358 a seven-day period immediately preceding the certification the physician or designated  
359 examiner has examined the individual, and that the physician or designated examiner is of the  
360 opinion that the individual ~~[is mentally ill]~~ has a mental illness and should be involuntarily  
361 committed; or

362 (ii) a written statement by the applicant that:

363 (A) the individual has been requested to, but has refused to, submit to an examination  
364 of mental condition by a licensed physician or designated examiner;

365 (B) is sworn to under oath; and

366 (C) states the facts upon which the application is based.

367 (2) (a) Subject to Subsection (2)(b), before issuing a judicial order, the court may  
368 require the applicant to consult with the appropriate local mental health authority, and may  
369 direct a mental health professional from that local mental health authority to interview the  
370 applicant and the proposed patient to determine the existing facts and report them to the court.

371 (b) The consultation described in Subsection (2)(a):

372 (i) may take place at or before the hearing; and

373 (ii) is required if the local mental health authority appears at the hearing.

374 (3) In a commitment application, at least one designated examiner shall be a licensed  
375 physician. Neither the civil commitment applicant nor the individual who signs the certification  
376 under Subsection (1) may be a designated examiner in the same application.

377 [~~3~~] (4) If the court finds from the application, from any other statements under oath,  
378 or from any reports from a mental health professional that there is a reasonable basis to believe  
379 that the proposed patient has a mental illness that poses a substantial danger, as defined in  
380 Section 62A-15-602, to self or others requiring involuntary commitment pending examination  
381 and hearing; or, if the proposed patient has refused to submit to an interview with a mental  
382 health professional as directed by the court or to go to a treatment facility voluntarily, the court  
383 may issue an order, directed to a mental health officer or peace officer, to immediately place  
384 the proposed patient in the custody of a local mental health authority or in a temporary  
385 emergency facility as provided in Section 62A-15-634 to be detained for the purpose of  
386 examination. Within 24 hours of the issuance of the order for examination, a local mental  
387 health authority or its designee shall report to the court, orally or in writing, whether the patient  
388 is, in the opinion of the examiners, mentally ill, whether the patient has agreed to become a  
389 voluntary patient under Section 62A-15-625, and whether treatment programs are available and  
390 acceptable without court proceedings. Based on that information, the court may, without  
391 taking any further action, terminate the proceedings and dismiss the application. In any event,  
392 if the examiner reports orally, the examiner shall immediately send the report in writing to the  
393 clerk of the court.

394 [~~4~~] (5) Notice of commencement of proceedings for involuntary commitment, setting  
395 forth the allegations of the application and any reported facts, together with a copy of any  
396 official order of detention, shall be provided by the court to a proposed patient before, or upon,  
397 placement in the custody of a local mental health authority or, with respect to any individual

398 presently in the custody of a local mental health authority whose status is being changed from  
399 voluntary to involuntary, upon the filing of an application for that purpose with the court. A  
400 copy of that order of detention shall be maintained at the place of detention.

401 ~~[(5)]~~ (6) Notice of commencement of those proceedings shall be provided by the court  
402 as soon as practicable to the applicant, any legal guardian, any immediate adult family  
403 members, legal counsel for the parties involved, the local mental health authority or its  
404 designee, and any other persons whom the proposed patient or the court shall designate. That  
405 notice shall advise those persons that a hearing may be held within the time provided by law. If  
406 the patient has refused to permit release of information necessary for provisions of notice under  
407 this subsection, the extent of notice shall be determined by the court.

408 ~~[(6)]~~ (7) Proceedings for commitment of an individual under the age of 18 years to ~~[the~~  
409 ~~division]~~ a local mental health authority may be commenced ~~[by filing a written application~~  
410 ~~with the juvenile court in accordance with the provisions of]~~ in accordance with Part 7,  
411 Commitment of Persons Under Age 18 to Division of Substance Abuse and Mental Health.

412 ~~[(7)]~~ (8) The district court may, in its discretion, transfer the case to any other district  
413 court within this state, provided that the transfer will not be adverse to the interest of the  
414 proposed patient.

415 ~~[(8)]~~ (9) (a) Within 24 hours, excluding Saturdays, Sundays, and legal holidays, of the  
416 issuance of a judicial order, or after commitment of a proposed patient to a local mental health  
417 authority under court order for detention or examination, the court shall appoint two designated  
418 examiners to examine the proposed patient. If requested by the proposed patient's counsel, the  
419 court shall appoint, as one of the examiners, a reasonably available qualified person designated  
420 by counsel. The examinations, to be conducted separately, shall be held at the home of the  
421 proposed patient, a hospital or other medical facility, or at any other suitable place that is not  
422 likely to have a harmful effect on the patient's health.

423 (b) The examiner shall inform the patient if not represented by an attorney that, if  
424 desired, the patient does not have to say anything, the nature and reasons for the examination,  
425 that it was ordered by the court, that any information volunteered could form part of the basis  
426 for the patient's involuntary commitment, and that findings resulting from the examination will  
427 be made available to the court.

428 (c) A time shall be set for a hearing to be held within 10 calendar days of the

429 appointment of the designated examiners, unless those examiners or a local mental health  
430 authority or its designee informs the court prior to that hearing date that the patient is not  
431 mentally ill, that the patient has agreed to become a voluntary patient under Section  
432 [62A-15-625](#), or that treatment programs are available and acceptable without court  
433 proceedings, in which event the court may, without taking any further action, terminate the  
434 proceedings and dismiss the application.

435 (d) If the local mental health authority or the designee determines before the court  
436 hearing that the conditions justifying the findings leading to a hearing for commitment no  
437 longer exist, the local mental health authority or the designee shall immediately report that  
438 determination to the court.

439 ~~[(9)]~~ (10) (a) Before the hearing, an opportunity to be represented by counsel shall be  
440 afforded to every proposed patient, and if neither the patient nor others provide counsel, the  
441 court shall appoint counsel and allow counsel sufficient time to consult with the patient before  
442 the hearing. In the case of an indigent patient, the payment of reasonable attorney fees for  
443 counsel, as determined by the court, shall be made by the county in which the patient resides or  
444 was found.

445 (b) The proposed patient, the applicant, and all other persons to whom notice is  
446 required to be given shall be afforded an opportunity to appear at the hearing, to testify, and to  
447 present and cross-examine witnesses. The court may, in its discretion, receive the testimony of  
448 any other person. The court may allow a waiver of the patient's right to appear only for good  
449 cause shown, and that cause shall be made a matter of court record.

450 (c) The court is authorized to exclude all persons not necessary for the conduct of the  
451 proceedings and may, upon motion of counsel, require the testimony of each examiner to be  
452 given out of the presence of any other examiners.

453 (d) The hearing shall be conducted in as informal a manner as may be consistent with  
454 orderly procedure, and in a physical setting that is not likely to have a harmful effect on the  
455 mental health of the proposed patient.

456 (e) The court shall consider all relevant historical and material information that is  
457 offered, subject to the rules of evidence, including reliable hearsay under Rule 1102, Utah  
458 Rules of Evidence.

459 (f) (i) A local mental health authority or its designee, or the physician in charge of the

460 patient's care shall, at the time of the hearing, provide the court with the following information:

461 (A) the detention order;

462 (B) admission notes;

463 (C) the diagnosis;

464 (D) any doctors' orders;

465 (E) progress notes;

466 (F) nursing notes; and

467 (G) medication records pertaining to the current commitment.

468 (ii) That information shall also be supplied to the patient's counsel at the time of the  
469 hearing, and at any time prior to the hearing upon request.

470 ~~[(10)]~~ (11) The court shall order commitment of an individual who is 18 years of age or  
471 older to a local mental health authority if, upon completion of the hearing and consideration of  
472 the information presented in accordance with Subsection ~~[(9)]~~ (10)(e), the court finds by clear  
473 and convincing evidence that:

474 (a) the proposed patient has a mental illness;

475 (b) because of the proposed patient's mental illness the proposed patient poses a  
476 substantial danger~~[, as defined in Section 62A-15-602;]~~ to self or others, which may include the  
477 inability to provide the basic necessities of life such as food, clothing, ~~and~~ or shelter, if  
478 allowed to remain at liberty;

479 (c) the patient lacks the ability to engage in a rational decision-making process  
480 regarding the acceptance of mental treatment as demonstrated by evidence of inability to weigh  
481 the possible risks of accepting or rejecting treatment;

482 (d) there is no appropriate less-restrictive alternative to a court order of commitment;

483 and

484 (e) the local mental health authority can provide the individual with treatment that is  
485 adequate and appropriate to the individual's conditions and needs. In the absence of the  
486 required findings of the court after the hearing, the court shall ~~[forthwith]~~ dismiss the  
487 proceedings.

488 ~~[(11)]~~ (12) (a) The order of commitment shall designate the period for which the  
489 individual shall be treated. When the individual is not under an order of commitment at the  
490 time of the hearing, that period may not exceed six months without benefit of a review hearing.

491 Upon such a review hearing, to be commenced prior to the expiration of the previous order, an  
492 order for commitment may be for an indeterminate period, if the court finds by clear and  
493 convincing evidence that the required conditions in Subsection [~~(10)~~] (11) will last for an  
494 indeterminate period.

495 (b) The court shall maintain a current list of all patients under its order of commitment.  
496 That list shall be reviewed to determine those patients who have been under an order of  
497 commitment for the designated period. At least two weeks prior to the expiration of the  
498 designated period of any order of commitment still in effect, the court that entered the original  
499 order shall inform the appropriate local mental health authority or its designee. The local  
500 mental health authority or its designee shall immediately reexamine the reasons upon which the  
501 order of commitment was based. If the local mental health authority or its designee determines  
502 that the conditions justifying that commitment no longer exist, it shall discharge the patient  
503 from involuntary commitment and immediately report that to the court. Otherwise, the court  
504 shall immediately appoint two designated examiners and proceed under Subsections [~~(8)~~] (9)  
505 through [~~(10)~~] (11).

506 (c) The local mental health authority or its designee responsible for the care of a patient  
507 under an order of commitment for an indeterminate period, shall at six-month intervals  
508 reexamine the reasons upon which the order of indeterminate commitment was based. If the  
509 local mental health authority or its designee determines that the conditions justifying that  
510 commitment no longer exist, that local mental health authority or its designee shall discharge  
511 the patient from its custody and immediately report the discharge to the court. If the local  
512 mental health authority or its designee determines that the conditions justifying that  
513 commitment continue to exist, the local mental health authority or its designee shall send a  
514 written report of those findings to the court. The patient and the patient's counsel of record  
515 shall be notified in writing that the involuntary commitment will be continued, the reasons for  
516 that decision, and that the patient has the right to a review hearing by making a request to the  
517 court. Upon receiving the request, the court shall immediately appoint two designated  
518 examiners and proceed under Subsections [~~(8)~~] (9) through [~~(10)~~] (11).

519 [~~(12)~~] (13) In the event that the designated examiners are unable, because a proposed  
520 patient refuses to submit to an examination, to complete that examination on the first attempt,  
521 the court shall fix a reasonable compensation to be paid to those designated examiners for their

522 services.

523 ~~[(13)]~~ (14) Any person committed as a result of an original hearing or a person's legally  
524 designated representative who is aggrieved by the findings, conclusions, and order of the court  
525 entered in the original hearing has the right to a new hearing upon a petition filed with the court  
526 within 30 days of the entry of the court order. The petition must allege error or mistake in the  
527 findings, in which case the court shall appoint three impartial designated examiners previously  
528 unrelated to the case to conduct an additional examination of the patient. The new hearing  
529 shall, in all other respects, be conducted in the manner otherwise permitted.

530 ~~[(14)]~~ (15) Costs of all proceedings under this section shall be paid by the county in  
531 which the proposed patient resides or is found.

532 Section 9. Section **62A-15-632** is amended to read:

533 **62A-15-632. Circumstances under which conditions justifying initial involuntary**  
534 **commitment shall be considered to continue to exist.**

535 (1) After ~~[a person]~~ an individual has been involuntarily committed to the custody of a  
536 local mental health authority under Subsection **62A-15-631**~~[(10)]~~(11), the conditions justifying  
537 commitment under that subsection shall be considered to continue to exist, for purposes of  
538 continued treatment under Subsection **62A-15-631**~~[(11)]~~(12) or conditional release under  
539 Section **62A-15-637**, if the court finds that the patient is still mentally ill, and that absent an  
540 order of involuntary commitment and without continued treatment the patient will suffer severe  
541 and abnormal mental and emotional distress as indicated by recent past history, and will  
542 experience deterioration in the patient's ability to function in the least restrictive environment,  
543 thereby making the patient a substantial danger to self or others.

544 (2) A patient whose treatment is continued or who is conditionally released under the  
545 terms of this section, shall be maintained in the least restrictive environment available that can  
546 provide the patient with the treatment that is adequate and appropriate.

547 Section 10. Section **62A-15-635** is amended to read:

548 **62A-15-635. Notice of commitment.**

549 Whenever a patient has been temporarily, involuntarily committed to a local mental  
550 health authority ~~[pursuant to]~~ under Section **62A-15-629** on the application of ~~[any person]~~ an  
551 individual other than ~~[his]~~ the patient's legal guardian, spouse, or next of kin, the local mental  
552 health authority or ~~[its]~~ a designee of the local mental health authority shall immediately notify

553 the patient's legal guardian, spouse, or next of kin, if known.

554 Section 11. Section **62A-15-637** is amended to read:

555 **62A-15-637. Release of patient to receive other treatment -- Placement in more**  
 556 **restrictive environment -- Procedures.**

557 (1) A local mental health authority or ~~[its]~~ a designee of a local mental health authority  
 558 may release an improved patient to less restrictive treatment ~~[as it may specify, and when~~  
 559 ~~agreed to in writing by the patient.]~~ when:

560 (a) the authority specifies the less restrictive treatment; and

561 (b) the patient agrees in writing to the less restrictive treatment.

562 (2) Whenever a local mental health authority or ~~[its designee]~~ a designee of a local  
 563 mental health authority determines that the conditions justifying commitment no longer exist,  
 564 the ~~[patient shall be discharged]~~ local mental health authority or the designee shall discharge  
 565 the patient. If the patient has been committed through judicial proceedings, ~~[a report~~  
 566 describing that determination shall be sent] the local mental health authority or the designee  
 567 shall prepare a report describing the determination and shall send the report to the clerk of the  
 568 court where the proceedings were held.

569 ~~[(2)]~~ (3) (a) A local mental health authority or ~~[its designee]~~ a designee of a local  
 570 mental health authority is authorized to issue an order for the immediate placement of a current  
 571 patient ~~[not previously released from an order of commitment]~~ into a more restrictive  
 572 environment, if:

573 (i) the local mental health authority or ~~[its designee]~~ a designee of a local mental health  
 574 authority has reason to believe that the ~~[less restrictive environment in which the patient has~~  
 575 been placed] patient's current environment is aggravating the patient's mental illness ~~[as~~  
 576 defined in Subsection ~~62A-15-631~~(10), or that]; or

577 (ii) the patient has failed to comply with the specified treatment plan to which ~~[he]~~ the  
 578 patient had agreed in writing.

579 (b) ~~[That]~~ An order for a more restrictive environment shall include the reasons  
 580 therefor and shall authorize any peace officer to take the patient into physical custody and  
 581 transport ~~[him]~~ the patient to a facility designated by the ~~[division]~~ local mental health  
 582 authority. Prior to or upon admission to the more restrictive environment, or upon imposition  
 583 of additional or different requirements as conditions for continued release from inpatient care,

584 copies of the order shall be personally delivered to the patient and sent to the person in whose  
585 care the patient is placed. The order shall also be sent to the patient's counsel of record and to  
586 the court that entered the original order of commitment. The order shall inform the patient of  
587 the right to a hearing, as prescribed in this section, the right to appointed counsel, and the other  
588 procedures prescribed in Subsection 62A-15-631~~(9)~~(10).

589 (c) If the patient ~~[has been in the]~~ was in a less restrictive environment for more than  
590 30 days and is aggrieved by the change to a more restrictive environment, the patient or ~~[his]~~  
591 the patient's representative may request a hearing within 30 days of the change. Upon receiving  
592 the request, the court shall immediately appoint two designated examiners and proceed  
593 pursuant to Section 62A-15-631, with the exception of Subsection 62A-15-631~~(10)~~(11),  
594 unless, by the time set for the hearing, the patient has ~~[again been placed in]~~ returned to the less  
595 restrictive environment~~;~~ or the patient has in writing withdrawn ~~[his]~~ the request for a  
596 hearing.

597 ~~[(3) The court shall find that either:]~~

598 ~~[(a) the less restrictive environment in which the patient has been placed is aggravating~~  
599 ~~the patient's dangerousness or mental illness as defined in Subsection 62A-15-631(10), or the~~  
600 ~~patient has failed to comply with a specified treatment plan to which he had agreed in writing;~~  
601 ~~or]~~

602 ~~[(b) the less restrictive environment in which the patient has been placed is not~~  
603 ~~aggravating the patient's mental illness or dangerousness, and the patient has not failed to~~  
604 ~~comply with any specified treatment plan to which he had agreed in writing, in which event the~~  
605 ~~order shall designate that the individual shall be placed and treated in a less restrictive~~  
606 ~~environment appropriate for his needs.]~~

607 (d) The court shall make findings as to whether the criteria in Subsections (3)(a) and  
608 (b) were met and whether the patient is in the least restrictive environment that is appropriate  
609 for the patient's needs.

610 ~~[(4)]~~ (e) The court order shall also designate the environment for the patient's care and  
611 the period for which the ~~[individual]~~ patient shall be treated, in no event to extend beyond  
612 expiration of the original order of commitment.

613 ~~[(5)]~~ (4) Nothing contained in this section prevents a local mental health authority or  
614 its designee, pursuant to Section 62A-15-636, from discharging a patient from commitment or

615 from placing a patient in an environment that is less restrictive than that ordered by the court.

616 Section 12. Section **62A-15-703** is amended to read:

617 **62A-15-703. Residential and inpatient settings -- Commitment proceeding --**

618 **Child in physical custody of local mental health authority.**

619 (1) A child may receive services from a local mental health authority in an inpatient or  
620 residential setting only after a commitment proceeding, for the purpose of transferring physical  
621 custody, has been conducted in accordance with the requirements of this section.

622 (2) That commitment proceeding shall be initiated by a petition for commitment, and  
623 shall be a careful, diagnostic inquiry, conducted by a neutral and detached fact finder, pursuant  
624 to the procedures and requirements of this section. If the findings described in Subsection (4)  
625 exist, the proceeding shall result in the transfer of physical custody to the appropriate local  
626 mental health authority, and the child may be placed in an inpatient or residential setting.

627 (3) The neutral and detached fact finder who conducts the inquiry:

628 (a) shall be a designated examiner, as defined in Subsection [62A-15-602\(3\)](#); and

629 (b) may not profit, financially or otherwise, from the commitment or physical  
630 placement of the child in that setting.

631 (4) Upon determination by ~~the~~ a fact finder that the following circumstances clearly  
632 exist, ~~he~~ the fact finder may order that the child be committed to the physical custody of a  
633 local mental health authority:

634 (a) the child has a mental illness, as defined in Subsection [62A-15-602\(8\)](#);

635 (b) the child demonstrates a risk of ~~harm to himself~~, or a reasonable fear of the risk  
636 of, substantial danger to self or others;

637 ~~[(c) the child is experiencing significant impairment in his ability to perform socially;]~~

638 ~~[(d)]~~ (c) the child will benefit from care and treatment by the local mental health  
639 authority; and

640 ~~[(e)]~~ (d) there is no appropriate less-restrictive alternative.

641 (5) (a) The commitment proceeding before the neutral and detached fact finder shall be  
642 conducted in as informal manner as possible~~;~~ and in a physical setting that is not likely to  
643 have a harmful effect on the child.

644 (b) The child, the child's parent or legal guardian, the ~~[person who submitted the~~  
645 ~~petition for commitment]~~ petitioner, and a representative of the appropriate local mental health

646 authority shall all receive informal notice of the date and time of the proceeding. Those parties  
647 shall also be afforded an opportunity to appear and to address the petition for commitment.

648 (c) The neutral and detached fact finder may, in ~~[his]~~ the fact finder's discretion,  
649 receive the testimony of any other person.

650 (d) The fact finder may allow ~~[the]~~ a child to waive ~~[his]~~ the child's right to be present  
651 at the commitment proceeding, for good cause shown. If that right is waived, the purpose of  
652 the waiver shall be made a matter of record at the proceeding.

653 (e) At the time of the commitment proceeding, the appropriate local mental health  
654 authority, its designee, or the psychiatrist who has been in charge of the child's care prior to the  
655 commitment proceeding, shall provide the neutral and detached fact finder with the following  
656 information, as it relates to the period of current admission:

657 (i) the petition for commitment;

658 (ii) the admission notes;

659 (iii) the child's diagnosis;

660 (iv) physicians' orders;

661 (v) progress notes;

662 (vi) nursing notes; and

663 (vii) medication records.

664 (f) The information described in Subsection (5)(e) shall also be provided to the child's  
665 parent or legal guardian upon written request.

666 (g) (i) The neutral and detached fact finder's decision of commitment shall state the  
667 duration of the commitment. Any commitment to the physical custody of a local mental health  
668 authority may not exceed 180 days. Prior to expiration of the commitment, and if further  
669 commitment is sought, a hearing shall be conducted in the same manner as the initial  
670 commitment proceeding, in accordance with the requirements of this section.

671 (ii) ~~[When]~~ At the conclusion of the hearing and subsequently in writing, when a  
672 decision for commitment is made, the neutral and detached fact finder shall inform the child  
673 and ~~[his]~~ the child's parent or legal guardian of that decision~~;~~ and of the reasons for ordering  
674 commitment ~~[at the conclusion of the hearing, and also in writing]~~.

675 (iii) The neutral and detached fact finder shall state in writing the basis of ~~[his]~~ the  
676 decision, with specific reference to each of the criteria described in Subsection (4), as a matter

677 of record.

678 ~~[(6) Absent the procedures and findings required by this section, a child may be~~  
679 ~~temporarily committed to the physical custody of a local mental health authority only in~~  
680 ~~accordance with the emergency procedures described in Subsection [62A-15-629](#)(1) or (2). A~~  
681 ~~child temporarily committed in accordance with those emergency procedures may be held for a~~  
682 ~~maximum of 72 hours, excluding Saturdays, Sundays, and legal holidays. At the expiration of~~  
683 ~~that time period, the child shall be released unless the procedures and findings required by this~~  
684 ~~section have been satisfied.]~~

685 (6) A child may be temporarily committed for a maximum of 72 hours, excluding  
686 Saturdays, Sundays, and legal holidays, to the physical custody of a local mental health  
687 authority in accordance with the procedures described in Section [62A-15-629](#) and upon  
688 satisfaction of the risk factors described in Subsection (4). A child who is temporarily  
689 committed shall be released at the expiration of the 72 hours unless the procedures and findings  
690 required by this section for the commitment of a child are satisfied.

691 (7) A local mental health authority shall have physical custody of each child committed  
692 to it under this section. The parent or legal guardian of a child committed to the physical  
693 custody of a local mental health authority under this section, retains legal custody of the child,  
694 unless legal custody has been otherwise modified by a court of competent jurisdiction. In cases  
695 when the Division of Child and Family Services or the Division of Juvenile Justice Services  
696 has legal custody of a child, that division shall retain legal custody for purposes of this part.

697 (8) The cost of caring for and maintaining a child in the physical custody of a local  
698 mental health authority shall be assessed to and paid by the child's parents, according to their  
699 ability to pay. For purposes of this section, the Division of Child and Family Services or the  
700 Division of Juvenile Justice Services shall be financially responsible, in addition to the child's  
701 parents, if the child is in the legal custody of either of those divisions at the time the child is  
702 committed to the physical custody of a local mental health authority under this section, unless  
703 Medicaid regulation or contract provisions specify otherwise. The Office of Recovery Services  
704 shall assist those divisions in collecting the costs assessed pursuant to this section.

705 (9) Whenever application is made for commitment of a minor to a local mental health  
706 authority under any provision of this section by a person other than the child's parent or  
707 guardian, the local mental health authority or its designee shall notify the child's parent or

708 guardian. The parents shall be provided sufficient time to prepare and appear at any scheduled  
709 proceeding.

710 (10) (a) Each child committed pursuant to this section is entitled to an appeal within 30  
711 days after any order for commitment. The appeal may be brought on the child's own petition[;]  
712 or that of [his] the child's parent or legal guardian, to the juvenile court in the district where the  
713 child resides or is currently physically located. With regard to a child in the custody of the  
714 Division of Child and Family Services or the Division of Juvenile Justice Services, the attorney  
715 general's office shall handle the appeal, otherwise the appropriate county attorney's office is  
716 responsible for appeals brought pursuant to this Subsection (10)(a).

717 (b) Upon receipt of the petition for appeal, the court shall appoint a designated  
718 examiner previously unrelated to the case, to conduct an examination of the child in accordance  
719 with the criteria described in Subsection (4), and file a written report with the court. The court  
720 shall then conduct an appeal hearing to determine whether the findings described in Subsection  
721 (4) exist by clear and convincing evidence.

722 (c) Prior to the time of the appeal hearing, the appropriate local mental health authority,  
723 its designee, or the mental health professional who has been in charge of the child's care prior  
724 to commitment, shall provide the court and the designated examiner for the appeal hearing with  
725 the following information, as it relates to the period of current admission:

- 726 (i) the original petition for commitment;
- 727 (ii) admission notes;
- 728 (iii) diagnosis;
- 729 (iv) physicians' orders;
- 730 (v) progress notes;
- 731 (vi) nursing notes; and
- 732 (vii) medication records.

733 (d) Both the neutral and detached fact finder and the designated examiner appointed for  
734 the appeal hearing shall be provided with an opportunity to review the most current  
735 information described in Subsection (10)(c) prior to the appeal hearing.

736 (e) The child, [his] the child's parent or legal guardian, the person who submitted the  
737 original petition for commitment, and a representative of the appropriate local mental health  
738 authority shall be notified by the court of the date and time of the appeal hearing. Those

739 persons shall be afforded an opportunity to appear at the hearing. In reaching its decision, the  
740 court shall review the record and findings of the neutral and detached fact finder, the report of  
741 the designated examiner appointed pursuant to Subsection (10)(b), and may, in its discretion,  
742 allow or require the testimony of the neutral and detached fact finder, the designated examiner,  
743 the child, the child's parent or legal guardian, the person who brought the initial petition for  
744 commitment, or any other person whose testimony the court deems relevant. The court may  
745 allow the child to waive [~~his~~] the right to appear at the appeal hearing, for good cause shown.  
746 If that waiver is granted, the purpose shall be made a part of the court's record.

