1097 (5) If a licensee has been convicted of violating Section 58-31b-501 prior to an
1098 administrative finding of a violation of the same section, the licensee may not be assessed an
1099 administrative fine under this chapter for the same offense for which the conviction was
1100 obtained.

1101 (6) (a) If upon inspection or investigation, the division concludes that a person has
1102 violated the provisions of Section 58-31b-401, 58-31b-501, or 58-31b-502, Chapter 1, Division
1103 of Occupational and Professional Licensing Act, Chapter 37, Utah Controlled Substances Act,
1104 or any rule or order issued with respect to these provisions, and that disciplinary action is
1105 appropriate, the director or the director's designee from within the division shall:

1136 specially designated by the director; or

1137 (C) by mail.

1138 (e) If within 20 calendar days from the service of a citation, the person to whom the
1139 citation was issued fails to request a hearing to contest the citation, the citation becomes the
1140 final order of the division and is not subject to further agency review. The period to contest the
1141 citation may be extended by the division for cause.

1142 (f) The division may refuse to issue or renew, suspend, revoke, or place on probation
1143 the license of a licensee who fails to comply with the citation after it becomes final.

1144 (g) The failure of an applicant for licensure to comply with a citation after it becomes
1145 final is a ground for denial of license.

1146 (h) No citation may be issued under this section after the expiration of six months
1147 following the occurrence of any violation.

1148 (7) (a) The director may collect a penalty that is not paid by:

1149 (i) referring the matter to a collection agency; or

1171 Schedules I through V within this state shall obtain a license issued by the division.

1172 (ii) The division shall issue each license under this chapter in accordance with a

1183 distributor, or dispenser of any controlled substance, if the agent or employee is acting in the
1184 usual course of the person's business or employment; however, nothing in this subsection shall
1185 be interpreted to permit an agent, employee, sales representative, or detail man to maintain an
1186 inventory of controlled substances separate from the location of the person's employer's
1187 registered and licensed place of business;

1188 (ii) a motor carrier or warehouseman, or an employee of a motor carrier or

1193 (d) The division may enact rules waiving the license requirement for certain

1195 practitioners, or laboratories performing analysis if consistent with the public health and safety.

1196 (e) A separate license is required at each principal place of business or professional
1197 practice where the applicant manufactures, produces, distributes, dispenses, conducts research
1198 with, or performs laboratory analysis upon controlled substances.

1199 (f) The division may enact rules providing for the inspection of a licensee or applicant's

1201 (3) (a) (i) Upon proper application, the division shall license a qualified applicant to
1202 manufacture, produce, distribute, conduct research with, or perform laboratory analysis upon
1203 controlled substances included in Schedules I through V, unless it determines that issuance of a
1204 license is inconsistent with the public interest.

1205 (ii) The division may not issue a license to any person to prescribe, dispense, or
1206 administer a Schedule I controlled substance except under Subsection (3)(a)(i).

1207 (iii) In determining public interest under this Subsection (3)(a), the division shall
1208 consider whether or not the applicant has:

1221 substances in Schedule I other than those specified in the license.

1222 (c) (i) Practitioners shall be licensed to administer, dispense, or conduct research with
1223 substances in Schedules II through V if they are authorized to administer, dispense, or conduct

1227 already licensed under this chapter in another capacity.

1228 (iii) With respect to research involving narcotic substances in Schedules II through V,
1229 or where the division by rule requires a separate license for research of nonnarcotic substances
1230 in Schedules II through V, a practitioner shall apply to the division prior to conducting
1231 research.

1232 (iv) Licensing for purposes of bona fide research with controlled substances by a
1233 practitioner considered qualified may be denied only on a ground specified in Subsection (4),

1235 adequately the practitioner's supply of substances against diversion from medical or scientific
1236 use.

1237 (v) Practitioners registered under federal law to conduct research in Schedule I
1238 substances may conduct research in Schedule I substances within this state upon furnishing the
1239 division evidence of federal registration.

1242 chapter.

1243 (e) The division shall initially license those persons who own or operate an

1244 establishment engaged in the manufacture, production, distribution, dispensation, or
1245 administration of controlled substances prior to April 3, 1980, and who are licensed by the

1258 state for violation of laws or regulations comparable to those of this state relating to the
1259 manufacture, distribution, or dispensing of controlled substances;

1260 (vi) violated any division rule that reflects adversely on the licensee's reliability and

1268 or

1269 (B) improve performance in any form of human exercise, sport, or game.

1270 (b) The division may limit revocation or suspension of a license to a particular

1273 this section and in accordance with the procedures set forth in Title 58, Chapter 1, Division of
1274 Occupational and Professional Licensing Act, and conducted in conjunction with the
1275 appropriate representative committee designated by the director of the department.

1285 judicial review, unless withdrawn by the division or dissolved by a court of competent
1286 jurisdiction.

1288 substances owned or possessed by the licensee may be placed under seal in the discretion of the

1293 (iii) If a revocation order becomes final, all controlled substances shall be forfeited.

1294 (f) The division shall notify promptly the Drug Enforcement Administration of all

1298 substance license, which shall only be reinstated by the division upon reinstatement of the
1299 federal registration, unless the division has taken further administrative action under
1300 Subsection (4)(a)(iv), which would be grounds for the continued denial of the controlled
1301 substance license.

1302 (5) (a) Persons licensed under Subsection (2) or (3) shall maintain records and
1303 inventories in conformance with the record keeping and inventory requirements of federal and

1333 Subsection (7)(d).

1334 (d) Except for emergency situations designated by the division, a person may not issue,
1335 fill, compound, or dispense a prescription for a controlled substance unless the prescription is
