Be it enacted by the Legislature of the state of Utah:

Section 1. Section 4-35-107 is amended to read:

4-35-107. Notice to owner or occupant -- Corrective action required -- Directive issued by department -- Costs -- Owner or occupant may prohibit treatment.

(1) The department or an authorized agent of the department shall notify the owner or occupant of the problem and the available alternatives to remedy the problem. The owner or occupant shall take corrective action within 30 days.

(2) (a) If the owner or occupant fails to take corrective action under Subsection (1), the department may issue a directive for corrective action which shall be taken within 15 days.

(b) If the owner or occupant fails to act within the required time, the department shall take the necessary action.

(c) The department may recover costs incurred for controlling an insect infestation emergency from the owner or occupant of the property on whose property corrective action was taken.

(3) (a) Owners or occupants of property may prohibit treatment by presenting an affidavit from the owner's or occupant's attending physician or physician assistant to the

SB0203S03 compared with SB0203S02

department which states that the treatment as planned is a danger to the owner's or occupant's health.

(b) The department shall provide the owner or occupant with alternatives to treatment which will abate the infestation.

Section 2. Section **13-53-107** is amended to read:

13-53-107. Participant screening.

(1) A residential, vocational and life skills program shall interview and screen all prospective participants for medical prescriptions, physical and mental health history, and recent alcohol or drug use.

(2) Unless an individual obtains a medical clearance from a physician or physician assistant, a residential, vocational and life skills program may not have as a participant an individual who:

(a) has a recent diagnosis of a mental, social, psychiatric, or psychological illness; or

(b) has an active prescription for medication for a mental, social, psychiatric, or psychological illness.

(3) A residential, vocational and life skills program may not admit a minor.

Section 3. Section **16-11-2** is amended to read:

Section 4. Section **20A-1-501** is amended to read:

20A-1-501. Candidate vacancies -- Procedure for filling.

(1) The state central committee of a political party, for candidates for United States senator, United States representative, governor, lieutenant governor, attorney general, state treasurer, and state auditor, and for legislative candidates whose legislative districts encompass more than one county, and the county central committee of a political party, for all other party candidates seeking an office elected at a regular general election, may certify the name of another candidate to the appropriate election officer if:

(a) for a registered political party that will have a candidate on a ballot in a primary election, after the close of the period for filing a declaration of candidacy and continuing through the day before the day on which the lieutenant governor provides the list described in Subsection 20A-9-403(4)(a):

(i) only one or two candidates from that party have filed a declaration of candidacy for

SB0203S03 compared with SB0203S02

that office; and

(ii) one or both:

(A) dies;

(B) resigns because of acquiring a physical or mental disability, certified by a physician or physician assistant, that prevents the candidate from continuing the candidacy; or

(C) is disqualified by an election officer for improper filing or nominating procedures;

(b) for a registered political party that does not have a candidate on the ballot in a primary, but that will have a candidate on the ballot for a general election, after the close of the period for filing a declaration of candidacy and continuing through the day before the day on which the lieutenant governor makes the certification described in Section 20A-5-409, the party's candidate:

(i) dies;

(ii) resigns because of acquiring a physical or mental disability as certified by a physician or physician assistant;

(iii) is disqualified by an election officer for improper filing or nominating procedures;

or

(iv) resigns to become a candidate for president or vice president of the United States;

or

(c) for a registered political party with a candidate certified as winning a primary election, after the deadline described in Subsection (1)(a) and continuing through the day before that day on which the lieutenant governor makes the certification described in Section 20A-5-409, the party's candidate:

(i) dies;

(ii) resigns because of acquiring a physical or mental disability as certified by a physician or physician assistant;

(iii) is disqualified by an election officer for improper filing or nominating procedures;

or

(iv) resigns to become a candidate for president or vice president of the United States.

(2) If no more than two candidates from a political party have filed a declaration of candidacy for an office elected at a regular general election and one resigns to become the party candidate for another position, the state central committee of that political party, for candidates

SB0203S03 compared with SB0203S02

for governor, lieutenant governor, attorney general, state treasurer, and state auditor, and for legislative candidates whose legislative districts encompass more than one county, and the county central committee of that political party, for all other party candidates, may certify the name of another candidate to the appropriate election officer.

(3) Each replacement candidate shall file a declaration of candidacy as required by Title 20A, Chapter 9, Part 2, Candidate Qualifications and Declarations of Candidacy.

(4) (a) The name of a candidate who is certified under Subsection (1)(a) after the deadline described in Subsection (1)(a) may not appear on the primary election ballot.

(b) The name of a candidate who is certified under Subsection (1)(b) after the deadline described in Subsection (1)(b) may not appear on the general election ballot.

(c) The name of a candidate who is certified under Subsection (1)(c) after the deadline described in Subsection (1)(c) may not appear on the general election ballot.

(5) A political party may not replace a candidate who is disqualified for failure to timely file a campaign disclosure financial report under Title 20A, Chapter 11, Campaign and Financial Reporting Requirements, or Section 17-16-6.5.

Section 5. Section **23-19-36** is amended to read:

23-19-36. Persons with a physical or intellectual disability, terminally ill persons, and children in the custody of the state -- License to fish for free.

(1) A resident who is blind, has paraplegia, or has another permanent disability so as to be permanently confined to a wheelchair or the use of crutches, or who has lost either or both lower extremities, may receive a free license to fish upon furnishing satisfactory proof of this fact to the Division of Wildlife Resources.

(2) A resident who has an intellectual disability and is not eligible under Section 23-19-14 to fish without a license may receive a free license to fish upon furnishing verification from a physician or physician assistant that the person has an intellectual disability.

(3) A resident who is terminally ill, and has less than five years to live, may receive a free license to fish:

(a) upon furnishing verification from a physician or physician assistant; and

(b) if the resident qualifies for assistance under any low income public assistance program administered by a state agency.

(4) A child placed in the custody of the state by a court order may receive a free fishing

SB0203S03 compared with SB0203S02

license upon furnishing verification of custody to the Division of Wildlife Resources.

Section 6. Section **23-19-38** is amended to read:

23-19-38. Sales of licenses, certificates, or permits final -- Exceptions --

Reallocation of surrendered permits.

(1) Sales of all licenses, certificates, or permits are final, and no refunds may be made by the division except as provided in Subsections (2) and (3).

(2) The division may refund the amount of the license, certificate, or permit if:

(a) the division or the Wildlife Board discontinues the activity for which the license, certificate, or permit was obtained;

(b) the division determines that it has erroneously collected a fee;

(c) (i) the person to whom the license, certificate, or permit is issued becomes ill or suffers an injury that precludes the person from using the license, certificate, or permit;

(ii) the person furnishes verification of illness or injury from a physician or physician assistant;

(iii) the person does not actually use the license, certificate, or permit; and

(iv) the license, certificate, or permit is surrendered before the end of the season for which the permit was issued; or

(d) the person to whom the license, certificate, or permit is issued dies prior to the person being able to use the license, certificate, or permit.

(3) The Wildlife Board may establish additional exceptions in rule to the refund prohibitions in Subsection (1).

(4) The division director may reallocate surrendered permits in accordance with rules adopted by the Wildlife Board.

Section 7. Section **26-2-5** is amended to read:

26-2-5. Birth certificates -- Execution and registration requirements.

(1) As used in this section, "birthing facility" means a general acute hospital or birthing center as defined in Section 26-21-2.

(2) For each live birth occurring in the state, a certificate shall be filed with the local registrar for the district in which the birth occurred within 10 days following the birth. The certificate shall be registered if it is completed and filed in accordance with this chapter.

(3) (a) For each live birth that occurs in a birthing facility, the administrator of the

SB0203S03 compared with SB0203S02

birthing facility, or his designee, shall obtain and enter the information required under this chapter on the certificate, securing the required signatures, and filing the certificate.

(b) (i) The date, time, place of birth, and required medical information shall be certified by the birthing facility administrator or his designee.

(ii) The attending physician or nurse midwife may sign the certificate, but if the attending physician or nurse midwife has not signed the certificate within seven days of the date of birth, the birthing facility administrator or his designee shall enter the attending physician's or nurse midwife's name and transmit the certificate to the local registrar.

(iii) The information on the certificate about the parents shall be provided and certified by the mother or father or, in their incapacity or absence, by a person with knowledge of the facts.

(4) (a) For live births that occur outside a birthing facility, the birth certificate shall be completed and filed by the physician, physician assistant, nurse, midwife, or other person primarily responsible for providing assistance to the mother at the birth. If there is no such person, either the presumed or declarant father shall complete and file the certificate. In his absence, the mother shall complete and file the certificate, and in the event of her death or disability, the owner or operator of the premises where the birth occurred shall do so.

(b) The certificate shall be completed as fully as possible and shall include the date, time, and place of birth, the mother's name, and the signature of the person completing the certificate.

(5) (a) For each live birth to an unmarried mother that occurs in a birthing facility, the administrator or director of that facility, or his designee, shall:

(i) provide the birth mother and declarant father, if present, with:

(A) a voluntary declaration of paternity form published by the state registrar;

(B) oral and written notice to the birth mother and declarant father of the alternatives to, the legal consequences of, and the rights and responsibilities that arise from signing the declaration; and

(C) the opportunity to sign the declaration;

(ii) witness the signature of a birth mother or declarant father in accordance with Section 78B-15-302 if the signature occurs at the facility;

(iii) enter the declarant father's information on the original birth certificate, but only if

SB0203S03 compared with SB0203S02

the mother and declarant father have signed a voluntary declaration of paternity or a court or administrative agency has issued an adjudication of paternity; and

(iv) file the completed declaration with the original birth certificate.

(b) If there is a presumed father, the voluntary declaration will only be valid if the presumed father also signs the voluntary declaration.

(c) The state registrar shall file the information provided on the voluntary declaration of paternity form with the original birth certificate and may provide certified copies of the declaration of paternity as otherwise provided under Title 78B, Chapter 15, Utah Uniform Parentage Act.

(6) (a) The state registrar shall publish a form for the voluntary declaration of paternity, a description of the process for filing a voluntary declaration of paternity, and of the rights and responsibilities established or effected by that filing, in accordance with Title 78B, Chapter 15, Utah Uniform Parentage Act.

(b) Information regarding the form and services related to voluntary paternity establishment shall be made available to birthing facilities and to any other entity or individual upon request.

(7) The name of a declarant father may only be included on the birth certificate of a child of unmarried parents if:

(a) the mother and declarant father have signed a voluntary declaration of paternity; or

(b) a court or administrative agency has issued an adjudication of paternity.

(8) Voluntary declarations of paternity, adjudications of paternity by judicial or administrative agencies, and voluntary rescissions of paternity shall be filed with and maintained by the state registrar for the purpose of comparing information with the state case registry maintained by the Office of Recovery Services pursuant to Section 62A-11-104.

Section 8. Section **26-4-2** is amended to read:

26-4-2. Definitions.

As used in this chapter:

(1) "Dead body" is as defined in Section 26-2-2.

(2) "Death by violence" means death that resulted by the decedent's exposure to physical, mechanical, or chemical forces, and includes death which appears to have been due to homicide, death which occurred during or in an attempt to commit rape, mayhem, kidnapping,

SB0203S03 compared with SB0203S02

robbery, burglary, housebreaking, extortion, or blackmail accompanied by threats of violence, assault with a dangerous weapon, assault with intent to commit any offense punishable by imprisonment for more than one year, arson punishable by imprisonment for more than one year, or any attempt to commit any of the foregoing offenses.

(3) "Immediate relative" means an individual's spouse, child, parent, sibling, grandparent, or grandchild.

(4) "Medical examiner" means the state medical examiner appointed pursuant to Section 26-4-4 or a deputy appointed by the medical examiner.

(5) "Medical examiner record" means:

- (a) all information that the medical examiner obtains regarding a decedent; and
- (b) reports that the medical examiner makes regarding a decedent.

(6) "Regional pathologist" means a trained pathologist licensed to practice medicine and surgery in the state, appointed by the medical examiner pursuant to Subsection 26-4-4(3).

(7) "Sudden death while in apparent good health" means apparently instantaneous death without obvious natural cause, death during or following an unexplained syncope or coma, or death during an acute or unexplained rapidly fatal illness.

(8) "Sudden infant death syndrome" means the death of a child who was thought to be in good health or whose terminal illness appeared to be so mild that the possibility of a fatal outcome was not anticipated.

(9) "Suicide" means death caused by an intentional and voluntary act of a person who understands the physical nature of the act and intends by such act to accomplish self-destruction.

(10) "Unattended death" means the death of a person who has not been seen by a physician or physician assistant within the scope of the physician's or physician assistant's professional capacity within 30 days immediately prior to the date of death. This definition does not require an investigation, autopsy, or inquest in any case where death occurred without medical attendance solely because the deceased was under treatment by prayer or spiritual means alone in accordance with the tenets and practices of a well-recognized church or religious denomination.

(11) (a) "Unavailable for postmortem investigation" means that a dead body is:

- (i) transported out of state;

SB0203S03 compared with SB0203S02

- (ii) buried at sea;
- (iii) cremated;
- (iv) processed by alkaline hydrolysis; or
- (v) otherwise made unavailable to the medical examiner for postmortem investigation or autopsy.

(b) "Unavailable for postmortem investigation" does not include embalming or burial of a dead body pursuant to the requirements of law.

(12) "Within the scope of the decedent's employment" means all acts reasonably necessary or incident to the performance of work, including matters of personal convenience and comfort not in conflict with specific instructions.

Section 9. Section **26-4-14** is amended to read:

26-4-14. Certification of death by attending physician or physician assistant -- Deaths without medical attendance -- Cause of death uncertain -- Notice requirements.

The physician or physician assistant in attendance at the last illness of a deceased person who, in the judgment of the physician or physician assistant, does not appear to have died in a manner described in Section 26-4-7, shall certify the cause of death to his best knowledge and belief. When there is no physician or physician assistant in attendance during the last illness or when an attending physician or physician assistant is unable to determine with reasonable certainty the cause of death, the physician, physician assistant, or person with custody of the body shall so notify the medical examiner. If the medical examiner has reason to believe there may be criminal responsibility for the death, he shall notify the district attorney or county attorney having criminal jurisdiction or the head of the law enforcement agency having jurisdiction to make further investigation of the death.

Section 10. Section **26-4-17** is amended to read:

26-4-17. Records of medical examiner -- Confidentiality.

(1) The medical examiner shall maintain complete, original records for the medical examiner record, which shall:

- (a) be properly indexed, giving the name, if known, or otherwise identifying every individual whose death is investigated;
- (b) indicate the place where the body was found;
- (c) indicate the date of death;

SB0203S03 compared with SB0203S02

(d) indicate the cause and manner of death;
(e) indicate the occupation of the decedent, if available;
(f) include all other relevant information concerning the death; and
(g) include a full report and detailed findings of the autopsy or report of the investigation.

(2) Upon written request from an individual described in Subsections (2)(a) through (d), the medical examiner shall provide a copy of the medical examiner's final report of examination for the decedent, including the autopsy report, toxicology report, lab reports, and investigative reports to:

(a) a decedent's immediate relative;
(b) a decedent's legal representative;
(c) a physician or physician assistant who attended the decedent during the year before the decedent's death; or

(d) as necessary for the performance of the individual's professional duties, a county attorney, a district attorney, a criminal defense attorney, or other law enforcement official with jurisdiction.

(3) Reports provided under Subsection (2) may not include records that the medical examiner obtains from a third party in the course of investigating the decedent's death.

(4) The medical examiner may provide a medical examiner record to a researcher who:
(a) has an advanced degree;
(b) (i) is affiliated with an accredited college or university, a hospital, or another system of care, including an emergency medical response or a local health agency; or
(ii) is part of a research firm contracted with an accredited college or university, a hospital, or another system of care;

(c) requests a medical examiner record for a research project or a quality improvement initiative that will have a public health benefit, as determined by the Department of Health; and

(d) provides to the medical examiner an approval from:

(i) the researcher's sponsoring organization; and
(ii) the Utah Department of Health Institutional Review Board.

(5) Records provided under Subsection (4) may not include a third party record, unless:

(a) a court has ordered disclosure of the third party record; and

SB0203S03 compared with SB0203S02

(b) disclosure is conducted in compliance with state and federal law.

(6) A person who obtains a medical examiner record under Subsection (4) shall:

(a) maintain the confidentiality of the medical examiner record by removing personally identifying information about a decedent or the decedent's family and any other information that may be used to identify a decedent before using the medical examiner record in research;

(b) conduct any research within and under the supervision of the Office of the Medical Examiner, if the medical examiner record contains a third party record with personally identifiable information;

(c) limit the use of a medical examiner record to the purpose for which the person requested the medical examiner record;

(d) destroy a medical examiner record and the data abstracted from the medical examiner record at the conclusion of the research for which the person requested the medical examiner record;

(e) reimburse the medical examiner, as provided in Section 26-1-6, for any costs incurred by the medical examiner in providing a medical examiner record;

(f) allow the medical examiner to review, before public release, a publication in which data from a medical examiner record is referenced or analyzed; and

(g) provide the medical examiner access to the researcher's database containing data from a medical examiner record, until the day on which the researcher permanently destroys the medical examiner record and all data obtained from the medical examiner record.

(7) Except as provided in this chapter or ordered by a court, the medical examiner may not disclose any part of a medical examiner record.

(8) A person who obtains a medical examiner record under Subsection (4) is guilty of a class B misdemeanor, if the person fails to comply with the requirements of Subsections (6)(a) through (d).

Section 11. Section **26-6-3** is amended to read:

26-6-3. Authority to investigate and control epidemic infections and communicable disease.

(1) The department has authority to investigate and control the causes of epidemic infections and communicable disease, and shall provide for the detection, reporting, prevention, and control of communicable diseases and epidemic infections or any other health

SB0203S03 compared with SB0203S02

hazard which may affect the public health.

(2) (a) As part of the requirements of Subsection (1), the department shall distribute to the public and to health care professionals:

(i) medically accurate information about sexually transmitted diseases that may cause infertility and sterility if left untreated, including descriptions of:

(A) the probable side effects resulting from an untreated sexually transmitted disease, including infertility and sterility;

(B) medically accepted treatment for sexually transmitted diseases;

(C) the medical risks commonly associated with the medical treatment of sexually transmitted diseases; and

(D) [~~suggest~~] suggested screening by a private physician or physician assistant; and

(ii) information about:

(A) public services and agencies available to assist individuals with obtaining treatment for the sexually transmitted disease;

(B) medical assistance benefits that may be available to the individual with the sexually transmitted disease; and

(C) abstinence before marriage and fidelity after marriage being the surest prevention of sexually transmitted disease.

(b) The information required by Subsection (2)(a):

(i) shall be distributed by the department and by local health departments free of charge;

(ii) shall be relevant to the geographic location in which the information is distributed by:

(A) listing addresses and telephone numbers for public clinics and agencies providing services in the geographic area in which the information is distributed; and

(B) providing the information in English as well as other languages that may be appropriate for the geographic area.

(c) (i) Except as provided in Subsection (2)(c)(ii), the department shall develop written material that includes the information required by this Subsection (2).

(ii) In addition to the written materials required by Subsection (2)(c)(i), the department may distribute the information required by this Subsection (2) by any other methods the

SB0203S03 compared with SB0203S02

department determines is appropriate to educate the public, excluding public schools, including websites, toll free telephone numbers, and the media.

(iii) If the information required by Subsection (2)(b)(ii)(A) is not included in the written pamphlet developed by the department, the written material shall include either a website, or a 24-hour toll free telephone number that the public may use to obtain that information.

Section 12. Section **26-6-17** is amended to read:

26-6-17. Venereal disease -- Examinations by authorities -- Treatment of infected persons.

State, county, and municipal health officers within their respective jurisdictions may make examinations of persons reasonably suspected of being infected with venereal disease. Persons infected with venereal disease shall be required to report for treatment to either a reputable physician or physician assistant and continue treatment until cured or to submit to treatment provided at public expense until cured.

Section 13. Section **26-6-18** is amended to read:

26-6-18. Venereal disease -- Consent of minor to treatment.

(1) A consent to medical care or services by a hospital or public clinic or the performance of medical care or services by a licensed physician or physician assistant executed by a minor who is or professes to be afflicted with a sexually transmitted disease, shall have the same legal effect upon the minor and the same legal obligations with regard to the giving of consent as a consent given by a person of full legal age and capacity, the infancy of the minor and any contrary provision of law notwithstanding.

(2) The consent of the minor is not subject to later disaffirmance by reason of minority at the time it was given and the consent of no other person or persons shall be necessary to authorize hospital or clinical care or services to be provided to the minor by a licensed physician or physician assistant.

(3) The provisions of this section shall apply also to minors who profess to be in need of hospital or clinical care and services or medical care or services provided by a physician or physician assistant for suspected sexually transmitted disease, regardless of whether such professed suspicions are subsequently substantiated on a medical basis.

Section 14. Section **26-6-19** is amended to read:

SB0203S03 compared with SB0203S02

26-6-19. Venereal disease -- Examination and treatment of persons in prison or jail.

(1) All persons confined in any state, county, or city prison or jail shall be examined, and if infected, treated for venereal diseases by the health authorities. The prison authorities of every state, county, or city prison or jail shall make available to the health authorities such portion of the prison or jail as may be necessary for a clinic or hospital wherein all persons suffering with venereal disease at the time of the expiration of their terms of imprisonment, shall be isolated and treated at public expense until cured.

(2) The department may require persons suffering with venereal disease at the time of the expiration of their terms of imprisonment to report for treatment to a licensed physician or physician assistant or submit to treatment provided at public expense in lieu of isolation. Nothing in this section shall interfere with the service of any sentence imposed by a court as a punishment for the commission of crime.

Section 15. Section **26-6-20** is amended to read:

26-6-20. Serological testing of pregnant or recently delivered women.

(1) Every licensed physician and surgeon attending a pregnant or recently delivered woman for conditions relating to her pregnancy shall take or cause to be taken a sample of blood of the woman at the time of first examination or within 10 days thereafter. The blood sample shall be submitted to an approved laboratory for a standard serological test for syphilis. The provisions of this section do not apply to any female who objects thereto on the grounds that she is a bona fide member of a specified, well recognized religious organization whose teachings are contrary to the tests.

(2) Every other person attending a pregnant or recently delivered woman, who is not permitted by law to take blood samples, shall within 10 days from the time of first attendance cause a sample of blood to be taken by a licensed physician or physician assistant. The blood sample shall be submitted to an approved laboratory for a standard serological test for syphilis.

(3) An approved laboratory is a laboratory approved by the department according to its rules governing the approval of laboratories for the purpose of this title. In submitting the sample to the laboratory the physician or physician assistant shall designate whether it is a prenatal test or a test following recent delivery.

(4) For the purpose of this chapter, a "standard serological test" means a test for

SB0203S03 compared with SB0203S02

syphilis approved by the department and made at an approved laboratory.

(5) The laboratory shall transmit a detailed report of the standard serological test, showing the result thereof to the physician or physician assistant.

Section 16. Section **26-6b-5** is amended to read:

26-6b-5. Petition for judicial review of order of restriction -- Court-ordered examination period.

(1) (a) A department may petition for a judicial review of the department's order of restriction for an individual or group of individuals who are subject to restriction by filing a written petition with the district court of the county in which the individual or group of individuals reside or are located.

(b) (i) The county attorney for the county where the individual or group of individuals reside or are located shall represent the local health department in any proceedings under this chapter.

(ii) The Office of the Attorney General shall represent the department when the petitioner is the Department of Health in any proceedings under this chapter.

