ENACTS:

53E-3-523, Utah Code Annotated 1953

Be it enacted by the Legislature of the state of Utah:

Section 1. Section 53E-3-501 is amended to read:

53E-3-501. State board to establish miscellaneous minimum standards for public schools.

(1) The state board shall establish rules and minimum standards for the public schools

HB0300S01 compared with HB0300

that are consistent with this public education code, including rules and minimum standards governing the following:

(a) (i) the qualification and certification of educators and ancillary personnel who provide direct student services;

(ii) required school administrative and supervisory services; and

(iii) the evaluation of instructional personnel;

(b) (i) access to programs;

(ii) attendance;

(iii) competency levels;

(iv) graduation requirements; and

(v) discipline and control;

(c) (i) school accreditation;

(ii) the academic year;

(iii) alternative and pilot programs;

(iv) curriculum and instruction requirements;

(v) school libraries; and

(vi) services to:

(A) persons with a disability as defined by and covered under:

(I) the Americans with Disabilities Act of 1990, 42 U.S.C. Sec. 12102;

(II) the Rehabilitation Act of 1973, 29 U.S.C. Sec. 705(20)(A); and

(III) the Individuals with Disabilities Education Act, 20 U.S.C. Sec. 1401(3); and

(B) other special groups;

(d) (i) state reimbursed bus routes;

(ii) bus safety and operational requirements; and

(iii) other transportation needs;

(e) (i) school productivity and cost effectiveness measures;

(ii) federal programs;

(iii) school budget formats; and

(iv) financial, statistical, and student accounting requirements; and

(f) data collection and reporting by LEAs.

(2) The state board shall determine if:

HB0300S01 compared with HB0300

(a) the minimum standards have been met; and

(b) required reports are properly submitted.

(3) The state board may apply for, receive, administer, and distribute to eligible applicants funds made available through programs of the federal government.

(4) (a) A technical college listed in Section 53B-2a-105 shall provide competency-based career and technical education courses that fulfill high school graduation requirements, as requested and authorized by the state board.

(b) A school district may grant a high school diploma to a student participating in a course described in Subsection (4)(a) that is provided by a technical college listed in Section 53B-2a-105.

(5) (a) As used in this Subsection (5), "generally accepted accounting principles" means a common framework of accounting rules and standards for financial reporting promulgated by either the Financial Accounting Standards Board or the Governmental Accounting Standards Board, as applicable to the reporting entity.

(b) Subject to Subsections (5)(c) and (d), the state board shall ensure that the rules and standards described in Subsections (1)(e) and (f) allow for an LEA to make adjustments to the LEA's general entry ledger, in accordance with generally accepted accounting principles, to accurately reflect the LEA's use of funds for allowable costs and activities:

(i) during a fiscal year; and

(ii) at the close of a fiscal year.

(c) If the state board determines under Subsection (2) that an LEA has not met the minimum standards described in Subsection (1)(e) or (f) or has not properly submitted a required report, the state board shall allow the LEA an opportunity to cure the relevant defect through an adjustment described in Subsection (5)(b).

(d) An LEA may not, in an adjustment described in Subsection (5)(b), reflect the use of restricted federal or state funds for a cost or activity that is not an allowable cost or activity for the restricted funds.

(e) The state board shall ensure that, on or before January 1, 2023, the rules and minimum standards described in Subsection (1)(e)(iv) require that the format for submitting financial, statistical, and student accounting information is compatible with the requirements for submitting information for posting on the Utah Public Finance Website under Sections

HB0300S01 compared with HB0300

63A-1-205 and 63A-1-206.

Section ~~{1}~~2. Section **53E-3-523** is enacted to read:

53E-3-523. State board to review reporting requirements.

(1) As used in this section ~~{, "required"}~~:

(a) "Action plan" means a plan that an LEA or a school is required to create for a state education program.

(b) "Required report" means a report that state statute ~~{or}~~ federal statute, state board rule, or other agency rule requires an LEA or the state board to make.

(2) (a) The state board shall ~~{develop}~~ work with LEAs to develop a process to review required reports.

(b) The process described in Subsection (2)(a) shall include the following considerations for each required report:

(i) (A) the required report's purpose; and

(B) the **required** report's effectiveness in accomplishing the **required** report's purpose;

(ii) which entity requires the required report;

(iii) which entity created the report requirements;

(iv) which entity or individual reviews the required report;

(v) whether the information in the required report is otherwise available or could be obtained another way;

(vi) whether the required report is the least burdensome way to collect the information in the required report;

(vii) whether accountability or transparency could be achieved through a means other than the required report;

(viii) whether and how the Utah Schools Information Management System affects the required report;

(ix) the estimated time and cost required to complete the required report for:

(A) an LEA; or

(B) for the state board; and

(x) the amount of appropriated program funding available for program purposes after program money is expended for completing a required report for the program.

(3) ~~{}~~ After reviewing required reports as described in Subsection (2), the state board

HB0300S01 compared with HB0300

may make recommendations for legislation to the Legislature.

(4) The state board shall, with input from the Office of the State Auditor, create procedures to:

- (a) create a comprehensive list of all required reports;
- (b) coordinate data collection among the state board's departments;
- (c) ensure that all required reports are appropriate and equitable for all LEAs; and
- (d) establish oversight of external data collection tools to streamline data requests to LEAs to reduce report redundancy.

(5) The state board shall, with input from the Office of the State Auditor:

(a) publish the list described in Subsection (4)(a) in a manner that:

- (i) facilitates state board and legislative oversight of required reports; and
- (ii) creates transparency regarding required reports;

(b) regularly review required reports to ensure the required reports are necessary and appropriate for an LEA based on the LEA's risk for low performance; and

(c) develop policies for the use of research tools and survey tools the state board uses to collect information from LEAs.

(6) The state board shall:

(a) develop a process to:

- (i) consolidate action plans; and
- (ii) align submission deadlines for action plans; and

(b) on or before the date of the Education Interim Committee's November 2023 meeting, report to the Education Interim Committee on the process described in Subsection (6)(a).

(7) (a) The state board shall, in conjunction with the state treasurer and the Office of the State Auditor, adopt an appropriate and cost-effective platform to manage the consolidated action plans described in Subsection (6).

(b) The platform the state board adopts under Subsection (7)(a) shall include tools to:

- (i) organize and integrate action plan requirements;
- (ii) develop a consolidated needs assessment;
- (iii) file an action plan reviewer's findings and recommendations;
- (iv) provide a single path for LEAs and schools to:

HB0300S01 compared with HB0300

(A) complete an action plan's requirements; and

(B) share information contained in an action plan; and

(v) manage a comprehensive, systemic approach to action plans that includes planning, implementation, and monitoring.
