---

**LONG TITLE**

**General Description:**

This bill provides programs and assessments to improve early learning in literacy and mathematics.

**Highlighted Provisions:**

This bill:

- ▶ requires the State Board of Education (the state board) to:
  - make rules regarding, and requires local education agencies (LEAs) to establish

an early learning plan that includes early literacy and early mathematics components;

- select a mathematics benchmark assessment that LEAs administer in certain grades;
- administer a grant for professional learning and job-embedded coaching support

for elementary educators; and

- administer a grant for license applicants taking a certain examination;
- ▶ amends provisions regarding an examination required to obtain a license to teach;
- ▶ allows for LEAs in certain circumstances to hire implementation support coaches or

27 otherwise obtain funding to support job-embedded coaching;

- 28           ▶       requires certain annual reporting; and
- 29           ▶       makes technical and conforming changes.

30 **Money Appropriated in this Bill:**

31           None

32 **Other Special Clauses:**

33           This bill provides a coordination clause.

51 *Be it enacted by the Legislature of the state of Utah:*

52           Section 1. Section **53E-3-521** is enacted to read:

53           **53E-3-521. Requirements for early mathematics plan.**

54           The state board shall make rules to:

- 55           (1) define the components of the early mathematics plan that a local school board or
- 56           charter school governing board is required to submit under Section **53G-7-218** for mathematics
- 57           proficiency improvement, including the following four categories:

- 58           (a) conceptual understanding;

59 (b) procedural fluency;  
60 (c) strategic and adaptive mathematical thinking; and  
61 (d) productive disposition; and  
62 (2) establish a state-wide target using data from the mathematics benchmark  
63 assessment, described in Section 53E-4-307.5, for local growth goals described in Section  
64 53G-7-218 regarding mathematics.

65 Section 2. Section 53E-4-307.5 is enacted to read:

66 **53E-4-307.5. Mathematics benchmark assessment.**

67 (1) As used in this section, "early mathematics benchmark assessment" or "benchmark  
68 assessment" means a standardized assessment to measure the acquisition of mathematics skills  
69 in kindergarten and grades 1 through 3 that includes predictive indicators of academic  
70 achievement based on measures of early mathematics, computation, and problem solving.

71 (2) The state board shall approve a benchmark assessment for use statewide by LEAs  
72 to assess the mathematics competency of students in kindergarten and grades 1 through 3.

73 (3) An LEA shall:

74 (a) administer benchmark assessments to students at the beginning, middle, and end of  
75 the school year using the mathematics benchmark assessment in:

76 (i) kindergarten, as an optional assessment; and

77 (ii) grades 1 through 3, as a required assessment; and

78 (b) after administering a benchmark assessment described in Subsection (3)(a) to a  
79 student, report the results to the student's parent.

80 (4) In making the approval described in Subsection (2), the state board shall:

81 (a) prioritize the assessment's reliability, validity, speed, and efficiency; and

82 (b) ensure the mathematics benchmark assessment's ability to:

83 (i) identify students who may be at risk for mathematics difficulties; and

84 (ii) measure students' progress through data.

85 Section 3. Section 53E-6-301 is amended to read:

86 **53E-6-301. Qualifications of applicants for licenses -- Changes in qualifications.**

87 (1) The state board shall establish by rule the scholarship, training, and experience  
88 required of license applicants.

89 (2) (a) The state board shall announce any increase in the requirements when made.

90 (b) An increase in requirements shall become effective not less than one year from the  
91 date of the announcement.

92 (3) (a) The state board may determine by examination or otherwise the qualifications of  
93 license applicants.

94 (b) If the state board uses an examination under Subsection (3)(a):

95 (i) the state board shall make rules to allow an LEA to hire a license applicant who  
96 does not successfully pass the examination for a limited duration pending successful passage;  
97 and

98 (ii) the license applicant is not eligible for a professional educator license described in  
99 Section 53E-6-201 until the license applicant successfully passes the examination.