(2) The petition under Subsection (1) shall be accompanied by:

(a) written affidavit of the department stating:

(i) a belief the individual or group of individuals are subject to restriction;

(ii) a belief that the individual or group of individuals who are subject to restriction are likely to fail to submit to examination, treatment, quarantine, or isolation if not immediately restrained;

(iii) this failure would pose a threat to the public health; and

(iv) the personal knowledge of the individual's or group of individuals' condition or the circumstances that lead to that belief; and

(b) a written statement by a licensed physician or physician assistant indicating the physician or physician assistant finds the individual or group of individuals are subject to restriction.

(3) The court shall issue an order of restriction requiring the individual or group of individuals to submit to involuntary restriction to protect the public health if the district court finds:

(a) there is a reasonable basis to believe that the individual's or group of individuals'

SB0203S03 compared with SB0203S02

condition requires involuntary examination, quarantine, treatment, or isolation pending examination and hearing; or

(b) the individual or group of individuals have refused to submit to examination by a health professional as directed by the department or to voluntarily submit to examination, treatment, quarantine, or isolation.

(4) If the individual or group of individuals who are subject to restriction are not in custody, the court may make its determination and issue its order of restriction in an ex parte hearing.

(5) At least 24 hours prior to the hearing required by Section 26-6b-6, the department which is the petitioner, shall report to the court, in writing, the opinion of qualified health care providers:

(a) regarding whether the individual or group of individuals are infected by or contaminated with:

(i) a communicable or possible communicable disease that poses a threat to public health;

(ii) an infectious agent or possibly infectious agent that poses a threat to public health;

(iii) a chemical or biological agent that poses a threat to public health; or

(iv) a condition that poses a threat to public health;

(b) that despite the exercise of reasonable diligence, the diagnostic studies have not been completed;

(c) whether the individual or group of individuals have agreed to voluntarily comply with necessary examination, treatment, quarantine, or isolation; and

(d) whether the petitioner believes the individual or group of individuals will comply without court proceedings.

Section 17. Section **26-8a-251** is amended to read:

26-8a-251. Trauma system advisory committee.

(1) There is created within the department the trauma system advisory committee.

(2) (a) The committee shall be comprised of individuals knowledgeable in adult or pediatric trauma care, including physicians, physician assistants, nurses, hospital administrators, emergency medical services personnel, government officials, consumers, and persons affiliated with professional health care associations.

SB0203S03 compared with SB0203S02

(b) Representation on the committee shall be broad and balanced among the health care delivery systems in the state with no more than three representatives coming from any single delivery system.

(3) The committee shall:

(a) advise the department regarding trauma system needs throughout the state;

(b) assist the department in evaluating the quality and outcomes of the overall trauma system;

(c) review and comment on proposals and rules governing the statewide trauma system; and

(d) make recommendations for the development of statewide triage, treatment, transportation, and transfer guidelines.

(4) The department shall:

(a) determine, by rule, the term and causes for removal of committee members;

(b) establish committee procedures and administration policies consistent with this chapter and department rule; and

(c) provide administrative support to the committee.

Section 18. Section **26-8a-601** is amended to read:

26-8a-601. Persons and activities exempt from civil liability.

(1) (a) Except as provided in Subsection (1)(b), a licensed physician, physician's assistant, or licensed registered nurse who, gratuitously and in good faith, gives oral or written instructions to any of the following is not liable for any civil damages as a result of issuing the instructions:

(i) an individual licensed under Section 26-8a-302;

(ii) a person who uses a fully automated external defibrillator, as defined in Section 26-8b-102; or

(iii) a person who administers CPR, as defined in Section 26-8b-102.

(b) The liability protection described in Subsection (1)(a) does not apply if the instructions given were the result of gross negligence or willful misconduct.

(2) An individual licensed under Section 26-8a-302, during either training or after licensure, a licensed physician, a ~~physician's~~ physician assistant, or a registered nurse who, gratuitously and in good faith, provides emergency medical instructions or renders emergency

SB0203S03 compared with SB0203S02

medical care authorized by this chapter is not liable for any civil damages as a result of any act or omission in providing the emergency medical instructions or medical care, unless the act or omission is the result of gross negligence or willful misconduct.

(3) An individual licensed under Section 26-8a-302 is not subject to civil liability for failure to obtain consent in rendering emergency medical services authorized by this chapter to any individual who is unable to give his consent, regardless of the individual's age, where there is no other person present legally authorized to consent to emergency medical care, provided that the licensed individual acted in good faith.

(4) A principal, agent, contractor, employee, or representative of an agency, organization, institution, corporation, or entity of state or local government that sponsors, authorizes, supports, finances, or supervises any functions of an individual licensed under Section 26-8a-302 is not liable for any civil damages for any act or omission in connection with such sponsorship, authorization, support, finance, or supervision of the licensed individual where the act or omission occurs in connection with the licensed individual's training or occurs outside a hospital where the life of a patient is in immediate danger, unless the act or omission is inconsistent with the training of the licensed individual, and unless the act or omission is the result of gross negligence or willful misconduct.

(5) A physician or physician assistant who gratuitously and in good faith arranges for, requests, recommends, or initiates the transfer of a patient from a hospital to a critical care unit in another hospital is not liable for any civil damages as a result of such transfer where:

(a) sound medical judgment indicates that the patient's medical condition is beyond the care capability of the transferring hospital or the medical community in which that hospital is located; and

(b) the physician or physician assistant has secured an agreement from the receiving facility to accept and render necessary treatment to the patient.

(6) A person who is a registered member of the National Ski Patrol System (NSPS) or a member of a ski patrol who has completed a course in winter emergency care offered by the NSPS combined with CPR for medical technicians offered by the American Red Cross or American Heart Association, or an equivalent course of instruction, and who in good faith renders emergency care in the course of ski patrol duties is not liable for civil damages as a result of any act or omission in rendering the emergency care, unless the act or omission is the

SB0203S03 compared with SB0203S02

result of gross negligence or willful misconduct.

(7) An emergency medical service provider who, in good faith, transports an individual against his will but at the direction of a law enforcement officer pursuant to Section 62A-15-629 is not liable for civil damages for transporting the individual.

Section 19. Section **26-8d-104** is amended to read:

26-8d-104. Stroke registry advisory committee.

(1) There is created within the department a stroke registry advisory committee.

(2) The stroke registry advisory committee created in Subsection (1) shall:

(a) be composed of individuals knowledgeable in adult and pediatric stroke care, including physicians, physician assistants, nurses, hospital administrators, emergency medical services personnel, government officials, consumers, and persons affiliated with professional health care associations;

(b) advise the department regarding the development and implementation of the stroke registry;

(c) assist the department in evaluating the quality and outcomes of the stroke registry;
and

(d) review and comment on proposals and rules governing the statewide stroke registry.

Section 20. Section **26-8d-105** is amended to read:

26-8d-105. Cardiac registry advisory committee.

(1) There is created within the department a cardiac registry advisory committee.

(2) The cardiac registry advisory committee created in Subsection (1) shall:

(a) be composed of individuals knowledgeable in adult and pediatric cardiac care, including physicians, physician assistants, nurses, hospital administrators, emergency medical services personnel, government officials, consumers, and persons affiliated with professional health care associations;

(b) advise the department regarding the development and implementation of the cardiac registry;

(c) assist the department in evaluating the quality and outcomes of the cardiac registry;
and

(d) review and comment on proposals and rules governing the statewide cardiac registry.

SB0203S03 compared with SB0203S02

Section 21. Section **26-10-11** is amended to read:

26-10-11. Children's Hearing Aid Program.

- (1) The department shall offer a program to provide hearing aids to children who qualify under this section.
 - (2) The department shall provide hearing aids to a child who:
 - (a) is younger than six years old;
 - (b) is a resident of Utah;
 - (c) has been diagnosed with hearing loss by:
 - (i) an audiologist with pediatric expertise; and
 - (ii) a physician or physician assistant;
 - (d) provides documentation from an audiologist with pediatric expertise certifying that the child needs hearing aids;
 - (e) has obtained medical clearance by a medical provider for hearing aid fitting;
 - (f) does not qualify to receive a contribution that equals the full cost of a hearing aid from the state's Medicaid program or the Utah Children's Health Insurance Program; and
 - (g) meets the financial need qualification criteria established by the department by rule, made in accordance with Title 63G, Chapter 3, Utah Administrative Rulemaking Act, for participation in the program.
 - (3)
 - (a) There is established the Children's Hearing Aid Advisory Committee.
 - (b) The committee shall be composed of five members appointed by the executive director, and shall include:
 - (i) one audiologist with pediatric expertise;
 - (ii) one speech language pathologist;
 - (iii) one teacher, certified under Title 53E, Public Education System -- State Administration, as a teacher of the deaf or a listening and spoken language therapist;
 - (iv) one ear, nose, and throat specialist; and
 - (v) one parent whose child:
 - (A) is six years old or older; and
 - (B) has hearing loss.
 - (c) A majority of the members constitutes a quorum.
 - (d) A vote of the majority of the members, with a quorum present, constitutes an action

SB0203S03 compared with SB0203S02

of the committee.

(e) The committee shall elect a chair from its members.

(f) The committee shall:

(i) meet at least quarterly;

(ii) recommend to the department medical criteria and procedures for selecting children who may qualify for assistance from the account; and

(iii) review rules developed by the department.

(g) A member may not receive compensation or benefits for the member's service, but may receive per diem and travel expenses in accordance with Sections 63A-3-106 and 63A-3-107 and rules made by the Division of Finance, pursuant to Sections 63A-3-106 and 63A-3-107.

(h) The department shall provide staff to the committee.

(4) (a) There is created within the General Fund a restricted account known as the "Children's Hearing Aid Program Restricted Account."

(b) The Children's Hearing Aid Program Restricted Account shall consist of:

(i) amounts appropriated to the account by the Legislature; and

(ii) gifts, grants, devises, donations, and bequests of real property, personal property, or services, from any source, or any other conveyance that may be made to the account from private sources.

(c) Upon appropriation, all actual and necessary operating expenses for the committee described in Subsection (3) shall be paid by the account.

(d) Upon appropriation, no more than 9% of the account money may be used for the department's expenses.

(e) If this account is repealed in accordance with Section 63I-1-226, any remaining assets in the account shall be deposited into the General Fund.

(5) The department shall make rules, in accordance with Title 63G, Chapter 3, Utah Administrative Rulemaking Act, to establish procedures for:

(a) identifying the children who are financially eligible to receive services under the program; and

(b) reviewing and paying for services provided to a child under the program.

(6) The department shall, before December 1 of each year, submit a report to the

SB0203S03 compared with SB0203S02

Health and Human Services Interim Committee that describes the operation and accomplishments of the program.

Section 22. Section **26-18-107** is amended to read:

26-18-107. Retrospective and prospective DUR.

(1) The board, in cooperation with the division, shall include in its state plan the creation and implementation of a retrospective and prospective DUR program for Medicaid outpatient drugs to ensure that prescriptions are appropriate, medically necessary, and not likely to result in adverse medical outcomes.

(2) The retrospective and prospective DUR program shall be operated under guidelines established by the board under Subsections (3) and (4).

(3) The retrospective DUR program shall be based on guidelines established by the board, using the mechanized drug claims processing and information retrieval system to analyze claims data in order to:

(a) identify patterns of fraud, abuse, gross overuse, and inappropriate or medically unnecessary care; and

(b) assess data on drug use against explicit predetermined standards that are based on the compendia and other sources for the purpose of monitoring:

(i) therapeutic appropriateness;

(ii) overutilization or underutilization;

(iii) therapeutic duplication;

(iv) drug-disease contraindications;

(v) drug-drug interactions;

(vi) incorrect drug dosage or duration of drug treatment; and

(vii) clinical abuse and misuse.

