None

Utah Code Sections Affected:

AMENDS:

9-7-205, as last amended by Laws of Utah 2017, Chapter 48

~~‡ **63N-3-501**, as enacted by Laws of Utah 2018, Chapter 182~~

‡ENACTS:

9-7-218, Utah Code Annotated 1953

Be it enacted by the Legislature of the state of Utah:

Section 1. Section **9-7-205** is amended to read:

9-7-205. Duties of board and director.

(1) The board shall:

(a) promote, develop, and organize a state library and make provisions for [its] the state library's housing;

(b) promote and develop library services throughout the state in cooperation with other state or municipal libraries, schools, or other agencies wherever practical;

(c) promote the establishment of district, regional, or multicounty libraries as conditions within particular areas of the state may require;

(d) supervise the books and materials of the state library and require the keeping of careful and complete records of the condition and affairs of the state library;

(e) establish policies for the administration of the division and for the control, distribution, and lending of books and materials to those libraries, institutions, groups, or individuals entitled to them under this chapter;

(f) serve as the agency of the state for the administration of state or federal funds that may be appropriated to further library development within the state;

(g) aid and provide general advisory assistance in the development of statewide school library service and encourage contractual and cooperative relations between school and public

HB0304S01 compared with HB0304

libraries;

(h) give assistance, advice, and counsel to all tax-supported libraries within the state and to all communities or persons proposing to establish a tax-supported library and conduct courses and institutes on the approved methods of operation, selection of books, or other activities necessary to the proper administration of a library;

(i) furnish or contract for the furnishing of library or information service to state officials, state departments, or any groups that in the opinion of the director warrant the furnishing of those services, particularly through the facilities of traveling libraries to those parts of the state otherwise inadequately supplied by libraries;

(j) where sufficient need exists and if the director considers it advisable, establish and maintain special departments in the state library to provide services for the blind, visually impaired, persons with disabilities, and professional, occupational, and other groups;

(k) administer a depository library program by collecting state publications, and providing a bibliographic information system;

(l) require the collection of information and statistics necessary to the work of the state library and the distribution of findings and reports;

(m) make any report concerning the activities of the state library to the governor as the governor may require; and

(n) develop standards for public libraries.

(2) The director shall, under the policy direction of the board[;]:

(a) carry out the responsibilities under Subsection (1)[;]; and

(b) appoint the director of digital equity and oversee the Digital Equity Program as described in Section 9-7-218.

Section 2. Section **9-7-218** is enacted to read:

9-7-218. Digital Equity Program -- Definitions -- Creation -- Objectives --

Administration -- Activities.

(1) As used in this section:

(a) "Digital access" means access to an Internet connection and computing device.

(b) "Digital divide" means the difference between the opportunities and resources available to individuals who have digital access and individuals who lack digital access.

(c) "Digital equity" means the condition of individuals and communities having the

HB0304S01 compared with HB0304

capacity and sufficient resources for full participation in the economy, democracy, and society.

(d) "Digital literacy" means an individual's ability to find, evaluate, and compose clear information through the use of information and communication technology.

(e) (i) "Information and communication technology" means technology related to digital access.

(ii) "Information and communication technology" includes:

(A) hardware;

(B) the Internet;

(C) broadcast technology other than the Internet; and

(D) software.

(f) "Hardware" includes:

(i) a desktop computer;

(ii) a laptop computer;

(iii) a smartphone; or

(iv) a tablet.

(g) "Program" means the Digital Equity Program created in this section.

(2) There is created within the division the Digital Equity Program, administered by the director of digital equity.

(3) (a) The director of digital equity, under the general supervision of the division director, shall direct the program.

(b) The director of digital equity shall have experience in digital literacy or other experience related to addressing the digital divide.

(4) The director of digital equity shall seek to accomplish the following objectives through administration of the program:

(a) promoting digital access, digital literacy, and digital safety;

(b) in coordination with the ~~}{broadband director described in Section 63N-3-501}~~[Governor's Office of Economic Development](#) and the Utah Education and Telehealth Network described in Section 53B-17-105, promoting the development of broadband Internet and soliciting input on strategies to increase access to and the adoption of broadband Internet;

(c) providing statewide strategic leadership and coordination related to digital access;

HB0304S01 compared with HB0304

and

(d) building the local capacity to increase digital access and digital literacy.

