ENACTS:

53B-18-1501, Utah Code Annotated 1953

Be it enacted by the Legislature of the state of Utah:

Section 1. Section **53B-18-1501** is enacted to read:

Part 15. Rural Online Initiative

53B-18-1501. Remote online opportunities -- Pilot program -- Report to

Legislature.

(1) As used in this section:

(a) "Association of governments" means an association of political subdivisions

established pursuant to an interlocal agreement under Title 11, Chapter 13, Interlocal

Cooperation Act.

(b) "Pilot program" means the pilot program administered by Utah State University in

accordance with this section.

(c) "Remote online opportunity" means employment, including freelance employment,

or the operation of an online business for which an individual:

(i) can complete duties primarily online; and

(ii) is not required to work from a specific geographic location.

(2) (a) Subject to legislative appropriations, Utah State University, through a county

extension office, shall administer a pilot program that helps individuals who live in rural areas

access remote online opportunities.

(b) In administering the pilot program, Utah State University shall consider input from

58 a county located in a geographic area selected for the pilot program under Subsection (4).

59 (3) Utah State University shall, as part of the pilot program:

60 (a) provide training modules to adults and high school students;

61 (b) coordinate with rural high schools and postsecondary institutions;

62 (c) develop marketing materials;

63 (d) develop relationships with information technology companies that offer remote
64 online opportunities;

65 (e) partner with websites that list freelance remote online opportunities;

66 (f) provide scholarships for individuals who live in rural areas to access online
67 skill-based training for remote online opportunities;

68 (g) provide one-on-one coaching for an individual who pursues a remote online
69 opportunity; and

70 (h) conduct other activities related to remote online opportunities as determined by
71 Utah State University.

72 (4) (a) Utah State University shall administer the pilot program:

73 (i) in at least one geographic area in the state initially; and

74 (ii) in additional geographic areas if resources allow.

75 (b) In determining where to initially administer the pilot program, Utah State
76 University shall consider whether counties in a geographic area:

77 (i) are primarily rural or have remote rural areas;

78 (ii) face high unemployment rates;

79 (iii) have access to high speed Internet;

80 (iv) have a large percentage of high school graduates leave the geographic area after
81 graduating from high school; and

82 (v) are members of an association of governments that supports helping individuals
83 who live in rural areas access remote online opportunities.

84 (5) On or before November 1, 2020, Utah State University shall report to the Economic
85 Development and Workforce Services Interim Committee on:

- 86 (a) the number of individuals who receive training through the pilot program;
87 (b) the number and percentage of individuals who participate in the pilot program and
88 access a remote online opportunity; and
89 (c) whether there is a reduction in the unemployment rate in a geographic area included
90 in the pilot program.