(4) The prospective DUR program shall be based on guidelines established by the board and shall provide that, before a prescription is filled or delivered, a review will be conducted by the pharmacist at the point of sale to screen for potential drug therapy problems resulting from:

(a) therapeutic duplication;

(b) drug-drug interactions;

(c) incorrect dosage or duration of treatment;

SB0203S03 compared with SB0203S02

(d) drug-allergy interactions; and

(e) clinical abuse or misuse.

(5) In conducting the prospective DUR, a pharmacist may not alter the prescribed outpatient drug therapy without the consent of the prescribing physician or physician assistant.

This section does not effect the ability of a pharmacist to substitute a generic equivalent.

Section 23. Section **26-21-7** is amended to read:

26-21-7. Exempt facilities.

This chapter does not apply to:

(1) a dispensary or first aid facility maintained by any commercial or industrial plant, educational institution, or convent;

(2) a health care facility owned or operated by an agency of the United States;

(3) the office of a physician, physician assistants, or dentist whether it is an individual or group practice, except that it does apply to an abortion clinic;

(4) a health care facility established or operated by any recognized church or denomination for the practice of religious tenets administered by mental or spiritual means without the use of drugs, whether gratuitously or for compensation, if it complies with statutes and rules on environmental protection and life safety;

(5) any health care facility owned or operated by the Department of Corrections, created in Section 64-13-2; and

(6) a residential facility providing 24-hour care:

(a) that does not employ direct care staff;

(b) in which the residents of the facility contract with a licensed hospice agency to receive end-of-life medical care; and

(c) that meets other requirements for an exemption as designated by administrative rule.

Section 24. Section **26-28-114** is amended to read:

26-28-114. Rights and duties of procurement organization and others.

(1) When a hospital refers an individual at or near death to a procurement organization, the organization shall make a reasonable search of the records of the Department of Public Safety and any donor registry that it knows exists for the geographical area in which the individual resides to ascertain whether the individual has made an anatomical gift.

SB0203S03 compared with SB0203S02

(2) A procurement organization shall be allowed reasonable access to information in the records of the Department of Public Safety to ascertain whether an individual at or near death is a donor.

(3) When a hospital refers an individual at or near death to a procurement organization, the organization may conduct any reasonable examination necessary to ensure the medical suitability of a part that is or could be the subject of an anatomical gift for transplantation, therapy, research, or education from a donor or a prospective donor. During the examination period, measures necessary to ensure the medical suitability of the part may not be withdrawn unless the hospital or procurement organization knows that the individual expressed a contrary intent.

(4) Unless prohibited by law other than this chapter, at any time after a donor's death, the person to which a part passes under Section 26-28-111 may conduct any reasonable examination necessary to ensure the medical suitability of the body or part for its intended purpose.

(5) Unless prohibited by law other than this chapter, an examination under Subsection (3) or (4) may include an examination of all medical and dental records of the donor or prospective donor.

(6) Upon the death of a minor who was a donor or had signed a refusal, unless a procurement organization knows the minor is emancipated, the procurement organization shall conduct a reasonable search for the parents of the minor and provide the parents with an opportunity to revoke or amend the anatomical gift or revoke the refusal.

(7) Upon referral by a hospital under Subsection (1), a procurement organization shall make a reasonable search for any person listed in Section 26-28-109 having priority to make an anatomical gift on behalf of a prospective donor. If a procurement organization receives information that an anatomical gift to any other person was made, amended, or revoked, it shall promptly advise the other person of all relevant information.

(8) Subject to Subsection 26-28-111(9) and Section 26-28-123, the rights of the person to which a part passes under Section 26-28-111 are superior to the rights of all others with respect to the part. The person may accept or reject an anatomical gift in whole or in part. Subject to the terms of the document of gift and this chapter, a person that accepts an anatomical gift of an entire body may allow embalming, burial or cremation, and use of

SB0203S03 compared with SB0203S02

remains in a funeral service. If the gift is of a part, the person to which the part passes under Section 26-28-111, upon the death of the donor and before embalming, burial, or cremation, shall cause the part to be removed without unnecessary mutilation.

(9) Neither the physician or physician assistant who attends the decedent at death nor the physician or physician assistant who determines the time of the decedent's death may participate in the procedures for removing or transplanting a part from the decedent.

(10) A physician, physician assistant, or technician may remove a donated part from the body of a donor that the physician, physician assistant, or technician is qualified to remove.

Section 25. Section **26-33a-102** is amended to read:

26-33a-102. Definitions.

As used in this chapter:

(1) "Committee" means the Health Data Committee created by Section 26-1-7.

(2) "Control number" means a number assigned by the committee to an individual's health data as an identifier so that the health data can be disclosed or used in research and statistical analysis without readily identifying the individual.

(3) "Data supplier" means a health care facility, health care provider, self-funded employer, third-party payor, health maintenance organization, or government department which could reasonably be expected to provide health data under this chapter.

(4) "Disclosure" or "disclose" means the communication of health care data to any individual or organization outside the committee, its staff, and contracting agencies.

(5) "Executive director" means the director of the department.

(6) (a) "Health care facility" means a facility that is licensed by the department under Title 26, Chapter 21, Health Care Facility Licensing and Inspection Act.

(b) In accordance with Title 63G, Chapter 3, Utah Administrative Rulemaking Act, the committee, with the concurrence of the department, may by rule add, delete, or modify the list of facilities that come within this definition for purposes of this chapter.

(7) "Health care provider" means any person, partnership, association, corporation, or other facility or institution that renders or causes to be rendered health care or professional services as a physician, physician assistant, registered nurse, licensed practical nurse, nurse-midwife, dentist, dental hygienist, optometrist, clinical laboratory technologist, pharmacist, physical therapist, podiatric physician, psychologist, chiropractic physician,

SB0203S03 compared with SB0203S02

naturopathic physician, osteopathic physician, osteopathic physician and surgeon, audiologist, speech pathologist, certified social worker, social service worker, social service aide, marriage and family counselor, or practitioner of obstetrics, and others rendering similar care and services relating to or arising out of the health needs of persons or groups of persons, and officers, employees, or agents of any of the above acting in the course and scope of their employment.

(8) "Health data" means information relating to the health status of individuals, health services delivered, the availability of health manpower and facilities, and the use and costs of resources and services to the consumer, except vital records as defined in Section 26-2-2 shall be excluded.

(9) "Health maintenance organization" has the meaning set forth in Section 31A-8-101.

(10) "Identifiable health data" means any item, collection, or grouping of health data that makes the individual supplying or described in the health data identifiable.

(11) "Individual" means a natural person.

(12) "Organization" means any corporation, association, partnership, agency, department, unit, or other legally constituted institution or entity, or part thereof.

(13) "Research and statistical analysis" means activities using health data analysis including:

(a) describing the group characteristics of individuals or organizations;

(b) analyzing the noncompliance among the various characteristics of individuals or organizations;

(c) conducting statistical procedures or studies to improve the quality of health data;

(d) designing sample surveys and selecting samples of individuals or organizations;

and

(e) preparing and publishing reports describing these matters.

(14) "Self-funded employer" means an employer who provides for the payment of health care services for employees directly from the employer's funds, thereby assuming the financial risks rather than passing them on to an outside insurer through premium payments.

(15) "Plan" means the plan developed and adopted by the Health Data Committee under Section 26-33a-104.

(16) "Third party payor" means:

SB0203S03 compared with SB0203S02

- (a) an insurer offering a health benefit plan, as defined by Section 31A-1-301, to at least 2,500 enrollees in the state;
- (b) a nonprofit health service insurance corporation licensed under Title 31A, Chapter 7, Nonprofit Health Service Insurance Corporations;
- (c) a program funded or administered by Utah for the provision of health care services, including the Medicaid and medical assistance programs described in Chapter 18, Medical Assistance Act; and
- (d) a corporation, organization, association, entity, or person:
 - (i) which administers or offers a health benefit plan to at least 2,500 enrollees in the state; and
 - (ii) which is required by administrative rule adopted by the department in accordance with Title 63G, Chapter 3, Utah Administrative Rulemaking Act, to supply health data to the committee.

(b) "Nurse practitioner" means an advanced practice registered nurse specializing as a nurse practitioner.

(c) "Physician" means a person licensed to practice as a physician or osteopath in this state under Title 58, Chapter 67, Utah Medical Practice Act, or Title 58, Chapter 68, Utah Osteopathic Medical Practice Act.

SB0203S03 compared with SB0203S02

(d) "Physician assistant" means an individual licensed to practice as a physician assistant in the state under Title 58, Chapter 70a, Utah Physician Assistant Act.

~~[(d)]~~ (e) "Temporary wheelchair user placard" means a removable windshield placard that is issued to a qualifying person, as provided in this section, who has a walking disability that is not permanent.

~~[(e)]~~ (f) "Walking disability" means a physical disability that requires the use of a walking-assistive device or wheelchair or similar low-powered motorized or mechanically propelled vehicle that is designed to specifically assist a person who has a limited or impaired ability to walk.

~~[(f)]~~ (g) "Wheelchair user placard" means a removable windshield placard that is issued to a qualifying person, as provided in this section, who has a walking disability.

(2) (a) The division shall issue a disability special group license plate, a temporary removable windshield placard, or a removable windshield placard to an applicant who is either:

(i) a qualifying person with a disability; or

(ii) the registered owner of a vehicle that an organization uses primarily for the transportation of persons with disabilities that limit or impair the ability to walk.

(b) The division shall issue a temporary wheelchair user placard or a wheelchair user placard to an applicant who is either:

(i) a qualifying person with a walking disability; or

(ii) the registered owner of a vehicle that an organization uses primarily for the transportation of persons with walking disabilities.

(c) The division shall require that an applicant under Subsection (2)(b) certifies that the person travels in a vehicle equipped with a wheelchair lift or a vehicle carrying the person's walking-assistive device or wheelchair and requires a van accessible parking space.

(3) (a) The person with a disability shall ensure that the initial application contains the certification of a physician, physician assistant, or nurse practitioner that:

(i) the applicant meets the definition of a person with a disability that limits or impairs the ability to walk as defined in the federal Uniform System for Parking for Persons with Disabilities, 23 C.F.R. Ch. II, Subch. B, Pt. 1235.2 (1991);

(ii) if the person is applying for a temporary wheelchair user placard or a wheelchair user placard, the applicant has a walking disability; and

SB0203S03 compared with SB0203S02

(iii) specifies the period of time that the physician, physician assistant, or nurse practitioner determines the applicant will have the disability, not to exceed six months in the case of a temporary disability or a temporary walking disability.

(b) The division shall issue a disability special group license plate, a removable windshield placard, or a wheelchair user placard, as applicable, to a person with a permanent disability.

(c) The issuance of a person with a disability special group license plate does not preclude the issuance to the same applicant of a removable windshield placard or wheelchair user placard.

(d) (i) On request of an applicant with a disability special group license plate, a temporary removable windshield placard, or a removable windshield placard, the division shall issue one additional placard.

(ii) On request of a qualified applicant with a disability special group license plate, the division shall issue up to two temporary wheelchair user placards or two wheelchair user placards.

(iii) On request of a qualified applicant with a temporary wheelchair user placard or a wheelchair user placard, the division shall issue one additional placard.

(e) The division shall ensure that a temporary wheelchair user placard and a wheelchair user placard have the following visible features:

(i) a large "W" next to the internationally recognized disabled persons symbol; and

(ii) the words "Wheelchair User" printed on a portion of the placard.

(f) A disability special group license plate, temporary removable windshield placard, or removable windshield placard may be used to allow one motorcycle to share a parking space reserved for persons with a disability if:

(i) the person with a disability:

(A) is using a motorcycle; and

(B) displays on the motorcycle a disability special group license plate, temporary removable windshield placard, or a removable windshield placard;

(ii) the person who shares the parking space assists the person with a disability with the parking accommodation; and

(iii) the parking space is sufficient size to accommodate both motorcycles without

SB0203S03 compared with SB0203S02

interfering with other parking spaces or traffic movement.

(4) (a) When a vehicle is parked in a parking space reserved for persons with disabilities, a temporary removable windshield placard, a removable windshield placard, a temporary wheelchair user placard, or a wheelchair user placard shall be displayed so that the placard is visible from the front of the vehicle.

(b) If a motorcycle is being used, the temporary removable windshield placard or removable windshield placard shall be displayed in plain sight on or near the handle bars of the motorcycle.

(5) The commission shall make rules in accordance with Title 63G, Chapter 3, Utah Administrative Rulemaking Act, to:

(a) establish qualifying criteria for persons to receive, renew, or surrender a disability special group license plate, a temporary removable windshield placard, a removable windshield placard, a temporary wheelchair user placard, or a wheelchair user placard in accordance with this section;

(b) establish the maximum number of numerals or characters for a disability special group license plate;

(c) require all temporary removable windshield placards, removable windshield placards, temporary wheelchair user placards, and wheelchair user placards to include:

(i) an identification number;

(ii) an expiration date not to exceed:

(A) six months for a temporary removable windshield placard; and

(B) two years for a removable windshield placard; and

(iii) the seal or other identifying mark of the division.

(6) The commission shall insert the following on motor vehicle registration certificates:

"State law prohibits persons who do not lawfully possess a disability placard or disability special group license plate from parking in an accessible parking space designated for persons with disabilities. Persons who possess a disability placard or disability special group license plate are discouraged from parking in an accessible parking space designated as van accessible unless they have a temporary wheelchair user placard or a wheelchair user placard."

Section ~~31~~28. Section **41-6a-520** is amended to read:

41-6a-520. Implied consent to chemical tests for alcohol or drug -- Number of

SB0203S03 compared with SB0203S02

tests -- Refusal -- Warning, report.

(1) (a) A person operating a motor vehicle in this state is considered to have given the person's consent to a chemical test or tests of the person's breath, blood, urine, or oral fluids for the purpose of determining whether the person was operating or in actual physical control of a motor vehicle while:

(i) having a blood or breath alcohol content statutorily prohibited under Section 41-6a-502, 41-6a-530, or 53-3-231;

(ii) under the influence of alcohol, any drug, or combination of alcohol and any drug under Section 41-6a-502; or

(iii) having any measurable controlled substance or metabolite of a controlled substance in the person's body in violation of Section 41-6a-517.

(b) A test or tests authorized under this Subsection (1) must be administered at the direction of a peace officer having grounds to believe that person to have been operating or in actual physical control of a motor vehicle while in violation of any provision under Subsections (1)(a)(i) through (iii).

(c) (i) The peace officer determines which of the tests are administered and how many of them are administered.

(ii) If a peace officer requests more than one test, refusal by a person to take one or more requested tests, even though the person does submit to any other requested test or tests, is a refusal under this section.

(d) (i) A person who has been requested under this section to submit to a chemical test or tests of the person's breath, blood, or urine, or oral fluids may not select the test or tests to be administered.

(ii) The failure or inability of a peace officer to arrange for any specific chemical test is not a defense to taking a test requested by a peace officer, and it is not a defense in any criminal, civil, or administrative proceeding resulting from a person's refusal to submit to the requested test or tests.

(2) (a) A peace officer requesting a test or tests shall warn a person that refusal to submit to the test or tests may result in revocation of the person's license to operate a motor vehicle, a five or 10 year prohibition of driving with any measurable or detectable amount of alcohol in the person's body depending on the person's prior driving history, and a three-year

SB0203S03 compared with SB0203S02

prohibition of driving without an ignition interlock device if the person:

(i) has been placed under arrest;

(ii) has then been requested by a peace officer to submit to any one or more of the chemical tests under Subsection (1); and

(iii) refuses to submit to any chemical test requested.

(b) (i) Following the warning under Subsection (2)(a), if the person does not immediately request that the chemical test or tests as offered by a peace officer be administered, a peace officer shall, on behalf of the Driver License Division and within 24 hours of the arrest, give notice of the Driver License Division's intention to revoke the person's privilege or license to operate a motor vehicle.

(ii) When a peace officer gives the notice on behalf of the Driver License Division, the peace officer shall:

(A) take the Utah license certificate or permit, if any, of the operator;

(B) issue a temporary license certificate effective for only 29 days from the date of arrest; and

(C) supply to the operator, in a manner specified by the Driver License Division, basic information regarding how to obtain a hearing before the Driver License Division.

(c) A citation issued by a peace officer may, if provided in a manner specified by the Driver License Division, also serve as the temporary license certificate.

(d) As a matter of procedure, the peace officer shall submit a signed report, within 10 calendar days after the day on which notice is provided under Subsection (2)(b), that:

(i) the peace officer had grounds to believe the arrested person was in violation of any provision under Subsections (1)(a)(i) through (iii); and

(ii) the person had refused to submit to a chemical test or tests under Subsection (1).

(3) Upon the request of the person who was tested, the results of the test or tests shall be made available to the person.

(4) (a) The person to be tested may, at the person's own expense, have a physician or physician assistant of the person's own choice administer a chemical test in addition to the test or tests administered at the direction of a peace officer.

(b) The failure or inability to obtain the additional test does not affect admissibility of the results of the test or tests taken at the direction of a peace officer, or preclude or delay the

SB0203S03 compared with SB0203S02

test or tests to be taken at the direction of a peace officer.

(c) The additional test shall be subsequent to the test or tests administered at the direction of a peace officer.

(5) For the purpose of determining whether to submit to a chemical test or tests, the person to be tested does not have the right to consult an attorney or have an attorney, physician, or other person present as a condition for the taking of any test.

(6) Notwithstanding the provisions in this section, a blood test taken under this section is subject to Section 77-23-213.

Section ~~{32}~~29. Section **41-6a-523** is amended to read:

41-6a-523. Persons authorized to draw blood -- Immunity from liability.

(1) (a) Only the following, acting at the request of a peace officer, may draw blood to determine its alcohol or drug content:

(i) a physician;

(ii) a physician assistant;

~~[(ii)]~~ (iii) a registered nurse;

~~[(iii)]~~ (iv) a licensed practical nurse;

~~[(iv)]~~ (v) a paramedic;

~~[(v)]~~ (vi) as provided in Subsection (1)(b), emergency medical service personnel other than paramedics; or

~~[(vi)]~~ (vii) a person with a valid permit issued by the Department of Health under Section 26-1-30.

(b) The Department of Health may designate by rule, in accordance with Title 63G, Chapter 3, Utah Administrative Rulemaking Act, which emergency medical service personnel, as defined in Section 26-8a-102, are authorized to draw blood under Subsection ~~[(1)(a)(v)]~~ (1)(a)(vi), based on the type of license under Section 26-8a-302.

(c) Subsection (1)(a) does not apply to taking a urine, breath, or oral fluid specimen.

(2) The following are immune from civil or criminal liability arising from drawing a blood sample from a person whom a peace officer has reason to believe is driving in violation of this chapter, if the sample is drawn in accordance with standard medical practice:

(a) a person authorized to draw blood under Subsection (1)(a); and

(b) if the blood is drawn at a hospital or other medical facility, the medical facility.

SB0203S03 compared with SB0203S02

Section ~~{33}~~30. Section **41-6a-1804** is amended to read:

41-6a-1804. Exceptions.

(1) This part does not apply to an operator or passenger of:

(a) a motor vehicle manufactured before July 1, 1966;

(b) a motor vehicle in which the operator or passengers possess a written verification from a licensed physician or physician assistant that the person is unable to wear a safety belt for physical or medical reasons; or

(c) a motor vehicle or seating position which is not required to be equipped with a safety belt system under federal law.

(2) This part does not apply to a passenger if all seating positions are occupied by other passengers.

(3) This part does not apply to a passenger of a public transit vehicle with a gross vehicle weight rating exceeding 10,000 pounds.

Section ~~{34}~~31. Section **48-1d-102** is amended to read:

48-1d-102. Definitions.

As used in this chapter:

(1) "Business" includes every trade, occupation, and profession.

(2) "Contribution," except in the phrase "right of contribution," means property or a benefit described in Section 48-1d-501 which is provided by a person to a partnership to become a partner or in the person's capacity as a partner.

(2) "Regulating board" means the entity organized pursuant to state law that licenses and regulates the practice of the profession that a limited liability company is organized to provide.

Section ~~36~~33. Section 49-12-601 is amended to read:

49-12-601. Disability retirement -- Medical examinations -- Reemployment of retirant with a disability -- Cancellation of benefit -- Service credit -- Retirant with a disability engaging in gainful employment -- Reduction of allowance -- Refusal to submit to medical examination.

(1) Only members of this system who became eligible for a disability retirement allowance before January 1, 1983, are covered under this section.

(2) (a) The board may, upon the recommendation of the administrator, require any retirant who has been retired for disability and who has not attained the age of 60 years, to undergo a medical examination by a physician, physician assistant, or surgeon, appointed by the board, at the place of residence of the retirant or other place mutually agreed upon.

(b) Upon the basis of the examination, the board shall determine whether the retirant with a disability is still incapacitated, physically or mentally, for service under this chapter.

(c) If the board determines that the retirant is not incapacitated, the retirement

SB0203S03 compared with SB0203S02

allowance shall be cancelled and the retirant shall be reinstated immediately to a position of the same class as that held by the retirant when retired for disability.

(d) If any employing unit is unable to reinstate the retirant, the board shall continue the disability retirement allowance of the retirant until employment is available.

(3) (a) If a retirant with a disability under this system reenters covered service and is eligible for membership in the retirement system, the retirement allowance shall be cancelled and the retirant shall immediately become a member of the retirement system.

(b) (i) The member's individual account shall be credited with an amount which is the actuarial equivalent, at the time of reentry, based on a disabled life, of that portion of the member's retirement allowance which was derived from the member's accumulated contributions.

(ii) The amount credited may not exceed the amount of accumulated contributions standing at the time of retirement.

(c) Each member shall receive credit for the service in the member's account at the time of retirement.

(4) If the retirement allowance of any retirant with a disability is cancelled for any cause other than reentry into service, the retirant shall be paid the accumulated contributions less the amounts prescribed by Subsection (6).

(5) (a) If any member retired for disability engages in a gainful occupation prior to attaining age 60, the administrator shall reduce the amount of the retirement allowance to an amount which, when added to the compensation earned monthly by the retirant in that occupation, may not exceed the amount of the final average monthly salary on the basis of which the current service retirement allowance was determined.

(b) If the earning capacity of the retirant is further altered, the administrator may further alter the retirement allowance as provided in this Subsection (5).

(c) In no event, however, may the retirement benefit be reduced below that portion of the retirant's allowance derived from the retirant's own accumulated contributions.

(d) When the retirant reaches age 60, the retirement allowance shall be made equal to the amount upon which the retirant was originally retired and may not again be modified for any cause.

(6) (a) If any member who retired for disability under age 60, refuses to submit to a

SB0203S03 compared with SB0203S02

medical examination, the retirement allowance may be discontinued until the retirant withdraws that refusal.

(b) If the refusal continues for one year the disability status may be cancelled and membership terminated.

(c) (i) The retirant's accumulated contribution account shall be the actuarial equivalent on the date of the retirant's change of status, based on a disabled life, of that portion of the disability retirement allowance which was derived from the retirant's accumulated contributions.

(ii) The amount credited may not exceed the amount of the retirant's accumulated contributions at the time of disability retirement.

Section ~~{37}~~34. Section **49-16-102** is amended to read:

49-16-102. Definitions.

As used in this chapter:

(1) (a) "Compensation" means the total amount of payments that are includable as gross income which are received by a firefighter service employee as base income for the regularly scheduled work period. The participating employer shall establish the regularly scheduled work period. Base income shall be determined prior to the deduction of member contributions or any amounts the firefighter service employee authorizes to be deducted for salary deferral or other benefits authorized by federal law.

(b) "Compensation" includes performance-based bonuses and cost-of-living adjustments.

(c) "Compensation" does not include:

(i) overtime;

(ii) sick pay incentives;

(iii) retirement pay incentives;

(iv) remuneration paid in kind such as a residence, use of equipment, uniforms, travel, or similar payments;

(v) a lump-sum payment or special payments covering accumulated leave; and

(vi) all contributions made by a participating employer under this system or under any other employee benefit system or plan maintained by a participating employer for the benefit of a member or participant.

SB0203S03 compared with SB0203S02

(d) "Compensation" for purposes of this chapter may not exceed the amount allowed under Section 401(a)(17), Internal Revenue Code.

(2) (a) "Disability" means the complete inability, due to objective medical impairment, whether physical or mental, to perform firefighter service.

(b) "Disability" does not include the inability to meet an employer's required standards or tests relating to fitness, physical ability, or agility that is not a result of a disability as defined under Subsection (2)(a).

(3) "Final average salary" means the amount calculated by averaging the highest three years of annual compensation preceding retirement subject to Subsections (3)(a), (b), and (c).

(a) Except as provided in Subsection (3)(b), the percentage increase in annual compensation in any one of the years used may not exceed the previous year's compensation by more than 10% plus a cost-of-living adjustment equal to the decrease in the purchasing power of the dollar during the previous year, as measured by a United States Bureau of Labor Statistics Consumer Price Index average as determined by the board.

(b) In cases where the participating employer provides acceptable documentation to the office the limitation in Subsection (3)(a) may be exceeded if:

(i) the member has transferred from another agency; or

(ii) the member has been promoted to a new position.

(c) The annual compensation used to calculate final average salary shall be based on:

(i) a calendar year for a member employed by a participating employer that is not an educational institution; or

(ii) a contract year for a member employed by an educational institution.

(4) (a) "Firefighter service" means employment normally requiring an average of 2,080 hours of regularly scheduled employment per year rendered by a member who is:

(i) a firefighter service employee trained in firefighter techniques and assigned to a position of hazardous duty with a regularly constituted fire department; or

(ii) the state fire marshal appointed under Section 53-7-103 or a deputy state fire marshal.

(b) "Firefighter service" does not include secretarial staff or other similar employees.

(5) "Firefighter service employee" means an employee of a participating employer who provides firefighter service under this chapter. An employee of a regularly constituted fire

SB0203S03 compared with SB0203S02

department who does not perform firefighter service is not a firefighter service employee.

(6) (a) "Line-of-duty death or disability" means a death or disability resulting from:

(i) external force, violence, or disease directly resulting from firefighter service; or

(ii) strenuous activity, including a heart attack or stroke, that occurs during strenuous training or another strenuous activity required as an act of duty as a firefighter service employee.

(b) "Line-of-duty death or disability" does not include a death or disability that:

(i) occurs during an activity that is required as an act of duty as a firefighter service employee if the activity is not a strenuous activity, including an activity that is clerical, administrative, or of a nonmanual nature;

(ii) occurs during the commission of a crime committed by the employee;

(iii) occurs when the employee's intoxication or use of alcohol or drugs, whether prescribed or nonprescribed, contributes to the employee's death or disability; or

(iv) occurs in a manner other than as described in Subsection (6)(a).

(c) "Line-of-duty death or disability" includes the death or disability of a paid firefighter resulting from heart disease, lung disease, or a respiratory tract condition if the paid firefighter has five years of firefighter service credit.

(7) "Objective medical impairment" means an impairment resulting from an injury or illness which is diagnosed by a physician or physician assistant and which is based on accepted objective medical tests or findings rather than subjective complaints.

(8) "Participating employer" means an employer which meets the participation requirements of Section 49-16-201.

(9) "Regularly constituted fire department" means a fire department that employs a fire chief who performs firefighter service for at least 2,080 hours of regularly scheduled paid employment per year.

(10) (a) "Strenuous activity" means engagement involving a difficult, stressful, or vigorous fire suppression, rescue, hazardous material response, emergency medical service, physical law enforcement, prison security, disaster relief, or other emergency response activity.

(b) "Strenuous activity" includes participating in a participating employer sanctioned and funded training exercise that involves difficult, stressful, or vigorous physical activity.

(11) "System" means the Firefighters' Retirement System created under this chapter.

SB0203S03 compared with SB0203S02

(12) (a) "Volunteer firefighter" means any individual that is not regularly employed as a firefighter service employee, but who:

- (i) has been trained in firefighter techniques and skills;
- (ii) continues to receive regular firefighter training; and
- (iii) is on the rolls of a legally organized volunteer fire department which provides

ongoing training and serves a political subdivision of the state.

(b) An individual that volunteers assistance but does not meet the requirements of Subsection (12)(a) is not a volunteer firefighter for purposes of this chapter.

(13) "Years of service credit" means the number of periods, each to consist of 12 full months as determined by the board, whether consecutive or not, during which a firefighter service employee was employed by a participating employer or received full-time pay while on sick leave, including any time the firefighter service employee was absent in the service of the United States on military duty.

Section ~~38~~35. Section **49-16-602** is amended to read:

49-16-602. Disability retirement -- Disability allowance eligibility -- Conversion to service retirement -- Examinations -- Reemployment.

(1) A member of this system who applies and is qualified for disability retirement shall receive a disability retirement benefit until the earlier of:

- (a) the date the member of this system no longer has a disability;
- (b) the date the member of this system has accumulated 20 years of firefighter service credit, including years earned while the member of this system had a disability; or
- (c) the date the member of this system has received disability retirement benefits for

the following time periods:

(i) if the member is under age 60 on the date of disability, the disability retirement benefit is payable until age 65;

(ii) if the member is 60 or 61 years of age on the date of disability, the disability retirement benefit is payable for five years;

(iii) if the member is 62 or 63 years of age on the date of disability, the disability retirement benefit is payable for four years;

(iv) if the member is 64 or 65 years of age on the date of disability, the disability retirement benefit is payable for three years;

SB0203S03 compared with SB0203S02

(v) if the member is 66, 67, or 68 years of age on the date of disability, the disability retirement benefit is payable for two years; and

(vi) if the member is 69 years of age or older on the date of disability, the disability retirement benefit is payable for one year.

(2) (a) (i) The retiree with a disability shall receive service credit in this system during the period of disability.

(ii) If the retiree with a disability is employed by a participating employer during the period of disability, the retiree with a disability may not receive service credit for that employment.

(b) The disability retirement shall be converted to a service retirement at the time the disability retirement benefits terminate.

(3) The office shall approve or disapprove applications for disability retirement benefits based upon:

(a) the evaluation and recommendations of one or more treating physicians or physician assistants along with medical records relating to the condition;

(b) the evaluation and recommendations of one or more independent physicians or physician assistants selected by the office; and

(c) receipt of documentation by the office from the participating employer that the member is mentally or physically unable to perform firefighter service.

(4) (a) A retiree with a disability who receives benefits under this section shall, upon request of the executive director, submit to a medical examination by one or more physicians or physician assistants as directed by the office.

(b) If, after an examination, the examiners report that the retiree with a disability is physically and mentally able and capable of resuming firefighter service employment, the retiree with a disability shall be reinstated by the participating employer for which the retiree with a disability last worked at the former classification and rank of the retiree with a disability, and the disability retirement benefit shall terminate.

(c) A retiree with a disability may not be required to submit to an examination under this Subsection (4) more than once every year.

(d) A retiree with a disability who returns to firefighter service employment with a participating employer in this system shall immediately begin accruing service credit that shall

SB0203S03 compared with SB0203S02

be added to that service credit that has been previously accrued, including service credit while disabled.

(5) A retiree with a disability is not subject to medical examinations after reaching age 55.

(6) Refusal or neglect of a member to submit to an examination as requested by the office either before or after a decision regarding disability benefits has been made is sufficient cause for denial, suspension, or discontinuance of benefits and if the refusal or neglect continues for one year, the rights of the member or retiree with a disability to disability retirement benefits may be revoked by the office.

(7) (a) A retiree with a disability who receives benefits under this part shall file a sworn statement with the office on or before March 15 of each year for the first five years a retiree with a disability receives benefits.

(b) The sworn statement shall indicate whether or not the retiree with a disability engaged in any employment during the preceding year and, if so, the amount of earnings received during the calendar year.

(c) If the total amount received in one year by a retiree with a disability for disability retirement benefits and gross earnings from other employment exceeds 125% of the final average salary of the retiree with a disability, the office shall offset the disability retirement benefit paid the following year by the amount in excess of 125% of the final average salary of the retiree with a disability.

(d) (i) If a retiree with a disability refuses or neglects to file a sworn statement as required under this Subsection (7), the executive director may suspend payment of any and all benefits pending receipt of the statement.

(ii) Upon filing the statement, the payments of the retiree with a disability shall be resumed.

(8) The disability retirement benefit shall be improved by the annual cost-of-living increase factor applied to retirees of the system that covered the firefighter service employee at the time of disability.

(9) A line of duty disability allowance paid on or after January 1, 2002, under Section 49-16-601 is exempt from taxation to the extent permitted under federal law.

(10) (a) An active member of this system with five or more years of firefighter service

SB0203S03 compared with SB0203S02

credit shall be eligible for a line-of-duty death or disability benefit resulting from heart disease, lung disease, or respiratory tract disease.

(b) An active member of this system who receives a line-of-duty disability benefit for more than six months due to violence or illness other than heart disease, lung disease, or respiratory tract disease, and then returns to paid firefighter service, is not eligible for a line-of-duty death or disability benefit due to those diseases for two years after the member returned to paid firefighter service unless clear and convincing evidence is presented that the heart, lung, or respiratory tract disease was directly a result of firefighter service.

(11) Disability retirement benefits shall be considered an allowance for purposes of Section 49-11-701.

Section ~~39~~36. Section **49-21-402** is amended to read:

49-21-402. Reduction or reimbursement of benefit -- Circumstances --

Application for other benefits required.

(1) A monthly disability benefit may be terminated unless:

(a) the eligible employee is under the ongoing care and treatment of a physician or physician assistant other than the eligible employee; and

(b) the eligible employee provides the information and documentation requested by the office.

(2) (a) The monthly disability benefit shall be reduced or reimbursed by any amount received by, or payable to, the eligible employee for the same injury or illness that is the basis for the monthly disability benefit from the following sources:

(i) workers' compensation indemnity benefits, regardless of whether the amount is received as an ongoing monthly benefit, as a lump sum, or in a settlement with a workers' compensation indemnity carrier;

(ii) any money received by judgment, legal action, or settlement from a third party liable to the employee for the monthly disability benefit;

(iii) automobile no-fault, medical payments, or similar insurance payments;

(iv) any money received by a judgment, settlement, or other payment as a result of a claim against an employer; or

(v) annual leave or similar lump-sum payments.

(b) The monthly disability benefit shall be reduced or reimbursed by any amount

SB0203S03 compared with SB0203S02

received by, or payable to, the eligible employee for the same period of time during which the eligible employee is entitled to receive a monthly disability benefit from the following sources:

(i) social security disability benefits, including all benefits received by the eligible employee, the eligible employee's spouse, and the eligible employee's children as determined by the Social Security Administration;

(ii) unemployment compensation benefits;

(iii) sick leave benefits; or

(iv) compensation received for employment, including self-employment, except for eligible amounts from approved rehabilitative employment in accordance with Section 49-21-406.

(3) The monthly disability benefit shall be reduced by any amount in excess of one-third of the eligible employee's regular monthly salary received by, or payable to, the eligible employee from the following sources for the same period of time during which the eligible employee is entitled to receive a monthly disability benefit:

(a) any retirement payment earned through or provided by public or private employment; and

(b) any disability benefit, other than social security or workers' compensation indemnity benefits, resulting from the disability for which benefits are being received under this chapter.

(4) After the date of disability, cost-of-living increases to any of the benefits listed in Subsection (2) or (3) may not be considered in calculating a reduction to the monthly disability benefit.

(5) Any amounts payable to the eligible employee from one or more of the sources under Subsection (2) are considered as amounts received whether or not the amounts were actually received by the eligible employee.

