Section 2. Section 63M-4-801 is enacted to read:

Part 8. Voluntary Home Energy Information Pilot Program Act

63M-4-801. Title.
This part is known as the "Voluntary Home Energy Information Pilot Program Act."

Section 3. Section 63M-4-802 is enacted to read:

63M-4-802. Definitions.
As used in this part:
(1) "Advisory committee" means the committee created in Subsection 63M-4-805(1).
(2) "Asset rating" means a representation of a residential building's energy efficiency or energy use generated by modeling under standardized weather and occupancy conditions.
(3) "Home" means a single-family detached or single-family attached enclosed structure created for permanent use as a residence.
(4) "Home energy assessment" means the evaluation or testing of components or systems in a residential building for the purpose of identifying options for increasing energy conservation and energy efficiency.

(5) "Home energy assessor" means a qualified person who:
   (a) conducts home energy assessments on residential buildings;
   (b) assigns residential buildings a home energy performance score; and
   (c) prepares a home energy performance report for residential buildings.

(6) "Home energy performance report" means a report prepared by a home energy assessor that identifies a residential building's home energy performance score, an explanation of the score, an estimate of the total energy used in the home, and other information required to be included in the report under Section 63M-4-804.

(7) "Home energy performance score" means a score assigned to a residential building using the home energy performance score system created by the office pursuant to Section 63M-4-804.

(8) "Home energy performance score system" means a technical and administrative framework for producing and reporting metrics that describe the energy consumption, generation, and efficiency of a building.

(9) "Program" means the voluntary home energy information pilot program for which model rules are created in Section 63M-4-803.

(10) "Residential building" means a home.

Section 4. Section 63M-4-803 is enacted to read:

63M-4-803. Voluntary Home Energy Information Pilot Program.

(1) The office shall develop model rules for a voluntary home energy information pilot program.

(2) The model rules shall be designed to:
   (a) provide widespread information to home buyers and sellers about a home's energy efficiency, cost savings, and air quality impacts; and
(b) empower consumers to ask about the energy efficiency performance of homes and increase market demand for energy efficient homes and home energy efficiency upgrades.

(3) The office may use appropriated funds to develop model rules for a home energy performance score system described in Section 63M-4-804 for homes.

(4) Model rules to implement the program may include:

(a) proposed application procedures to receive a reimbursement from the program for a home energy assessment and home energy performance report;

(b) the criteria used by the office to determine whether a reimbursement request is approved;

(c) the administratively best method and form for making a reimbursement;

(d) the criteria used by the office to determine the amount of a reimbursement;

(e) the information that an applicant or applicant's designee will be required to report to the office to receive a reimbursement;

(f) specifications for the procedures and requirements for conducting a home energy assessment;

(g) the requirements for a home energy performance report; and

(h) the qualifications for home energy assessors.

(5) The office shall administer or contract for the administration of the advisory committee and the development of model rules.

(6) The office shall provide a report to the Legislature's Business and Labor Interim Committee and Public Utilities, Energy, and Technology Interim Committee no later than November 30, 2020 on:

(a) the status of the model rules; and

(b) recommendations for implementing a pilot program based on the model rules.

Section 5. Section 63M-4-804 is enacted to read:

63M-4-804. Home energy performance score system.

(1) In consultation with the advisory committee, the office shall create a home energy
137 performance score system that shall:
138
139 (a) have the capability to generate a home energy performance score that meets the
140 requirements of Subsection (2);
141
142 (b) have the capability to generate a home energy performance report that meets the
143 requirements of Subsection (3);
144
145 (c) have the capability to incorporate building energy assessment software, the output
146 of which is to be used to derive the information presented on the home energy performance
147 report; and
148
149 (d) specify training requirements for home energy assessors.
150
(2) A home energy performance score under Subsection (1)(a) shall:
151
(a) be an asset rating that is based on physical inspection of the home or design
152 documents used for the home's construction; and
153
(b) use one or a combination of the following approaches for home energy scoring:
154
(i) the issuance of a home energy score by the United States Department of Energy; or
155
(ii) the issuance of a home energy rating system by the Residential Energy Services
156 Network.
157
(3) A home energy performance report described in Subsection (1)(b) shall include:
158
(a) the home energy performance score described in Subsection (1)(a) and an
159 explanation of the score;
160
(b) an estimate of the total energy used in the home in retail units of energy, by fuel
161 type;
162
(c) an estimate of the annual energy costs for operating the home;
163
(d) an estimate of the annual emissions resulting from energy used in the home;
164
(e) a list of recommended home improvements to reduce energy use in the home; and
165
(f) other information the office, in consultation with the advisory committee,
166 determines is appropriate to include in the model rules.
167
Section 6. Section 63M-4-805 is enacted to read:
63M-4-805. Home energy information advisory committee.

(1) There is created a home energy information advisory committee.

(2) The advisory committee shall be composed of the following 12 members:

(a) an individual who is an expert in residential real estate, as recommended by the Utah Association of Realtors;

(b) an individual who is an expert in residential construction as recommended by the Utah Home Builders Association;

(c) an individual who is an expert in land development for residential communities but is not a home builder;

(d) an individual who is a nonprofit energy efficiency or air quality advocate;

(e) an individual who is an expert in residential home energy assessments;

(f) an individual who is an expert in residential home inspections;

(g) an individual who is an expert in public education and marketing;

(h) an individual who is an expert in residential appraisals, as recommended by the Utah Association of Appraisers;

(i) an individual who is an expert in electric utility energy efficiency programs;

(j) an individual who is an expert in natural gas utility energy efficiency programs;

(k) an individual who is an expert in residential architecture, as recommended by the Utah Chapter of the American Institute of Architects; and

(l) the director of the Governor's Office of Energy Development or the director's designee.

(3) The director of the office shall appoint the members of the advisory committee which shall assist the director in developing model rules for a home energy performance score system described in Section 63M-4-804.

(4) The director of the office, or the director's designee, shall act as chair of the advisory committee.

(5) An advisory committee member may not receive compensation or benefits for the
Section 7. Appropriation.

The following sums of money are appropriated for the fiscal year beginning July 1, 2020, and ending June 30, 2021. These are additions to amounts previously appropriated for fiscal year 2021. Under the terms and conditions of Title 63J, Chapter 1, Budgetary Procedures Act, the Legislature appropriates the following sums of money from the funds or accounts indicated for the use and support of the government of the state of Utah.

ITEM 1

To the Governor's Office of Energy Development - Office of Energy Development

From General Fund, One-time $50,000

Schedule of Programs:

Home Energy Information Pilot Program $50,000

The Legislature intends that the money appropriated in this section be used for the development of model rules for the voluntary home energy information pilot program under Title 63M, Chapter 4, Part 8, Voluntary Home Energy Information Pilot Program Act.