(5) The program shall target the activities described in Subsection (4) to individuals most affected by the digital divide, including individuals who:

(a) live in rural areas;

(b) have disabilities;

(c) are senior citizens;

(d) are Native Americans;

(e) have economic barriers to digital resources;

(f) are homeless; or

(g) are refugees.

(6) When developing methods and partnerships necessary to accomplish the objectives described in Subsection (4), the director of digital equity shall seek the expertise and input of the ~~broadband director~~ Governor's Office of Economic Development and other stakeholders and community partners including:

(a) the telecommunications industry;

(b) the Utah Education and Telehealth Network;

(c) the Utah State Board of Education;

(d) school districts;

(e) the Department of Transportation;

(f) the Legislature;

(g) the judiciary;

(h) local government;

(i) the disability advocacy community; and

(j) advocates for low-income housing.

(7) The division shall provide administrative services to the program.

(8) To accomplish the objectives described in Subsection (4), the division shall:

(a) make rules in accordance with Title 63G, Chapter 3, Utah Administrative Rulemaking Act; and

(b) enter into agreements with and coordinate the activities of government agencies, the Governor's Office of Economic Development, the Utah Education and Technology

HB0304S01 compared with HB0304

Network, the Department of Transportation, and other entities as necessary to carry out the program.

~~{ Section 3. Section 63N-3-501 is amended to read:~~

~~63N-3-501. Broadband director -- Infrastructure and broadband coordination:~~

~~(1) (a) The executive director shall appoint a broadband director:~~

~~(b) The broadband director, under the direction of the executive director, shall work with community partners to expand and improve broadband infrastructure and adoption of broadband in the state:~~

~~[(1)] (2) [The office] The broadband director, shall partner with the Automated Geographic Reference Center created in Section 63F-1-506 to collect and maintain a database and interactive map that displays economic development data statewide, including:~~

~~(a) voluntarily submitted broadband availability, speeds, and other broadband data;~~

~~(b) voluntarily submitted public utility data;~~

~~(c) workforce data, including information regarding:~~

~~(i) enterprise zones designated under Section 63N-2-206;~~

~~(ii) business resource centers;~~

~~(iii) public institutions of higher education; and~~

~~(iv) procurement technical assistance centers;~~

~~(d) transportation data, which may include information regarding railway routes, commuter rail routes, airport locations, and major highways;~~

~~(e) lifestyle data, which may include information regarding state parks, national parks and monuments, United States Forest Service boundaries, ski areas, golf courses, and hospitals; and~~

~~(f) other relevant economic development data as determined by the office, including data provided by partner organizations:~~

~~[(2)] (3) [The office] The broadband director may:~~

~~(a) make recommendations to state and federal agencies, local governments, the governor, and the Legislature regarding policies and initiatives that promote the development of broadband-related infrastructure in the state and help implement those policies and initiatives;~~

~~(b) facilitate coordination between broadband providers and public and private entities;~~

HB0304S01 compared with HB0304

~~—— (c) collect and analyze data on broadband availability and usage in the state, including Internet speed, capacity, the number of unique visitors, and the availability of broadband infrastructure throughout the state;~~

~~—— (d) create a voluntary broadband advisory committee, which shall include broadband providers and other public and private stakeholders, to solicit input on broadband-related policy guidance, best practices, and adoption strategies;~~

~~—— (e) work with broadband providers, state and local governments, and other public and private stakeholders to facilitate and encourage the expansion and maintenance of broadband infrastructure throughout the state; and~~

~~—— (f) in accordance with the requirements of Title 63J, Chapter 5, Federal Funds Procedures Act, and in accordance with federal requirements:~~

~~—— (i) apply for federal grants;~~

~~—— (ii) participate in federal programs; and~~

~~—— (iii) administer federally funded broadband-related programs.~~

~~—— (4) The broadband director shall coordinate with the director of digital equity to make recommendations for and facilitate the objectives of the Digital Equity Program created in Section 9-7-218.~~