100 Section 4. Section 53F-2-503 is amended to read:

101 **53F-2-503. Early Literacy Program -- Literacy proficiency plan.**

102 (1) As used in this section:

103 (a) "Program" means the Early Literacy Program.

104 (b) "Program money" means:

105 (i) school district revenue allocated to the program from other money available to the  
106 school district, except money provided by the state, for the purpose of receiving state funds  
107 under this section; and

108 (ii) money appropriated by the Legislature to the program.

109 (2) The Early Literacy Program consists of program money and is created to  
110 supplement other school resources for early literacy.

111 (3) Subject to future budget constraints, the Legislature may annually appropriate  
112 money to the Early Literacy Program.

113 (4) ~~(a)~~ An LEA governing board of a school district or a charter school that serves  
114 students in any of grades kindergarten through grade 3 shall submit, in accordance with Section  
115 53G-7-218, a plan to the state board for literacy proficiency improvement that incorporates the  
116 following components:

117 ~~(i)~~ (a) core instruction in:

118 ~~(A)~~ (i) phonological awareness;

119 ~~(B)~~ (ii) phonics;

120 ~~(C)~~ (iii) fluency;

- 121           ~~[(D)]~~ (iv) comprehension;
- 122           ~~[(E)]~~ (v) vocabulary;
- 123           ~~[(F)]~~ (vi) oral language; and
- 124           ~~[(G)]~~ (vii) writing;
- 125           ~~[(H)]~~ (b) intervention strategies that are aligned to student needs;
- 126           ~~[(I)]~~ (c) professional development for classroom teachers, literacy coaches, and
- 127 interventionists in kindergarten through grade 3;
- 128           ~~[(J)]~~ (d) assessments that support adjustments to core and intervention instruction;
- 129           ~~[(K)]~~ (e) a growth goal for the school district or charter school that:
- 130           ~~[(L)]~~ (i) is based upon student learning gains as measured by benchmark assessments
- 131 administered pursuant to Section [53E-4-307](#); and
- 132           ~~[(M)]~~ (ii) includes a target of at least 60% of all students in grades 1 through 3 meeting
- 133 the growth goal;
- 134           ~~[(N)]~~ (f) at least ~~[two goals that are]~~ one goal that is specific to the school district or
- 135 charter school that:
- 136           ~~[(O)]~~ (i) ~~[are]~~ is measurable;
- 137           ~~[(P)]~~ (ii) ~~[address]~~ addresses current performance gaps in student literacy based on
- 138 data; and
- 139           ~~[(Q)]~~ (iii) ~~[include]~~ includes specific strategies for improving outcomes; and
- 140           ~~[(R)]~~ (g) if a school uses interactive literacy software, the use of interactive literacy
- 141 software, including early interactive reading software described in Section [53F-4-203](#).
- 142           ~~[(b) An LEA governing board shall approve a plan described in Subsection (4)(a) in a~~
- 143 ~~public meeting before submitting the plan to the state board.]~~
- 144           ~~[(c) The state board shall provide model plans that an LEA governing board may use,~~
- 145 ~~or an LEA governing board may develop the LEA governing board's own plan.]~~
- 146           ~~[(d) A plan developed by an LEA governing board shall be approved by the state~~
- 147 ~~board.]~~
- 148           ~~[(e) The state board shall develop uniform standards for acceptable growth goals that~~
- 149 ~~an LEA governing board adopts for a school district or charter school as described in this~~
- 150 ~~Subsection (4).]~~
- 151           (5) (a) There are created within the Early Literacy Program three funding programs:

- 152 (i) the Base Level Program;
- 153 (ii) the Guarantee Program; and
- 154 (iii) the Low Income Students Program.

155 (b) The state board may use up to \$7,500,000 from an appropriation described in  
156 Subsection (3) for computer-assisted instructional learning and assessment programs.

157 (6) Money appropriated to the state board for the Early Literacy Program and not used  
158 by the state board for computer-assisted instructional learning and assessments described in  
159 Subsection (5)(b) shall be allocated to the three funding programs as follows:

- 160 (a) 8% to the Base Level Program;
- 161 (b) 46% to the Guarantee Program; and
- 162 (c) 46% to the Low Income Students Program.

