Be it enacted by the Legislature of the state of Utah:

Section 1. Section **10-5-132** is amended to read:

10-5-132. Fees collected for construction approval -- Approval of plans.

HB0098S03 compared with HB0098S02

(1) As used in this section:

(a) "Business day" means the same as that term is defined in Section 54-8c-1.

~~(a)~~ (b) "Construction project" means the same as that term is defined in Section 38-1a-102.

(c) "Licensed building inspector" means an individual who is:

(i) licensed by the Division of Occupational and Professional Licensing under Title 58, Chapter 56, Building Inspector and Factory Built Housing Licensing Act; and

(ii) covered by liability insurance when providing private services as a licensed building inspector, in an amount established in rules made by the Division of Occupational and Professional Licensing in accordance with Title 63G, Chapter 3, Utah Administrative Rulemaking Act.

~~(b)~~ (d) "Lodging establishment" means a place providing temporary sleeping accommodations to the public, including any of the following:

(i) a bed and breakfast establishment;

(ii) a boarding house;

(iii) a dormitory;

(iv) a hotel;

(v) an inn;

(vi) a lodging house;

(vii) a motel;

(viii) a resort; or

(ix) a rooming house.

~~(c)~~ (e) "Planning review" means a review to verify that a town has approved the following elements of a construction project:

(i) zoning;

(ii) lot sizes;

(iii) setbacks;

(iv) easements;

(v) curb and gutter elevations;

(vi) grades and slopes;

(vii) utilities;

HB0098S03 compared with HB0098S02

(viii) street names;

(ix) defensible space provisions and elevations, if required by the Utah Wildland Urban Interface Code adopted under Section 15A-2-103; and

(x) subdivision.

~~(d)~~ (f) (i) "Plan review" means all of the reviews and approvals of a plan that a town requires to obtain a building permit from the town with a scope that may not exceed a review to verify:

(A) that the construction project complies with the provisions of the State Construction Code under Title 15A, State Construction and Fire Codes Act;

(B) that the construction project complies with the energy code adopted under Section 15A-2-103;

(C) that the construction project received a planning review;

(D) that the applicant paid any required fees;

(E) that the applicant obtained final approvals from any other required reviewing agencies;

(F) that the construction project complies with federal, state, and local storm water protection laws;

(G) that the construction project received a structural review;

(H) the total square footage for each building level of finished, garage, and unfinished space; and

(I) that the plans include a printed statement indicating that the actual construction will comply with applicable local ordinances and the state construction codes.

(ii) "Plan review" does not mean a review of a document:

(A) required to be re-submitted for a construction project other than a construction project for a one to two family dwelling or townhome if additional modifications or substantive changes are identified by the plan review;

(B) submitted as part of a deferred submittal when requested by the applicant and approved by the building official; or

(C) that, due to the document's technical nature or on the request of the applicant, is reviewed by a third party.

~~(e)~~ (g) "State Construction Code" means the same as that term is defined in Section

HB0098S03 compared with HB0098S02

15A-1-102.

~~[(f)]~~ (h) "State Fire Code" means the same as that term is defined in Section 15A-1-102.

~~[(g)]~~ (i) "Structural review" means:

(i) a review that verifies that a construction project complies with the following:

- (A) footing size and bar placement;
- (B) foundation thickness and bar placement;
- (C) beam and header sizes;
- (D) nailing patterns;
- (E) bearing points;
- (F) structural member size and span; and
- (G) sheathing; or

(ii) if the review exceeds the scope of the review described in Subsection (1)~~[(g)]~~(i)(i), a review that a licensed engineer conducts.

~~[(h)]~~ (j) "Technical nature" means a characteristic that places an item outside the training and expertise of an individual who regularly performs plan reviews.

(2) (a) If a town collects a fee for the inspection of a construction project, the town shall ensure that the construction project receives a prompt inspection.

(b) If a town cannot provide a building inspection within three business days after the day on which the town receives the request for the inspection~~[-]~~:

(i) the town ~~[shall]~~ may promptly engage an independent inspector with fees collected from the applicant~~[-]~~; or

(ii) the applicant may engage an independent third-party licensed building inspector to complete each required inspection on the applicant's behalf in accordance with Subsection (2)(d), if the construction project is for a one to two family dwelling or townhome.

(c) If an inspector identifies one or more violations of the State Construction Code or State Fire Code during an inspection, the inspector shall give the permit holder written notification that:

- (i) identifies each violation;
- (ii) upon request by the permit holder, includes a reference to each applicable provision of the State Construction Code or State Fire Code; and

HB0098S03 compared with HB0098S02

(iii) is delivered:

(A) in hardcopy or by electronic means; and

(B) the day on which the inspection occurs.

(d) (i) An applicant who engages an independent third-party licensed building inspector to complete each required inspection on the applicant's behalf under Subsection (2)(b)(ii) shall promptly notify the town in writing of the name and address of the licensed building inspector at the time the applicant engages the licensed building inspector.

(ii) The licensed building inspector described in Subsection (2)(d)(i) shall:

(A) complete each required inspection of the construction project on the applicant's behalf;

(B) provide written notification to the town after completing the final required inspection; and

(C) issue the applicant a certificate of occupancy for the construction project.

(3) (a) A town shall complete a plan review of a construction project for a one to two family dwelling or townhome by no later than 14 business days after the day on which the [~~plan is submitted~~] applicant submits a complete building permit application to the town.

(b) A town shall complete a plan review of a construction project for a residential structure built under the International Building Code, not including a lodging establishment, by no later than 21 business days after the day on which the [~~plan is submitted~~] applicant submits a complete building permit application to the town.

(c) (i) Subject to Subsection (3)(c)(ii), if a town does not complete a plan review before the time period described in Subsection (3)(a) or (b) expires, an applicant may request that the town complete the plan review.

