Mr. Speaker,

The Health and Human Services Committee reports a favorable recommendation on **H.B. 309**, PUBLIC HEALTH IN SCHOOLS, by Representative N. K Thurston, with the following amendments:

1. *Page 13, Lines 383 through 394:*

- 383           (3) Upon the request of an official from a local health department in the case of a  
384 disease outbreak, a school principal or administrator shall:  
385           (a) notify the legally responsible individual of any student who is not immune to the  
386 outbreak disease, providing information regarding steps the legally responsible individual  
              may  
387 take to protect students;  
388           (b) identify each student who is not immune to the outbreak disease; and  
389           (c) for a period determined by the local health department not to exceed the duration  
              of  
390 the disease outbreak, do one of the following at the discretion of the school principal or  
391 administrator **after obtaining approval from the local health department** :  
392           (i) provide a separate educational environment for the students described in  
              Subsection  
393 (3)(b) that ensures **their** protection **as well as the protection** of the remainder  
              of the student body; or  
394           (ii) prevent each student described in Subsection (3)(b) from attending school.

Respectfully,

Brad M. Daw  
Chair
