(4) The talent ready board shall review and prioritize each proposal received and determine whether the proposal should be funded, using the following criteria:

(a) the quality and completeness of the elements of the proposal described in Subsection (3)(a);

(b) the quality of the optional elements of the proposal described in Subsection (3)(b);

(c) to what extent the proposal would expand the capacity to meet state or regional workforce needs; and

(d) other relevant criteria as determined by the talent ready board.

(5) A partnership that receives funding under this section:

(a) shall use the money to accomplish the proposed apprenticeship program or work-based learning program;

(b) may use the money to offset a participating employer's direct operational costs associated with employing students as part of an approved apprenticeship program or work-based learning program;

(c) except as provided in Subsection (5)(d), may not use the money for educational administration; and

(d) may use the money to support one full-time employee within a career and technical education region if:

(i) each participating local education agency, public high school, technical college, and institution of higher education agree on which entity will house the full-time employee;

(ii) the full-time employee spends all of the employee's time working exclusively to develop apprentice programs or work-based learning programs; and

(iii) the full-time employee is responsible for regular reporting to and receiving training from the director of the center.

(6) The center shall be responsible for the administration of apprenticeship programs and work-based learning programs described in this section, including:

(a) working with and providing technical assistance to the participating partners that establish apprentice programs and work-based learning programs and that receive funding

HB0068S01 compared with HB0068

under the provisions of this section:

(b) establishing reporting requirements for participating partners that establish apprenticeship programs and work-based learning programs and that receive funding under the provisions of this section;

(c) providing outreach and marketing to encourage more employers to participate; and

(d) annually providing information to GOED regarding the activities, successes, and challenges of the center related to administering apprenticeship programs and work-based learning programs for inclusion in GOED's annual written report described in Section 63N-1-301,

including:

(i) specific entities that received funding under this section;

(ii) the amount of funding provided to each entity; and

(iii) the number of participating students in each apprenticeship program and work-based learning program.

(7) In accordance with Title 63G, Chapter 3, Utah Administrative Rulemaking Act, and the provisions of this section, the center may make rules regarding:

(a) the method and deadlines for applying for funding under this section;

(b) the distribution of funding under this section; and

(c) the reporting requirements of each entity receiving funding under this section.

Section 3. **Appropriation.**

The following sums of money are appropriated for the fiscal year beginning July 1, 2020, and ending June 30, 2021. These are additions to amounts previously appropriated for fiscal year 2021.