(ii) If an applicant makes a request under Subsection (3)(c)(i), the town shall perform the plan review no later than:

(A) for a plan review described in Subsection (3)(a), 14 days from the day on which the applicant makes the request; or

(B) for a plan review described in Subsection (3)(b), 21 days from the day on which the applicant makes the request.

(d) An applicant may:

(i) waive the plan review time requirements described in this Subsection (3); or

HB0098S03 compared with HB0098S02

(ii) with the town's consent, establish an alternative plan review time requirement.

(4) ~~[(a)]~~ A town may not enforce a requirement to have a plan review if:

~~[(+)]~~ (a) the town does not complete the plan review within the time period described in

Subsection (3)(a) or (b); ~~[and]~~

(b) the applicant makes a request under Subsection (3)(c)(i);

(c) the town does not complete the plan review within the time period described in Subsection (3)(c)(ii); and

~~[(ii)]~~ (d) a licensed architect or structural engineer, or both when required by law, stamps the plan.

~~[(b)]~~ (5) (a) A town may attach to a reviewed plan a list that includes:

(i) items with which the town is concerned and may enforce during construction; and

(ii) building code violations found in the plan.

~~[(c)]~~ (b) A town may not require an applicant to redraft a plan if the town requests minor changes to the plan that the list described in Subsection ~~[(4)(b)]~~ (5)(a) identifies.

~~[(5) An applicant shall ensure that each construction project plan submitted for a plan review under this section has a statement indicating that actual construction will comply with applicable local ordinances and building codes.]~~

(c) A town may require a single resubmittal of plans for a one or two family dwelling or townhome if the resubmission is required to address deficiencies identified by a third-party review of a geotechnical report or geological report.

(6) If a town charges a fee for a building permit, the town may not refuse payment of the fee at the time the applicant submits a building permit application under Subsection (3).

(7) A town may not limit the number of building permit applications submitted under Subsection (3).

(8) For purposes of Subsection (3), a building permit application is complete if the application contains:

(a) the name, address, and contact information of:

(i) the applicant; and

(ii) the construction manager/general contractor, as defined in Section 63G-6a-103, for the construction project;

(b) a site plan for the construction project that:

~~[(vi) the number or type of rooms;]~~

~~[(vii) the interior layout of a room; or]~~

~~[(viii) the minimum square footage of a structure.]~~

~~[(b) "Residential building design element" does not include for a single-family residential building:]~~

~~[(i) the height, bulk, orientation, or location of a structure on a lot; or]~~

~~[(ii) buffering or screening used to:]~~

~~[(A) minimize visual impacts;]~~

~~[(B) mitigate the impacts of light or noise; or]~~

~~[(C) protect the privacy of neighbors.]~~

~~[(2)]~~ (1) (a) The planning commission shall provide notice, as provided in Section 10-9a-203, of its intent to make a recommendation to the municipal legislative body for a general plan or a comprehensive general plan amendment when the planning commission initiates the process of preparing its recommendation.

(b) The planning commission shall make and recommend to the legislative body a proposed general plan for the area within the municipality.

(c) The plan may include areas outside the boundaries of the municipality if, in the planning commission's judgment, those areas are related to the planning of the municipality's territory.

(d) Except as otherwise provided by law or with respect to a municipality's power of eminent domain, when the plan of a municipality involves territory outside the boundaries of

HB0098S03 compared with HB0098S02

the municipality, the municipality may not take action affecting that territory without the concurrence of the county or other municipalities affected.

~~[(3)]~~ (2) (a) At a minimum, the proposed general plan, with the accompanying maps, charts, and descriptive and explanatory matter, shall include the planning commission's recommendations for the following plan elements:

(i) a land use element that:

(A) designates the long-term goals and the proposed extent, general distribution, and location of land for housing for residents of various income levels, business, industry, agriculture, recreation, education, public buildings and grounds, open space, and other categories of public and private uses of land as appropriate; and

(B) may include a statement of the projections for and standards of population density and building intensity recommended for the various land use categories covered by the plan;

(ii) a transportation and traffic circulation element that:

(A) provides the general location and extent of existing and proposed freeways, arterial and collector streets, public transit, active transportation facilities, and other modes of transportation that the planning commission considers appropriate;

(B) for a municipality that has access to a major transit investment corridor, addresses the municipality's plan for residential and commercial development around major transit investment corridors to maintain and improve the connections between housing, employment, education, recreation, and commerce;

(C) for a municipality that does not have access to a major transit investment corridor, addresses the municipality's plan for residential and commercial development in areas that will maintain and improve the connections between housing, transportation, employment, education, recreation, and commerce; and

(D) correlates with the population projections, the employment projections, and the proposed land use element of the general plan; and

(iii) for a municipality described in Subsection 10-9a-401(3)(b), a plan that provides a realistic opportunity to meet the need for additional moderate income housing.

(b) In drafting the moderate income housing element, the planning commission:

(i) shall consider the Legislature's determination that municipalities shall facilitate a reasonable opportunity for a variety of housing, including moderate income housing:

HB0098S03 compared with HB0098S02

(A) to meet the needs of people of various income levels living, working, or desiring to live or work in the community; and

(B) to allow people with various incomes to benefit from and fully participate in all aspects of neighborhood and community life;

(ii) for a town, may include, and for other municipalities, shall include, an analysis of how the municipality will provide a realistic opportunity for the development of moderate income housing within the next five years;

(iii) for a town, may include, and for other municipalities, shall include, a recommendation to implement three or more of the following strategies:

(A) rezone for densities necessary to assure the production of moderate income housing;

(B) facilitate the rehabilitation or expansion of infrastructure that will encourage the construction of moderate income housing;

(C) facilitate the rehabilitation of existing uninhabitable housing stock into moderate income housing;

(D) consider general fund subsidies or other sources of revenue to waive construction related fees that are otherwise generally imposed by the city;

(E) create or allow for, and reduce regulations related to, accessory dwelling units in residential zones;

(F) allow for higher density or moderate income residential development in commercial and mixed-use zones, commercial centers, or employment centers;

(G) encourage higher density or moderate income residential development near major transit investment corridors;

(H) eliminate or reduce parking requirements for residential development where a resident is less likely to rely on the resident's own vehicle, such as residential development near major transit investment corridors or senior living facilities;

(I) allow for single room occupancy developments;

(J) implement zoning incentives for low to moderate income units in new developments;

(K) utilize strategies that preserve subsidized low to moderate income units on a long-term basis;

HB0098S03 compared with HB0098S02

(L) preserve existing moderate income housing;

(M) reduce impact fees, as defined in Section 11-36a-102, related to low and moderate income housing;

(N) participate in a community land trust program for low or moderate income housing;

(O) implement a mortgage assistance program for employees of the municipality or of an employer that provides contracted services to the municipality;

(P) apply for or partner with an entity that applies for state or federal funds or tax incentives to promote the construction of moderate income housing;

(Q) apply for or partner with an entity that applies for programs offered by the Utah Housing Corporation within that agency's funding capacity;

(R) apply for or partner with an entity that applies for affordable housing programs administered by the Department of Workforce Services;

Section 7. Section **15A-1-204** is amended to read:

15A-1-204. Adoption of State Construction Code -- Amendments by commission -- Approved codes -- Exemptions.

(1) (a) The State Construction Code is the construction codes adopted with any modifications in accordance with this section that the state and each political subdivision of the state shall follow.

(b) A person shall comply with the applicable provisions of the State Construction

HB0098S03 compared with HB0098S02

Code when:

- (i) new construction is involved; and
- (ii) the owner of an existing building, or the owner's agent, is voluntarily engaged in:

(A) the repair, renovation, remodeling, alteration, enlargement, rehabilitation, conservation, or reconstruction of the building; or

(B) changing the character or use of the building in a manner that increases the occupancy loads, other demands, or safety risks of the building.

(c) On and after July 1, 2010, the State Construction Code is the State Construction Code in effect on July 1, 2010, until in accordance with this section:

(i) a new State Construction Code is adopted; or

(ii) one or more provisions of the State Construction Code are amended or repealed in accordance with this section.

(d) A provision of the State Construction Code may be applicable:

(i) to the entire state; or

(ii) within a county, city, or town.

(2) (a) The Legislature shall adopt a State Construction Code by enacting legislation that adopts a nationally recognized construction code with any modifications.

(b) Legislation described in Subsection (2)(a) shall state that the legislation takes effect on the July 1 after the day on which the legislation is enacted, unless otherwise stated in the legislation.

(c) Subject to Subsection (6), a State Construction Code adopted by the Legislature is the State Construction Code until, in accordance with this section, the Legislature adopts a new State Construction Code by:

(i) adopting a new State Construction Code in its entirety; or

(ii) amending or repealing one or more provisions of the State Construction Code.

(3) (a) Except as provided in Subsection (3)(b), for each update of a nationally recognized construction code, the commission shall prepare a report described in Subsection (4).

(b) For the provisions of a nationally recognized construction code that apply only to detached one- and two-family dwellings and townhouses not more than three stories above grade plane in height with separate means of egress and their accessory structures, the

HB0098S03 compared with HB0098S02

commission shall:

(i) prepare a report described in Subsection (4) in 2021 and, thereafter, for every second update of the nationally recognized construction code; and

(ii) not prepare a report described in Subsection (4) in 2018.

(4) (a) In accordance with Subsection (3), on or before September 1 of the same year as the year designated in the title of a nationally recognized construction code, the commission shall prepare and submit, in accordance with Section 68-3-14, a written report to the Business and Labor Interim Committee that:

(i) states whether the commission recommends the Legislature adopt the update with any modifications; and

(ii) describes the costs and benefits of each recommended change in the update or in any modification.

(b) After the Business and Labor Interim Committee receives the report described in Subsection (4)(a), the Business and Labor Interim Committee shall:

(i) study the recommendations; and

(ii) if the Business and Labor Interim Committee decides to recommend legislative action to the Legislature, prepare legislation for consideration by the Legislature in the next general session.

(5) (a) (i) The commission shall, by no later than September 1 of each year in which the commission is not required to submit a report described in Subsection (4), submit, in accordance with Section 68-3-14, a written report to the Business and Labor Interim Committee recommending whether the Legislature should amend or repeal one or more provisions of the State Construction Code.

(ii) As part of a recommendation described in Subsection (5)(a)(i), the commission shall describe the costs and benefits of each proposed amendment or repeal.

(b) The commission may recommend legislative action related to the State Construction Code:

(i) on its own initiative;

(ii) upon the recommendation of the division; or

(iii) upon the receipt of a request by one of the following that the commission recommend legislative action related to the State Construction Code:

HB0098S03 compared with HB0098S02

- (A) a local regulator;
- (B) a state regulator;
- (C) a state agency involved with the construction and design of a building;
- (D) the Construction Services Commission;
- (E) the Electrician Licensing Board;
- (F) the Plumbers Licensing Board; or
- (G) a recognized construction-related association.

(c) If the Business and Labor Interim Committee decides to recommend legislative action to the Legislature, the Business and Labor Interim Committee shall prepare legislation for consideration by the Legislature in the next general session.

(6) (a) Notwithstanding the provisions of this section, the commission may, in accordance with Title 63G, Chapter 3, Utah Administrative Rulemaking Act, amend the State Construction Code if the commission determines that waiting for legislative action in the next general legislative session would:

- (i) cause an imminent peril to the public health, safety, or welfare; or
- (ii) place a person in violation of federal or other state law.

(b) If the commission amends the State Construction Code in accordance with this Subsection (6), the commission shall file with the division:

- (i) the text of the amendment to the State Construction Code; and
- (ii) an analysis that includes the specific reasons and justifications for the commission's findings.

(c) If the State Construction Code is amended under this Subsection (6), the division shall:

(i) publish the amendment to the State Construction Code in accordance with Section 15A-1-205; and

(ii) prepare and submit, in accordance with Section 68-3-14, a written notice to the Business and Labor Interim Committee containing the amendment to the State Construction Code, including a copy of the commission's analysis described in Subsection (6)(b)(ii).

(d) If not formally adopted by the Legislature at the next annual general session, an amendment to the State Construction Code under this Subsection (6) is repealed on the July 1 immediately following the next annual general session that follows the adoption of the

HB0098S03 compared with HB0098S02

amendment.

(7) (a) The division, in consultation with the commission, may approve, without adopting, one or more approved codes, including a specific edition of a construction code, for use by a compliance agency.

(b) If the code adopted by a compliance agency is an approved code described in Subsection (7)(a), the compliance agency may:

- (i) adopt an ordinance requiring removal, demolition, or repair of a building;
- (ii) adopt, by ordinance or rule, a dangerous building code; or
- (iii) adopt, by ordinance or rule, a building rehabilitation code.

(8) Except as provided in Subsections (6), (7), (9), and (10), or as expressly provided in state law, a state executive branch entity or political subdivision of the state may not, after December 1, 2016, adopt or enforce a rule, ordinance, or requirement that applies to a subject specifically addressed by, and that is more restrictive than, the State Construction Code.

(9) A state executive branch entity or political subdivision of the state may:

(a) enforce a federal law or regulation;

(b) adopt or enforce a rule, ordinance, or requirement if the rule, ordinance, or requirement applies only to a facility or construction owned or used by a state entity or a political subdivision of the state; or

(c) enforce a rule, ordinance, or requirement:

(i) that the state executive branch entity or political subdivision adopted or made effective before July 1, 2015; and

(ii) for which the state executive branch entity or political subdivision can demonstrate, with substantial evidence, that the rule, ordinance, or requirement is necessary to protect an individual from a condition likely to cause imminent injury or death.

(10) The Department of Health or the Department of Environmental Quality may enforce a rule or requirement adopted before January 1, 2015.

(11) (a) Except as provided in Subsection (11)(b), a structure used solely in conjunction with agriculture use, and not for human occupancy, or a structure that is no more than 1,500 square feet and used solely for the type of sales described in Subsection 59-12-104(20), is exempt from the requirements of the State Construction Code.

(b) (i) Unless exempted by a provision other than Subsection (11)(a), a plumbing,

HB0098S03 compared with HB0098S02

electrical, and mechanical permit may be required when that work is included in a structure described in Subsection (11)(a).

(ii) Unless located in whole or in part in an agricultural protection area created under Title 17, Chapter 41, Agriculture, Industrial, or Critical Infrastructure Materials Protection Areas, a structure described in Subsection (11)(a) is not exempt from a permit requirement if the structure is located on land that is:

(A) within the boundaries of a city or town, and less than five contiguous acres; or

(B) within a subdivision for which the county has approved a subdivision plat under Title 17, Chapter 27a, Part 6, Subdivisions, and less than two contiguous acres.

~~[(12)(a) As used in this Subsection (12):]~~

~~[(i) "Membrane-covered frame structure" means a nonpressurized building wherein the structure is composed of a rigid framework to support a tensioned membrane that provides the weather barrier.]~~

~~[(ii) "Remote yurt" means a membrane-covered frame structure that:]~~

~~[(A) is no larger than 710 square feet;]~~

~~[(B) is not used as a permanent residence;]~~

~~[(C) is located in an unincorporated county area that is not zoned for residential, commercial, industrial, or agricultural use;]~~

~~[(D) does not have plumbing or electricity;]~~

~~[(E) is set back at least 300 feet from any river, stream, lake, or other body of water; and]~~

~~[(F) registers with the local health department.]~~

~~[(b)] (12)(a) A remote yurt is exempt from the State Construction Code including the permit requirements of the State Construction Code.~~

~~[(c)] (b) Notwithstanding Subsection (12)[(b)](a), a county may by ordinance require remote yurts to comply with the State Construction Code, if the ordinance requires the remote yurts to comply with all of the following:~~

~~(i) the State Construction Code;~~

~~(ii) notwithstanding Section 15A-5-104, the State Fire Code; and~~

~~(iii) notwithstanding Section 19-5-125, Title 19, Chapter 5, Water Quality Act, rules made under that chapter, and local health department's jurisdiction over onsite wastewater~~

disposal.

(13) (a) Subsection (1)(b) does not apply to a person repairing damage ~~to an existing structure~~ caused by a natural disaster to an existing one to two family dwelling or townhome, if the sole purpose of the repairs is to restore the ~~structure~~ one to two family dwelling or townhome to the same or substantially the same condition as before the natural disaster.

(b) Subject to Subsection (13)(c), the permit requirements of the State Construction Code do not apply to a construction project involving repairs to an existing ~~structure~~ one to two family dwelling or townhome described in Subsection (13)(a).

(c) Upon the completion of a construction project involving repairs to an existing ~~structure~~ one to two family dwelling or townhome described in Subsection (13)(a), the owner ~~of the structure~~ shall ~~ensure that the structure~~, to determine compliance with Subsection (13)(a), ensure that the one to two family dwelling or townhome is inspected by:

(i) the local regulator within the political subdivision in which the construction project takes place; or

(ii) a licensed building inspector, as defined in Section 10-6-160, in accordance with:

(A) Subsection 10-5-132(2)(b)(ii), if the local regulator described in Subsection (13)(c)(i) is a town;

(B) Subsection 10-6-160(2)(b)(ii), if the local regulator described in Subsection (13)(c)(i) is a city; or

(C) Subsection 17-36-55(2)(b)(ii), if the local regulator described in Subsection (13)(c)(i) is a county.

Section 8. Section **15A-3-102** is amended to read:

Section 9. Section **15A-5-104** is amended to read:

15A-5-104. Exemptions from State Fire Code.

(1) As used in this section, "remote yurt" means the same as that term is defined in ~~[Subsection 15A-1-204(12)]~~ Section 15A-1-202.

(2) A remote yurt is exempt from the State Fire Code unless otherwise provided by ordinance in accordance with Subsection 15A-1-204(12)~~(c)~~(b).

(3) An owner of a remote yurt shall ensure that a fire extinguisher is in the remote yurt.

Section 10. Section **17-27a-403** is amended to read:

17-27a-403. Plan preparation.

HB0098S03 compared with HB0098S02

(1) (a) The planning commission shall provide notice, as provided in Section 17-27a-203, of its intent to make a recommendation to the county legislative body for a general plan or a comprehensive general plan amendment when the planning commission initiates the process of preparing its recommendation.

(b) The planning commission shall make and recommend to the legislative body a proposed general plan for:

(i) the unincorporated area within the county; or

(ii) if the planning commission is a planning commission for a mountainous planning district, the mountainous planning district.

(c) (i) The plan may include planning for incorporated areas if, in the planning commission's judgment, they are related to the planning of the unincorporated territory or of the county as a whole.

(ii) Elements of the county plan that address incorporated areas are not an official plan or part of a municipal plan for any municipality, unless it is recommended by the municipal planning commission and adopted by the governing body of the municipality.

(iii) Notwithstanding Subsection (1)(c)(ii), if property is located in a mountainous planning district, the plan for the mountainous planning district controls and precedes a municipal plan, if any, to which the property would be subject.

(2) (a) At a minimum, the proposed general plan, with the accompanying maps, charts, and descriptive and explanatory matter, shall include the planning commission's recommendations for the following plan elements:

(i) a land use element that:

(A) designates the long-term goals and the proposed extent, general distribution, and location of land for housing for residents of various income levels, business, industry, agriculture, recreation, education, public buildings and grounds, open space, and other categories of public and private uses of land as appropriate; and

(B) may include a statement of the projections for and standards of population density and building intensity recommended for the various land use categories covered by the plan;

(ii) a transportation and traffic circulation element that:

(A) provides the general location and extent of existing and proposed freeways, arterial and collector streets, public transit, active transportation facilities, and other modes of

HB0098S03 compared with HB0098S02

transportation that the planning commission considers appropriate;

(B) addresses the county's plan for residential and commercial development around major transit investment corridors to maintain and improve the connections between housing, employment, education, recreation, and commerce; and

(C) correlates with the population projections, the employment projections, and the proposed land use element of the general plan;

(iii) a plan for the development of additional moderate income housing within the unincorporated area of the county or the mountainous planning district, and a plan to provide a realistic opportunity to meet the need for additional moderate income housing; and

(iv) before May 1, 2017, a resource management plan detailing the findings, objectives, and policies required by Subsection 17-27a-401(3).

(b) In drafting the moderate income housing element, the planning commission:

(i) shall consider the Legislature's determination that counties should facilitate a reasonable opportunity for a variety of housing, including moderate income housing:

(A) to meet the needs of people of various income levels living, working, or desiring to live or work in the community; and

(B) to allow people with various incomes to benefit from and fully participate in all aspects of neighborhood and community life; and

(ii) shall include an analysis of how the county will provide a realistic opportunity for the development of moderate income housing within the planning horizon, which may include a recommendation to implement three or more of the following strategies:

(A) rezone for densities necessary to assure the production of moderate income housing;

(B) facilitate the rehabilitation or expansion of infrastructure that will encourage the construction of moderate income housing;

(C) facilitate the rehabilitation of existing uninhabitable housing stock into moderate income housing;

(D) consider county general fund subsidies or other sources of revenue to waive construction related fees that are otherwise generally imposed by the county;

(E) create or allow for, and reduce regulations related to, accessory dwelling units in residential zones;

HB0098S03 compared with HB0098S02

- (F) allow for higher density or moderate income residential development in commercial and mixed-use zones, commercial centers, or employment centers;
- (G) encourage higher density or moderate income residential development near major transit investment corridors;
- (H) eliminate or reduce parking requirements for residential development where a resident is less likely to rely on the resident's own vehicle, such as residential development near major transit investment corridors or senior living facilities;
- (I) allow for single room occupancy developments;
- (J) implement zoning incentives for low to moderate income units in new developments;
- (K) utilize strategies that preserve subsidized low to moderate income units on a long-term basis;
- (L) preserve existing moderate income housing;
- (M) reduce impact fees, as defined in Section 11-36a-102, related to low and moderate income housing;
- (N) participate in a community land trust program for low or moderate income housing;
- (O) implement a mortgage assistance program for employees of the county or of an employer that provides contracted services for the county;
- (P) apply for or partner with an entity that applies for state or federal funds or tax incentives to promote the construction of moderate income housing;
- (Q) apply for or partner with an entity that applies for programs offered by the Utah Housing Corporation within that agency's funding capacity;
- (R) apply for or partner with an entity that applies for affordable housing programs administered by the Department of Workforce Services;
- (S) apply for or partner with an entity that applies for services provided by a public housing authority to preserve and create moderate income housing;
- (T) apply for or partner with an entity that applies for programs administered by a metropolitan planning organization or other transportation agency that provides technical planning assistance;
- (U) utilize a moderate income housing set aside from a community reinvestment

HB0098S03 compared with HB0098S02

agency, redevelopment agency, or community development and renewal agency; and

~~[(V) reduce residential building design elements as defined in Section 10-9a-403; and]~~

~~[(W)]~~ (V) consider any other program or strategy implemented by the county to address the housing needs of residents of the county who earn less than 80% of the area median income.

