(i) may move the vehicle as soon as possible:

(ii) shall remain at the scene of the accident or the location described in Subsection (2)(a)(i) until the operator has fulfilled the requirements of this section.

(b) Moving a vehicle as required under Subsection (2)(a)(i) does not affect the determination of fault for an accident.

(c) If the operator has knowledge that the operator was involved in, or reason to believe that the operator may have been involved in, an accident resulting in damage to another vehicle or other property only after leaving the scene of the accident, the operator shall immediately comply as nearly as possible with the requirements of this section.

to the nearest office of a law enforcement agency if the accident resulted in property damage to
an apparent extent of [$1,500] $2,500 or more.

(5) Except as provided under Subsection (6), if the vehicle or other property damaged
in the accident is unattended, the operator of the vehicle involved in the accident shall:

damaged in the accident of the operator's name, address, and the registration number of the

notice giving the operator's name, address, and the registration number of the vehicle causing
the damage.

to an investigating peace officer at the scene of the accident is exempt from providing the
information to other persons required under this section.

(2) Subject to Subsections (1) and (4) and Sections 41-6a-602 and 41-6a-603, the following speeds are lawful:

(4) A violation of Subsection (1) is an infraction.

(5) The governor by proclamation in time of war or emergency may change the speed limits on the highways of the state.
