17C-1-416, Utah Code Annotated 1953

Be it enacted by the Legislature of the state of Utah:

Section 1. Section **17C-1-416** is enacted to read:

17C-1-416. Extension of collection period for project areas impacted by COVID-19 emergency -- Requirements -- Limitations.

26 (1) For purposes of this section:

27 (a) "COVID-19 emergency" means the same as that term is defined in Section
28 53-2c-102.

29 (b) "Extension period" means the period of an impacted project area's project area
30 funds collection period that is the result of an extension under this section.

31 (c) "Impacted project area" means a project area:

32 (i) from which an agency expects to receive tax increment;

33 (ii) that is subject to a project area funds collection period;

34 (iii) that is subject to a project area plan that was adopted on or before December 31,
35 2019; and

36 (iv) in which the agency determines the conditions resulting from the COVID-19
37 emergency will likely:

38 (A) delay the agency's implementation of the project area plan; or

39 (B) cause the agency to receive an amount of tax increment from the project area that is
40 less than the amount of tax increment the agency expected the agency would receive from the
41 project area.

42 (d) "Tax increment" includes additional tax increment as that term is defined in Section
43 17C-1-403.

44 (2) (a) Subject to Subsection (3), an agency may extend the project area funds
45 collection period of an impacted project area for a period not to exceed two years from the day
46 on which the project area funds collection period ends if:

47 (i) the board adopts a resolution on or before December 31, 2021, describing:

48 (A) the conditions resulting from the COVID-19 emergency that the board determines
49 will likely delay the implementation of the project area plan or reduce the amount of tax
50 increment that the agency receives from the impacted project area;

51 (B) why an extension of the project area funds collection period is needed; and

52 (C) the date on which the extension period will end; and

53 (ii) no later than November 1 of the year immediately preceding the year in which the
54 project area funds collection period, not including any extension under this section, ends, the
55 agency mails or electronically submits a copy of the resolution described in Subsection (2)(a)(i)
56 to:

57 (A) the State Tax Commission;
58 (B) the State Board of Education;
59 (C) the state auditor;
60 (D) the auditor of the county in which the impacted project area is located; and
61 (E) each taxing entity affected by the agency's collection of tax increment from the
62 impacted project area.

63 (b) Notwithstanding any other provision of law, an agency is not required to obtain
64 taxing entity or taxing entity committee approval to extend a project area funds collection
65 period under this section.

66 (c) An extension of a project area funds collection period under this section takes effect
67 on the day on which the agency mails or electronically submits a copy of the resolution
68 described in Subsection (2)(a)(i) to each entity specified in Subsection (2)(a)(ii).

69 (3) (a) This section does not allow an agency to change:

70 (i) the amount or percentage of tax increment that the agency is authorized to receive
71 from the impacted project area in the final two years of the project area funds collection period;
72 or

73 (ii) the cumulative dollar amount of tax increment that the agency is authorized to
74 receive from the impacted project area, if the agency's receipt of tax increment is limited to a
75 maximum cumulative dollar amount.

76 (b) An agency that extends a project area funds collection period under this section
77 shall use any tax increment received during the extension period in the same manner as
78 provided in:

79 (i) the project area plan; and

80 (ii) (A) the project area budget; or

81 (B) the resolution or interlocal agreement authorizing the agency to receive tax
82 increment from the impacted project area.

83 (c) (i) An extension of a project area funds collection period under this section does not
84 automatically extend the payment of tax increment under a previously approved participation
85 agreement for the extension period, regardless of any contrary term in the participation
86 agreement.

87 (ii) An agency that extends a project area funds collection period under this section

88 may only extend the payment of tax increment under a previously approved participation
89 agreement for the extension period by:

90 (A) amending the previously approved participation agreement; or

91 (B) entering into a new participation agreement.

92 (d) Nothing in this section limits the right of an agency to extend the agency's
93 collection of tax increment as otherwise provided in this title.

94 Section 2. **Effective date.**

95 If approved by two-thirds of all the members elected to each house, this bill takes effect
96 upon approval by the governor, or the day following the constitutional time limit of Utah
97 Constitution, Article VII, Section 8, without the governor's signature, or in the case of a veto,
98 the date of veto override.