(6) (a) An eligible employee shall first apply for all disability benefits from governmental entities under Subsection (2) to which the eligible employee is or may be entitled, and provide to the office evidence of the applications.

(b) If the eligible employee fails to make application under this Subsection (6), the monthly disability benefit shall be suspended.

(7) During a period of total disability, an eligible employee has an affirmative duty to

SB0203S03 compared with SB0203S02

keep the program informed regarding:

(a) the award or receipt of an amount from a source that could result in the monthly disability benefit being reduced or reimbursed under this section within 10 days of the award or receipt of the amount; and

(b) any employment, including self-employment, of the eligible employee and the compensation for that employment within 10 days of beginning the employment or a material change in the compensation from that employment.

(8) The program shall use commercially reasonable means to collect any amounts of overpayments and reimbursements.

(9) (a) If the program is unable to reduce or obtain reimbursement for the required amount from the monthly disability benefit for any reason, the employee will have received an overpayment of monthly disability benefits.

(b) If an eligible employee receives an overpayment of monthly disability benefits, the eligible employee shall repay to the office the amount of the overpayment, plus interest as determined by the program, within 30 days from the date the overpayment is received by:

(i) the eligible employee; or

(ii) a third party related to the eligible employee.

(c) The executive director may waive the interest on an overpayment of monthly disability benefits under Subsection (9)(b) if good cause is shown for the delay in repayment of the overpayment of monthly disability benefits.

Section ~~40~~37. Section **49-21-406** is amended to read:

49-21-406. Rehabilitative employment -- Interview by disability specialist -- Maintaining eligibility -- Additional treatment and care.

(1) (a) If an eligible employee, during a period of total disability for which the monthly disability benefit is payable, engages in approved rehabilitative employment, the monthly disability benefit otherwise payable shall be reduced:

(i) by an amount equal to 50% of the income to which the eligible employee is entitled for the employment during the month; and

(ii) so that the combined amount received from the rehabilitative employment and the monthly disability payment does not exceed 100% of the eligible employee's monthly salary prior to the employee's disability.

SB0203S03 compared with SB0203S02

(b) This rehabilitative benefit is payable for up to two years or to the end of the maximum benefit period, whichever occurs first.

(2) (a) Each eligible employee receiving a monthly disability benefit shall be interviewed by the office.

(b) The office may refer the eligible employee to a rehabilitative or vocational specialist for a review of the eligible employee's condition and a written rehabilitation plan and return to work assistance.

(3) If an eligible employee receiving a monthly disability benefit fails to participate in an office-approved rehabilitation program within the limitations set forth by a physician or physician assistant, the monthly disability benefit may be suspended or terminated.

(4) The office may, as a condition of paying a monthly disability benefit, require that the eligible employee receive medical care and treatment if that treatment is reasonable or usual according to current medical practices.

Section ~~{45}~~42. Section **53G-9-504** is amended to read:

53G-9-504. Administration of glucagon -- Training of volunteer school personnel -- Authority to use glucagon -- Immunity from liability.

(1) As used in this section, "glucagon authorization" means a signed statement from a parent or guardian of a student with diabetes:

(a) certifying that glucagon has been prescribed for the student;

(b) requesting that the student's public school identify and train school personnel who

SB0203S03 compared with SB0203S02

volunteer to be trained in the administration of glucagon in accordance with this section; and

(c) authorizing the administration of glucagon in an emergency to the student in accordance with this section.

(2) (a) A public school shall, within a reasonable time after receiving a glucagon authorization, train two or more school personnel who volunteer to be trained in the administration of glucagon, with training provided by the school nurse or another qualified, licensed medical professional.

(b) A public school shall allow all willing school personnel to receive training in the administration of glucagon, and the school shall assist and may not obstruct the identification or training of volunteers under this Subsection (2).

(c) The Utah Department of Health, in cooperation with the state superintendent of public instruction, shall design a glucagon authorization form to be used by public schools in accordance with this section.

(3) (a) Training in the administration of glucagon shall include:

(i) techniques for recognizing the symptoms that warrant the administration of glucagon;

(ii) standards and procedures for the storage and use of glucagon;

(iii) other emergency procedures, including calling the emergency 911 number and contacting, if possible, the student's parent or guardian; and

(iv) written materials covering the information required under this Subsection (3).

(b) A school shall retain for reference the written materials prepared in accordance with Subsection (3)(a)(iv).

(4) A public school shall permit a student or school personnel to possess or store prescribed glucagon so that it will be available for administration in an emergency in accordance with this section.

(5) (a) A person who has received training in accordance with this section may administer glucagon at a school or school activity to a student with a glucagon authorization if:

(i) the student is exhibiting the symptoms that warrant the administration of glucagon; and

(ii) a licensed health care professional is not immediately available.

(b) A person who administers glucagon in accordance with Subsection (5)(a) shall

SB0203S03 compared with SB0203S02

direct a responsible person to call 911 and take other appropriate actions in accordance with the training materials retained under Subsection (3)(b).

(6) School personnel who provide or receive training under this section and act in good faith are not liable in any civil or criminal action for any act taken or not taken under the authority of this section with respect to the administration of glucagon.

(7) Section 53G-9-502 does not apply to the administration of glucagon in accordance with this section.

(8) Section 53G-8-205 does not apply to the possession and administration of glucagon in accordance with this section.

(9) The unlawful or unprofessional conduct provisions of Title 58, Occupations and Professions, do not apply to a person licensed as a health professional under Title 58, Occupations and Professions, including a nurse, physician, physician assistant, or pharmacist who, in good faith, trains nonlicensed volunteers to administer glucagon in accordance with this section.

(2) (a) The Department of Health shall, with input from the State Board of Education

SB0203S03 compared with SB0203S02

and a children's hospital, develop a training program for trained school employee volunteers in the administration of seizure rescue medications that includes:

(i) techniques to recognize symptoms that warrant the administration of a seizure rescue medication;

(ii) standards and procedures for the storage of a seizure rescue medication;

(iii) procedures, in addition to administering a seizure rescue medication, in the event that a student requires administration of the seizure rescue medication, including:

(A) calling 911; and

(B) contacting the student's parent or legal guardian;

(iv) an assessment to determine if an individual is competent to administer a seizure rescue medication;

(v) an annual refresher training component; and

(vi) written materials describing the information required under this Subsection (2)(a).

(b) A public school shall retain for reference the written materials described in Subsection (2)(a)(vi).

(c) The following individuals may provide the training described in Subsection (2)(a):

(i) a school nurse; or

(ii) a licensed health care professional.

(3) (a) A public school shall, after receiving a seizure rescue authorization:

(i) inform school employees of the opportunity to be a school employee volunteer; and

(ii) subject to Subsection (3)(b)(ii), provide training, to each school employee who volunteers, using the training program described in Subsection (2)(a).

(b) A public school may not:

(i) obstruct the identification or training of a trained school employee volunteer; or

(ii) compel a school employee to become a trained school employee volunteer.

(4) A trained school employee volunteer may possess or store a prescribed rescue seizure medication, in accordance with this section.

(5) A trained school employee volunteer may administer a seizure rescue medication to a student with a seizure rescue authorization if:

(a) the student is exhibiting a symptom, described on the student's seizure rescue authorization, that warrants the administration of a seizure rescue medication; and

SB0203S03 compared with SB0203S02

(b) a licensed health care professional is not immediately available to administer the seizure rescue medication.

(6) A trained school employee volunteer who administers a seizure rescue medication shall direct an individual to call 911 and take other appropriate actions in accordance with the training described in Subsection (2).

(7) A trained school employee volunteer who administers a seizure rescue medication in accordance with this section in good faith is not liable in a civil or criminal action for an act taken or not taken under this section.

(8) Section 53G-9-502 does not apply to the administration of a seizure rescue medication.

(9) Section 53G-8-205 does not apply to the possession of a seizure rescue medication in accordance with this section.

(10) (a) The unlawful or unprofessional conduct provisions of Title 58, Occupations and Professions, do not apply to a person licensed as a health care professional under Title 58, Occupations and Professions, including a nurse, physician, physician assistant, or pharmacist for, in good faith, training a nonlicensed school employee who volunteers to administer a seizure rescue medication in accordance with this section.

(b) Allowing a trained school employee volunteer to administer a seizure rescue medication in accordance with this section does not constitute unlawful or inappropriate delegation under Title 58, Occupations and Professions.

(d) suspend requirements in Subsections 58-17b-620(3) through (6) which require certain prescriptive procedures;

(e) exempt or modify the requirement for licensure of an individual who is activated as a member of a medical reserve corps during a time of emergency as provided in Section 26A-1-126; and

(f) exempt or modify the requirement for licensure of an individual who is registered as a volunteer health practitioner as provided in Title 26, Chapter 49, Uniform Emergency Volunteer Health Practitioners Act.

(5) Individuals exempt under Subsection (4)(c) and individuals operating under modified scope of practice provisions under Subsection (4)(b):

(a) are exempt from licensure or subject to modified scope of practice for the duration of the emergency;

(b) must be engaged in the distribution of medicines or medical devices in response to the emergency or declaration; and

(c) must be employed by or volunteering for:

(i) a local or state department of health; or

(ii) a host entity as defined in Section 26-49-102.

(6) In accordance with the protocols established under Subsection (8), upon the declaration of a national, state, or local emergency, the Department of Health or a local health department shall coordinate with public safety authorities as defined in Subsection 26-23b-110(1) and may:

(a) use a vaccine, antiviral, antibiotic, or other prescription medication that is not a controlled substance to prevent or treat a disease or condition that gave rise to, or was a consequence of, the emergency; or

(b) distribute a vaccine, antiviral, antibiotic, or other prescription medication that is not a controlled substance:

SB0203S03 compared with SB0203S02

(i) if necessary, to replenish a commercial pharmacy in the event that the commercial pharmacy's normal source of the vaccine, antiviral, antibiotic, or other prescription medication is exhausted; or

(ii) for dispensing or direct administration to treat the disease or condition that gave rise to, or was a consequence of, the emergency by:

(A) a pharmacy;

(B) a prescribing practitioner;

(C) a licensed health care facility;

(D) a federally qualified community health clinic; or

(E) a governmental entity for use by a community more than 50 miles from a person described in Subsections (6)(b)(ii)(A) through (D).

(7) In accordance with protocols established under Subsection (8), upon the declaration of a national, state, or local emergency, the Department of Health shall coordinate the distribution of medications:

(a) received from the strategic national stockpile to local health departments; and

(b) from local health departments to emergency personnel within the local health departments' geographic region.

(8) The Department of Health shall establish by rule, made in accordance with Title 63G, Chapter 3, Utah Administrative Rulemaking Act, protocols for administering, dispensing, and distributing a vaccine, an antiviral, an antibiotic, or other prescription medication that is not a controlled substance in the event of a declaration of a national, state, or local emergency. The protocol shall establish procedures for the Department of Health or a local health department to:

(a) coordinate the distribution of:

(i) a vaccine, an antiviral, an antibiotic, or other prescription medication that is not a controlled substance received by the Department of Health from the strategic national stockpile to local health departments; and

(ii) a legislative subpoena as provided in Title 36, Chapter 14, Legislative Subpoena Powers; or

(d) the owner of a mobile home park, subject to the conditions of Subsection 41-1a-116(5).

(5) Except as provided in Subsection (1)(b), a governmental entity may disclose a private, controlled, or protected record to another governmental entity, political subdivision, state, the United States, or a foreign government only as provided by Section 63G-2-206.

(6) Before releasing a private, controlled, or protected record, the governmental entity shall obtain evidence of the requester's identity.

