed to a local mental
551 health authority ~~[pursuant to]~~ under Section **62A-15-629** on the application of ~~[any person]~~ an
552 individual other than ~~[his]~~ the patient's legal guardian, spouse, or next of kin, the local mental
553 health authority or ~~[its]~~ a designee of the local mental health authority shall immediately notify
554 the patient's legal guardian, spouse, or next of kin, if known.

555 Section 11. Section ~~62A-15-637~~ is amended to read:

556 **62A-15-637. Release of patient to receive other treatment -- Placement in more**
557 **restrictive environment -- Procedures.**

558 (1) A local mental health authority or ~~[its]~~ a designee of a local mental health authority
559 may release an improved patient to less restrictive treatment ~~[as it may specify, and when~~
560 ~~agreed to in writing by the patient.]~~ when:

561 (a) the authority specifies the less restrictive treatment; and

562 (b) the patient agrees in writing to the less restrictive treatment.

563 (2) Whenever a local mental health authority or ~~[its designee]~~ a designee of a local
564 mental health authority determines that the conditions justifying commitment no longer exist,
565 the ~~[patient shall be discharged]~~ local mental health authority or the designee shall discharge
566 the patient. If the patient has been committed through judicial proceedings, ~~[a report~~
567 ~~describing that determination shall be sent]~~ the local mental health authority or the designee
568 shall prepare a report describing the determination and shall send the report to the clerk of the
569 court where the proceedings were held.

570 ~~[(2)]~~ (3) (a) A local mental health authority or ~~[its designee]~~ a designee of a local
571 mental health authority is authorized to issue an order for the immediate placement of a current
572 patient ~~[not previously released from an order of commitment]~~ into a more restrictive
573 environment, if:

574 (i) the local mental health authority or [its designee] a designee of a local mental health
575 authority has reason to believe that the ~~[less restrictive environment in which the patient has~~
576 ~~been placed]~~ patient's current environment is aggravating the patient's mental illness ~~[as~~
577 ~~defined in Subsection 62A-15-631(10), or that];~~ or

578 (ii) the patient has failed to comply with the specified treatment plan to which [he] the
579 patient had agreed in writing.

580 (b) ~~[That]~~ An order for a more restrictive environment shall include the reasons
581 therefor and shall authorize any peace officer to take the patient into physical custody and
582 transport ~~[him]~~ the patient to a facility designated by the division. Prior to or upon admission
583 to the more restrictive environment, or upon imposition of additional or different requirements
584 as conditions for continued release from inpatient care, copies of the order shall be personally
585 delivered to the patient and sent to the person in whose care the patient is placed. The order

586 shall also be sent to the patient's counsel of record and to the court that entered the original
587 order of commitment. The order shall inform the patient of the right to a hearing, as prescribed
588 in this section, the right to appointed counsel, and the other procedures prescribed in
589 Subsection ~~62A-15-631~~(9)(10).

590 (c) If the patient ~~[has been in the]~~ was in a less restrictive environment for more than
591 30 days and is aggrieved by the change to a more restrictive environment, the patient or ~~[his]~~
592 the patient's representative may request a hearing within 30 days of the change. Upon receiving
593 the request, the court shall immediately appoint two designated examiners and proceed
594 pursuant to Section ~~62A-15-631~~, with the exception of Subsection ~~62A-15-631~~(10)(11),
595 unless, by the time set for the hearing, the patient has ~~[again been placed in]~~ returned to the less
596 restrictive environment~~;~~ or the patient has in writing withdrawn ~~[his]~~ the request for a
597 hearing.

598 ~~[(3) The court shall find that either:]~~

599 ~~[(a) the less restrictive environment in which the patient has been placed is aggravating~~
600 ~~the patient's dangerousness or mental illness as defined in Subsection ~~62A-15-631~~(10), or the~~
601 ~~patient has failed to comply with a specified treatment plan to which he had agreed in writing;~~
602 ~~or]~~

603 ~~[(b) the less restrictive environment in which the patient has been placed is not~~
604 ~~aggravating the patient's mental illness or dangerousness, and the patient has not failed to~~
605 ~~comply with any specified treatment plan to which he had agreed in writing, in which event the~~
606 ~~order shall designate that the individual shall be placed and treated in a less restrictive~~
607 ~~environment appropriate for his needs:]~~

608 (d) The court shall make findings as to whether the criteria in Subsections (3)(a) and
609 (b) were met and whether the patient is in the least restrictive environment that is appropriate
610 for the patient's needs.

