*Be it enacted by the Legislature of the state of Utah:*

Section 1. Section ~~{63I-1-272}~~ **63B-31-101** is enacted to read:

#### **Part 1. 2021 Highway General Obligation Bonds**

**63B-31-101. Transportation bonds -- Maximum amount -- Use for transportation projects and related facilities.**

(1) (a) Subject to the restriction in Subsection (1)(c), the total amount of bonds issued under this section may not exceed \$20,000,000.

(b) When the Department of Transportation certifies to the commission the amount of bond proceeds that the commission needs to provide funding for the projects described in Subsection (2), the commission may issue and sell general obligation bonds in an amount equal to the certified amount plus costs of issuance.

(c) The commission may not issue general obligation bonds authorized under this section if the issuance for general obligation bonds would result in the total current outstanding general obligation debt of the state exceeding 50% of the limitation described in the Utah Constitution, Article XIV, Section 1.

(2) (a) Proceeds from the bonds issued under this section shall be provided to the

Department of Transportation to pay for or to provide funds to a municipality or county to pay for the costs of right-of-way acquisition, construction, reconstruction, renovations, or improvements to highways, transportation facilities, or multimodal transportation projects described in Subsection (2)(b).

(b) Bond proceeds described under Subsection (2)(a) shall be used to pay for the following local transportation projects, transportation facilities, or multimodal transportation projects:

(i) construction and improvements to 14600 South in Bluffdale; and

(ii) construction of a parking structure in South Jordan.

(c) The costs under this Subsection (2) may include the costs of acquiring land, interests in land, easements and rights-of-way, the costs of improving sites, making all improvements necessary, incidental, or convenient to the facilities, and the costs of interest estimated to accrue on these bonds during the period to be covered by construction of the projects plus a period of six months after the end of the construction period, interest estimated to accrue on any bond anticipation notes issued under the authority of this title, and all related engineering, architectural, and legal fees.

(3) (a) Proceeds from bonds authorized by this section shall be allocated, subject to Subsection (4)(a), as follows:

(i) up to \$12,000,000 to Bluffdale; and

(ii) up to \$8,000,000 to South Jordan.

(b) The executive director of the Department of Transportation may allocate bond proceeds under this section together, or for each project separately, when the executive director is satisfied that the planning, engineering, design, and commitment are present to complete the project.

(4) (a) Before the Department of Transportation may provide proceeds to a municipality for a project described in Subsection (2)(b), the municipality shall provide a detailed cost estimate of costs to complete the planning and design of the project.

(b) After receiving a cost estimate described in Subsection (4)(a), the Department of Transportation may provide to a municipality proceeds reasonably necessary to complete the planning and design of the project.

(c) After completion of the planning and design of a project, the municipality shall

## HB0244S04 compared with HB0244S03

provide to the Department of Transportation a detailed estimate of the costs to construct and complete a project described in Subsection (2)(b).

(d) If approved by the executive director of the Department of Transportation, the Department of Transportation may provide funds to a municipality to construct and complete a project described in Subsection (2)(b).

Section 2. Section 63B-31-102 is enacted to read:

### 63B-31-102. Transportation bonds -- Maximum amount -- Use for State

#### Infrastructure Bank Fund loans.

(1) (a) Subject to the restriction in Subsection (1)(c), the total amount of bonds issued under this section may not exceed \$30,000,000.

(b) When the Department of Transportation certifies to the commission the amount of bond proceeds that the commission needs to provide funding for the purposes described in Subsection (2), the commission may issue and sell general obligation bonds in an amount equal to the certified amount plus costs of issuance.

(c) The commission may not issue general obligation bonds authorized under this section if the issuance for general obligation bonds would result in the total current outstanding general obligation debt of the state exceeding 50% of the limitation described in the Utah Constitution, Article XIV, Section 1.

(2) (a) Proceeds from the bonds issued under this section shall be provided to the Department of Transportation to transfer to the State Infrastructure Bank Fund created in Section 72-2-202 to be used to issue loans pursuant to Title 72, Chapter 2, Part 2, State Infrastructure Bank Fund.

(b) Any distribution from the State Infrastructure Bank Fund shall be contingent upon a commitment from the borrower that revenue is available to repay the loan from the State Infrastructure Bank Fund which shall be paid in whole or in part from revenue distributions described in Subsection 72-2-121(4)(m).

Section 3. Section 63I-1-272 is amended to read:

### **63I-1-272. Repeal dates, Title 72.**

(1) Subsection 72-2-121~~(9)~~(10), which creates transportation advisory committees, is repealed July 1, 2022.

(5) (a) If revenue into the fund is insufficient to satisfy all of the transfers described in Subsection (4)(m), the executive director shall proportionately reduce the amounts transferred as described in Subsection (4)(m).

(b) A local government entity, as that term is defined in Section 63J-1-220, is exempt from entering into an agreement as described in Section 63J-1-220 pertaining to the receipt or expenditure of any funding described in Subsection (4)(l) or (m).

(c) A local government may not use revenue described in Subsections (4)(l) and (m) to supplant existing class B or class C road funds that a local government has budgeted for transportation projects.

(d) (i) A municipality or county that received a transfer of funds described in Subsection (4)(k) shall submit to the department a statement of cash flow and progress pertaining to the municipality's or county's respective project described in Subsection (4)(k).

(ii) After the department is satisfied that the municipality or county described in Subsection (4)(k) has made substantial progress and the expenditure of funds is programmed and imminent, the department may transfer to the same municipality or county the respective amounts described in Subsections (4)(l) and (m).

~~[(5)]~~ (6) The revenues described in Subsections (2)(b), (c), and (d) that are deposited

[in] into the fund and bond proceeds from bonds issued under Sections 63B-16-102, 63B-18-402, and 63B-27-102 are considered a local matching contribution for the purposes described under Section 72-2-123.

~~[(6)]~~ (7) The additional administrative costs of the department to administer this fund shall be paid from money in the fund.

~~[(7)]~~ (8) Notwithstanding any statutory or other restrictions on the use or expenditure of the revenue sources deposited into this fund, the Department of Transportation may use the money in this fund for any of the purposes detailed in Subsection (4).

~~[(8)]~~ (9) (a) For a fiscal year beginning on or after July 1, 2018, at the end of each fiscal year, after all programmed payments and transfers authorized or required under this section have been made, on November 30 the department shall transfer the remainder of the money in the fund to the Transportation Fund to reduce the amount owed to the Transportation Fund under Subsection ~~[(4)(j)(ii)]~~ (4)(h)(ii).

(b) The department shall provide notice to a county of the first class of the amount transferred in accordance with this Subsection ~~[(8)]~~ (9).

~~[(9)]~~ (10) (a) Any revenue in the fund that is not specifically allocated and obligated under Subsections (4) through (8) is subject to the review process described in this Subsection ~~[(9)]~~ (10).

(b) A county of the first class shall create a county transportation advisory committee as described in Subsection ~~[(9)]~~ (10)(c) to review proposed transportation and, as applicable, public transit projects and rank projects for allocation of funds.

(c) The county transportation advisory committee described in Subsection ~~[(9)]~~ (10)(b) shall be composed of the following 13 members:

(i) six members who are residents of the county, nominated by the county executive and confirmed by the county legislative body who are:

(A) members of a local advisory council of a large public transit district as defined in Section 17B-2a-802;

(B) county council members; or

(C) other residents with expertise in transportation planning and funding; and

(ii) seven members nominated by the county executive, and confirmed by the county legislative body, chosen from mayors or managers of cities or towns within the county.

## HB0244S04 compared with HB0244S03

(d) (i) A majority of the members of the county transportation advisory committee constitutes a quorum.

(ii) The action by a quorum of the county transportation advisory committee constitutes an action by the county transportation advisory committee.

(e) The county body shall determine:

(i) the length of a term of a member of the county transportation advisory committee;

(ii) procedures and requirements for removing a member of the county transportation advisory committee;

(iii) voting requirements of the county transportation advisory committee;

(iv) chairs or other officers of the county transportation advisory committee;

(v) how meetings are to be called and the frequency of meetings, but not less than once annually; and

(vi) the compensation, if any, of members of the county transportation advisory committee.

(f) The county shall establish by ordinance criteria for prioritization and ranking of projects, which may include consideration of regional and countywide economic development impacts, including improved local access to:

(i) employment;

(ii) recreation;

(iii) commerce; and

(iv) residential areas.

(g) The county transportation advisory committee shall evaluate and rank each proposed public transit project and regionally significant transportation facility according to criteria developed pursuant to Subsection [~~(9)~~] (10)(f).

(h) (i) After the review and ranking of each project as described in this section, the county transportation advisory committee shall provide a report and recommend the ranked list of projects to the county legislative body and county executive.

(ii) After review of the recommended list of projects, as part of the county budgetary process, the county executive shall review the list of projects and may include in the proposed budget the proposed projects for allocation, as funds are available.

(i) The county executive of the county of the first class, with information provided by

## **HB0244S04 compared with HB0244S03**

the county and relevant state entities, shall provide a report annually to the county transportation advisory committee, and to the mayor or manager of each city, town, or metro township in the county, including the following:

- (i) the amount of revenue received into the fund during the past year;
- (ii) any funds available for allocation;
- (iii) funds obligated for debt service; and
- (iv) the outstanding balance of transportation-related debt.

~~[(10)]~~ (11) As resources allow, the department shall study in 2020 transportation connectivity in the southwest valley of Salt Lake County, including the feasibility of connecting major east-west corridors to U-111.