163 (7) (a) For a school district or charter school to participate in the Base Level Program,  
164 the LEA governing board shall submit a plan described in Subsection (4) and shall receive  
165 approval of the plan from the state board.

166 (b) (i) The local school board of a school district qualifying for Base Level Program  
167 funds and the charter school governing boards of qualifying elementary charter schools  
168 combined shall receive a base amount.

169 (ii) The base amount for the qualifying elementary charter schools combined shall be  
170 allocated among each charter school in an amount proportionate to:

- 171 (A) each existing charter school's prior year fall enrollment in grades kindergarten  
172 through grade 3; and
- 173 (B) each new charter school's estimated fall enrollment in grades kindergarten through  
174 grade 3.

175 (8) (a) A local school board that applies for program money in excess of the Base Level  
176 Program funds may choose to first participate in the Guarantee Program or the Low Income  
177 Students Program.

178 (b) A school district shall fully participate in either the Guarantee Program or the Low  
179 Income Students Program before the local school board may elect for the school district to  
180 either fully or partially participate in the other program.

181 (c) For a school district to fully participate in the Guarantee Program, the local school  
182 board shall allocate to the program money available to the school district, except money

183 provided by the state, equal to the amount of revenue that would be generated by a tax rate of  
184 .000056.

185 (d) For a school district to fully participate in the Low Income Students Program, the  
186 local school board shall allocate to the program money available to the school district, except  
187 money provided by the state, equal to the amount of revenue that would be generated by a tax  
188 rate of .000065.

189 (e) (i) The state board shall verify that a local school board allocates the money  
190 required in accordance with Subsections (8)(c) and (d) before the state board distributes funds  
191 in accordance with this section.

192 (ii) The State Tax Commission shall provide the state board the information the state  
193 board needs in order to comply with Subsection (8)(e)(i).

194 (9) (a) Except as provided in Subsection (9)(c), the local school board of a school  
195 district that fully participates in the Guarantee Program shall receive state funds in an amount  
196 that is:

197 (i) equal to the difference between \$21 multiplied by the school district's total WPU's  
198 and the revenue the local school board is required to allocate under Subsection (8)(c) for the  
199 school district to fully participate in the Guarantee Program; and

200 (ii) not less than \$0.

201 (b) Except as provided in Subsection (9)(c), an elementary charter school shall receive  
202 under the Guarantee Program an amount equal to \$21 times the elementary charter school's  
203 total WPU's.

204 (c) The state board may adjust the \$21 guarantee amount described in Subsections  
205 (9)(a) and (b) to account for actual appropriations and money used by the state board for  
206 computer-assisted instructional learning and assessments.

207 (10) The state board shall distribute Low Income Students Program funds in an amount  
208 proportionate to the number of students in each school district or charter school who qualify for  
209 free or reduced price school lunch multiplied by two.

210 (11) A school district that partially participates in the Guarantee Program or Low  
211 Income Students Program shall receive program funds based on the amount of school district  
212 revenue allocated to the program as a percentage of the amount of revenue that could have been  
213 allocated if the school district had fully participated in the program.

214 (12) (a) An LEA governing board shall use program money for early literacy  
215 interventions and supports in kindergarten through grade 3 that have proven to significantly  
216 increase the percentage of students who are proficient in literacy, including:

217 (i) evidence-based intervention curriculum;  
218 (ii) literacy assessments that identify student learning needs and monitor learning  
219 progress; or

220 (iii) focused literacy interventions that may include:

221 (A) the use of reading specialists or paraprofessionals;

222 (B) tutoring;

223 (C) before or after school programs;

224 (D) summer school programs; or

225 (E) the use of interactive computer software programs for literacy instruction and  
226 assessments for students.

227 (b) An LEA governing board may use program money for portable technology devices  
228 used to administer literacy assessments.

229 (c) Program money may not be used to supplant funds for existing programs, but may  
230 be used to augment existing programs.

231 (13) (a) An LEA governing board shall annually submit a report to the state board  
232 accounting for the expenditure of program money in accordance with the LEA governing  
233 board's plan described in Subsection (4).

234 (b) If an LEA governing board uses program money in a manner that is inconsistent  
235 with Subsection (12), the school district or charter school is liable for reimbursing the state  
236 board for the amount of program money improperly used, up to the amount of program money  
237 received from the state board.

238 (14) (a) The state board shall make rules to implement the program.

239 (b) (i) The rules under Subsection (14)(a) shall require each LEA governing board to  
240 annually report progress in meeting goals described in Subsections ~~[(4)(a)(v) and (vi)]~~ (4)(e)  
241 and (f), including the strategies the school district or charter school uses to address the goals.

242 (ii) If a school district or charter school does not meet or exceed the school district's or  
243 charter school's goals described in ~~[Subsection (4)(a)(v) or (vi)]~~ Subsections (4)(e) or (f), the  
244 LEA governing board shall prepare a new plan that corrects deficiencies.

245 (iii) The new plan described in Subsection (14)(b)(ii) shall be approved by the state  
246 board before the LEA governing board receives an allocation for the next year.

247 [~~(15)(a) The state board shall:~~]

248 [~~(i) develop strategies to provide support for a school district or charter school that fails  
249 to meet a goal described in Subsection (4)(a)(v) or (vi); and]~~

250 [~~(ii) provide increasing levels of support to a school district or charter school that fails  
251 to meet a goal described in Subsection (4)(a)(v) or (vi) for two consecutive years.]~~

252 [~~(b)(i) The state board shall use a digital reporting platform to provide information to  
253 school districts and charter schools about interventions that increase proficiency in literacy.]~~

254 [~~(ii) The digital reporting platform shall include performance information for a school  
255 district or charter school on the goals described in Subsections (4)(a)(v) and (vi).]~~

256 [~~(16)~~] (15) The state board may use up to 3% of the funds appropriated by the  
257 Legislature to carry out the provisions of this section for administration of the program.

258 [~~(17)~~] (16) The state board shall make an annual report in accordance with Section  
259 [53E-1-203](#) that:

260 (a) includes information on:

261 (i) student learning gains in early literacy for the past school year and the five-year  
262 trend;

263 (ii) the percentage of grade 3 students who are proficient in English language arts in the  
264 past school year and the five-year trend;

265 (iii) the progress of school districts and charter schools in meeting goals described in a  
266 plan described in Subsection (4)~~[(a)]~~; and

267 (iv) the specific strategies or interventions used by school districts or charter schools  
268 that have significantly improved early grade literacy proficiency; and

269 (b) may include recommendations on how to increase the percentage of grade 3  
270 students who are proficient in English language arts, including how to use a strategy or  
271 intervention described in Subsection [~~(17)~~] (16)(a)(iv) to improve literacy proficiency for  
272 additional students.

273 [~~(18)~~] (17) The report described in Subsection [~~(17)~~] (16) shall include information  
274 provided through the digital reporting platform described in Subsection [~~(15)(b)~~]

275 [53G-7-218\(5\)\(a\)](#).

276 Section 5. Section **53F-5-214** is enacted to read:

277 **53F-5-214. Grant for professional learning and job-embedded coaching support.**

278 (1) As used in this section:

279 (a) "Implementation support coach" means an individual who conducts job-embedded  
280 coaching to support educators in professional learning related to literacy and mathematics.

281 (b) "Job-embedded coaching" means individualized coaching, feedback, and support of  
282 an educator that is tailored to professional learning that the educator receives.

283 (2) Subject to legislative appropriations, the state board shall award grants to LEAs to  
284 provide teachers in pre-kindergarten, kindergarten, and grades 1 through 3 with:

285 (a) professional learning opportunities in early literacy and mathematics; and

286 (b) support through job-embedded coaching.