611 ~~[(4)]~~ (e) The court order shall also designate the environment for the patient's care and
612 the period for which the ~~[individual]~~ patient shall be treated, in no event to extend beyond
613 expiration of the original order of commitment.

614 ~~[(5)]~~ (4) Nothing contained in this section prevents a local mental health authority or
615 its designee, pursuant to Section ~~62A-15-636~~, from discharging a patient from commitment or
616 from placing a patient in an environment that is less restrictive than that ordered by the court.

617 Section 12. Section **62A-15-703** is amended to read:

618 **62A-15-703. Residential and inpatient settings -- Commitment proceeding --**
619 **Child in physical custody of local mental health authority.**

620 (1) A child may receive services from a local mental health authority in an inpatient or
621 residential setting only after a commitment proceeding, for the purpose of transferring physical
622 custody, has been conducted in accordance with the requirements of this section.

623 (2) That commitment proceeding shall be initiated by a petition for commitment, and
624 shall be a careful, diagnostic inquiry, conducted by a neutral and detached fact finder, pursuant
625 to the procedures and requirements of this section. If the findings described in Subsection (4)
626 exist, the proceeding shall result in the transfer of physical custody to the appropriate local
627 mental health authority, and the child may be placed in an inpatient or residential setting.

628 (3) The neutral and detached fact finder who conducts the inquiry:

629 (a) shall be a designated examiner, as defined in Subsection **62A-15-602(3)**; and

630 (b) may not profit, financially or otherwise, from the commitment or physical
631 placement of the child in that setting.

632 (4) Upon determination by ~~[the]~~ a fact finder that the following circumstances clearly
633 exist, ~~[he]~~ the fact finder may order that the child be committed to the physical custody of a
634 local mental health authority:

635 (a) the child has a mental illness, as defined in Subsection **62A-15-602(8)**;

636 (b) the child demonstrates a risk of ~~[harm to himself]~~, or a reasonable fear of the risk
637 of, substantial danger to self or others;

638 ~~[(c) the child is experiencing significant impairment in his ability to perform socially;]~~

639 ~~[(d)]~~ (c) the child will benefit from care and treatment by the local mental health
640 authority; and

641 ~~[(e)]~~ (d) there is no appropriate less-restrictive alternative.

642 (5) (a) The commitment proceeding before the neutral and detached fact finder shall be
643 conducted in as informal manner as possible~~[-]~~ and in a physical setting that is not likely to
644 have a harmful effect on the child.

645 (b) The child, the child's parent or legal guardian, the ~~[person who submitted the~~
646 ~~petition for commitment]~~ petitioner, and a representative of the appropriate local mental health
647 authority shall all receive informal notice of the date and time of the proceeding. Those parties

648 shall also be afforded an opportunity to appear and to address the petition for commitment.

649 (c) The neutral and detached fact finder may, in ~~[his]~~ the fact finder's discretion,
650 receive the testimony of any other person.

651 (d) The fact finder may allow ~~[the]~~ a child to waive ~~[his]~~ the child's right to be present
652 at the commitment proceeding, for good cause shown. If that right is waived, the purpose of
653 the waiver shall be made a matter of record at the proceeding.

654 (e) At the time of the commitment proceeding, the appropriate local mental health
655 authority, its designee, or the psychiatrist who has been in charge of the child's care prior to the
656 commitment proceeding, shall provide the neutral and detached fact finder with the following
657 information, as it relates to the period of current admission:

658 (i) the petition for commitment;

659 (ii) the admission notes;

660 (iii) the child's diagnosis;

661 (iv) physicians' orders;

662 (v) progress notes;

663 (vi) nursing notes; and

664 (vii) medication records.

665 (f) The information described in Subsection (5)(e) shall also be provided to the child's
666 parent or legal guardian upon written request.

667 (g) (i) The neutral and detached fact finder's decision of commitment shall state the
668 duration of the commitment. Any commitment to the physical custody of a local mental health
669 authority may not exceed 180 days. Prior to expiration of the commitment, and if further
670 commitment is sought, a hearing shall be conducted in the same manner as the initial
671 commitment proceeding, in accordance with the requirements of this section.

672 (ii) ~~[When]~~ At the conclusion of the hearing and subsequently in writing, when a
673 decision for commitment is made, the neutral and detached fact finder shall inform the child
674 and ~~[his]~~ the child's parent or legal guardian of that decision~~[-]~~ and of the reasons for ordering
675 commitment ~~[at the conclusion of the hearing, and also in writing]~~.

676 (iii) The neutral and detached fact finder shall state in writing the basis of ~~[his]~~ the
677 decision, with specific reference to each of the criteria described in Subsection (4), as a matter
678 of record.

679 ~~[(6) Absent the procedures and findings required by this section, a child may be~~
680 ~~temporarily committed to the physical custody of a local mental health authority only in~~
681 ~~accordance with the emergency procedures described in Subsection [62A-15-629](#)(1) or (2). A~~
682 ~~child temporarily committed in accordance with those emergency procedures may be held for a~~
683 ~~maximum of 72 hours, excluding Saturdays, Sundays, and legal holidays. At the expiration of~~
684 ~~that time period, the child shall be released unless the procedures and findings required by this~~
685 ~~section have been satisfied.]~~

686 (6) A child may be temporarily committed for a maximum of 72 hours, excluding
687 Saturdays, Sundays, and legal holidays, to the physical custody of a local mental health
688 authority in accordance with the procedures described in Section [62A-15-629](#) and upon
689 satisfaction of the risk factors described in Subsection (4). A child who is temporarily
690 committed shall be released at the expiration of the 72 hours unless the procedures and findings
691 required by this section for the commitment of a child are satisfied.

692 (7) A local mental health authority shall have physical custody of each child committed
693 to it under this section. The parent or legal guardian of a child committed to the physical
694 custody of a local mental health authority under this section, retains legal custody of the child,
695 unless legal custody has been otherwise modified by a court of competent jurisdiction. In cases
696 when the Division of Child and Family Services or the Division of Juvenile Justice Services
697 has legal custody of a child, that division shall retain legal custody for purposes of this part.

698 (8) The cost of caring for and maintaining a child in the physical custody of a local
699 mental health authority shall be assessed to and paid by the child's parents, according to their
700 ability to pay. For purposes of this section, the Division of Child and Family Services or the
701 Division of Juvenile Justice Services shall be financially responsible, in addition to the child's
702 parents, if the child is in the legal custody of either of those divisions at the time the child is
703 committed to the physical custody of a local mental health authority under this section, unless
704 Medicaid regulation or contract provisions specify otherwise. The Office of Recovery Services
705 shall assist those divisions in collecting the costs assessed pursuant to this section.

706 (9) Whenever application is made for commitment of a minor to a local mental health
707 authority under any provision of this section by a person other than the child's parent or
708 guardian, the local mental health authority or its designee shall notify the child's parent or
709 guardian. The parents shall be provided sufficient time to prepare and appear at any scheduled

710 proceeding.

711 (10) (a) Each child committed pursuant to this section is entitled to an appeal within 30
712 days after any order for commitment. The appeal may be brought on the child's own petition[;]
713 or that of [his] the child's parent or legal guardian, to the juvenile court in the district where the
714 child resides or is currently physically located. With regard to a child in the custody of the
715 Division of Child and Family Services or the Division of Juvenile Justice Services, the attorney
716 general's office shall handle the appeal, otherwise the appropriate county attorney's office is
717 responsible for appeals brought pursuant to this Subsection (10)(a).

718 (b) Upon receipt of the petition for appeal, the court shall appoint a designated
719 examiner previously unrelated to the case, to conduct an examination of the child in accordance
720 with the criteria described in Subsection (4), and file a written report with the court. The court
721 shall then conduct an appeal hearing to determine whether the findings described in Subsection
722 (4) exist by clear and convincing evidence.

723 (c) Prior to the time of the appeal hearing, the appropriate local mental health authority,
724 its designee, or the mental health professional who has been in charge of the child's care prior
725 to commitment, shall provide the court and the designated examiner for the appeal hearing with
726 the following information, as it relates to the period of current admission:

- 727 (i) the original petition for commitment;
728 (ii) admission notes;
729 (iii) diagnosis;
730 (iv) physicians' orders;
731 (v) progress notes;
732 (vi) nursing notes; and
733 (vii) medication records.

734 (d) Both the neutral and detached fact finder and the designated examiner appointed for
735 the appeal hearing shall be provided with an opportunity to review the most current
736 information described in Subsection (10)(c) prior to the appeal hearing.