(c) In drafting the land use element, the planning commission shall:

(i) identify and consider each agriculture protection area within the unincorporated area of the county or mountainous planning district; and

(ii) avoid proposing a use of land within an agriculture protection area that is inconsistent with or detrimental to the use of the land for agriculture.

(d) In drafting the transportation and traffic circulation element, the planning commission shall:

(i) consider the regional transportation plan developed by its region's metropolitan planning organization, if the relevant areas of the county are within the boundaries of a metropolitan planning organization; or

(ii) consider the long-range transportation plan developed by the Department of Transportation, if the relevant areas of the county are not within the boundaries of a metropolitan planning organization.

(3) The proposed general plan may include:

(a) an environmental element that addresses:

(i) to the extent not covered by the county's resource management plan, the protection, conservation, development, and use of natural resources, including the quality of air, forests, soils, rivers and other waters, harbors, fisheries, wildlife, minerals, and other natural resources; and

(ii) the reclamation of land, flood control, prevention and control of the pollution of streams and other waters, regulation of the use of land on hillsides, stream channels and other environmentally sensitive areas, the prevention, control, and correction of the erosion of soils, protection of watersheds and wetlands, and the mapping of known geologic hazards;

(b) a public services and facilities element showing general plans for sewage, water, waste disposal, drainage, public utilities, rights-of-way, easements, and facilities for them, police and fire protection, and other public services;

HB0098S03 compared with HB0098S02

(c) a rehabilitation, redevelopment, and conservation element consisting of plans and programs for:

(i) historic preservation;

(ii) the diminution or elimination of a development impediment as defined in Section 17C-1-102; and

(iii) redevelopment of land, including housing sites, business and industrial sites, and public building sites;

(d) an economic element composed of appropriate studies and forecasts, as well as an economic development plan, which may include review of existing and projected county revenue and expenditures, revenue sources, identification of basic and secondary industry, primary and secondary market areas, employment, and retail sales activity;

(e) recommendations for implementing all or any portion of the general plan, including the use of land use ordinances, capital improvement plans, community development and promotion, and any other appropriate action;

(f) provisions addressing any of the matters listed in Subsection 17-27a-401(2) or (3)(a)(i); and

(g) any other element the county considers appropriate.

Section 11. Section **17-27a-527** is enacted to read:

17-27a-527. Regulation of building design elements prohibited -- Exceptions.

(1) As used in this section, "building design element" means:

(a) exterior color;

(b) type or style of exterior cladding material;

(c) style, dimensions, or materials of a roof structure, roof pitch, or porch;

(d) exterior nonstructural architectural ornamentation;

(e) location, design, placement, or architectural styling of a window or door;

(f) location, design, placement, or architectural styling of a garage door, not including a rear-loading garage door;

(g) number or type of rooms;

~~[(h)]~~ (j) "Technical nature" means a characteristic that places an item outside the training and expertise of an individual who regularly performs plan reviews.

(2) (a) If a county collects a fee for the inspection of a construction project, the county shall ensure that the construction project receives a prompt inspection.

(b) If a county cannot provide a building inspection within three business days after the day on which the county receives the request for the inspection[-];

(i) the county [staff] may promptly engage an independent inspector with fees collected from the applicant[-]; or

(ii) the applicant may engage an independent third-party licensed building inspector to complete each required inspection on the applicant's behalf in accordance with Subsection (2)(d), if the construction project is for a one to two family dwelling or townhome.

(c) If an inspector identifies one or more violations of the State Construction Code or State Fire Code during an inspection, the inspector shall give the permit holder written notification that:

- (i) identifies each violation;
- (ii) upon request by the permit holder, includes a reference to each applicable provision of the State Construction Code or State Fire Code; and

HB0098S03 compared with HB0098S02

(iii) is delivered:

(A) in hardcopy or by electronic means; and

(B) the day on which the inspection occurs.

(d) (i) An applicant who engages an independent licensed building inspector to complete each required inspection on the applicant's behalf under Subsection (2)(b)(ii) shall promptly notify the county in writing of the name and address of the licensed building inspector at the time the applicant engages the licensed building inspector.

(ii) The licensed building inspector described in Subsection (2)(d)(i) shall:

(A) complete each required inspection of the construction project on the applicant's behalf;

(B) provide written notification to the county after completing the final required inspection; and

(C) issue the applicant a certificate of occupancy for the construction project.

(3) (a) A county shall complete a plan review of a construction project for a one to two family dwelling or townhome by no later than 14 business days after the day on which the [~~plan is submitted~~] applicant submits a complete building permit application to the county.

(b) A county shall complete a plan review of a construction project for a residential structure built under the International Building Code, not including a lodging establishment, by no later than 21 business days after the day on which the [~~plan is submitted~~] applicant submits a complete building permit application to the county.

(c) (i) Subject to Subsection (3)(c)(ii), if a county does not complete a plan review before the time period described in Subsection (3)(a) or (b) expires, an applicant may request that the county complete the plan review.

(ii) If an applicant makes a request under Subsection (3)(c)(i), the county shall perform the plan review no later than:

(A) for a plan review described in Subsection (3)(a), 14 days from the day on which the applicant makes the request; or

(B) for a plan review described in Subsection (3)(b), 21 days from the day on which the applicant makes the request.

(d) An applicant may:

(i) waive the plan review time requirements described in this Subsection (3); or

HB0098S03 compared with HB0098S02

(ii) with the county's consent, establish an alternative plan review time requirement.

(4) ~~[(a)]~~ A county may not enforce a requirement to have a plan review if:

~~[(+)]~~ (a) the county does not complete the plan review within the time period described in Subsection (3)(a) or (b); ~~and]~~

(b) the applicant makes a request under Subsection (3)(c)(i);

(c) the county does not complete the plan review within the time period described in Subsection (3)(c)(ii); and

~~[(ii)]~~ (d) a licensed architect or structural engineer, or both when required by law, stamps the plan.

~~[(b)]~~ (5) (a) A county may attach to a reviewed plan a list that includes:

(i) items with which the county is concerned and may enforce during construction; and

(ii) building code violations found in the plan.

~~[(c)]~~ (b) A county may not require an applicant to redraft a plan if the county requests minor changes to the plan that the list described in Subsection ~~[(4)(b)]~~ (5)(a) identifies.

~~[(5) An applicant shall ensure that each construction project plan submitted for a plan review under this section has a statement indicating that actual construction will comply with applicable local ordinances and building codes.]~~

(c) A county may require a single resubmittal of plans for a one or two family dwelling or townhome if the resubmission is required to address deficiencies identified by a third-party review of a geotechnical report or geological report.

(6) If a county charges a fee for a building permit, the county may not refuse payment of the fee at the time the applicant submits a building permit application under Subsection (3).

(7) A county may not limit the number of building permit applications submitted under Subsection (3).

(8) For purposes of Subsection (3), a building permit application is complete if the application contains:

(a) the name, address, and contact information of:

(i) the applicant; and

(ii) the construction manager/general contractor, as defined in Section 63G-6a-103, for the construction project;

(b) a site plan for the construction project that:

HB0098S03 compared with HB0098S02

- (i) is drawn to scale;
- (ii) includes a north arrow and legend; and
- (iii) provides specifications for the following:
 - (A) lot size and dimensions;

 - (iv) electrical, mechanical, and plumbing design;
- (d) documentation of energy code compliance;
- (e) structural calculations, except for trusses;
- (f) a geotechnical report, including a slope stability evaluation and retaining wall

design, if:

- (i) the slope of the lot is greater than 15%; and
- (ii) required by the county; and
- (g) a statement indicating that actual construction will comply with applicable local

ordinances and building codes.

Section 13. Section **38-1a-102** is amended to read:

HB0098S03 compared with HB0098S02

38-1a-102. Definitions.

As used in this chapter:

(1) "Alternate means" means a method of filing a legible and complete notice or other document with the registry other than electronically, as established by the division by rule.

(2) "Anticipated improvement" means the improvement:

(a) for which preconstruction service is performed; and

(b) that is anticipated to follow the performing of preconstruction service.

(3) "Applicable county recorder" means the office of the recorder of each county in which any part of the property on which a claimant claims or intends to claim a preconstruction or construction lien is located.

(4) "Bona fide loan" means a loan to an owner or owner-builder by a lender in which the owner or owner-builder has no financial or beneficial interest greater than 5% of the voting shares or other ownership interest.

(5) "Claimant" means a person entitled to claim a preconstruction or construction lien.

(6) "Compensation" means the payment of money for a service rendered or an expense incurred, whether based on:

(a) time and expense, lump sum, stipulated sum, percentage of cost, cost plus fixed or percentage fee, or commission; or

(b) a combination of the bases listed in Subsection (6)(a).

(7) "Construction lender" means a person who makes a construction loan.

(8) "Construction lien" means a lien under this chapter for construction work.

(9) "Construction loan" does not include a consumer loan secured by the equity in the consumer's home.

(10) "Construction project" means an improvement that is constructed pursuant to an original contract.

(11) "Construction work":

(a) means labor, service, material, or equipment provided for the purpose and during the process of constructing, altering, or repairing an improvement; and

(b) includes scheduling, estimating, staking, supervising, managing, materials testing, inspection, observation, and quality control or assurance involved in constructing, altering, or repairing an improvement.

HB0098S03 compared with HB0098S02

(12) "Contestable notice" means a notice of preconstruction service under Section 38-1a-401, a preliminary notice under Section 38-1a-501, or a notice of completion under Section 38-1a-506.

(13) "Contesting person" means an owner, original contractor, subcontractor, or other interested person.

(14) "Designated agent" means the third party the division contracts with as provided in Section 38-1a-202 to create and maintain the registry.

(15) "Division" means the Division of Occupational and Professional Licensing created in Section 58-1-103.

(16) "Entry number" means the reference number that:

(a) the designated agent assigns to each notice or other document filed with the registry; and

(b) is unique for each notice or other document.

(17) "Final completion" means:

(a) the date of issuance of a permanent certificate of occupancy by the local government entity having jurisdiction over the construction project or building inspector that has the authority to issue a certificate of occupancy for the construction project under Section 10-5-132, 10-6-160, or 17-36-55, if a permanent certificate of occupancy is required;

(b) the date of the final inspection of the construction work by the local government entity having jurisdiction over the construction project or building inspector described in Subsection (17)(a), if an inspection is required under a state-adopted building code applicable to the construction work, but no certificate of occupancy is required;

(c) unless the owner is holding payment to ensure completion of construction work, the date on which there remains no substantial work to be completed to finish the construction work under the original contract, if a certificate of occupancy is not required and a final inspection is not required under an applicable state-adopted building code; or

(d) the last date on which substantial work was performed under the original contract, if, because the original contract is terminated before completion of the construction work defined by the original contract, the local government entity having jurisdiction over the construction project or building inspector described in Subsection (17)(a) does not issue a certificate of occupancy or perform a final inspection.