(7) A governmental entity shall disclose a record pursuant to the terms of a court order signed by a judge from a court of competent jurisdiction, provided that:

(a) the record deals with a matter in controversy over which the court has jurisdiction;

(b) the court has considered the merits of the request for access to the record;

(c) the court has considered and, where appropriate, limited the requester's use and further disclosure of the record in order to protect:

(i) privacy interests in the case of private or controlled records;

(ii) business confidentiality interests in the case of records protected under Subsection 63G-2-305(1), (2), (40)(a)(ii), or (40)(a)(vi); and

(iii) privacy interests or the public interest in the case of other protected records;

(d) to the extent the record is properly classified private, controlled, or protected, the interests favoring access, considering limitations thereon, are greater than or equal to the interests favoring restriction of access; and

(e) where access is restricted by a rule, statute, or regulation referred to in Subsection

SB0203S03 compared with SB0203S02

63G-2-201(3)(b), the court has authority independent of this chapter to order disclosure.

(8) (a) Except as provided in Subsection (8)(d), a governmental entity may disclose or authorize disclosure of private or controlled records for research purposes if the governmental entity:

(i) determines that the research purpose cannot reasonably be accomplished without use or disclosure of the information to the researcher in individually identifiable form;

(ii) determines that:

(A) the proposed research is bona fide; and

(B) the value of the research is greater than or equal to the infringement upon personal privacy;

(iii) (A) requires the researcher to assure the integrity, confidentiality, and security of the records; and

(B) requires the removal or destruction of the individual identifiers associated with the records as soon as the purpose of the research project has been accomplished;

(iv) prohibits the researcher from:

(A) disclosing the record in individually identifiable form, except as provided in Subsection (8)(b); or

(B) using the record for purposes other than the research approved by the governmental entity; and

(v) secures from the researcher a written statement of the researcher's understanding of and agreement to the conditions of this Subsection (8) and the researcher's understanding that violation of the terms of this Subsection (8) may subject the researcher to criminal prosecution under Section 63G-2-801.

(b) A researcher may disclose a record in individually identifiable form if the record is disclosed for the purpose of auditing or evaluating the research program and no subsequent use or disclosure of the record in individually identifiable form will be made by the auditor or evaluator except as provided by this section.

(c) A governmental entity may require indemnification as a condition of permitting research under this Subsection (8).

(d) A governmental entity may not disclose or authorize disclosure of a private record for research purposes as described in this Subsection (8) if the private record is a record

SB0203S03 compared with SB0203S02

described in Subsection 63G-2-302(1)(u).

(9) (a) Under Subsections 63G-2-201(5)(b) and 63G-2-401(6), a governmental entity may disclose to persons other than those specified in this section records that are:

(i) private under Section 63G-2-302; or

(ii) protected under Section 63G-2-305, subject to Section 63G-2-309 if a claim for business confidentiality has been made under Section 63G-2-309.

(b) Under Subsection 63G-2-403(11)(b), the records committee may require the disclosure to persons other than those specified in this section of records that are:

(i) private under Section 63G-2-302;

(ii) controlled under Section 63G-2-304; or

(iii) protected under Section 63G-2-305, subject to Section 63G-2-309 if a claim for business confidentiality has been made under Section 63G-2-309.

(c) Under Subsection 63G-2-404(7), the court may require the disclosure of records that are private under Section 63G-2-302, controlled under Section 63G-2-304, or protected under Section 63G-2-305 to persons other than those specified in this section.

(10) A record contained in the Management Information System, created in Section 62A-4a-1003, that is found to be unsubstantiated, unsupported, or without merit may not be disclosed to any person except the person who is alleged in the report to be a perpetrator of abuse, neglect, or dependency.

(11) (a) A private record described in Subsection 63G-2-302(2)(f) may only be disclosed as provided in Subsection (1)(e).

(b) A protected record described in Subsection 63G-2-305(43) may only be disclosed as provided in Subsection (4)(c) or Section 62A-3-312.

(12) (a) A private, protected, or controlled record described in Section 62A-16-301 shall be disclosed as required under:

(i) Subsections 62A-16-301(1)(b), (2), and (4)(c); and

(ii) Subsections 62A-16-302(1) and (6).

(b) A record disclosed under Subsection (12)(a) shall retain its character as private, protected, or controlled.

child, sodomy, attempted sodomy, forcible sodomy, attempted forcible sodomy, sodomy on a child, attempted sodomy on a child, forcible sexual abuse, attempted forcible sexual abuse, sexual abuse of a child, attempted sexual abuse of a child, aggravated sexual abuse of a child, attempted aggravated sexual abuse of a child, or simple sexual abuse is without consent of the victim under any of the following circumstances:

- (1) the victim expresses lack of consent through words or conduct;
- (2) the actor overcomes the victim through the actual application of physical force or violence;
- (3) the actor is able to overcome the victim through concealment or by the element of surprise;
- (4) (a) (i) the actor coerces the victim to submit by threatening to retaliate in the immediate future against the victim or any other person, and the victim perceives at the time that the actor has the ability to execute this threat; or
(ii) the actor coerces the victim to submit by threatening to retaliate in the future against the victim or any other person, and the victim believes at the time that the actor has the ability to execute this threat;
- (b) as used in this Subsection (4), "to retaliate" includes threats of physical force, kidnapping, or extortion;
- (5) the actor knows the victim is unconscious, unaware that the act is occurring, or physically unable to resist;
- (6) the actor knows or reasonably should know that the victim has a mental disease or defect, which renders the victim unable to:
 - (a) appraise the nature of the act;
 - (b) resist the act;
 - (c) understand the possible consequences to the victim's health or safety; or
 - (d) appraise the nature of the relationship between the actor and the victim.
- (7) the actor knows that the victim submits or participates because the victim erroneously believes that the actor is the victim's spouse;
- (8) the actor intentionally impaired the power of the victim to appraise or control his or her conduct by administering any substance without the victim's knowledge;
- (9) the victim is younger than 14 years of age;

SB0203S03 compared with SB0203S02

(10) the victim is younger than 18 years of age and at the time of the offense the actor was the victim's parent, stepparent, adoptive parent, or legal guardian or occupied a position of special trust in relation to the victim as defined in Section 76-5-404.1;

(11) the victim is 14 years of age or older, but younger than 18 years of age, and the actor is more than three years older than the victim and entices or coerces the victim to submit or participate, under circumstances not amounting to the force or threat required under Subsection (2) or (4); or

(12) the actor is a health professional or religious counselor, as those terms are defined in this Subsection (12), the act is committed under the guise of providing professional diagnosis, counseling, or treatment, and at the time of the act the victim reasonably believed that the act was for medically or professionally appropriate diagnosis, counseling, or treatment to the extent that resistance by the victim could not reasonably be expected to have been manifested; for purposes of this Subsection (12):

(a) "health professional" means an individual who is licensed or who holds himself or herself out to be licensed, or who otherwise provides professional physical or mental health services, diagnosis, treatment, or counseling including, but not limited to, a physician, osteopathic physician, physician assistant, nurse, dentist, physical therapist, chiropractor, mental health therapist, social service worker, clinical social worker, certified social worker, marriage and family therapist, professional counselor, psychiatrist, psychologist, psychiatric mental health nurse specialist, or substance abuse counselor; and

(b) "Peace officer" means those persons specified in Title 53, Chapter 13, Peace Officer Classification.

(2) A peace officer may require an individual to submit to a blood test for a law

SB0203S03 compared with SB0203S02

enforcement purpose only if:

- (a) the individual or legal representative of the individual with authority to give consent gives oral or written consent to the blood test;
- (b) the peace officer obtains a warrant to administer the blood test; or
- (c) a judicially recognized exception to obtaining a warrant exists as established by the Utah Court of Appeals, Utah Supreme Court, Court of Appeals of the Tenth Circuit, or the Supreme Court of the United States.

(3) (a) Only the following, acting at the request of a peace officer, may draw blood to determine the blood's alcohol or drug content:

- (i) a physician;
- (ii) a physician assistant;
- ~~[(ii)]~~ (iii) a registered nurse;
- ~~[(iii)]~~ (iv) a licensed practical nurse;
- ~~[(iv)]~~ (v) a paramedic;
- ~~[(v)]~~ (vi) as provided in Subsection (3)(b), emergency medical service personnel other than a paramedic; or
- ~~[(vi)]~~ (vii) a person with a valid permit issued by the Department of Health under Section 26-1-30.

(b) The Department of Health may designate by rule, in accordance with Title 63G, Chapter 3, Utah Administrative Rulemaking Act, which emergency medical service personnel, as defined in Section 26-8a-102, are authorized to draw blood under Subsection ~~[(3)(a)(v)]~~ (3)(a)(vi), based on the type of license under Section 26-8a-302.

(c) The following are immune from civil or criminal liability arising from drawing a blood sample from a person who a peace officer requests, for law enforcement purposes, if the sample is drawn in accordance with standard medical practice:

- (i) a person authorized to draw blood under Subsection (3)(a); and
- (ii) if the blood is drawn at a hospital or other medical facility, the medical facility.

Section ~~{64}~~61. Section **78B-1-137** is amended to read:

78B-1-137. Witnesses -- Privileged communications.

There are particular relations in which it is the policy of the law to encourage confidence and to preserve it inviolate. Therefore, a person cannot be examined as a witness in

SB0203S03 compared with SB0203S02

the following cases:

(1) (a) Neither a wife nor a husband may either during the marriage or afterwards be, without the consent of the other, examined as to any communication made by one to the other during the marriage.

(b) This exception does not apply:

(i) to a civil action or proceeding by one spouse against the other;

(ii) to a criminal action or proceeding for a crime committed by one spouse against the other;

(iii) to the crime of deserting or neglecting to support a spouse or child;

(iv) to any civil or criminal proceeding for abuse or neglect committed against the child of either spouse; or

(v) if otherwise specifically provided by law.

(2) An attorney cannot, without the consent of the client, be examined as to any communication made by the client to the attorney or any advice given regarding the communication in the course of the professional employment. An attorney's secretary, stenographer, or clerk cannot be examined, without the consent of the attorney, concerning any fact, the knowledge of which has been acquired as an employee.

(3) A member of the clergy or priest cannot, without the consent of the person making the confession, be examined as to any confession made to either of them in their professional character in the course of discipline enjoined by the church to which they belong.

(4) A physician [or], surgeon, or physician assistant cannot, without the consent of the patient, be examined in a civil action as to any information acquired in attending the patient which was necessary to enable the physician [or], surgeon, or physician assistant to prescribe or act for the patient. However, this privilege shall be waived by the patient in an action in which the patient places the patient's medical condition at issue as an element or factor of the claim or defense. Under those circumstances, a physician [or], surgeon, or physician assistant who has prescribed for or treated that patient for the medical condition at issue may provide information, interviews, reports, records, statements, memoranda, or other data relating to the patient's medical condition and treatment which are placed at issue.

(5) A public officer cannot be examined as to communications made in official confidence when the public interests would suffer by the disclosure.

SB0203S03 compared with SB0203S02

(6) A sexual assault counselor as defined in Section 77-38-203 cannot, without the consent of the victim, be examined in a civil or criminal proceeding as to any confidential communication as defined in Section 77-38-203 made by the victim.

Section ~~65~~62. Section **78B-2-114** is amended to read:

78B-2-114. Separate trial of statute of limitations issue in malpractice actions.

(1) An issue raised by the defense regarding the statute of limitations in a case may be tried separately if the action is for professional negligence or for rendering professional services without consent, and against:

(a) a physician;

(b) a surgeon;

(c) a physician assistant;

~~(c)~~ (d) a dentist;

~~(d)~~ (e) an osteopathic physician;

~~(e)~~ (f) a chiropractor;

~~(f)~~ (g) a physical therapist;

~~(g)~~ (h) a registered nurse;

~~(h)~~ (i) a clinical laboratory bioanalyst;

~~(i)~~ (j) a clinical laboratory technologist; or

~~(j)~~ (k) a licensed hospital, person, firm, or corporation as the employer of any of the persons in Subsection (1)(a) through ~~(j)~~ (j).

(2) The issue raised may be tried before any other issues in the case are tried. If the issue raised by the defense of the statute of limitations is finally determined in favor of the plaintiff, the remaining issues shall then be tried.