737 (e) The child, [his] the child's parent or legal guardian, the person who submitted the
738 original petition for commitment, and a representative of the appropriate local mental health
739 authority shall be notified by the court of the date and time of the appeal hearing. Those
740 persons shall be afforded an opportunity to appear at the hearing. In reaching its decision, the

741 court shall review the record and findings of the neutral and detached fact finder, the report of
742 the designated examiner appointed pursuant to Subsection (10)(b), and may, in its discretion,
743 allow or require the testimony of the neutral and detached fact finder, the designated examiner,
744 the child, the child's parent or legal guardian, the person who brought the initial petition for
745 commitment, or any other person whose testimony the court deems relevant. The court may
746 allow the child to waive [his] the right to appear at the appeal hearing, for good cause shown.
747 If that waiver is granted, the purpose shall be made a part of the court's record.

748 (11) Each local mental health authority has an affirmative duty to conduct periodic
749 evaluations of the mental health and treatment progress of every child committed to its physical
750 custody under this section, and to release any child who has sufficiently improved so that the
751 criteria justifying commitment no longer exist.

752 (12) (a) A local mental health authority or its designee, in conjunction with the child's
753 current treating mental health professional may release an improved child to a less restrictive
754 environment, as they determine appropriate. Whenever the local mental health authority or its
755 designee, and the child's current treating mental health professional, determine that the
756 conditions justifying commitment no longer exist, the child shall be discharged and released to
757 [his] the child's parent or legal guardian. With regard to a child who is in the physical custody
758 of the State Hospital, the treating psychiatrist or clinical director of the State Hospital shall be
759 the child's current treating mental health professional.

760 (b) A local mental health authority or its designee, in conjunction with the child's
761 current treating mental health professional, is authorized to issue a written order for the
762 immediate placement of a child not previously released from an order of commitment into a
763 more restrictive environment, if the local authority or its designee and the child's current
764 treating mental health professional has reason to believe that the less restrictive environment in
765 which the child has been placed is exacerbating [his] the child's mental illness, or increasing
766 the risk of harm to [himself] self or others.

767 (c) The written order described in Subsection (12)(b) shall include the reasons for
768 placement in a more restrictive environment and shall authorize any peace officer to take the
769 child into physical custody and transport [him] the child to a facility designated by the
770 appropriate local mental health authority in conjunction with the child's current treating mental
771 health professional. Prior to admission to the more restrictive environment, copies of the order

772 shall be personally delivered to the child, [~~his~~] the child's parent or legal guardian, the
773 administrator of the more restrictive environment, or [~~his~~] the administrator's designee, and the
774 child's former treatment provider or facility.

775 (d) If the child has been in a less restrictive environment for more than 30 days and is
776 aggrieved by the change to a more restrictive environment, the child or [~~his~~] the child's
777 representative may request a review within 30 days of the change, by a neutral and detached
778 fact finder as described in Subsection (3). The fact finder shall determine whether:

779 (i) the less restrictive environment in which the child has been placed is exacerbating
780 [~~his~~] the child's mental illness[;] or increasing the risk of harm to [~~himself~~] self or others; or

781 (ii) the less restrictive environment in which the child has been placed is not
782 exacerbating [~~his~~] the child's mental illness[;] or increasing the risk of harm to [~~himself~~] self or
783 others, in which case the fact finder shall designate that the child remain in the less restrictive
784 environment.

785 (e) Nothing in this section prevents a local mental health authority or its designee, in
786 conjunction with the child's current mental health professional, from discharging a child from
787 commitment or from placing a child in an environment that is less restrictive than that
788 designated by the neutral and detached fact finder.

789 (13) Each local mental health authority or its designee, in conjunction with the child's
790 current treating mental health professional shall discharge any child who, in the opinion of that
791 local authority, or its designee, and the child's current treating mental health professional, no
792 longer meets the criteria specified in Subsection (4), except as provided by Section [78A-6-120](#).
793 The local authority and the mental health professional shall assure that any further supportive
794 services required to meet the child's needs upon release will be provided.

795 (14) Even though a child has been committed to the physical custody of a local mental
796 health authority [~~pursuant to~~] under this section, the child is still entitled to additional due
797 process proceedings, in accordance with Section [62A-15-704](#), before any treatment [~~which~~]
798 that may affect a constitutionally protected liberty or privacy interest is administered. Those
799 treatments include, but are not limited to, antipsychotic medication, electroshock therapy, and
800 psychosurgery.
