32 *Be it enacted by the Legislature of the state of Utah:*

33 Section 1. Section **53A-1a-1001** is amended to read:

34 **53A-1a-1001. Definitions.**

35 As used in this part:

36 (1) "Contractor" means the educational technology provider selected by the State Board
 37 of Education under Section **53A-1a-1002**.

38 (2) "Low income" means an income below 185% of the federal poverty guideline.

39 (3) "Preschool children" means children who are:

40 (a) age four or five; and

41 (b) have not entered kindergarten.

42 (4) "UPSTART" means the [pitot] project established by Section **53A-1a-1002** that
 43 uses a home-based educational technology program to develop school readiness skills of
 44 preschool children.

45 Section 2. Section **53A-1a-1002** is amended to read:

46 **53A-1a-1002. UPSTART program to develop school readiness skills of preschool**
 47 **children.**

48 (1) UPSTART, a [pitot] project that uses a home-based educational technology
 49 program to develop school readiness skills of preschool children, is established within the
 50 public education system.

51 (2) UPSTART is created to:

52 (a) evaluate the effectiveness of giving preschool children access, at home, to
 53 interactive individualized instruction delivered by computers and the Internet to prepare them
 54 academically for success in school; and

55 (b) test the feasibility of scaling a home-based curriculum in reading, math, and science
 56 delivered by computers and the Internet to all preschool children in Utah.

57 (3) (a) The State Board of Education shall contract with an educational technology
 58 provider, selected through a request for proposals process, for the delivery of a home-based

59 educational technology program for preschool children that meets the requirements of
60 Subsection (4).

61 (b) (i) The State Board of Education shall, on or before July 1, 2019, issue a request for
62 proposals for two-year pilot proposals from one or more educational technology providers that
63 do not have an existing contract under this part with the state for the delivery of a home-based
64 educational technology program for preschool children that meets the requirements of
65 Subsection (4).

66 (ii) After the two-year pilots described in Subsection (3)(b)(i), the State Board of
67 Education may enter into a contract with one or more educational technology providers that
68 have participated in a Utah pilot.

69 (c) Every five years after July 1, 2021, the State Board of Education may issue a new
70 request for proposals described in this section.

71 (4) A home-based educational technology program for preschool children shall meet
72 the following standards:

73 (a) the contractor shall provide computer-assisted instruction for preschool children on
74 a home computer connected by the Internet to a centralized file storage facility;

75 (b) the contractor shall:

76 (i) provide technical support to families for the installation and operation of the
77 instructional software; and

78 (ii) provide for the installation of computer and Internet access in homes of low income
79 families that cannot afford the equipment and service;

80 (c) the contractor shall have the capability of doing the following through the Internet:

81 (i) communicating with parents;

82 (ii) updating the instructional software;

83 (iii) validating user access;

84 (iv) collecting usage data;

85 (v) storing research data; and

86 (vi) producing reports for parents, schools, and the Legislature;

87 (d) the program shall include the following components:

88 (i) computer-assisted, individualized instruction in reading, mathematics, and science;

89 (ii) a multisensory reading tutoring program; and

90 (iii) a validated computer adaptive reading test that does not require the presence of
91 trained adults to administer and is an accurate indicator of reading readiness of children who
92 cannot read;

93 (e) the contractor shall have the capability to quickly and efficiently modify, improve,
94 and support the product;

95 (f) the contractor shall work in cooperation with school district personnel who will
96 provide administrative and technical support of the program as provided in Section
97 [53A-1a-1003](#);

98 (g) the contractor shall solicit families to participate in the program as provided in
99 Section [53A-1a-1004](#); and

100 (h) in implementing the home-based educational technology program, the contractor
101 shall seek the advise and expertise of early childhood education professionals within the Utah
102 System of Higher Education on issues such as:

103 (i) soliciting families to participate in the program;

104 (ii) providing training to families; and

105 (iii) motivating families to regularly use the instructional software.

106 (5) (a) The contract shall provide funding for a home-based educational technology
107 program for preschool children [~~for one year with an option to extend the contract for~~
108 ~~additional years or to expand the program to a greater number of preschool children~~], subject to
109 the appropriation of money by the Legislature for UPSTART.

110 (b) An appropriation for a request for proposals described in Subsection (3)(b)(i) shall
111 be separate from an appropriation described in Subsection (5)(a).

112 [~~(6)(a) The State Board of Education shall issue a request for proposals for a~~
113 ~~home-based educational technology program for preschool children that takes effect upon the~~
114 ~~expiration of the pilot project on July 1, 2019, provided that the Legislature reauthorizes and~~
115 ~~funds the program.]~~

116 [~~(b)~~] (6) The State Board of Education shall evaluate a proposal based on:

117 [~~(i)~~] (a) whether the home-based educational technology program meets the standards
118 specified in Subsection (4);

119 [~~(ii)~~] (b) the results of an independent evaluation of the home-based educational
120 technology program;

121 [(iii)] (c) the experience of the home-based educational technology program provider;
122 and

123 [(iv)] (d) the per pupil cost of the home-based educational technology program.

124 Section 3. Section **53A-1a-1003** is amended to read:

125 **53A-1a-1003. School district participation in UPSTART.**

126 (1) A school district may participate in UPSTART if the local school board agrees to
127 work in cooperation with the contractor to provide administrative and technical support for [~~the~~
128 ~~pilot project~~] UPSTART.

129 (2) Family participants in UPSTART shall be solicited from school districts that
130 participate in UPSTART.

131 (3) A school district that participates in UPSTART shall:

132 (a) receive funding for:

133 (i) paraprofessional and technical support staff; and

134 (ii) travel, materials, and meeting costs of the program;

135 (b) participate in program training by the contractor; and

136 (c) agree to adopt standardized policies and procedures in implementing [~~the pilot~~
137 ~~project~~] UPSTART.

138 Section 4. Section **53A-1a-1004** is amended to read:

139 **53A-1a-1004. Family participation in UPSTART.**

140 (1) The contractor shall:

141 (a) solicit families to participate in UPSTART through a public information campaign
142 and referrals from participating school districts[-]; and

143 (b) work with the Department of Workforce Services and the State Board of Education
144 to solicit participation from families of children experiencing intergenerational poverty, as
145 defined in Section 35A-9-102, to participate in UPSTART.

146 (2) (a) Preschool children who participate in UPSTART shall:

147 (i) be from families with diverse socioeconomic and ethnic backgrounds; [~~and~~]

148 (ii) reside in different regions of the state in both urban and rural areas[-]; and

149 (iii) be given preference to participate if the preschool child's family resides in a rural
150 area with limited prekindergarten services.

151 (b) (i) If the number of families who would like to participate in UPSTART exceeds

152 the number of participants funded by the legislative appropriation, the contractor shall give
 153 priority to preschool children from low income families and preschool children who are
 154 English language learners.

155 (ii) At least 30% of the preschool children who participate in UPSTART shall be from
 156 low income families.

157 (3) A low income family that cannot afford a computer and Internet service to operate
 158 the instructional software may obtain a computer and peripheral equipment on loan and receive
 159 free Internet service for the duration of the family's participation in ~~[the pilot project]~~

160 UPSTART.

161 (4) (a) The contractor shall make the home-based educational technology program
 162 available to families at a cost agreed upon by the State Board of Education and the contractor if
 163 the number of families who would like to participate in UPSTART exceeds the number of
 164 participants funded by the legislative appropriation.

165 (b) The State Board of Education and the contractor shall annually post on their
 166 websites information on purchasing a home-based educational technology program as provided
 167 in Subsection (4)(a).

168 Section 5. Section **63I-2-253** is amended to read:
