97 Section 2. Section **53F-1-104** is enacted to read:

102 receives.

103 (b) "Reasonable cost" means a cost that, in nature and amount, does not exceed an  
104 amount that a prudent person would incur under the circumstances prevailing at the time the  
105 decision was made to incur the cost.

106 (c) "State award" means:

107 (i) money that the Legislature appropriates to state education programs for an LEA's  
108 use; or

109 (ii) a grant that the state board awards to an LEA as part of a state education program.

110 (2) Except as otherwise provided in this public education code, the state board shall  
111 monitor state-funded education programs and the expenditure of state funds in accordance with  
112 this section.

113 (3) Except as otherwise authorized by statute, the state board shall not allow a cost  
114 under state awards, unless:

115 (a) the cost is necessary and reasonable for, and allocable to, the performance of the  
116 state award;

117 (b) the cost conforms to any limitations or exclusions that apply uniformly to the LEA's  
118 other activities;

119 (c) the LEA accorded the cost consistent treatment among programs;

120 (d) the LEA determined the cost in accordance with generally accepted accounting

121 principles;

122 (e) the LEA adequately documented the cost; and

123 (f) the LEA incurred the cost during the approved budget period.

124 (4) In determining whether a cost is a reasonable cost, the state board shall consider:

126 (i) the operation of the LEA; or

127 (ii) the proper and efficient performance of the state award;

128 (b) the restraints or requirements imposed by:

129 (i) sound business practices;

135 in the circumstances considering the individual's responsibilities to:

136 (i) the LEA;

137 (ii) the LEA's employees;

138 (iii) the LEA's students;

139 (iv) the public; and

140 (v) the state government; and

141 (e) whether the LEA significantly deviated from the LEA's established practices and

142 policies concerning incurring costs so that the costs the LEA incurs for the performance of the

143 state award are unjustifiably increased.

144 (5) The state board shall determine that a cost is an allocable cost if:

145 (a) the LEA incurred the cost specifically for the state award;

146 (b) the cost:

147 (i) benefits both the state award and the LEA's other work; and

148 (ii) can be distributed in proportions that may be approximated using reasonable

149 methods; and

150 (c) the cost is necessary to the overall operation of the LEA and is assignable in part to

151 the state award.
