351 Section 4. Section 62A-4a-201 is amended to read:

352 **62A-4a-201. Rights of parents -- Children's rights -- Interest and responsibility of**

353 **state.**

354 (1) (a) Under both the United States Constitution and the constitution of this state, a
355 parent possesses a fundamental liberty interest in the care, custody, and management of the
356 parent's children. A fundamentally fair process must be provided to parents if the state moves
357 to challenge or interfere with parental rights. A governmental entity must support any actions
358 or allegations made in opposition to the rights and desires of a parent regarding the parent's
359 children by sufficient evidence to satisfy a parent's constitutional entitlement to heightened
360 protection against government interference with the parent's fundamental rights and liberty
361 interests and, concomitantly, the right of the child to be reared by the child's natural parent.

362 (b) The fundamental liberty interest of a parent concerning the care, custody, and
363 management of the parent's children is recognized, protected, and does not cease to exist
364 simply because a parent may fail to be a model parent or because the parent's child is placed in
365 the temporary custody of the state. At all times, a parent retains a vital interest in preventing
366 the irretrievable destruction of family life. Prior to an adjudication of unfitness, government
367 action in relation to parents and their children may not exceed the least restrictive means or
368 alternatives available to accomplish a compelling state interest. Until the state proves parental
369 unfitness, and the child suffers, or is substantially likely to suffer, serious detriment as a result,
370 the child and the child's parents share a vital interest in preventing erroneous termination of
371 their natural relationship and the state cannot presume that a child and the child's parents are
372 adversaries.

373 (c) It is in the best interest and welfare of a child to be raised under the care and
374 supervision of the child's natural parents. A child's need for a normal family life in a
375 permanent home, and for positive, nurturing family relationships is usually best met by the
376 child's natural parents. Additionally, the integrity of the family unit and the right of parents to
377 conceive and raise their children are constitutionally protected. The right of a fit, competent
378 parent to raise the parent's child without undue government interference is a fundamental
379 liberty interest that has long been protected by the laws and Constitution and is a fundamental

380 public policy of this state.

381 (d) The state recognizes that:

382 (i) a parent has the right, obligation, responsibility, and authority to raise, manage,
383 train, educate, provide and care for, and reasonably discipline the parent's children; and

384 (ii) the state's role is secondary and supportive to the primary role of a parent.

385 (e) It is the public policy of this state that parents retain the fundamental right and duty
386 to exercise primary control over the care, supervision, upbringing, and education of their
387 children.

388 (f) Subsections (2) through (7) shall be interpreted and applied consistent with this
389 Subsection (1).

390 (2) It is also the public policy of this state that children have the right to protection
391 from abuse and neglect, and that the state retains a compelling interest in investigating,
392 prosecuting, and punishing abuse and neglect, as defined in this chapter, and in Title 78A,
393 Chapter 6, Juvenile Court Act. Therefore, the state, as *parens patriae*, has an interest in and
394 responsibility to protect children whose parents abuse them or do not adequately provide for
395 their welfare. There may be circumstances where a parent's conduct or condition is a
396 substantial departure from the norm and the parent is unable or unwilling to render safe and
397 proper parental care and protection. Under those circumstances, the state may take action for
398 the welfare and protection of the parent's children.

399 (3) When the division intervenes on behalf of an abused, neglected, or dependent child,
400 it shall take into account the child's need for protection from immediate harm and the extent to
401 which the child's extended family may provide needed protection. Throughout its involvement,
402 the division shall utilize the least intrusive and least restrictive means available to protect a
403 child, in an effort to ensure that children are brought up in stable, permanent families, rather
404 than in temporary foster placements under the supervision of the state.

405 (4) When circumstances within the family pose a threat to the child's immediate safety
406 or welfare, the division may seek custody of the child for a planned, temporary period and

407 place the child in a safe environment, subject to the requirements of this section and in
408 accordance with the requirements of Title 78A, Chapter 6, Part 3, Abuse, Neglect, and
409 Dependency Proceedings, and:

410 (a) when safe and appropriate, return the child to the child's parent; or

411 (b) as a last resort, pursue another permanency plan.

