53B-9-101, as enacted by Laws of Utah 1987, Chapter 167

Be it enacted by the Legislature of the state of Utah:

Section 1. Section **53B-9-101** is amended to read:

53B-9-101. Legislative findings on higher education for senior citizens and veterans -- Legislative intent -- Quarterly registration fee.

(1) The Legislature finds that substantial benefits would accrue to the state, as well as those directly involved, through making higher education more accessible to senior citizens and veterans who generally find themselves with more time for learning but with less funds for

30 such purposes.

31 (2) It is intended that an institution of higher education allow Utah residents who have
32 reached 62 years of age or are veterans as defined in Section [68-3-12.5](#) to enroll at the
33 institution, in classes for which they may be qualified, on the basis of surplus space in regularly
34 scheduled classes and in accordance with this chapter and implementing rules. These persons
35 are exempt from tuition and other charges, except for a quarterly registration fee established by
36 the board.
