

59 current year to the [S-3] total special education [~~ADM three~~] average daily membership two
 60 years previous to the current year, not to exceed the official October total school district ~~H→~~ [~~or~~
 61 ~~charter school~~] ~~←H~~ growth factor from the prior year.

62 (ii) When calculating and applying the growth factor, a school district's [S-3] ~~H→~~ [~~or~~
 62a ~~charter~~
 63 ~~school's~~] ~~←H~~ total special education [ADM] average daily membership for a given year is limited to
 64 [~~12.18%~~] the following percentage of the school district's [S-3] ~~H→~~ [~~or charter school's~~] ~~←H~~ total
 64a student

65 [ADM] average daily membership for the same year[-]:

66 (A) for a school district ~~H→~~ [~~or charter school~~] ~~←H~~ in a county of the first, second, or third
 66a class,
 67 14%; and

68 (B) for a school district in a county of the fourth, fifth, or sixth class, 20%.

69 (iii) Growth [~~ADMs are~~] average daily membership is calculated by applying the
 70 growth factor to the [S-3] total special education [ADM] average daily membership of two
 71 years previous to the current year.

72 (iv) Growth [~~ADMs~~] average daily membership for each school district or each charter
 73 school [~~are~~] is multiplied by 1.53 weighted pupil units and added to the prior year special
 74 education add-on WPU to determine each school district's or each charter school's total
 75 allocation.

76 (6) If money appropriated under this chapter for programs for students with disabilities
 77 does not meet the costs of school districts and charter schools for those programs, each school
 78 district and each charter school shall first receive the amount generated for each student with a
 79 disability under the basic program.
