Representative **Kim F. Coleman** proposes the following amendments:

1. *Page 1, Lines 8 through 20:*

8 LONG TITLE

9 General Description:

10 This bill puts requirements on a city of the first class that supplies municipal water outside the city's

11 jurisdictional boundaries.

12 Highlighted Provisions:

13 This bill:

14 ▶ requires a city of the first class that supplies municipal water outside the city's jurisdictional boundaries to post certain information publicly and provide it to the state engineer;

15 ▶ specifies that the state engineer may make rules regarding the form and content of information supplied by a city of the first class supplying municipal water to a service area outside the city's jurisdictional boundaries and shall also post the information to the

16 division's website; and

17 ▶ makes technical changes.

2. *Page 2, Lines 33 through 52:*

33 10-8-15.5. Providing municipal water beyond jurisdictional boundaries.

34 A city of the first class that provides municipal water to a service area outside the city's jurisdictional

35 boundaries shall:

36 (1) post the following information on the city's website:

37 (a) a map of the area being served;

38 (b) any change application number, if applicable, being used to service the area outside the city's jurisdictional boundaries;

39 (c) the quantity of water being used to service the area outside the city's jurisdictional boundaries;

40 (d) the rates assessed to water users, both inside and outside municipal boundaries;

41 (e) the number of retail water connections the city serves inside the municipal

42 boundary and the number of retail water connections the city serves outside the municipal boundary;

43 (f) the number of master meter connections that provide culinary water to residents

47 beyond the water; and  
48 (g) a financial statement that shows separate financial accounting of revenues derived  
49 from water service delivered inside the municipal boundary and water service delivered outside  
50 the municipal boundary; and  
51 (2) provide all the information described in Subsection (1) to the state engineer  
52 described in Section 73-2-1.