HB0098S03 compared with HB0098S02

(18) "Final lien waiver" means a form that complies with Subsection 38-1a-802(4)(c).

(19) "First preliminary notice filing" means a preliminary notice that:

Section 14. Section **58-56-2** is amended to read:

58-56-2. Chapter administration -- Duties.

(1) The provisions of this chapter shall be administered by the Division of Occupational and Professional Licensing.

(2) The division shall make rules in accordance with Title 63G, Chapter 3, Utah Administrative Rulemaking Act, to establish the minimum amount of liability insurance coverage for a licensed building inspector to complete inspections under Subsection 10-5-132(2)(b)(ii), 10-6-160(2)(b)(ii), or 17-36-55(2)(b)(ii).

Section 15. Section **78B-2-225** is amended to read:

78B-2-225. Actions related to improvements in real property.

(1) As used in this section:

(a) "Abandonment" means that there has been no design or construction activity on an improvement for a continuous period of at least one year.

(b) "Action" means any claim for judicial, arbitral, or administrative relief for acts, errors, omissions, or breach of duty arising out of or related to the design, construction, or installation of an improvement, regardless of whether that action is based in tort, contract, warranty, strict liability, product liability, indemnity, contribution, or other source of law.

(c) "Completion" means the date of substantial completion of an improvement to real property as established by the earliest of:

(i) a [~~Certificate of Substantial Completion~~] certificate of substantial completion;

(ii) a [~~Certificate of Occupancy~~] certificate of occupancy issued by a governing agency or building inspector that has the authority to issue the certificate of occupancy under Section 10-5-132, 10-6-160, or 17-36-55; or

(iii) the date of first use or possession of the improvement.

(d) "Improvement" means any building, structure, infrastructure, road, utility, or other similar man-made change, addition, modification, or alteration to real property.

(e) "Person" means an individual, corporation, limited liability company, partnership,

joint venture, association, proprietorship, or any other legal or governmental entity.

(f) "Provider" means any person:

(i) contributing to, providing, or performing:

(A) studies, plans, specifications, drawings, designs, value engineering, cost or quantity estimates, surveys, staking, construction, installation, or labor to an improvement; or

(B) the review, observation, administration, management, supervision, inspections, and tests of construction for or in relation to an improvement; or

(ii) providing or contributing materials, products, or equipment that is incorporated into an improvement.

(2) The Legislature finds that:

(a) exposing a provider to suits and liability for acts, errors, omissions, or breach of duty after the possibility of injury or damage has become highly remote and unexpectedly creates costs and hardships to the provider and the citizens of the state;

(b) these costs and hardships include liability insurance costs, records storage costs, undue and unlimited liability risks during the life of both a provider and an improvement, and difficulties in defending against claims many years after completion of an improvement;

(c) these costs and hardships constitute clear social and economic evils;

(d) the possibility of injury and damage becomes highly remote and unexpected seven years following completion or abandonment; and

(e) except as provided in Subsection (7), it is in the best interests of the citizens of the state to impose the periods of limitation and repose provided in this chapter upon all causes of action by or against a provider arising out of or related to the design, construction, or installation of an improvement.

(3) (a) Except as provided in Subsections (3)(b) and (c), an action by or against a provider based in contract or warranty shall be commenced within six years after the date of completion or abandonment of an improvement.

(b) If a provider is required by an express term of a contract or warranty to perform an obligation later than the six-year period described in Subsection (3)(a), and the provider fails to perform the obligation as required, an action for that breach of the contract or warranty shall be commenced within two years after the day on which the breach is discovered or should have been discovered.

HB0098S03 compared with HB0098S02

(c) If a contract or warranty expressly establishes a different period of limitations than this section, the action shall be commenced within that limitations period.

(4) (a) All other actions by or against a provider shall be commenced within two years from the earlier of the date of discovery of a cause of action or the date upon which a cause of action should have been discovered through reasonable diligence.

(b) If the cause of action is discovered or discoverable before completion or abandonment of an improvement, the two-year period begins to run upon completion or abandonment.

(c) Notwithstanding Subsection (4)(a), and except as provided in Subsection (4)(d), an action under this Subsection (4) may not be commenced against a provider more than nine years after completion or abandonment of an improvement.

(d) If an action under Subsection (4)(a) is discovered or discoverable in the eighth or ninth year of the nine-year period, a claimant shall have two years from the date of discovery to commence an action.

(5) Subsection (4) does not apply to an action against a provider:

(a) who has fraudulently concealed the provider's act, error, omission, or breach of duty, or the injury, damage, or other loss caused by the provider's act, error, omission, or breach of duty; or

(b) for a willful or intentional act, error, omission, or breach of duty.

(6) If an individual otherwise entitled to bring an action did not commence the action within the periods prescribed by Subsections (3) and (4) solely because that individual was a minor or mentally incompetent and without a legal guardian, that individual shall have two years from the date the disability is removed to commence the action.

(7) This section shall not apply to an action for the death of or bodily injury to an individual while engaged in the design, installation, or construction of an improvement.

(8) This section does not apply to any action against any person in actual possession or control of the improvement as owner, tenant, or otherwise, at the time any defective or unsafe condition of the improvement proximately causes the injury for which the action is brought.

(9) This section does not extend the period of limitation or repose otherwise prescribed by law or a valid and enforceable contract.

(10) This section does not create or modify any claim or cause of action.

HB0098S03 compared with HB0098S02

(11) This section applies to all causes of action that accrue after May 3, 2003, notwithstanding that the improvement was completed or abandoned before May 3, 2004.
