Be it enacted by the Legislature of the state of Utah:
Section 1. Section 26-6-33 is enacted to read:

26-6-33. Termination of public health emergency powers pertaining to COVID-19.

(1) As used in this section:
(a) "COVID-19" means:
(i) severe acute respiratory syndrome coronavirus 2; or
(ii) the disease caused by severe acute respiratory syndrome coronavirus 2.
(b) "COVID-19 emergency" means the spread of COVID-19 that the World Health Organization declared a pandemic on March 11, 2020.

(2) Except as provided in Subsections (3), (4), and (5), any public health order in effect pertaining to any response to COVID-19 and the COVID-19 emergency issued pursuant to a public health emergency declared by the Department of Health or a local health department is terminated on the day on which the following thresholds are met:
(a) the state's 14-day case rate is less than 191 per 100,000 people;
(b) the statewide seven-day average COVID-19 ICU utilization is less than 15%; and
(c) the Department of Health provides notice that 1,633,000 prime doses of a COVID-19 vaccine have been allocated to the state.
Subject to Subsection (3)(b), a public health order issued by the Department of Health issued pursuant to a public health emergency declared by the Department of Health pertaining to response to COVID-19 and the COVID-19 emergency that pertains to public health safety measures in a K-12 school may remain in place.

(b) A public health order or health and safety requirement described in Subsection (3)(a) shall be terminated no later than July 1, 2021.

(4) (a) Except as provided in Subsection (4)(b) or (c), a public health order issued by the Department of Health pertaining to a statewide mask requirement in response to the COVID-19 emergency is terminated.

(b) Notwithstanding Subsection (4)(a), but subject to Subsection (4)(d), a public health order pertaining to the wearing of a mask issued by the Department of Health may remain in effect if:

(i) the mask requirement pertains only to a gathering of 50 or more people; and

(ii) an individual at the gathering of 50 or more people is unable to physically distance at least six feet from another individual who is not a member of the individual's party.

(c) Subject to Subsection (4)(d), a local health department, with approval from the relevant county legislative body, may issue a public health order requiring the wearing of a mask.

(d) A public health order described in Subsection (4)(b) or (c) is terminated on the date the thresholds described in Subsection (2) are met.

(5) Notwithstanding Subsections (2), (3), or (4):

(a) a declaration of a public health emergency issued by the Department of Health in response to COVID-19 or the COVID-19 emergency may remain in effect; and

(b) the governor and the Department of Health may issue a public health order related to the distribution of COVID-19 vaccines.

Section 2. Section 26A-1-130 is enacted to read:

(1) As used in this section:

(a) "COVID-19" means:

(i) severe acute respiratory syndrome coronavirus 2; or
(ii) the disease caused by severe acute respiratory syndrome coronavirus 2.
(b) "COVID-19 emergency" means the spread of COVID-19 that the World Health Organization declared a pandemic on March 11, 2020.

(2) Except as provided in Subsections (3), (4), and (5), any public health order in effect pertaining to any response to COVID-19 and the COVID-19 emergency issued pursuant to a public health emergency declared by the Department of Health or a local health department is terminated on the day on which the following thresholds are met:
(a) the state's 14-day case rate is less than 191 per 100,000 people;
(b) the statewide seven-day average COVID-19 ICU utilization is less than 15%; and
(c) the Department of Health provides notice that 1,633,000 prime doses of a COVID-19 vaccine have been allocated to the state.

(3) (a) Subject to Subsection (3)(b), a public health order issued by the Department of Health or a local health department issued pursuant to a public health emergency declared by the Department of Health or a local health department pertaining to response to COVID-19 and the COVID-19 emergency that pertains to public health safety measures in a K-12 school may remain in place.
(b) A public health order or health and safety requirement described in Subsection (3)(a) shall be terminated no later than July 1, 2021.

(4) (a) Except as provided in Subsection (4)(b) or (c), a public health order issued by the Department of Health or a local health department pertaining to a statewide mask requirement in response to the COVID-19 emergency is terminated.
(b) Notwithstanding Subsection (4)(a), but subject to Subsection (4)(d), a public health order pertaining to the wearing of a mask issued by the Department of Health or a local health department may remain in effect if:
(i) the mask requirement pertains only to a gathering of 50 or more people; and
(ii) an individual at the gathering of 50 or more people is unable to physically distance at least six feet from another individual who is not a member of the individual's party.
(c) Subject to Subsection (4)(d), a local health department, with approval from the relevant county legislative body, may issue a public health order requiring the wearing of a mask.
(d) A public health order described in Subsection (4)(b) or (c) is terminated on the date
the thresholds described in Subsection (2) are met.

(5) Notwithstanding Subsections (2), (3), or (4):

(a) a declaration of a public health emergency issued by the Department of Health or a local health department in response to COVID-19 or the COVID-19 emergency may remain in effect; and

(b) the governor, the Department of Health, or a local health department may issue a public health order related to the distribution of COVID-19 vaccines.

Section 3. Section 53-2a-218 is enacted to read:

(1) As used in this section:

(a) "COVID-19" means:

(i) severe acute respiratory syndrome coronavirus 2; or

(ii) the disease caused by severe acute respiratory syndrome coronavirus 2.

(b) "COVID-19 emergency" means the spread of COVID-19 that the World Health Organization declared a pandemic on March 11, 2020.

(2) Except as provided in Subsections (3), (4), and (5), a state of emergency and any executive order issued pursuant to this part pertaining to any response to COVID-19 and the COVID-19 emergency is terminated on the day on which the following thresholds are met:

(a) the state's 14-day case rate is less than 191 per 100,000 people;

(b) the statewide seven-day average COVID-19 ICU utilization is less than 15%; and

(c) the Department of Health provides notice that 1,633,000 prime doses of a COVID-19 vaccine have been allocated to the state.

(3) (a) Subject to Subsection (3)(b), a public health order issued by the Department of Health or a local health department issued pursuant to a public health emergency declared by the Department of Health or a local health department pertaining to response to COVID-19 and the COVID-19 emergency that pertains to public health safety measures in a K-12 school may remain in place.

(b) A public health order or health and safety requirement described in Subsection (3)(a) shall be terminated no later than July 1, 2021.

(4) (a) Except as provided in Subsection (4)(b) or (c), a public health order issued by the Department of Health or a local health department pertaining to a statewide mask
requirement in response to the COVID-19 emergency is terminated.

(b) Notwithstanding Subsection (4)(a), but subject to Subsection (4)(d), a public health order pertaining to the wearing of a mask issued by the Department of Health or a local health department may remain in effect if:

(i) the mask requirement pertains only to a gathering of 50 or more people; and

(ii) an individual at the gathering of 50 or more people is unable to physically distance at least six feet from another individual who is not a member of the individual's party.

(c) Subject to Subsection (4)(d), a local health department, with approval from the relevant county legislative body, may issue a public health order requiring the wearing of a mask.

(d) A public health order described in Subsection (4)(b) or (c) is terminated on the date the thresholds described in Subsection (2) are met.

(5) Notwithstanding Subsections (2), (3), or (4):

(a) a declaration of a public health emergency issued by the Department of Health or a local health department in response to COVID-19 or the COVID-19 emergency may remain in effect; and

(b) the governor, the Department of Health, or a local health department may issue a public health order related to the distribution of COVID-19 vaccines.
