Be it enacted by the Legislature of the state of Utah:

Section 1. Section **19-1-602** is amended to read:

19-1-602. Definitions.

As used in this part:

SB0029S02 compared with SB0029S01

(1) "Environmental mitigation" means an action or activity intended to remedy, reduce, or offset known negative impacts to the environment.

(2) "Environmental response action" means action taken to prevent, eliminate, minimize, investigate, monitor, clean up, or remove contaminants in the environment.

(3) "Financial assurance" means a mechanism or instrument intended to provide funds if necessary to the department to conduct closure, monitoring, or cleanup of a specific facility or site in accordance with the applicable environmental requirements provided in this title.

(4) "Funding source" means an individual or entity that provides a monetary contribution to the Environmental Mitigation and Response Fund.

(5) "Home controlled substance disposal receptacle" means the same as that term is defined in Subsection 67-5-36(1).

~~[(5)]~~ (6) "Natural resource damage" means damages to land, fish, wildlife, biota, air, water, ground water, drinking water supplies, and other resources that are held in trust for the public or otherwise controlled by the United States, the state, or local government.

(7) "Repository" means the same as that term is defined in Subsection 67-5-36(1).

~~[(6)]~~ (8) "Unused funds" means the remaining funds from a specific funding source following the complete implementation of the environmental mitigation or response actions pursuant to the terms and conditions of the contribution.

Section 2. Section **19-1-603** is amended to read:

19-1-603. Environmental Mitigation and Response Fund.

(1) There is created an expendable special revenue fund known as the Environmental Mitigation and Response Fund.

(2) The fund consists of:

(a) public and private funding sources made under Subsections (3) and (4);

(b) legally binding bankruptcy, financial assurance, or natural resource damage claim settlements; ~~[and]~~

(c) money appropriated by the Legislature, granted by the federal government, or granted or donated by a person for a purpose described in Subsection 19-1-604(2)(e); and

~~[(c)]~~ (d) interest earnings on cash balances.

(3) The department may accept contributions for deposit into the fund from public and private sources, including from a source as a condition of a consent decree, settlement

agreement, stipulated agreement, or court order.

(4) If funds are deposited as part of a consent decree, settlement agreement, stipulated agreement, or court order, the source of the funding may specify terms and conditions in which the funds may be used, in accordance with the consent decree, settlement agreement, stipulated agreement, or court order.

(5) Unless mandated by court order, the department may refuse funds if the department determines it is incapable of meeting the terms and conditions of the agreement to obtain the funds, including covering the costs to administer the fund and oversee the implementation of the specific mitigation or response action.

(6) The fund may account for assets held by the state for:

- (a) an individual;
- (b) a private or public entity;
- (c) another governmental unit, including a local or federal agency;
- (d) a state agency; or
- (e) a Native American tribe.

Section 3. Section **19-1-604** is amended to read:

19-1-604. Environmental mitigation.

(1) The director shall administer the fund created in Section 19-1-603.

(2) The director may:

(a) disburse funds to an authorized individual or public, private, or governmental entity, or Native American tribe to implement a specified environmental mitigation action in accordance with any terms and conditions associated with the funding source, as provided in Subsection 19-1-603(4);

(b) expend funds to implement certain environmental mitigation actions in accordance with any terms and conditions associated with the funding source, as provided in Subsection 19-1-603(4);

(c) expend funds to implement an environmental response action or site closure, in accordance with any terms and conditions associated with the funding source, as provided in Subsection 19-1-603(4);

(d) expend funds to cover actual administrative expenditures in accordance with any terms and conditions associated with the funds as provided in Subsection 19-1-603(4); [~~and~~]

SB0029S02 compared with SB0029S01

(e) within conditions associated with the funding source, expend funds for:

(i) the purchase, operation, or maintenance of a repository in the state;

(ii) the purchase or distribution of a home controlled substance disposal receptacle; or

(iii) educating citizens on the lawful and environmentally friendly disposal of a controlled substance; or

~~[(e)]~~ (f) return unused funds to the funding source, if required under the terms and conditions as provided in Subsection 19-1-603(4).

(3) For an environmental response action conducted pursuant to Subsection 19-1-604(2)(c), the director shall comply with applicable environmental cleanup standards described in this title.

(4) If the director disburses funds to another state agency in accordance with Subsection (2)(a), that agency may expend the funds in accordance with any terms and conditions associated with the fund contributions as provided in Subsection 19-1-603(4), including returning any unused funds to the department.

(5) Following the completion of an environmental mitigation and response action, any excess funds not returned to the funding source as provided in Subsection 19-1-603(4) shall be transferred to the Hazardous Substances Mitigation Fund, in accordance with Section 19-6-307.

Section 4. Section **67-5-36** is enacted to read:

67-5-36. Drug Disposal Program.

(1) As used in the section:

(a) "Controlled substance" means the same as that term is defined in Section 58-37-2.

(b) "Department" means the Department of Environmental Quality.

(c) "Environmentally friendly" means a controlled substance that is rendered:

(i) non-retrievable, as determined by the attorney general in consultation with the department; ~~and~~

(ii) non-hazardous, as determined by the department ~~and~~; and

(iii) permissible to dispose in a landfill in a manner that does not violate state or federal law relating to surface water or groundwater.

(d) "Home controlled substance disposal receptacle" means a receptacle provided by the program that can be used by an individual to render a small amount of controlled

SB0029S02 compared with SB0029S01

substances at an individual's residence non-retrievable and environmentally friendly.

(e) "Non-retrievable" means the same as that term is defined in 21 C.F.R. 1300.05.

(f) "Program" means the Drug Disposal Program described in this section.

(g) "Repository" means a controlled substance disposal repository described in Subsection (3).

(2) The attorney general may, in coordination with the department, administer a program, known as the Drug Disposal Program, to provide for the safe, secure, and environmentally friendly disposal of controlled substances in the state.

(3) The attorney general and the department, in developing and implementing the program:

(a) may work with law enforcement agencies, pharmacies, hospitals, and other entities to ensure that one or more repositories are present in each county in the state;

(b) shall ensure that each repository:

(i) renders a controlled substance placed in the repository non-retrievable and environmentally friendly, onsite; and

(ii) is secure from tampering or unauthorized removal;

(c) may require verification that:

(i) a repository complies with Subsection (3)(b); and

(ii) a home controlled substance disposal receptacle renders a controlled substance non-retrievable and environmentally friendly;

(d) shall ensure that the program operates in accordance with Drug Enforcement Administration rules; and

(e) may publish, on the websites of the attorney general's office and the department:

(i) a list of the location of each repository in the state; and

(ii) if home controlled substance disposal receptacles are used as part of the program, information on how to obtain a home controlled substance disposal receptacle.

(4) The attorney general may, instead of, or in addition to, establishing a repository in a county, establish a process for residents of the county to obtain a home controlled substance disposal receptacle.

(5) A state or local government entity, other than the attorney general's office, the department, or a designee of the department, may not:

SB0029S02 compared with SB0029S01

(a) regulate the disposal of a controlled substance rendered non-retrievable in a repository or home controlled substance disposal receptacle differently, or more strictly, than disposal of non-hazardous household waste;

(b) regulate or restrict the location of a repository or the distribution of a home controlled substance disposal receptacle; or

(c) otherwise take action to regulate or interfere with administration of the program.

(6) This section does not prohibit the disposal of a controlled substance:

(a) in a receptacle that does not qualify as a repository if:

(~~f~~a)i) the receptacle is located on the premises of an entity authorized by Drug Enforcement Administration rules to accept a controlled substance for subsequent disposal; and

(~~f~~b)ii) the entity described in Subsection (6)(a)(i) ensures that the controlled substance is managed in a manner permitted by Drug Enforcement Administration rule~~f~~; or

(b) disposed at a facility that has received the approval required under Section 19-6-108.