287 (3) To qualify for a grant under this section, an LEA shall submit to the state board an  
288 application, as provided by the state board, that contains:

289 (a) a description of the evidence-based, based on assessment data, professional learning  
290 opportunities the LEA will provide that are:

291 (i) aligned with the professional learning standards described in Section [53G-11-303](#);

292 and

293 (ii) targeted to attaining the local and state early learning goals described in Section  
294 [53G-7-218](#); and

295 (b) a description of the LEA's plan for job-embedded coaching to reinforce and provide  
296 feedback related to the professional learning opportunities described in Subsection (3)(a)(i).

297 (4) The state board shall make rules to describe:

298 (a) required elements of the professional learning opportunities and job-embedded  
299 coaching described in Subsection (3); and

300 (b) requirements for implementation coaches, including eligibility criteria, training, and  
301 responsibilities.

302 (5) The state board shall annually report to the Education Interim Committee on or  
303 before the November interim committee meeting regarding the administration and outcomes of  
304 the grant described in this section.

305 Section 6. Section **53F-5-215** is enacted to read:

306 **53F-5-215. Elementary teacher preparation assessment grant.**

307 (1) As used in this section:

308 (a) "License" means a license that:

309 (i) is described in Section [53E-6-102](#); and

310 (ii) qualifies an individual to teach elementary school.

311 (b) "Preparation assessment" means an examination that addresses the science of  
312 reading that the state board uses to determine license qualification, as described in Section  
313 [53E-6-301](#), related to literacy instruction for an elementary teacher.

314 (2) Beginning September 1, 2021, subject to legislative appropriations, the state board  
315 shall award grants to institutions of higher education for the cost of the initial attempt of the  
316 preparation assessment for license applicants graduating from the institution during the year  
317 relevant to the grant.

318 (3) The state board may make rules to establish the license, type of license, or license  
319 concentration eligible for the grant described in this section.

320 (4) An institution of higher education may apply for a grant described in this section by  
321 submitting to the state board an application, as provided by the state board, including an  
322 estimate of the number and names of prospective license applicants expected to graduate in the  
323 year relevant to the grant application.

324 (5) The state board shall annually report to the Education Interim Committee on or  
325 before the November interim committee meeting regarding the administration and outcomes of  
326 the grant described in this section.

327 Section 7. Section **53G-4-410** is amended to read:

328 **53G-4-410. Regional service centers.**

329 (1) ~~[For purposes of]~~ As used in this section~~[-];~~:

330 (a) ~~["eligible"]~~ "Eligible regional service center" means a regional service center formed  
331 by two or more school districts as an interlocal entity, in accordance with Title 11, Chapter 13,  
332 Interlocal Cooperation Act.

333 (b) "Implementation support coach" means the same as that term is defined in Section  
334 [53F-5-214](#).

335 (2) The Legislature strongly encourages school districts to collaborate and cooperate to  
336 provide educational services in a manner that will best utilize resources for the overall  
337 operation of the public education system.

338 (3) An eligible regional service center formed by an interlocal agreement, in  
339 accordance with Title 11, Chapter 13, Interlocal Cooperation Act, may receive a distribution  
340 described in Subsection ~~[(5)]~~ (6) if the Legislature appropriates money for eligible regional  
341 service centers.

342 (4) (a) If local school boards enter into an interlocal agreement to confirm or formalize  
343 a regional service center in operation before July 1, 2011, the interlocal agreement may not  
344 eliminate any rights or obligations of the regional service center in effect before entering into  
345 the interlocal agreement.

346 (b) An interlocal agreement entered into to confirm or formalize an existing regional  
347 service center shall have the effect of confirming and ratifying in the regional service center,  
348 the title to any property held in the name, or for the benefit of the regional service center as of  
349 the effective date of the interlocal agreement.

350 (5) (a) A school district in a regional service center may coordinate with the regional  
351 service center to hire, subject to legislative appropriation, implementation support coaches in  
352 accordance with Subsection (5)(b).