747 (11) Each local mental health authority has an affirmative duty to conduct periodic  
748 evaluations of the mental health and treatment progress of every child committed to its physical  
749 custody under this section, and to release any child who has sufficiently improved so that the  
750 criteria justifying commitment no longer exist.

751 (12) (a) A local mental health authority or its designee, in conjunction with the child's  
752 current treating mental health professional may release an improved child to a less restrictive  
753 environment, as they determine appropriate. Whenever the local mental health authority or its  
754 designee, and the child's current treating mental health professional, determine that the  
755 conditions justifying commitment no longer exist, the child shall be discharged and released to  
756 [~~his~~] the child's parent or legal guardian. With regard to a child who is in the physical custody  
757 of the State Hospital, the treating psychiatrist or clinical director of the State Hospital shall be  
758 the child's current treating mental health professional.

759 (b) A local mental health authority or its designee, in conjunction with the child's  
760 current treating mental health professional, is authorized to issue a written order for the  
761 immediate placement of a child not previously released from an order of commitment into a  
762 more restrictive environment, if the local authority or its designee and the child's current  
763 treating mental health professional has reason to believe that the less restrictive environment in  
764 which the child has been placed is exacerbating [~~his~~] the child's mental illness, or increasing  
765 the risk of harm to [~~himself~~] self or others.

766 (c) The written order described in Subsection (12)(b) shall include the reasons for  
767 placement in a more restrictive environment and shall authorize any peace officer to take the  
768 child into physical custody and transport [~~him~~] the child to a facility designated by the  
769 appropriate local mental health authority in conjunction with the child's current treating mental

770 health professional. Prior to admission to the more restrictive environment, copies of the order  
771 shall be personally delivered to the child, [~~his~~] the child's parent or legal guardian, the  
772 administrator of the more restrictive environment, or [~~his~~] the administrator's designee, and the  
773 child's former treatment provider or facility.

774 (d) If the child has been in a less restrictive environment for more than 30 days and is  
775 aggrieved by the change to a more restrictive environment, the child or [~~his~~] the child's  
776 representative may request a review within 30 days of the change, by a neutral and detached  
777 fact finder as described in Subsection (3). The fact finder shall determine whether:

778 (i) the less restrictive environment in which the child has been placed is exacerbating  
779 [~~his~~] the child's mental illness[;] or increasing the risk of harm to [~~himself~~] self or others; or

780 (ii) the less restrictive environment in which the child has been placed is not  
781 exacerbating [~~his~~] the child's mental illness[;] or increasing the risk of harm to [~~himself~~] self or  
782 others, in which case the fact finder shall designate that the child remain in the less restrictive  
783 environment.

784 (e) Nothing in this section prevents a local mental health authority or its designee, in  
785 conjunction with the child's current mental health professional, from discharging a child from  
786 commitment or from placing a child in an environment that is less restrictive than that  
787 designated by the neutral and detached fact finder.

788 (13) Each local mental health authority or its designee, in conjunction with the child's  
789 current treating mental health professional shall discharge any child who, in the opinion of that  
790 local authority, or its designee, and the child's current treating mental health professional, no  
791 longer meets the criteria specified in Subsection (4), except as provided by Section [78A-6-120](#).  
792 The local authority and the mental health professional shall assure that any further supportive  
793 services required to meet the child's needs upon release will be provided.

794 (14) Even though a child has been committed to the physical custody of a local mental  
795 health authority [~~pursuant to~~] under this section, the child is still entitled to additional due  
796 process proceedings, in accordance with Section [62A-15-704](#), before any treatment [~~which~~]  
797 that may affect a constitutionally protected liberty or privacy interest is administered. Those  
798 treatments include, but are not limited to, antipsychotic medication, electroshock therapy, and  
799 psychosurgery.
