8  
9    **LONG TITLE**

10   **General Description:**

11           This House resolution urges the activation of closed captioning on television monitors  
12   located in public venues.

13   **Highlighted Provisions:**

14           This resolution:

- 15           ▶ acknowledges the many individuals in the United States who are deaf or hard of  
16   hearing;
- 17           ▶ recognizes the value of closed captioning in providing important news and  
18   information to individuals who are deaf or hard of hearing; and
- 19           ▶ urges the activation of closed captioning on television monitors located in public  
20   venues.

21   **Special Clauses:**

22           None

---

23  
24   *Be it resolved by the House of Representatives of the state of Utah:*

25           WHEREAS, in the interest of eliminating isolation and segregation and encouraging the  
26   gathering and participation of all individuals, it is sound public policy to promote full and equal  
27   communication access to all;

28           WHEREAS, televisions are increasingly used in venues open to the general public,

29 such as hospital waiting rooms, restaurants, small businesses, health clubs, social recreation  
30 facilities, airport lounges, and more;

31 WHEREAS, hearing loss is a part of life for many individuals in the United States;

32 WHEREAS, a 2011 study by Johns Hopkins researchers estimated that approximately  
33 one in five Americans 12 years or older have some type of hearing loss in one or both ears that  
34 affects their ability to communicate and receive information;

35 WHEREAS, hearing loss is one of the most common disabilities in the United States;

36 WHEREAS, closed captioning displays the audio portion of a television program as  
37 text on the television screen, providing access to news, entertainment, and information for  
38 individuals who are deaf or hard of hearing;

39 WHEREAS, the Federal Communications Commission requires video programming  
40 shown on television and over the internet after being shown on television to be closed  
41 captioned;

42 WHEREAS, all modern televisions are built to support closed captioning; and

43 WHEREAS, activating closed captioning on television monitors located in public  
44 venues:

- 45 • promotes full communication access for people who are deaf or hard of hearing;
- 46 • improves comprehension for viewers who are learning English as a second language;
- 47 • provides access to news and information for everyone in a noisy environment;
- 48 • improves comprehension of on-screen dialogue that is spoken very quickly, mumbled,  
49 or with accents, or when there is a lot of background noise; and
- 50 • assures full information is shared with all during times of emergencies:

51 NOW, THEREFORE, BE IT RESOLVED that the House of Representatives of the  
52 state of Utah urges the activation of closed captioning on television monitors located in public  
53 venues during hours when the venue is open to the general public and the monitors are in use.
