public and private entities that may be necessary or helpful to remediating the potential spread of aquatic invasive species throughout the state.

(4) The emergency response plan shall:

(a) designate the division as the entity that will coordinate the implementation of the emergency response plan;

(b) provide for annual review of the emergency response plan by the division;

(c) provide that the emergency response plan may only be implemented if the division detects aquatic invasive species, including Dreissena mussels, at a water body, facility, or water supply system within the state; and

(d) define what constitutes a detection of aquatic invasive species at a water body, facility, or water supply system.

(5) On or before August 1, 2021, the division shall submit to the committee the following:

(a) the emergency response plan;

(b) proposed legislation that may be necessary to effectuate the emergency response plan or to increase the effectiveness of the emergency response plan; and

(c) an analysis and estimate of the cost to implement the emergency response plan.

(6) After receiving the items described in Subsection (5), the committee may:

(a) ~~approve~~ **recommend to** the ~~emergency response~~ **Legislature that the plan be** implemented;

(b) return the plan to the division for further study and evaluation;

(c) draft legislation proposed or requested by the division; or

(d) take action to further the funding of the emergency response plan.

(7) If an event requires the implementation of the emergency response plan, the division shall report on that event and the implementation of the emergency response plan to the committee.
