149 **tests -- Refusal -- Warning, report.**

150 (1) (a) A person operating a motor vehicle in this state is considered to have given the  
151 person's consent to a chemical test or tests of the person's breath, blood, urine, or oral fluids for  
152 the purpose of determining whether the person was operating or in actual physical control of a  
153 motor vehicle while:

154 (i) having a blood or breath alcohol content statutorily prohibited under Section  
155 [41-6a-502](#), [41-6a-530](#), or [53-3-231](#);

159 substance in the person's body in violation of Section [41-6a-517](#).

160 (b) A test or tests authorized under this Subsection (1) must be administered at the

163 (1)(a)(i) through (iii).

164 (c) (i) The peace officer determines which of the tests are administered and how many  
165 of them are administered.

166 (ii) If a peace officer requests more than one test, refusal by a person to take one or  
167 more requested tests, even though the person does submit to any other requested test or tests, is  
168 a refusal under this section.

169 (d) (i) A person who has been requested under this section to submit to a chemical test

170 or tests of the person's breath, blood, or urine, or oral fluids may not select the test or tests to be  
171 administered.

172 (ii) The failure or inability of a peace officer to arrange for any specific chemical test is  
173 not a defense to taking a test requested by a peace officer, and it is not a defense in any  
174 criminal, civil, or administrative proceeding resulting from a person's refusal to submit to the  
175 requested test or tests.

176 (2) (a) A peace officer requesting a test or tests shall warn a person that refusal to  
177 submit to the test or tests may result in revocation of the person's license to operate a motor  
178 vehicle, a five or 10 year prohibition of driving with any measurable or detectable amount of  
179 alcohol in the person's body depending on the person's prior driving history, and a three-year  
180 prohibition of driving without an ignition interlock device if the person:

181 (i) has been placed under arrest;

182 (ii) has then been requested by a peace officer to submit to any one or more of the  
183 chemical tests under Subsection (1); and

184 (iii) refuses to submit to any chemical test requested.

185 (b) (i) Following the warning under Subsection (2)(a), if the person does not  
186 immediately request that the chemical test or tests as offered by a peace officer be  
187 administered, a peace officer shall, on behalf of the Driver License Division and within 24  
188 hours of the arrest, give notice of the Driver License Division's intention to revoke the person's  
189 privilege or license to operate a motor vehicle.

190 (ii) When a peace officer gives the notice on behalf of the Driver License Division, the  
191 peace officer shall:

192 (A) take the Utah license certificate or permit, if any, of the operator;

193 (B) issue a temporary license certificate effective for only 29 days from the date of

200 calendar days after the day on which notice is provided under Subsection (2)(b), that:

201 (i) the peace officer had grounds to believe the arrested person was in violation of any  
202 provision under Subsections (1)(a)(i) through (iii); and

203 (ii) the person had refused to submit to a chemical test or tests under Subsection (1).

204 (3) Upon the request of the person who was tested, the results of the test or tests shall  
205 be made available to the person.

206 (4) (a) The person to be tested may, at the person's own expense, have a physician of  
207 the person's own choice administer a chemical test in addition to the test or tests administered  
208 at the direction of a peace officer.

209 (b) The failure or inability to obtain the additional test does not affect admissibility of  
210 the results of the test or tests taken at the direction of a peace officer, or preclude or delay the  
211 test or tests to be taken at the direction of a peace officer.

212 (c) The additional test shall be subsequent to the test or tests administered at the  
213 direction of a peace officer.

214 (5) For the purpose of determining whether to submit to a chemical test or tests, the  
215 person to be tested does not have the right to consult an attorney or have an attorney, physician,  
216 or other person present as a condition for the taking of any test.

224 [41-6a-520\(1\)](#), and the test or tests may be administered whether the person has been arrested or

232 of the test after the alleged driving of the commercial motor vehicle;

233 (b) is under the influence of alcohol, any drug, or the combined influence of alcohol

247 results indicating [~~.04 grams or greater alcohol concentration~~] a violation of Subsection (1) or  
248 refusal to submit to any test requested will result in the person's disqualification under Section  
249 [53-3-414](#) from driving a commercial motor vehicle.

250 (5) If test results under this section indicate [~~.04 grams or greater of alcohol~~  
251 ~~concentration~~] a violation of Subsection (1) or the person refuses to submit to any test  
252 requested under this section, a peace officer or port-of-entry agent shall, on behalf of the  
253 division and within 24 hours of the arrest, give the person notice of the division's intention to

269 agent that indicates the results of any chemical test administered or that the person refused a

284 the person had been driving a motor vehicle in violation of this section;  
285 (ii) whether the person refused to submit to any requested test; and  
286 (iii) any test results obtained.