412 (5) In determining and making "reasonable efforts" with regard to a child, pursuant to
413 the provisions of Section [62A-4a-203](#), both the division's and the court's paramount concern
414 shall be the child's health, safety, and welfare. The desires of a parent for the parent's child,
415 and the constitutionally protected rights of a parent, as described in this section, shall be given
416 full and serious consideration by the division and the court.

417 (6) In cases where actual sexual abuse, sexual exploitation, abandonment, severe
418 abuse, or severe neglect are established, the state has no duty to make "reasonable efforts" or
419 to, in any other way, attempt to maintain a child in the child's home, provide reunification
420 services, or to attempt to rehabilitate the offending parent or parents. This Subsection (6) does
421 not exempt the division from providing court-ordered services.

422 (7) (a) In accordance with Subsection (1), the division shall strive to achieve
423 appropriate permanency for children who are abused, neglected, or dependent. The division
424 shall provide in-home services, where appropriate and safe, in an effort to help a parent to
425 correct the behavior that resulted in abuse, neglect, or dependency of the parent's child. The
426 division may pursue a foster placement only if in-home services fail or are otherwise
427 insufficient or inappropriate, kinship placement is not safe or appropriate, or in-home services
428 and kinship placement fail and cannot be corrected. The division shall also seek qualified
429 extended family support or a kinship placement to maintain a sense of security and stability for
430 the child.

431 (b) If the use or continuation of "reasonable efforts," as described in Subsections (5)
432 and (6), is determined to be inconsistent with the permanency plan for a child, then measures
433 shall be taken, in a timely manner, to place the child in accordance with the permanency plan,

434 and to complete whatever steps are necessary to finalize the permanent placement of the child.

435 (c) Subject to the parental rights recognized and protected under this section, if,
436 because of a parent's conduct or condition, the parent is determined to be unfit or incompetent
437 based on the grounds for termination of parental rights described in Title 78A, Chapter 6, Part
438 5, Termination of Parental Rights Act, the continuing welfare and best interest of the child is of
439 paramount importance, and shall be protected in determining whether that parent's rights
440 should be terminated.

441 (8) The state's right to direct or intervene in the provision of medical or mental health
442 care for a child is subject to Subsections ~~78A-6-105~~~~(39)~~(40)(b)(i) through (iii) and
443 ~~78A-6-117~~(2) and Section ~~78A-6-301.5~~.

3065 (i) subject to Subsection (9)(b)(i), there is a serious danger to the physical health or
3066 safety of the child and the child's physical health or safety may not be protected without
3067 removing the child from the custody of the child's parent;

3068 (ii) (A) the child is suffering emotional damage that results in a serious impairment in
3069 the child's growth, development, behavior, or psychological functioning;

3070 (B) the parent or guardian is unwilling or unable to make reasonable changes that
3071 would sufficiently prevent future damage; and

3072 (C) there are no reasonable means available by which the child's emotional health may
3073 be protected without removing the child from the custody of the child's parent or guardian;

3074 (iii) there is a substantial risk that the child will suffer abuse or neglect if the child is
3075 not removed from the custody of the child's parent or guardian;

3076 (iv) subject to Subsection (9)(b)(ii), the child or a minor residing in the same
3077 household has been, or is considered to be at substantial risk of being, physically abused,
3078 sexually abused, or sexually exploited by a:

3079 (A) parent or guardian;

- 3080 (B) member of the parent's household or the guardian's household; or
- 3081 (C) person known to the parent or guardian;
- 3082 (v) the parent or guardian is unwilling to have physical custody of the child;
- 3083 (vi) the child is without any provision for the child's support;
- 3084 (vii) a parent who is incarcerated or institutionalized has not or cannot arrange for safe
- 3085 and appropriate care for the child;
- 3086 (viii) (A) a relative or other adult custodian with whom the child is left by the parent or
- 3087 guardian is unwilling or unable to provide care or support for the child;
- 3088 (B) the whereabouts of the parent or guardian are unknown; and
- 3089 (C) reasonable efforts to locate the parent or guardian are unsuccessful;
- 3090 (ix) subject to Subsections [78A-6-105](#)~~(39)~~(40)(b) and [78A-6-117](#)(2) and Section
- 3091 [78A-6-301.5](#), the child is in immediate need of medical care;
- 3092 (x) (A) the physical environment or the fact that the child is left unattended beyond a
- 3093 reasonable period of time poses a threat to the child's health or safety; and
- 3094 (B) the parent or guardian is unwilling or unable to make reasonable changes that
- 3095 would remove the threat;
- 3096 (xi) (A) the child or a minor residing in the same household has been neglected; and
- 3097 (B) the parent or guardian is unwilling or unable to make reasonable changes that
- 3098 would prevent the neglect;
- 3099 (xii) the parent, guardian, or an adult residing in the same household as the parent or
- 3100 guardian, is charged or arrested pursuant to Title 58, Chapter 37d, Clandestine Drug Lab Act,
- 3101 and any clandestine laboratory operation was located in the residence or on the property where
- 3102 the child resided;
- 3103 (xiii) (A) the child's welfare is substantially endangered; and
- 3104 (B) the parent or guardian is unwilling or unable to make reasonable changes that
- 3105 would remove the danger; or
- 3106 (xiv) the child's natural parent:

3107 (A) intentionally, knowingly, or recklessly causes the death of another parent of the
3108 child;

3109 (B) is identified by a law enforcement agency as the primary suspect in an investigation
3110 for intentionally, knowingly, or recklessly causing the death of another parent of the child; or

3111 (C) is being prosecuted for or has been convicted of intentionally, knowingly, or
3112 recklessly causing the death of another parent of the child.

3113 (b) (i) Prima facie evidence of the finding described in Subsection (9)(a)(i) is
3114 established if:

3115 (A) a court previously adjudicated that the child suffered abuse, neglect, or dependency
3116 involving the parent; and

3117 (B) a subsequent incident of abuse, neglect, or dependency involving the parent occurs.

3118 (ii) For purposes of Subsection (9)(a)(iv), if the court finds that the parent knowingly
3119 allowed the child to be in the physical care of a person after the parent received actual notice
3120 that the person physically abused, sexually abused, or sexually exploited the child, that fact
3121 constitutes prima facie evidence that there is a substantial risk that the child will be physically
3122 abused, sexually abused, or sexually exploited.

3123 (10) (a) (i) The court shall also make a determination on the record as to whether
3124 reasonable efforts were made to prevent or eliminate the need for removal of the child from the
3125 child's home and whether there are available services that would prevent the need for continued
3126 removal.

3127 (ii) If the court finds that the child can be safely returned to the custody of the child's
3128 parent or guardian through the provision of those services, the court shall place the child with
3129 the child's parent or guardian and order that those services be provided by the division.

3130 (b) In making the determination described in Subsection (10)(a), and in ordering and
3131 providing services, the child's health, safety, and welfare shall be the paramount concern, in
3132 accordance with federal law.

3133 (11) Where the division's first contact with the family occurred during an emergency

3134 situation in which the child could not safely remain at home, the court shall make a finding that
3135 any lack of preplacement preventive efforts was appropriate.

3136 (12) In cases where actual sexual abuse, sexual exploitation, abandonment, severe
3137 abuse, or severe neglect are involved, neither the division nor the court has any duty to make
3138 "reasonable efforts" or to, in any other way, attempt to maintain a child in the child's home,
3139 return a child to the child's home, provide reunification services, or attempt to rehabilitate the
3140 offending parent or parents.

3141 (13) The court may not order continued removal of a child solely on the basis of
3142 educational neglect as defined in Section 78A-6-105, truancy, or failure to comply with a court
3143 order to attend school.

3144 (14) (a) Whenever a court orders continued removal of a child under this section, the
3145 court shall state the facts on which that decision is based.

3146 (b) If no continued removal is ordered and the child is returned home, the court shall
3147 state the facts on which that decision is based.

3148 (15) If the court finds that continued removal and temporary custody are necessary for
3149 the protection of a child pursuant to Subsection (9)(a), the court shall order continued removal
3150 regardless of:

3151 (a) any error in the initial removal of the child;

3152 (b) the failure of a party to comply with notice provisions; or

3153 (c) any other procedural requirement of this chapter or Title 62A, Chapter 4a, Child
3154 and Family Services.

3155 Section 49. Section 78A-6-312 is amended to read:

3156 **78A-6-312. Dispositional hearing -- Reunification services -- Exceptions.**

3157 (1) The court may:

3158 (a) make any of the dispositions described in Section 78A-6-117;

3159 (b) place the minor in the custody or guardianship of any:

3160 (i) individual; or

- 3161 (ii) public or private entity or agency; or
- 3162 (c) order:
- 3163 (i) protective supervision;
- 3164 (ii) family preservation;
- 3165 (iii) subject to Subsections (12)(b), [78A-6-105](#)~~(39)~~[\(40\)](#), and [78A-6-117\(2\)](#) and
- 3166 Section [78A-6-301.5](#), medical or mental health treatment;
- 3167 (iv) sibling visitation; or
- 3168 (v) other services.
- 3169 (2) Whenever the court orders continued removal at the dispositional hearing, and that
- 3170 the minor remain in the custody of the division, the court shall first:
- 3171 (a) establish a primary permanency plan for the minor; and
- 3172 (b) determine whether, in view of the primary permanency plan, reunification services
- 3173 are appropriate for the minor and the minor's family, pursuant to Subsections (21) through (23).
- 3174 (3) Subject to Subsections (6) and (7), if the court determines that reunification
- 3175 services are appropriate for the minor and the minor's family, the court shall provide for
- 3176 reasonable parent-time with the parent or parents from whose custody the minor was removed,
- 3177 unless parent-time is not in the best interest of the minor.
- 3178 (4) In cases where obvious sexual abuse, sexual exploitation, abandonment, severe
- 3179 abuse, or severe neglect are involved, neither the division nor the court has any duty to make
- 3180 "reasonable efforts" or to, in any other way, attempt to provide reunification services, or to
- 3181 attempt to rehabilitate the offending parent or parents.
- 3182 (5) In all cases, the minor's health, safety, and welfare shall be the court's paramount
- 3183 concern in determining whether reasonable efforts to reunify should be made.
- 3184 (6) For purposes of Subsection (3), parent-time is in the best interests of a minor unless
- 3185 the court makes a finding that it is necessary to deny parent-time in order to:
- 3186 (a) protect the physical safety of the minor;
- 3187 (b) protect the life of the minor; or

3188 (c) prevent the minor from being traumatized by contact with the parent due to the
3189 minor's fear of the parent in light of the nature of the alleged abuse or neglect.

3190 (7) Notwithstanding Subsection (3), a court may not deny parent-time based solely on a
3191 parent's failure to:

3192 (a) prove that the parent has not used legal or illegal substances; or

3193 (b) comply with an aspect of the child and family plan that is ordered by the court.

3194 (8) (a) In addition to the primary permanency plan, the court shall establish a
3195 concurrent permanency plan that shall include:

3196 (i) a representative list of the conditions under which the primary permanency plan will
3197 be abandoned in favor of the concurrent permanency plan; and

3198 (ii) an explanation of the effect of abandoning or modifying the primary permanency
3199 plan.

3200 (b) In determining the primary permanency plan and concurrent permanency plan, the
3201 court shall consider:

3202 (i) the preference for kinship placement over nonkinship placement;

3203 (ii) the potential for a guardianship placement if the parent-child relationship is legally
3204 terminated and no appropriate adoption placement is available; and

3205 (iii) the use of an individualized permanency plan, only as a last resort.

3206 (9) A permanency hearing shall be conducted in accordance with Subsection
3207 [78A-6-314\(1\)\(b\)](#) within 30 days after the day on which the dispositional hearing ends if
3208 something other than reunification is initially established as a minor's primary permanency
3209 plan.

3210 (10) (a) The court may amend a minor's primary permanency plan before the
3211 establishment of a final permanency plan under Section [78A-6-314](#).

3212 (b) The court is not limited to the terms of the concurrent permanency plan in the event
3213 that the primary permanency plan is abandoned.

3214 (c) If, at any time, the court determines that reunification is no longer a minor's primary

3215 permanency plan, the court shall conduct a permanency hearing in accordance with Section
3216 [78A-6-314](#) on or before the earlier of:

3217 (i) 30 days after the day on which the court makes the determination described in this
3218 Subsection (10)(c); or

3219 (ii) the day on which the provision of reunification services, described in Section
3220 [78A-6-314](#), ends.

