52 (3) Except as provided in Subsection (6), within appropriations authorized by the  
53 Legislature, and notwithstanding the provisions of Part 3, Admission to an Intermediate Care  
54 Facility for People with an Intellectual Disability, only the following persons may be residents

63 (4) (a) Except as provided in Subsection (6), the division shall, in the division's  
64 discretion:

- 65 (i) place residents from the developmental center into appropriate less restrictive  
66 placements; and
- 67 (ii) determine each year the number to be placed based upon the individual assessed  
68 needs of the residents.

69 (b) The division shall confer with parents and guardians to ensure the most appropriate  
70 placement for each resident.

71 (5) Except as provided in Subsection (7), within appropriations authorized by the

- 82 (i) if the person does not have a legal representative or legal guardian:
  - 83 (A) inform the person of any feasible alternatives under the waiver; and

97 rather than a private intermediate care facility for people with an intellectual disability; and

105 (II) place the person in the developmental center or a private intermediate care facility  
106 for people with an intellectual disability.

107 (c) If a legal representative or legal guardian chooses, under Subsection (6)(a)(ii), to  
108 have the person placed in an intermediate care facility for people with an intellectual disability  
109 instead of receiving services in a home or community-based setting, the division shall:

110 (i) ask the legal representative or legal guardian whether the legal representative or  
111 legal guardian prefers to have the person placed in the developmental center rather than a  
112 private intermediate care facility for people with an intellectual disability; and

113 (ii) if the legal representative or legal guardian expresses a preference to have the  
114 person placed in the developmental center:

115 (A) place the person in the developmental center if the cost of placing the person in the  
116 developmental center is equal to, or less than, the cost of placing the person in a private  
117 intermediate care facility for people with an intellectual disability; or

118 (B) (I) strongly consider the legal representative's or legal guardian's preference for the  
119 person's placement if the cost of placing the person in the developmental center exceeds the  
120 cost of placing the person in a private intermediate care facility for people with an intellectual

121 disability; and

122 (II) place the person in the developmental center or a private intermediate care facility  
123 for people with an intellectual disability.
