27 (1) (a) A contiguous, unincorporated area that is contiguous to a municipality may be  
28 annexed to the municipality as provided in this part.

29 (b) An unincorporated area may not be annexed to a municipality unless:

30 (i) it is a contiguous area;

31 (ii) it is contiguous to the municipality;

32 (iii) annexation will not leave or create an unincorporated island or unincorporated  
33 peninsula:

34 (A) except as provided in Subsection 10-2-418(3); or

35 (B) unless the county and municipality have otherwise agreed; and

36 (iv) for an area located in a specified county with respect to an annexation that occurs  
37 after December 31, 2002, the area is within the proposed annexing municipality's expansion  
38 area.

39 (2) Except as provided in Section 10-2-418, a municipality may not annex an  
40 unincorporated area unless a petition under Section 10-2-403 is filed requesting annexation.

41 (3) (a) An annexation under this part may not include part of a parcel of real property  
42 and exclude part of that same parcel unless the owner of that parcel has signed the annexation  
43 petition under Section 10-2-403.

44 (b) A piece of real property that has more than one parcel number is considered to be a  
45 single parcel for purposes of Subsection (3)(a) if owned by the same owner.

46 (4) A municipality may not annex an unincorporated area in a specified county for the  
47 sole purpose of acquiring municipal revenue or to retard the capacity of another municipality to  
48 annex the same or a related area unless the municipality has the ability and intent to benefit the  
49 annexed area by providing municipal services to the annexed area.

54 (ii) (A) within 90 days after the county's notification of the proposed development, the

60 municipality is located unless the legislative body of the county in which the area is located has  
61 adopted a resolution approving the proposed annexation.

62 (b) Each county legislative body that declines to adopt a resolution approving a  
63 proposed annexation described in Subsection (6)(a) shall provide a written explanation of its  
64 reasons for declining to approve the proposed annexation.

69 (b) A municipality may not annex an unincorporated area within 5,000 feet of the  
70 center line of any runway of an airport operated or to be constructed and operated by another