3221 (11) (a) If the court determines that reunification services are appropriate, the court
3222 shall order that the division make reasonable efforts to provide services to the minor and the
3223 minor's parent for the purpose of facilitating reunification of the family, for a specified period
3224 of time.

3225 (b) In providing the services described in Subsection (11)(a), the minor's health, safety,
3226 and welfare shall be the division's paramount concern, and the court shall so order.

3227 (12) (a) The court shall:

3228 (i) determine whether the services offered or provided by the division under the child
3229 and family plan constitute "reasonable efforts" on the part of the division;

3230 (ii) determine and define the responsibilities of the parent under the child and family
3231 plan in accordance with Subsection [62A-4a-205](#)(6)(e); and

3232 (iii) identify verbally on the record, or in a written document provided to the parties,
3233 the responsibilities described in Subsection (12)(a)(ii), for the purpose of assisting in any future
3234 determination regarding the provision of reasonable efforts, in accordance with state and
3235 federal law.

3236 (b) If the parent is in a substance use disorder treatment program, other than a certified
3237 drug court program:

3238 (i) the court may order the parent to submit to supplementary drug or alcohol testing in
3239 addition to the testing recommended by the parent's substance use disorder program based on a
3240 finding of reasonable suspicion that the parent is abusing drugs or alcohol; and

3241 (ii) the court may order the parent to provide the results of drug or alcohol testing

3242 recommended by the substance use disorder program to the court or division.

3243 (13) (a) The time period for reunification services may not exceed 12 months from the
3244 date that the minor was initially removed from the minor's home, unless the time period is
3245 extended under Subsection 78A-6-314(7).

3246 (b) Nothing in this section may be construed to entitle any parent to an entire 12
3247 months of reunification services.

3248 (14) (a) If reunification services are ordered, the court may terminate those services at
3249 any time.

3250 (b) If, at any time, continuation of reasonable efforts to reunify a minor is determined
3251 to be inconsistent with the final permanency plan for the minor established pursuant to Section
3252 78A-6-314, then measures shall be taken, in a timely manner, to:

3253 (i) place the minor in accordance with the permanency plan; and

3254 (ii) complete whatever steps are necessary to finalize the permanent placement of the
3255 minor.

3256 (15) Any physical custody of the minor by the parent or a relative during the period
3257 described in Subsections (11) through (14) does not interrupt the running of the period.

3258 (16) (a) If reunification services are ordered, a permanency hearing shall be conducted
3259 by the court in accordance with Section 78A-6-314 at the expiration of the time period for
3260 reunification services.

3261 (b) The permanency hearing shall be held no later than 12 months after the original
3262 removal of the minor.

3263 (c) If reunification services are not ordered, a permanency hearing shall be conducted
3264 within 30 days, in accordance with Section 78A-6-314.

3265 (17) With regard to a minor in the custody of the division whose parent or parents are
3266 ordered to receive reunification services but who have abandoned that minor for a period of six
3267 months from the date that reunification services were ordered:

3268 (a) the court shall terminate reunification services; and

3269 (b) the division shall petition the court for termination of parental rights.

3270 (18) When a court conducts a permanency hearing for a minor under Section
3271 78A-6-314, the court shall attempt to keep the minor's sibling group together if keeping the
3272 sibling group together is:

3273 (a) practicable; and

3274 (b) in accordance with the best interest of the minor.

3275 (19) When a child is under the custody of the division and has been separated from a
3276 sibling due to foster care or adoptive placement, a court may order sibling visitation, subject to
3277 the division obtaining consent from the sibling's legal guardian, according to the court's
3278 determination of the best interests of the child for whom the hearing is held.

3279 (20) (a) Because of the state's interest in and responsibility to protect and provide
3280 permanency for minors who are abused, neglected, or dependent, the Legislature finds that a
3281 parent's interest in receiving reunification services is limited.

3282 (b) The court may determine that:

3283 (i) efforts to reunify a minor with the minor's family are not reasonable or appropriate,
3284 based on the individual circumstances; and

3285 (ii) reunification services should not be provided.

3286 (c) In determining "reasonable efforts" to be made with respect to a minor, and in
3287 making "reasonable efforts," the minor's health, safety, and welfare shall be the paramount
3288 concern.

