192 credit, the allowance is an amount equal to:

193 (i) 1.5% of the retiree's final average salary multiplied by the number of years of
194 service credit accrued on and after July 1, 2011[-], but before July 1, 2019; plus

218 retiree, and upon the death of the retiree, an amount equal to 1/2 of the retiree's allowance is
219 paid to and throughout the lifetime of the retiree's lawful spouse at the time of retirement.

220 (d) Option Five is a modification of Option Three so that if the lawful spouse at the
221 time of retirement predeceases the retiree, an allowance equivalent to the amount payable at the
222 time of initial retirement under Option One shall be paid to the retiree for the remainder of the
223 retiree's life, beginning on the first day of the month following the month in which the:

224 (i) spouse died, if notification and supporting documentation for the death are received

227 if the notification and supporting documentation are received by the office more than 90 days
228 after the spouse's death.

229 (e) Option Six is a modification of Option Four so that if the lawful spouse at the time
230 of retirement predeceases the retiree, an allowance equivalent to the amount payable at the time
231 of initial retirement under Option One shall be paid to the retiree for the remainder of the
232 retiree's life, beginning on the first day of the month following the month in which the:

233 (i) spouse died, if notification and supporting documentation for the death are received
234 by the office within 90 days of the spouse's death; or

235 (ii) notification and supporting documentation for the death are received by the office,
236 if the notification and supporting documentation are received by the office more than 90 days
237 after the spouse's death.

238 (4) (a) If a retiree under Option One dies within 120 days after the retiree's retirement
239 date, the retirement is canceled and the death shall be considered as that of a member before
240 retirement.

241 (b) Any payments made to the retiree shall be deducted from the amounts due to the
242 beneficiary.

243 (5) (a) If a retiree retires under either Option Five or Six and subsequently divorces, the
244 retiree may elect to convert the benefit to an Option One benefit at the time of divorce, if there
245 is no court order filed in the matter.

246 (b) A conversion to an Option One benefit under this Subsection (5) begins on the first
247 day of the month following the month in which the notification and supporting documentation
