99 *Be it enacted by the Legislature of the state of Utah:*

100 Section 1. Section **11-13-302** is amended to read:

101 **11-13-302. Payment of fee in lieu of ad valorem property tax by certain energy**
102 **suppliers -- Method of calculating -- Collection -- Extent of tax lien.**

103 (1) (a) Each project entity created under this chapter that owns a project and that sells
104 any capacity, service, or other benefit from it to an energy supplier or suppliers whose tangible
105 property is not exempted by Utah Constitution Article XIII, Section 3, from the payment of ad
106 valorem property tax, shall pay an annual fee in lieu of ad valorem property tax as provided in
107 this section to each taxing jurisdiction within which the project or any part of it is located.

108 (b) For purposes of this section, "annual fee" means the annual fee described in
109 Subsection (1)(a) that is in lieu of ad valorem property tax.

110 (c) The requirement to pay an annual fee shall commence:

111 (i) with respect to each taxing jurisdiction that is a candidate receiving the benefit of
112 impact alleviation payments under contracts or determination orders provided for in Sections
113 **11-13-305** and **11-13-306**, with the fiscal year of the candidate following the fiscal year of the
114 candidate in which the date of commercial operation of the last generating unit, other than any
115 generating unit providing additional project capacity, of the project occurs, or, in the case of
116 any facilities providing additional project capacity, with the fiscal year of the candidate
117 following the fiscal year of the candidate in which the date of commercial operation of the
118 generating unit providing the additional project capacity occurs; and

119 (ii) with respect to any taxing jurisdiction other than a taxing jurisdiction described in
120 Subsection (1)(c)(i), with the fiscal year of the taxing jurisdiction in which construction of the
121 project commences, or, in the case of facilities providing additional project capacity, with the
122 fiscal year of the taxing jurisdiction in which construction of those facilities commences.

123 (d) The requirement to pay an annual fee shall continue for the period of the useful life
124 of the project or facilities.

125 (2) (a) The annual fees due a school district shall be as provided in Subsection (2)(b)
126 because the ad valorem property tax imposed by a school district and authorized by the
127 Legislature represents both:

128 (i) a levy mandated by the state for the state minimum school program under Section
129 [53A-17a-135](#) or [53F-2-301.5](#), as applicable; and

130 (ii) local levies for capital outlay and other purposes under Sections [53A-16-113](#),
131 [53A-17a-133](#), and [53A-17a-164](#).

132 (b) The annual fees due a school district shall be as follows:

133 (i) the project entity shall pay to the school district an annual fee for the state minimum
134 school program at the rate imposed by the school district and authorized by the Legislature
135 under Section [53A-17a-135](#) or [53F-2-301.5](#), as applicable; and

136 (ii) for all other local property tax levies authorized to be imposed by a school district,
137 the project entity shall pay to the school district either:

138 (A) an annual fee; or

139 (B) impact alleviation payments under contracts or determination orders provided for
140 in Sections [11-13-305](#) and [11-13-306](#).

141 (3) (a) An annual fee due a taxing jurisdiction for a particular year shall be calculated
142 by multiplying the tax rate or rates of the jurisdiction for that year by the product obtained by
143 multiplying the fee base or value determined in accordance with Subsection (4) for that year of
144 the portion of the project located within the jurisdiction by the percentage of the project which
145 is used to produce the capacity, service, or other benefit sold to the energy supplier or suppliers.

146 (b) As used in this section, "tax rate," when applied in respect to a school district,
147 includes any assessment to be made by the school district under Subsection (2) or Section
148 [63M-5-302](#).

149 (c) There is to be credited against the annual fee due a taxing jurisdiction for each year,

150 an amount equal to the debt service, if any, payable in that year by the project entity on bonds,
151 the proceeds of which were used to provide public facilities and services for impact alleviation
152 in the taxing jurisdiction in accordance with Sections 11-13-305 and 11-13-306.

153 (d) The tax rate for the taxing jurisdiction for that year shall be computed so as to:

154 (i) take into account the fee base or value of the percentage of the project located
155 within the taxing jurisdiction determined in accordance with Subsection (4) used to produce the
156 capacity, service, or other benefit sold to the supplier or suppliers; and

157 (ii) reflect any credit to be given in that year.

158 (4) (a) Except as otherwise provided in this section, the annual fees required by this
159 section shall be paid, collected, and distributed to the taxing jurisdiction as if:

160 (i) the annual fees were ad valorem property taxes; and

161 (ii) the project were assessed at the same rate and upon the same measure of value as
162 taxable property in the state.

163 (b) (i) Notwithstanding Subsection (4)(a), for purposes of an annual fee required by
164 this section, the fee base of a project may be determined in accordance with an agreement
165 among:

166 (A) the project entity; and

167 (B) any county that:

168 (I) is due an annual fee from the project entity; and

169 (II) agrees to have the fee base of the project determined in accordance with the
170 agreement described in this Subsection (4).

171 (ii) The agreement described in Subsection (4)(b)(i):

172 (A) shall specify each year for which the fee base determined by the agreement shall be
173 used for purposes of an annual fee; and

174 (B) may not modify any provision of this chapter except the method by which the fee
175 base of a project is determined for purposes of an annual fee.

