- 174 determine whether the proposal should be funded, using the following criteria:
- 175 (a) the quality and completeness of the elements of the proposal described in
- 176 Subsection (3)(a);
- 177 (b) the quality of the optional elements of the proposal described in Subsection (3)(b);
- 178 (c) to what extent the proposal would expand the capacity to meet state or regional
- 179 workforce needs; and
- 180 (d) other relevant criteria as determined by the talent ready board.
- 181 (5) A partnership that receives funding under this section:
- 182 (a) shall use the money to accomplish the proposed apprenticeship program or

183 work-based learning program;

184 (b) may use the money to offset a participating employer's direct operational costs
185 associated with employing students as part of an approved apprenticeship program or
186 work-based learning program;

187 (c) except as provided in Subsection (5)(d), may not use the money for educational
188 administration; and

189 (d) may use the money to support one full-time employee within a career and technical
190 education region if:

191 (i) each participating local education agency, public high school, technical college, and
192 institution of higher education agree on which entity will house the full-time employee;

193 (ii) the full-time employee spends all of the employee's time working exclusively to
194 develop apprentice programs or work-based learning programs; and

195 (iii) the full-time employee is responsible for regular reporting to and receiving training
196 from the director of the center.

197 (6) The center shall be responsible for the administration of apprenticeship programs
198 and work-based learning programs described in this section, including:

199 (a) working with and providing technical assistance to the participating partners that
200 establish apprentice programs and work-based learning programs and that receive funding
201 under the provisions of this section;

202 (b) establishing reporting requirements for participating partners that establish
203 apprentice programs and work-based learning programs and that receive funding under the
204 provisions of this section;

205 (c) providing outreach and marketing to encourage more employers to participate; and

206 (d) annually providing information to GOED regarding the activities, successes, and
207 challenges of the center related to administering apprentice programs and work-based learning
208 programs for inclusion in GOED's annual written report described in Section [63N-1-301](#),
209 including:

210 (i) specific entities that received funding under this section;

211 (ii) the amount of funding provided to each entity; and

212 (iii) the number of participating students in each apprentice program and work-based
213 learning program.

214 Section 3. **Appropriation.**

215 The following sums of money are appropriated for the fiscal year beginning July 1,
216 2020, and ending June 30, 2021. These are additions to amounts previously appropriated for
217 fiscal year 2021. Under the terms and conditions of Title 63J, Chapter 1, Budgetary Procedures