3289 (21) There is a presumption that reunification services should not be provided to a
3290 parent if the court finds, by clear and convincing evidence, that any of the following
3291 circumstances exist:

3292 (a) the whereabouts of the parents are unknown, based upon a verified affidavit
3293 indicating that a reasonably diligent search has failed to locate the parent;

3294 (b) subject to Subsection (22)(a), the parent is suffering from a mental illness of such
3295 magnitude that it renders the parent incapable of utilizing reunification services;

- 3296 (c) the minor was previously adjudicated as an abused child due to physical abuse,
3297 sexual abuse, or sexual exploitation, and following the adjudication the minor:
- 3298 (i) was removed from the custody of the minor's parent;
- 3299 (ii) was subsequently returned to the custody of the parent; and
- 3300 (iii) is being removed due to additional physical abuse, sexual abuse, or sexual
3301 exploitation;
- 3302 (d) the parent:
- 3303 (i) caused the death of another minor through abuse or neglect;
- 3304 (ii) committed, aided, abetted, attempted, conspired, or solicited to commit:
- 3305 (A) murder or manslaughter of a child; or
- 3306 (B) child abuse homicide;
- 3307 (iii) committed sexual abuse against the child;
- 3308 (iv) is a registered sex offender or required to register as a sex offender; or
- 3309 (v) (A) intentionally, knowingly, or recklessly causes the death of another parent of the
3310 child;
- 3311 (B) is identified by a law enforcement agency as the primary suspect in an investigation
3312 for intentionally, knowingly, or recklessly causing the death of another parent of the child; or
- 3313 (C) is being prosecuted for or has been convicted of intentionally, knowingly, or
3314 recklessly causing the death of another parent of the child;
- 3315 (e) the minor suffered severe abuse by the parent or by any person known by the
3316 parent, if the parent knew or reasonably should have known that the person was abusing the
3317 minor;
- 3318 (f) the minor is adjudicated an abused child as a result of severe abuse by the parent,
3319 and the court finds that it would not benefit the minor to pursue reunification services with the
3320 offending parent;
- 3321 (g) the parent's rights are terminated with regard to any other minor;
- 3322 (h) the minor was removed from the minor's home on at least two previous occasions

3323 and reunification services were offered or provided to the family at those times;

3324 (i) the parent has abandoned the minor for a period of six months or longer;

3325 (j) the parent permitted the child to reside, on a permanent or temporary basis, at a
3326 location where the parent knew or should have known that a clandestine laboratory operation
3327 was located;

3328 (k) except as provided in Subsection (22)(b), with respect to a parent who is the child's
3329 birth mother, the child has fetal alcohol syndrome, fetal alcohol spectrum disorder, or was
3330 exposed to an illegal or prescription drug that was abused by the child's mother while the child
3331 was in utero, if the child was taken into division custody for that reason, unless the mother
3332 agrees to enroll in, is currently enrolled in, or has recently and successfully completed a
3333 substance use disorder treatment program approved by the department; or

3334 (l) any other circumstance that the court determines should preclude reunification
3335 efforts or services.

3336 (22) (a) The finding under Subsection (21)(b) shall be based on competent evidence
3337 from at least two medical or mental health professionals, who are not associates, establishing
3338 that, even with the provision of services, the parent is not likely to be capable of adequately
3339 caring for the minor within 12 months after the day on which the court finding is made.

3340 (b) A judge may disregard the provisions of Subsection (21)(k) if the court finds, under
3341 the circumstances of the case, that the substance use disorder treatment described in Subsection
3342 (21)(k) is not warranted.

3343 (23) In determining whether reunification services are appropriate, the court shall take
3344 into consideration:

3345 (a) failure of the parent to respond to previous services or comply with a previous child
3346 and family plan;

3347 (b) the fact that the minor was abused while the parent was under the influence of
3348 drugs or alcohol;

3349 (c) any history of violent behavior directed at the child or an immediate family

3350 member;

3351 (d) whether a parent continues to live with an individual who abused the minor;

3352 (e) any patterns of the parent's behavior that have exposed the minor to repeated abuse;

3353 (f) testimony by a competent professional that the parent's behavior is unlikely to be
3354 successful; and

3355 (g) whether the parent has expressed an interest in reunification with the minor.

3356 (24) (a) If reunification services are not ordered pursuant to Subsections (20) through
3357 (22), and the whereabouts of a parent become known within six months after the day on which
3358 the out-of-home placement of the minor is made, the court may order the division to provide
3359 reunification services.

3360 (b) The time limits described in Subsections (2) through (18) are not tolled by the
3361 parent's absence.

3362 (25) (a) If a parent is incarcerated or institutionalized, the court shall order reasonable
3363 services unless the court determines that those services would be detrimental to the minor.

3364 (b) In making the determination described in Subsection (25)(a), the court shall
3365 consider:

3366 (i) the age of the minor;

3367 (ii) the degree of parent-child bonding;

3368 (iii) the length of the sentence;

3369 (iv) the nature of the treatment;

3370 (v) the nature of the crime or illness;

3371 (vi) the degree of detriment to the minor if services are not offered;

3372 (vii) for a minor 10 years old or older, the minor's attitude toward the implementation
3373 of family reunification services; and

3374 (viii) any other appropriate factors.

3375 (c) Reunification services for an incarcerated parent are subject to the time limitations
3376 imposed in Subsections (2) through (18).

3377 (d) Reunification services for an institutionalized parent are subject to the time
3378 limitations imposed in Subsections (2) through (18), unless the court determines that continued
3379 reunification services would be in the minor's best interest.

3380 (26) If, pursuant to Subsections (21)(b) through (l), the court does not order
3381 reunification services, a permanency hearing shall be conducted within 30 days, in accordance
3382 with Section [78A-6-314](#).

3383 Section 50. Section **78A-6-601** is amended to read:

3384 **78A-6-601. Criminal proceedings involving minors -- Transfer to juvenile court --**
3385 **Exception.**

3386 ~~[(1) If, during the pendency of a criminal or quasi-criminal proceeding in another court,~~

3392 (1) (a) If while a criminal or quasi-criminal proceeding is pending, a district court or
3393 justice court determines that an individual being charged is under 21 years old and younger
3394 than 18 years old at the time of committing the alleged offense, the district or justice court shall
3395 transfer the case to the juvenile court with all the papers, documents, and transcripts of any
3396 testimony.

3397 (b) (i) Notwithstanding Subsection (1)(a), a district court may not transfer an offense
3398 that is:

3399 (A) filed in the district court in accordance with Section [78A-6-703.2](#); or

3400 (B) transferred to the district court in accordance with Section [78A-6-703.5](#).

3401 (ii) Notwithstanding Subsection (1)(a), a justice court may decline to transfer an
3402 offense for which the justice court has original jurisdiction under Subsection [78A-7-106\(2\)](#).

3403 (2) The district court or justice court making the transfer shall:

3404 (a) order the ~~[person]~~ individual to be taken immediately to the juvenile court or to a

3408 juvenile court at a time designated by ~~[it]~~ the juvenile court.

3409 (3) The juvenile court shall then proceed as provided in this chapter.

3410 Section 51. Section **78A-6-602** is amended to read:

3411 **78A-6-602. Petition -- Preliminary inquiry -- Nonjudicial adjustments -- Formal**
3412 **referral -- Citation -- Failure to appear.**

3413 (1) A proceeding in a minor's case is commenced by petition, except as provided in
3414 ~~[Sections 78A-6-701, 78A-6-702, and 78A-6-703]~~ Sections 78A-6-703.2 and 78A-6-703.3.

3415 (2) (a) A peace officer or a public official of the state, a county, city, or town charged
3416 with the enforcement of the laws of the state or local jurisdiction shall file a formal referral
3417 with the juvenile court within 10 days of a minor's arrest. If the arrested minor is taken to a
3418 detention facility, the formal referral shall be filed with the juvenile court within ~~[72 hours,~~
3419 ~~excluding weekends and holidays]~~ 24 hours. A formal referral under Section **53G-8-211** may
3420 not be filed with the juvenile court on an offense unless the offense is subject to referral under
3421 Section **53G-8-211**.

3449 (d) (i) Notwithstanding Subsection (2)(b), the probation department may conduct a
3450 validated risk and needs assessment and may request that the prosecutor review the referral

3463 pay a financial penalty under Subsection (2)(e).
- 3464 (v) Efforts to effect a nonjudicial adjustment may not extend for a period of more than
