34 *Be it enacted by the Legislature of the state of Utah:*

35 Section 1. Section **79-2-601** is enacted to read:

36 **Part 6. WATERSHED RESTORATION INITIATIVE**

37 **79-2-601. Definitions.**

38 As used in this part:

39 (1) "Administrative costs" means the costs of administering the initiative, including
 40 costs for staffing, rent, data processing, legal, finance, accounting, travel, maintenance, and
 41 office supplies.

42 (2) "Director" means the director of the initiative who is appointed under Section
 43 [79-2-602](#).

44 (3) "Division" means the Division of Wildlife Resources created in Section [23-14-1](#).

45 (4) "Initiative" means the Watershed Restoration Initiative created in Section [79-2-602](#).

46 (5) "Restoration" means to assist the recovery of ecosystems and ecosystem services
 47 that have been mismanaged, degraded, or destroyed.

48 (6) "Watershed" means the geographical surface area that drains water into a stream,
 49 river, or other body of water.

50 Section 2. Section **79-2-602** is enacted to read:

51 **79-2-602. Watershed Restoration Initiative -- Creation -- Objectives.**

52 (1) There is created within the department the Watershed Restoration Initiative under
 53 the general supervision of the executive director.

54 (2) The policies and objectives of the initiative are to manage, restore, and improve
 55 watershed ecosystems throughout the state by focusing on improving:

56 (a) watershed health and biological diversity;

57 (b) water quality and yield; and

- 58 (c) opportunities for sustainable uses of natural resources.
- 59 (3) Consistent with this part, the initiative may integrate, coordinate, or partner with
- 60 federal, state, local, private, and non-profit plans and programs to further the initiative's
- 61 objectives.
- 62 (4) To achieve and implement the policies and objectives under Subsection (2), the
- 63 initiative shall:
- 64 (a) develop and oversee a watershed restoration project proposal process to develop
- 65 statewide watershed restoration priorities, including ranking criteria;
- 66 (b) maintain a website that includes:
- 67 (i) an events calendar;
- 68 (ii) tracking of watershed restoration projects;
- 69 (iii) a description of the watershed restoration project proposal process, including
- 70 applicable ranking criteria; and
- 71 (iv) the name and contact information of each person with decision-making
- 72 responsibilities related to ranking and selecting watershed restoration project proposals;
- 73 (c) organize and oversee a biennial statewide watershed restoration workshop;
- 74 (d) assign funding to watershed restoration projects, and manage and track project
- 75 budgets;
- 76 (e) provide initiative partners with contract support, reporting, and tracking assistance
- 77 regarding incoming and outgoing watershed restoration project funds;
- 78 (f) ensure that watershed restoration projects meet applicable cultural resource
- 79 requirements;
- 80 (g) upon request and as appropriate, provide performance reporting and initiative
- 81 information to the media, partners, and the executive and legislative branches of state
- 82 government;
- 83 (h) prepare and provide training and technical support for watershed restoration project
- 84 managers; and
- 85 (i) provide the executive director with reports and recommendations regarding the

86 initiative's performance and funding.

87 Section 3. Section **79-2-603** is enacted to read:

88 **79-2-603. Director -- Appointment -- Qualifications -- Staff.**

89 (1) The executive director shall appoint a director to administer the initiative.

90 (2) The director shall:

91 (a) be the executive and administrative head of the initiative; and

92 (b) have demonstrated the necessary administrative and professional ability through
93 education and experience to efficiently and effectively manage the initiative's affairs.

94 (3) The director is appointed by the executive director.

95 (4) (a) The department shall staff the initiative.

96 (b) With approval of the executive director and the division director, and under the
97 direction of the director, division staff with relevant expertise or experience may assist the
98 director with administering the initiative.

99 Section 4. Section **79-2-604** is enacted to read:

100 **79-2-604. Funding.**

101 The initiative is funded from the following sources:

102 (1) appropriations made to the initiative by the Legislature; and

103 (2) contributions, including in-kind assistance, from other public and private sources.

104 Section 5. Section **79-2-605** is enacted to read:

105 **79-2-605. Reporting.**

106 The initiative shall prepare and submit to the Natural Resources, Agriculture, and
107 Environment Interim Committee, on or before November 1 of each year, an annual report that
108 includes:

109 (1) by source, the initiative's total annual resources, including partner funds;

110 (2) the initiative's historical annual funding amounts from year to year;

111 (3) the total amount of state funding used to leverage non-state partner resources;

112 (4) the total administrative costs related to the initiative, including the costs of each
113 initiative partner that receives funds through the initiative; and

114 (5) performance metrics that demonstrate the initiative's impact and effectiveness.

115 Section 6. Section **79-2-606** is enacted to read:

116 **79-2-606. Watershed Restoration Expendable Special Revenue Fund -- Creation --**

117 **Source of funds -- Use of funds.**

118 (1) As used in this section, "fund" means the Watershed Restoration Expendable
119 Special Revenue Fund created in Subsection (2).

120 (2) There is created an expendable special revenue fund known as the "Watershed
121 Restoration Expendable Special Revenue Fund."

122 (3) The fund consists of:

123 (a) gifts, grants, donations, contributions, or any other conveyance of money that may
124 be made to the fund from public or private sources; and

125 (b) interest and earnings on fund money.

126 (4) The state treasurer shall:

127 (a) invest money in the fund in accordance with the Title 51, Chapter 7, State Money
128 Management Act; and

129 (b) deposit interest and earnings derived from investing fund money into the fund.

130 (5) The director may only use fund money for a watershed restoration project
131 designated or approved by the donor.