353 (b) The state board shall distribute funds appropriated under this Subsection (5) to  
354 regional service centers based on the number of full-time equivalent teachers in  
355 pre-kindergarten, kindergarten, and grades 1 through 3 in the school districts that participate in  
356 the regional service center, as of October 1 of the previous school year.

357 (c) A charter school in a regional service center may coordinate with the regional  
358 service center to support job-embedded coaching.

359 ~~[(5)]~~ (6) (a) The state board shall distribute any funding appropriated to eligible  
360 regional service centers as provided by the Legislature.

361 (b) The state board may provide funding to an eligible regional service center in  
362 addition to legislative appropriations.

363 ~~[(6)]~~ (7) The state board shall make rules regarding eligible regional service centers  
364 including:

365 (a) the distribution of legislative appropriations to eligible regional service centers;

366 (b) the designation of eligible regional service centers as agents to distribute Utah  
367 Education and Telehealth Network services; and

368 (c) the designation of eligible regional service centers as agents for regional

369 coordination of public education and higher education services.

370 Section 8. Section **53G-7-218** is enacted to read:

371 **53G-7-218. Establishment of early learning plan -- Digital reporting platform.**

372 (1) A local school board of a school district or a charter school governing board of a  
373 charter school that serves students in any of kindergarten or grades 1 through 3 shall annually  
374 submit to the state board an early learning plan that includes:

375 (a) the early literacy plan described in Section 53F-2-503, including:

376 (i) the growth goal described in Subsection 53F-2-503(4)(e); and

377 (ii) one goal that is specific to the school district or charter school as described in  
378 Subsection 53F-2-503(4)(f);

379 (b) the early mathematics plan described in Section 53E-3-521, including:

380 (i) a growth goal for the school district or charter school that:

381 (A) is based upon student learning gains as measured by the mathematics benchmark  
382 assessment described in Section 53E-4-307.5; and

383 (B) includes the target that the state board establishes under Section 53E-3-521; and

384 (ii) one goal that:

385 (A) is specific to the school district or charter school;

386 (B) is measurable;

387 (C) addresses current performance gaps in student mathematics proficiency based on  
388 data; and

389 (D) includes specific strategies for improving outcomes; and

390 (c) one additional goal related to literacy or mathematics that:

391 (i) is specific to the school district or charter school;

392 (ii) is measurable;

393 (iii) addresses current performance gaps in student literacy or mathematics proficiency  
394 based on data; and

395 (iv) includes specific strategies for improving outcomes.

396 (2) A local school board or charter school governing board shall approve a plan

397 described in Subsection (1) in a public meeting before submitting the plan to the state board.

398 (3) (a) The state board shall:

399 (i) provide model plans that a local school board or a charter school governing board

400 may use;

401 (ii) develop uniform standards for acceptable growth goals that a local school board or  
402 a charter school governing board adopts for a school district or charter school under this  
403 section; and

404 (iii) review and approve or disapprove a plan submitted under this section.

405 (b) Notwithstanding Subsection (3)(a), a local school board or a charter school  
406 governing board may develop the board's own plan.

407 (4) The state board shall:

408 (a) develop strategies to provide support for a school district or charter school that fails  
409 to meet:

410 (i) (A) the growth goal related to the state literacy target described in Subsection  
411 (1)(a)(i); or

412 (B) the growth goal related to the state mathematics target described in Subsection  
413 (1)(b)(i); and

414 (ii) one of the goals specific to the school district or charter school described in  
415 Subsections (1)(a)(ii), (1)(b)(ii), or (1)(c); and

416 (b) provide increasing levels of support to a school district or charter school that fails  
417 to meet the combination of goals described in Subsection (4)(a) for two consecutive years.

418 (5) (a) The state board shall use a digital reporting platform to provide information to  
419 school districts and charter schools about interventions that increase proficiency in literacy and  
420 mathematics.

421 (b) The digital reporting platform described in Subsection (5)(a) shall include  
422 performance information for a school district or charter school on the goals described in  
423 Subsection (1).
