#### Senator Wayne A. Harper proposes the following substitute bill:

1	ACUPUNCTURE LICENSING ACT AMENDMENTS
2	2019 GENERAL SESSION
3	STATE OF UTAH
4	Chief Sponsor: Wayne A. Harper
5	House Sponsor: Marc K. Roberts
6 7	LONG TITLE
8	General Description:
9	This bill modifies provisions of the Acupuncture Act.
10	Highlighted Provisions:
11	This bill:
12	<ul> <li>defines terms, including "injection therapy";</li> </ul>
13	<ul> <li>modifies the definition of the "practice of acupuncture" to include injection therapy;</li> </ul>
14	<ul> <li>grants limited prescriptive authority to a licensee who is administering sterile</li> </ul>
15	substances as part of injection therapy; and
16	<ul> <li>makes technical changes.</li> </ul>
17	Money Appropriated in this Bill:
18	None
19	Other Special Clauses:
20	None
21	Utah Code Sections Affected:
22	AMENDS:
23	58-72-102, as last amended by Laws of Utah 2012, Chapter 88
24	58-72-302, as last amended by Laws of Utah 2009, Chapter 183
25	ENACTS:

# 

### 1st Sub. (Green) S.B. 157

<ul> <li>Be it enacted by the Legislature of the state of Utah: Section 1. Section 58-72-102 is amended to read: 58-72-102. Acupuncture licensing Definitions. In addition to the definitions in Section 58-1-102, as used in this chapter: <ol> <li>"Board" means the Acupuncture Licensing Board created in Section 58-72-201.</li> <li>"Board" means the Acupuncture Licensing Board created in Section 58-72-201.</li> <li>(a) "Injection therapy" means the injection of sterile substances into acupuncture points with a hypodermic needle.</li> <li>"Injection therapy" includes: <ol> <li>the use of oxygen and epinephrine as necessary for patient care and safety, and</li> <li>using ultrasound guidance to locate anatomical structures to ensure patient safety.</li> <li>[t2] (3) "Licensed acupuncturist," designated as "L.Ac.," means a person who has been licensed under this chapter to practice acupuncture.</li> <li>[t3] (4) "Moxibustion" means a heat therapy that uses the herb moxa to heat acupuncture points of the body.</li> <li>[t4]] (5) (a) "Practice of acupuncture" means the insertion of acupuncture needles, the use of injection therapy, and the application of moxibustion to specific areas of the body based on traditional oriental medical diagnosis and modern research as a primary mode of therapy.</li> <li>(b) Adjunctive therapies within the scope of the practice of acupuncture may include:</li> <li>manual, mechanical, thermal, electrical, light, and electromagnetic treatments based on traditional oriental medical diagnosis and modern research;</li> <li>(ii) the recommendation, administration, or provision of dietary guidelines, herbs, supplements, homeopathics, and therapeutic exercise based on traditional oriental medical diagnosis and modern research;</li> <li>(ii) the practice described in Subsections [t4]; (5)(a) and (b) on an animal to the extent permitted by:</li> <li>(A) Subsection 58-28-307(12);</li> <li>(B) the provisions of this chapter; and</li> <li>(C) division rule.</li> </ol> </li> </ol></li></ul>	<b>58-72-701</b> , Utah Code Annotated 1953
<ul> <li>58-72-102. Acupuncture licensing Definitions.</li> <li>In addition to the definitions in Section 58-1-102, as used in this chapter: <ul> <li>(1) "Board" means the Acupuncture Licensing Board created in Section 58-72-201.</li> <li>(2) (a) "Injection therapy" means the injection of sterile substances into acupuncture points with a hypodermic needle.</li> <li>(b) "Injection therapy" includes:</li> <li>(i) the use of oxygen and epinephrine as necessary for patient care and safety; and</li> <li>(ii) using ultrasound guidance to locate anatomical structures to ensure patient safety.</li> <li>[(2)] (3) "Licensed acupuncturist," designated as "L.Ac.," means a person who has been licensed under this chapter to practice acupuncture.</li> <li>[(3)] (4) "Moxibustion" means a heat therapy that uses the herb moxa to heat acupuncture points of the body.</li> <li>[(4)] (5) (a) "Practice of acupuncture" means the insertion of acupuncture needles, the use of injection therapy, and the application of moxibustion to specific areas of the body based on traditional oriental medical diagnosis and modern research as a primary mode of therapy.</li> <li>(b) Adjunctive therapies within the scope of the practice of acupuncture may include:</li> <li>(i) manual, mechanical, thermal, electrical, light, and electromagnetic treatments based on traditional oriental medical diagnosis and modern research;</li> <li>(ii) the recommendation, administration, or provision of dietary guidelines, herbs, supplements, homeopathics, and therapeutic exercise based on traditional oriental medical diagnosis (4)] (5)(a) and (b) on an animal to the extent permitted by:</li> <li>(A) Subsection 58-28-307(12);</li> <li>(B) the provisions of this chapter; and</li> <li>(C) division rule.</li> </ul> </li> </ul>	Be it enacted by the Legislature of the state of Utah:
In addition to the definitions in Section 58-1-102, as used in this chapter: (1) "Board" means the Acupuncture Licensing Board created in Section 58-72-201. (2) (a) "Injection therapy" means the injection of sterile substances into acupuncture points with a hypodermic needle. (b) "Injection therapy" includes: (i) the use of oxygen and epinephrine as necessary for patient care and safety; and (ii) using ultrasound guidance to locate anatomical structures to ensure patient safety. [(2)] (3) "Licensed acupuncturist," designated as "L.Ac.," means a person who has been licensed under this chapter to practice acupuncture. [(3)] (4) "Moxibustion" means a heat therapy that uses the herb moxa to heat acupuncture points of the body. [(4)] (5) (a) "Practice of acupuncture" means the insertion of acupuncture needles, the use of injection therapy, and the application of moxibustion to specific areas of the body based on traditional oriental medical diagnosis and modern research as a primary mode of therapy. (b) Adjunctive therapies within the scope of the practice of acupuncture may include: (i) manual, mechanical, thermal, electrical, light, and electromagnetic treatments based on traditional oriental medical diagnosis and modern research; (ii) the recommendation, administration, or provision of dietary guidelines, herbs, supplements, homeopathics, and therapeutic exercise based on traditional oriental medical diagnosis and modern research according to practitioner training; and (iii) the practice described in Subsections [(4)] (5)(a) and (b) on an animal to the extent permitted by: (A) Subsection 58-28-307(12); (B) the provisions of this chapter; and (C) division rule.	Section 1. Section <b>58-72-102</b> is amended to read:
<ul> <li>(1) "Board" means the Acupuncture Licensing Board created in Section 58-72-201.</li> <li>(2) (a) "Injection therapy" means the injection of sterile substances into acupuncture points with a hypodermic needle.</li> <li>(b) "Injection therapy" includes:</li> <li>(i) the use of oxygen and epinephrine as necessary for patient care and safety; and</li> <li>(ii) using ultrasound guidance to locate anatomical structures to ensure patient safety.</li> <li>[(2)] (3) "Licensed acupuncturist," designated as "L.Ac.," means a person who has been licensed under this chapter to practice acupuncture.</li> <li>[(3)] (4) "Moxibustion" means a heat therapy that uses the herb moxa to heat acupuncture points of the body.</li> <li>[(4)] (5) (a) "Practice of acupuncture" means the insertion of acupuncture needles, the use of injection therapy, and the application of moxibustion to specific areas of the body based on traditional oriental medical diagnosis and modern research as a primary mode of therapy.</li> <li>(b) Adjunctive therapies within the scope of the practice of acupuncture may include:</li> <li>(i) manual, mechanical, thermal, electrical, light, and electromagnetic treatments based on traditional oriental medical diagnosis and modern research;</li> <li>(ii) the recommendation, administration, or provision of dictary guidelines, herbs, supplements, homeopathics, and therapeutic exercise based on traditional oriental medical diagnosis and modern research;</li> <li>(ii) the practice described in Subsections [(4)] (5)(a) and (b) on an animal to the extent permitted by:</li> <li>(A) Subsection 58-28-307(12);</li> <li>(B) the provisions of this chapter; and</li> <li>(C) division rule.</li> </ul>	58-72-102. Acupuncture licensing Definitions.
<ul> <li>(2) (a) "Injection therapy" means the injection of sterile substances into acupuncture points with a hypodermic needle.</li> <li>(b) "Injection therapy" includes:</li> <li>(i) the use of oxygen and epinephrine as necessary for patient care and safety; and</li> <li>(ii) using ultrasound guidance to locate anatomical structures to ensure patient safety.</li> <li>[(2)] (3) "Licensed acupuncturist," designated as "L.Ac.," means a person who has been licensed under this chapter to practice acupuncture.</li> <li>[(3)] (4) "Moxibustion" means a heat therapy that uses the herb moxa to heat acupuncture points of the body.</li> <li>[(4)] (5) (a) "Practice of acupuncture" means the insertion of acupuncture needles, the use of injection therapy, and the application of moxibustion to specific areas of the body based on traditional oriental medical diagnosis and modern research as a primary mode of therapy.</li> <li>(b) Adjunctive therapies within the scope of the practice of acupuncture may include:</li> <li>(i) manual, mechanical, thermal, electrical, light, and electromagnetic treatments based on traditional oriental medical diagnosis and modern research;</li> <li>(ii) the recommendation, administration, or provision of dietary guidelines, herbs, supplements, homeopathics, and therapeutic exercise based on traditional oriental medical diagnosis and modern research;</li> <li>(iii) the practice described in Subsections [(4)] (5)(a) and (b) on an animal to the extent permitted by:</li> <li>(A) Subsection 58-28-307(12);</li> <li>(B) the provisions of this chapter; and</li> <li>(C) division rule.</li> </ul>	In addition to the definitions in Section 58-1-102, as used in this chapter:
points with a hypodermic needle.         (b) "Injection therapy" includes:         (i) the use of oxygen and epinephrine as necessary for patient care and safety; and         (ii) using ultrasound guidance to locate anatomical structures to ensure patient safety.         [(2)] (3) "Licensed acupuncturist," designated as "L.Ac.," means a person who has         been licensed under this chapter to practice acupuncture.         [(3)] (4) "Moxibustion" means a heat therapy that uses the herb moxa to heat         acupuncture points of the body.         [(4)] (5) (a) "Practice of acupuncture" means the insertion of acupuncture needles, the         use of injection therapy, and the application of moxibustion to specific areas of the body based         on traditional oriental medical diagnosis and modern research as a primary mode of therapy.         (b) Adjunctive therapies within the scope of the practice of acupuncture may include:         (i) manual, mechanical, thermal, electrical, light, and electromagnetic treatments based         on traditional oriental medical diagnosis and modern research;         (ii) the recommendation, administration, or provision of dietary guidelines, herbs,         supplements, homeopathics, and therapeutic exercise based on traditional oriental medical diagnosis (4)] (5)(a) and (b) on an animal to the extent         permitted by:         (A) Subsection 58-28-307(12);         (B) the provisions of this chapter; and         (C) division rule. <td>(1) "Board" means the Acupuncture Licensing Board created in Section 58-72-201.</td>	(1) "Board" means the Acupuncture Licensing Board created in Section 58-72-201.
<ul> <li>(b) "Injection therapy" includes:</li> <li>(i) the use of oxygen and epinephrine as necessary for patient care and safety; and</li> <li>(ii) using ultrasound guidance to locate anatomical structures to ensure patient safety.</li> <li>[(<del>2</del>)] (<u>3</u>) "Licensed acupuncturist," designated as "L.Ac.," means a person who has been licensed under this chapter to practice acupuncture.</li> <li>[(<del>3</del>)] (<u>4</u>) "Moxibustion" means a heat therapy that uses the herb moxa to heat acupuncture points of the body.</li> <li>[(<del>4</del>)] (<u>5</u>) (a) "Practice of acupuncture" means the insertion of acupuncture needles, the use of injection therapy, and the application of moxibustion to specific areas of the body based on traditional oriental medical diagnosis and modern research as a primary mode of therapy.</li> <li>(b) Adjunctive therapies within the scope of the practice of acupuncture may include:</li> <li>(i) manual, mechanical, thermal, electrical, light, and electromagnetic treatments based on traditional oriental medical diagnosis and modern research;</li> <li>(ii) the recommendation, administration, or provision of dietary guidelines, herbs, supplements, homeopathics, and therapeutic exercise based on traditional oriental medical diagnosis (<u>6</u>) (<u>5</u>)(a) and (b) on an animal to the extent permitted by:</li> <li>(A) Subsection <u>58-28-307(12);</u></li> <li>(B) the provisions of this chapter; and</li> <li>(C) division rule.</li> </ul>	(2) (a) "Injection therapy" means the injection of sterile substances into acupuncture
<ul> <li>(i) the use of oxygen and epinephrine as necessary for patient care and safety; and</li> <li>(ii) using ultrasound guidance to locate anatomical structures to ensure patient safety.</li> <li>[(2)] (3) "Licensed acupuncturist," designated as "L.Ac.," means a person who has</li> <li>been licensed under this chapter to practice acupuncture.</li> <li>[(3)] (4) "Moxibustion" means a heat therapy that uses the herb moxa to heat</li> <li>acupuncture points of the body.</li> <li>[(4)] (5) (a) "Practice of acupuncture" means the insertion of acupuncture needles, the</li> <li>use of injection therapy, and the application of moxibustion to specific areas of the body based</li> <li>on traditional oriental medical diagnosis and modern research as a primary mode of therapy.</li> <li>(b) Adjunctive therapies within the scope of the practice of acupuncture may include:</li> <li>(i) manual, mechanical, thermal, electrical, light, and electromagnetic treatments based</li> <li>on traditional oriental medical diagnosis and modern research;</li> <li>(ii) the recommendation, administration, or provision of dietary guidelines, herbs,</li> <li>supplements, homeopathics, and therapeutic exercise based on traditional oriental medical</li> <li>diagnosis and modern research according to practitioner training; and</li> <li>(iii) the practice described in Subsections [(4)] (5)(a) and (b) on an animal to the extent permitted by:</li> <li>(A) Subsection 58-28-307(12);</li> <li>(B) the provisions of this chapter; and</li> <li>(C) division rule.</li> </ul>	points with a hypodermic needle.

75	(4) meet the requirements for current active certification in acupuncture under
76	guidelines established by the National Commission for the Certification of Acupuncture and
77	Oriental Medicine (NCCAOM) as demonstrated through a current certificate or other
78	appropriate documentation;
79	(5) pass the examination required by the division by rule;
80	(6) establish procedures, as defined by rule, which shall enable patients to give
81	informed consent to treatment; and
82	(7) meet with the board, if requested, for the purpose of evaluating the applicant's
83	qualifications for licensure.
84	Section 3. Section <b>58-72-701</b> is enacted to read:
85	Part 7. Procurement and Administration Authority
86	58-72-701. Procurement and administration authority.
87	(1) A licensee who has received the necessary training to practice injection therapy:

#### 1st Sub. (Green) S.B. 157

- 88 (a) has prescriptive authority limited to procuring and administering substances
- 89 described in Subsections 58-72-102(5)(a) and (b) for in-office use only; and
- 90 (b) may obtain substances described in Subsections 58-72-102(5)(a) and (b) from a
- 91 registered prescription drug outlet, registered manufacturer, or registered wholesaler.
- 92 (2) An entity that provides any substance to a licensee in accordance with this chapter,
- 93 and relies in good faith on license information provided by the licensee, is not liable for
- 94 providing the substance.
