308 is adjudicated under this section, the counting judges may not count the vote.

309 (c) An election officer shall store adjudicated ballots separately from other ballots to
310 enable a court to review the ballots if the election is challenged in court.

311 (2) Except as provided in Subsection (10), Subsection 20A-3a-204(6), or Part 6,
312 Municipal Alternate Voting Methods Pilot Project, if a voter marks more names than there are
313 individuals to be elected to an office, or if the counting judges cannot determine a voter's
314 choice for an office, the counting judges may not count the voter's vote for that office.

315 (3) Except as otherwise provided in Part 6, Municipal Alternate Voting Methods Pilot
316 Project, the counting judges shall count a defective or incomplete mark on a manual ballot if:

317 (a) the defective or incomplete mark is in the proper place; and

318 (b) there is no other mark or cross on the ballot indicating the voter's intent to vote
319 other than as indicated by the incomplete or defective mark.

320 (4) Except as otherwise provided in Part 6, Municipal Alternate Voting Methods Pilot
321 Project, the counting judges may not reject a ballot marked by the voter because of marks on
322 the ballot other than those marks allowed by this section unless the extraneous marks on a
323 ballot show an intent by an individual to mark the individual's ballot so that the individual's
324 ballot can be identified.

325 (5) (a) In counting the ballots, the counting judges shall give full consideration to the
326 intent of the voter.

327 (b) The counting judges may not invalidate a ballot because of mechanical or technical
328 defects in voting or failure on the part of the voter to follow strictly the rules for balloting
329 required by Chapter 3a, Voting.

330 (6) The counting judges may not reject a ballot because of an error in:

331 (a) stamping or writing an official endorsement; or

332 (b) delivering the wrong ballots to a polling place.

333 (7) The counting judges may not count a manual ballot that does not have the official
334 endorsement by an election officer.

335 (8) The counting judges may not count a ballot proposition vote or candidate vote for

336 which the voter is not legally entitled to vote, as defined in Section [20A-4-107](#).

337 (9) If the counting judges discover that the name of a candidate is misspelled on a
338 ballot, or that the initial letters of a candidate's given name are transposed or omitted in whole
339 or in part on a ballot, the counting judges shall count a voter's vote for the candidate if it is
340 apparent that the voter intended to vote for the candidate.

341 (10) The counting judges shall count a vote for the president and the vice president of
342 any political party as a vote for the presidential electors selected by the political party.

343 (11) Except as otherwise provided in Part 6, Municipal Alternate Voting Methods Pilot
344 Project, in counting the valid write-in votes, if, by casting a valid write-in vote, a voter has cast
345 more votes for an office than that voter is entitled to vote for that office, the counting judges
346 shall count the valid write-in vote as being the obvious intent of the voter.