176 (iii) For purposes of an annual fee imposed by a taxing jurisdiction within a county
177 described in Subsection (4)(b)(i)(B), the fee base determined by the agreement described in
178 Subsection (4)(b)(i) shall be used for purposes of an annual fee imposed by that taxing
179 jurisdiction.

180 (iv) (A) If there is not agreement as to the fee base of a portion of a project for any

181 year, for purposes of an annual fee, the State Tax Commission shall determine the value of that
182 portion of the project for which there is not an agreement:

183 (I) for that year; and

184 (II) using the same measure of value as is used for taxable property in the state.

185 (B) The valuation required by Subsection (4)(b)(iv)(A) shall be made by the State Tax
186 Commission in accordance with rules made by the State Tax Commission.

187 (c) Payments of the annual fees shall be made from:

188 (i) the proceeds of bonds issued for the project; and

189 (ii) revenues derived by the project entity from the project.

190 (d) (i) The contracts of the project entity with the purchasers of the capacity, service, or
191 other benefits of the project whose tangible property is not exempted by Utah Constitution
192 Article XIII, Section 3, from the payment of ad valorem property tax shall require each
193 purchaser, whether or not located in the state, to pay, to the extent not otherwise provided for,
194 its share, determined in accordance with the terms of the contract, of these fees.

195 (ii) It is the responsibility of the project entity to enforce the obligations of the
196 purchasers.

197 (5) (a) The responsibility of the project entity to make payment of the annual fees is
198 limited to the extent that there is legally available to the project entity, from bond proceeds or
199 revenues, money to make these payments, and the obligation to make payments of the annual
200 fees is not otherwise a general obligation or liability of the project entity.

201 (b) No tax lien may attach upon any property or money of the project entity by virtue of
202 any failure to pay all or any part of an annual fee.

203 (c) The project entity or any purchaser may contest the validity of an annual fee to the
204 same extent as if the payment was a payment of the ad valorem property tax itself.

205 (d) The payments of an annual fee shall be reduced to the extent that any contest is
206 successful.

207 (6) (a) The annual fee described in Subsection (1):

208 (i) shall be paid by a public agency that:

209 (A) is not a project entity; and

210 (B) owns an interest in a facility providing additional project capacity if the interest is
211 otherwise exempt from taxation pursuant to Utah Constitution, Article XIII, Section 3; and

212 (ii) for a public agency described in Subsection (6)(a)(i), shall be calculated in
213 accordance with Subsection (6)(b).

214 (b) The annual fee required under Subsection (6)(a) shall be an amount equal to the tax
215 rate or rates of the applicable taxing jurisdiction multiplied by the product of the following:

216 (i) the fee base or value of the facility providing additional project capacity located
217 within the jurisdiction;

218 (ii) the percentage of the ownership interest of the public agency in the facility; and

219 (iii) the portion, expressed as a percentage, of the public agency's ownership interest
220 that is attributable to the capacity, service, or other benefit from the facility that is sold by the
221 public agency to an energy supplier or suppliers whose tangible property is not exempted by
222 Utah Constitution, Article XIII, Section 3, from the payment of ad valorem property tax.

223 (c) A public agency paying the annual fee pursuant to Subsection (6)(a) shall have the
224 obligations, credits, rights, and protections set forth in Subsections (1) through (5) with respect
225 to its ownership interest as though it were a project entity.

226 Section 2. Section **11-13-310** is amended to read:

227 **11-13-310. Termination of impact alleviation contract.**

228 If the project or any part of it or the facilities providing additional project capacity or
229 any part of them, or the output from the project or facilities providing additional project
230 capacity become subject, in addition to the requirements of Section [11-13-302](#), to ad valorem
231 property taxation or other payments in lieu of ad valorem property taxation, or other form of
232 tax equivalent payments to any candidate which is a party to an impact alleviation contract with
233 respect to the project or facilities providing additional project capacity or is receiving impact
234 alleviation payments or means with respect to the project or facilities providing additional
235 project capacity pursuant to a determination by the board, then the impact alleviation contract
236 or the requirement to make impact alleviation payments or provide means therefor pursuant to
237 the determination, as the case may be, shall, at the election of the candidate, terminate. In any
238 event, each impact alleviation contract or determination order shall terminate upon the project,
239 or, in the case of facilities providing additional project capacity, those facilities becoming
240 subject to the provisions of Section [11-13-302](#), except that no impact alleviation contract or
241 agreement entered by a school district shall terminate because of in lieu ad valorem property
242 tax fees levied under Subsection [11-13-302\(2\)\(b\)\(i\)](#) or because of ad valorem property taxes

243 levied under Section [~~53A-17a-135~~ [53F-2-301](#) or [53F-2-301.5](#), as applicable, for the state
244 minimum school program. In addition, if the construction of the project, or, in the case of
245 facilities providing additional project capacity, of those facilities, is permanently terminated for
246 any reason, each impact alleviation contract and determination order, and the payments and
247 means required thereunder, shall terminate. No termination of an impact alleviation contract or
248 determination order may terminate or reduce any liability previously incurred pursuant to the
249 contract or determination order by the candidate beneficiary under it. If the provisions of
250 Section [11-13-302](#), or its successor, are held invalid by a court of competent jurisdiction, and
251 no ad valorem taxes or other form of tax equivalent payments are payable, the remaining
252 provisions of this chapter shall continue in operation without regard to the commencement of
253 commercial operation of the last generating unit of that project or of facilities providing
254 additional project capacity.
