Section 6. Section **63N-7-301** is amended to read:

63N-7-301. Tourism Marketing Performance Account.

(1) There is created within the General Fund a restricted account known as the Tourism Marketing Performance Account.

(2) The account shall be administered by GOED for the purposes listed in Subsection (5).

(3) (a) The account shall earn interest.

(b) All interest earned on account money shall be deposited into the account.

(4) The account shall be funded by appropriations made to the account by the Legislature in accordance with this section.

~~[(5) The executive director of GOED's Office of Tourism shall use account money appropriated to GOED to pay for the statewide advertising, marketing, and branding campaign for promotion of the state as conducted by GOED.]~~

(5) Money in the account shall be used:

(a) by the executive director of GOED's Office of Tourism to pay for the statewide advertising, marketing, and branding campaign for promotion of the state as conducted by GOED; or

(b) by the Department of Health to pay for emergency medical services in accordance with Section 26-8a-108.

(6) (a) For each fiscal year beginning on or after July 1, 2007, GOED shall annually allocate 10% of the account money appropriated to GOED to a sports organization for advertising, marketing, branding, and promoting Utah in attracting sporting events into the state.

(b) The sports organization shall:

(i) provide an annual written report to GOED that gives an accounting of the use of

HB0389S02 compared with HB0389S01

funds the sports organization receives under this Subsection (6); and

(ii) promote the state and encourage economic growth in the state.

(c) For purposes of this Subsection (6), "sports organization" means an organization that:

(i) is exempt from federal income taxation in accordance with Section 501(c)(3), Internal Revenue Code;

(ii) maintains its principal location in the state;

(iii) has a minimum of 15 years experience in the state hosting, fostering, and attracting major summer and winter sporting events statewide; and

(iv) was created to foster state, regional, national, and international sports competitions in the state, to drive the state's Olympic and sports legacy, including competitions related to Olympic sports, and to promote and encourage sports tourism throughout the state, including advertising, marketing, branding, and promoting the state for the purpose of attracting sporting events in the state.

(7) Money deposited into the account shall include a legislative appropriation from the cumulative sales and use tax revenue increases described in Subsection (8), plus any additional appropriation made by the Legislature.

(8) (a) In fiscal years 2006 through 2019, a portion of the state sales and use tax revenues determined under this Subsection (8) shall be certified by the State Tax Commission as a set-aside for the account, and the State Tax Commission shall report the amount of the set-aside to the office, the Office of Legislative Fiscal Analyst, and the Division of Finance, which shall set aside the certified amount for appropriation to the account.

(b) For fiscal years 2016 through 2019, the State Tax Commission shall calculate the set-aside under this Subsection (8) in each fiscal year by applying one of the following formulas: if the annual percentage change in the Consumer Price Index for All Urban Consumers, as published by the Bureau of Labor Statistics of the United States Department of Labor, for the fiscal year two years before the fiscal year in which the set-aside is to be made is:

(i) greater than 3%, and if the annual percentage change in the state sales and use tax revenues attributable to the retail sales of tourist-oriented goods and services from the fiscal year three years before the fiscal year in which the set-aside is to be made to the fiscal year two years before the fiscal year in which the set-aside is to be made is greater than the annual

HB0389S02 compared with HB0389S01

percentage change in the Consumer Price Index for the fiscal year two years before the fiscal year in which the set-aside is to be made, then the difference between the annual percentage change in the state sales and use tax revenues attributable to the retail sales of tourist-oriented goods and services and the annual percentage change in the Consumer Price Index shall be multiplied by an amount equal to the state sales and use tax revenues attributable to the retail sales of tourist-oriented goods and services from the fiscal year three years before the fiscal year in which the set-aside is to be made; or

(ii) 3% or less, and if the annual percentage change in the state sales and use tax revenues attributable to the retail sales of tourist-oriented goods and services from the fiscal year three years before the fiscal year in which the set-aside is to be made to the fiscal year two years before the fiscal year in which the set-aside is to be made is greater than 3%, then the difference between the annual percentage change in the state sales and use tax revenues attributable to the retail sales of tourist-oriented goods and services and 3% shall be multiplied by an amount equal to the state sales and use tax revenues attributable to the retail sales of tourist-oriented goods and services from the fiscal year three years before the fiscal year in which the set-aside is to be made.

(c) The total money appropriated to the account in a fiscal year under Subsections (8)(a) and (b) may not exceed the amount appropriated to the account in the preceding fiscal year by more than \$3,000,000.

(d) As used in this Subsection (8), "state sales and use tax revenues" are revenues collected under Subsections 59-12-103(2)(a)(i)(A) and 59-12-103(2)(c)(i).

(e) As used in this Subsection (8), "retail sales of tourist-oriented goods and services" are calculated by adding the following percentages of sales from each business registered with the State Tax Commission under one of the following codes of the 2012 North American Industry Classification System of the federal Executive Office of the President, Office of Management and Budget:

(i) 80% of the sales from each business under NAICS Codes:
