37 **26-18-415**, Utah Code Annotated 1953

39 *Be it enacted by the Legislature of the state of Utah:*

40 Section 1. Section **26-18-24** is enacted to read:

41 **26-18-24. Reimbursement for long-acting reversible contraception immediately**
42 **following childbirth.**

43 (1) As used in this section, "long-acting reversible contraception" means a
44 contraception method that requires administration less than once per month, including:

45 (a) an intrauterine device; and

46 (b) a contraceptive implant.

47 (2) The division shall separately identify and reimburse, from other labor and delivery
48 services within the Medicaid program, the provision and insertion of long-acting reversible
49 contraception immediately after childbirth.

50 Section 2. Section **26-18-415** is enacted to read:

51 **26-18-415. Limited family planning services for low-income individuals.**

52 (1) As used in this section:

53 (a) (i) "Family planning services" means family planning services that are provided
54 under the state Medicaid program, including:

55 (A) sexual health education and family planning counseling; and

56 (B) other medical diagnosis, treatment, or preventative care routinely provided as part

57 of a family planning service visit.

58 (ii) "Family planning services" do not include an abortion, as that term is defined in
59 Section 76-7-301.

60 (b) "Low-income individual" means an individual who:

61 (i) has an income level that is equal to or below 95% of the federal poverty level; and

62 (ii) does not qualify for full coverage under the Medicaid program.

63 (2) Before July 1, 2018, the division shall apply for a Medicaid waiver or a state plan
64 amendment with the Centers for Medicare and Medicaid Services within the United States
65 Department of Health and Human Services to:

66 (a) offer a program that provides family planning services to low-income individuals;
67 and

68 (b) receive a federal match rate of 90% of state expenditures for family planning
69 services provided under the waiver or state plan amendment.

70 (3) If the waiver or state plan amendment described in Subsection (2) is approved, the
71 department shall report to the Health and Human Services Interim Committee each year before
72 November 30 while the waiver or state plan amendment is in effect regarding:

73 (a) the number of qualified individuals served under the program;

74 (b) the cost of the program; and

75 (c) the effectiveness of the program, including:

76 (i) any savings to the state Medicaid program from reductions in enrollment;

77 (ii) any reduction in the number of abortions;

78 (iii) any reduction in the number of unintended pregnancies;

79 (iv) any reduction in the number of individuals requiring services from the Women,
80 Infants, and Children Program established in 42 U.S.C. Sec. 1786; and

81 (v) any other costs and benefits as a result of the program.

82 Section 3. Section **63I-1-226** is amended to read:
