133 [~~(14)~~] (16) "Public transit district" means a local district that provides public transit
134 services.

135 [~~(15)~~] (17) "Small public transit district" means any public transit district that is not a
136 large public transit district.

137 [~~(16)~~] (18) "Station area plan" means a plan adopted by the relevant municipality or
138 county that establishes and preserves a vision for areas within one-half mile of a fixed
139 guideway station of a large public transit district, the development of which includes:

140 (a) involvement of all relevant stakeholders who have an interest in the station area,

141 including relevant metropolitan planning organizations and the Department of Transportation;

142 (b) identification of major infrastructural and policy constraints and a course of action
143 to address those constraints; and

144 (c) other criteria as determined by the board of trustees of the relevant public transit
145 district.

146 [~~17~~] (19) "Transit facility" means a transit vehicle, transit station, depot, passenger
147 loading or unloading zone, parking lot, or other facility:

148 (a) leased by or operated by or on behalf of a public transit district; and

149 (b) related to the public transit services provided by the district, including:

150 (i) railway or other right-of-way;

151 (ii) railway line; and

152 (iii) a reasonable area immediately adjacent to a designated stop on a route traveled by
153 a transit vehicle.

154 [~~18~~] (20) "Transit vehicle" means a passenger bus, coach, railcar, van, or other
155 vehicle operated as public transportation by a public transit district.

156 [~~19~~] (21) "Transit-oriented development" means a mixed use residential or
157 commercial area that is designed to maximize access to public transit and includes the
158 development of land owned by a large public transit district.

159 [~~20~~] (22) "Transit-supportive development" means a mixed use residential or
160 commercial area that is designed to maximize access to public transit and does not include the
161 development of land owned by a large public transit district.

162 Section 2. Section **17B-2a-804** is amended to read:

163 **17B-2a-804. Additional public transit district powers.**

164 (1) In addition to the powers conferred on a public transit district under Section
165 **17B-1-103**, a public transit district may:

166 (a) provide a public transit system for the transportation of passengers and their
167 incidental baggage;

168 (b) notwithstanding Subsection 17B-1-103(2)(g) and subject to Section 17B-2a-817,
169 levy and collect property taxes only for the purpose of paying:

170 (i) principal and interest of bonded indebtedness of the public transit district; or

171 (ii) a final judgment against the public transit district if:

172 (A) the amount of the judgment exceeds the amount of any collectable insurance or
173 indemnity policy; and

174 (B) the district is required by a final court order to levy a tax to pay the judgment;

175 (c) insure against:

176 (i) loss of revenues from damage to or destruction of some or all of a public transit
177 system from any cause;

178 (ii) public liability;

179 (iii) property damage; or

180 (iv) any other type of event, act, or omission;

181 (d) subject to Section 72-1-202 pertaining to fixed guideway capital development
182 within a large public transit district, acquire, contract for, lease, construct, own, operate,
183 control, or use:

184 (i) a right-of-way, rail line, monorail, bus line, station, platform, switchyard, terminal,
185 parking lot, or any other facility necessary or convenient for public transit service; or

186 (ii) any structure necessary for access by persons and vehicles;

187 (e) (i) hire, lease, or contract for the supplying or management of a facility, operation,
188 equipment, service, employee, or management staff of an operator; and

189 (ii) provide for a sublease or subcontract by the operator upon terms that are in the
190 public interest;

191 (f) operate feeder bus lines and other feeder or ridesharing services as necessary;

192 (g) accept a grant, contribution, or loan, directly through the sale of securities or
193 equipment trust certificates or otherwise, from the United States, or from a department,
194 instrumentality, or agency of the United States;

195 (h) study and plan transit facilities in accordance with any legislation passed by
196 Congress;

197 (i) cooperate with and enter into an agreement with the state or an agency of the state
198 or otherwise contract to finance to establish transit facilities and equipment or to study or plan
199 transit facilities;

200 (j) subject to Subsection 17B-2a-808.1(5), issue bonds as provided in and subject to
201 Chapter 1, Part 11, Local District Bonds, to carry out the purposes of the district;

202 (k) from bond proceeds or any other available funds, reimburse the state or an agency
203 of the state for an advance or contribution from the state or state agency;

204 (l) do anything necessary to avail itself of any aid, assistance, or cooperation available
205 under federal law, including complying with labor standards and making arrangements for
206 employees required by the United States or a department, instrumentality, or agency of the
207 United States;

208 (m) sell or lease property;

209 (n) except as provided in Subsection (2)(b), assist in or operate transit-oriented or
210 transit-supportive developments;

211 (o) subject to Subsections (2) and (3), establish, finance, participate as a limited partner
212 or member in a development with limited liabilities in accordance with Subsection (1)(p),
213 construct, improve, maintain, or operate transit facilities, equipment, and, in accordance with
214 Subsection (3), transit-oriented developments or transit-supportive developments; and

215 (p) subject to the restrictions and requirements in Subsections (2) and (3), assist in a
216 transit-oriented development or a transit-supportive development in connection with project
217 area development as defined in Section 17C-1-102 by:

218 (i) investing in a project as a limited partner or a member, with limited liabilities; or

219 (ii) subordinating an ownership interest in real property owned by the public transit
220 district.

221 (2) (a) A public transit district may only assist in the development of areas under

222 Subsection (1)(p) that have been approved by the board of trustees, and in the manners
223 described in Subsection (1)(p).

224 (b) A public transit district may not invest in a transit-oriented development or
225 transit-supportive development as a limited partner or other limited liability entity under the
226 provisions of Subsection (1)(p)(i), unless the partners, developer, or other investor in the entity,
227 makes an equity contribution equal to no less than 25% of the appraised value of the property
228 to be contributed by the public transit district.

229 (c) (i) For transit-oriented development projects, a public transit district shall adopt
230 transit-oriented development policies and guidelines that include provisions on affordable
231 housing.

232 (ii) For transit-supportive development projects, a public transit district shall work with
233 the metropolitan planning organization and city and county governments where the project is
234 located to collaboratively seek to create joint plans for the areas within one-half mile of transit
235 stations, including plans for affordable housing.

236 (d) A current board member of a public transit district to which the board member is
237 appointed may not have any interest in the transactions engaged in by the public transit district
238 pursuant to Subsection (1)(p)(i) or (ii), except as may be required by the board member's
239 fiduciary duty as a board member.

240 (3) For any transit-oriented development or transit-supportive development authorized
241 in this section, the public transit district shall:

242 (a) perform a cost-benefit analysis of the monetary investment and expenditures of the
243 development, including effect on:

- 244 (i) service and ridership;
- 245 (ii) regional plans made by the metropolitan planning agency;
- 246 (iii) the local economy;
- 247 (iv) the environment and air quality;
- 248 (v) affordable housing; and

249 (vi) integration with other modes of transportation; [~~and~~]
250 (b) provide evidence to the public of a quantifiable positive return on investment,
251 including improvements to public transit service[-]; and

252 (c) coordinate with the Department of Transportation in accordance with Section
253 72-1-202 pertaining to fixed guideway capital development and associated parking facilities
254 within a station area plan for a transit oriented development within a large public transit
255 district.

256 (4) For any fixed guideway capital development project with oversight by the
257 Department of Transportation as described in Section 72-1-202, a large public transit district
258 shall coordinate with the Department of Transportation in all aspects of the project, including
259 planning, project development, outreach, programming, environmental studies and impact
260 statements, impacts on public transit operations, and construction.

261 [~~(4)~~] (5) A public transit district may not participate in a transit-oriented development
262 if:

263 (a) the relevant municipality or county has not developed and adopted a station area
264 plan; and

265 (b) (i) for a transit-oriented development involving a municipality, the municipality is
266 not in compliance with Sections 10-9a-403 and 10-9a-408 regarding the inclusion of moderate
267 income housing in the general plan and the required reporting requirements; or

268 (ii) for a transit-oriented development involving property in an unincorporated area of a
269 county, the county is not in compliance with Sections 17-27a-403 and 17-27a-408 regarding
270 inclusion of moderate income housing in the general plan and required reporting requirements.

271 [~~(5)~~] (6) A public transit district may be funded from any combination of federal, state,
272 local, or private funds.

273 [~~(6)~~] (7) A public transit district may not acquire property by eminent domain.

274 Section 3. Section 17B-2a-806 is amended to read:

275 **17B-2a-806. Authority of the state or an agency of the state with respect to a**

276 **public transit district -- Counties and municipalities authorized to provide funds to**
277 **public transit district -- Equitable allocation of resources within the public transit**
278 **district.**

279 (1) The state or an agency of the state may:

280 (a) make public contributions to a public transit district as in the judgment of the
281 Legislature or governing board of the agency are necessary or proper; or

282 (b) authorize a public transit district to perform, or aid and assist a public transit district
283 in performing, an activity that the state or agency is authorized by law to perform.

284 (2) (a) A county or municipality involved in the establishment and operation of a
285 public transit district may provide funds necessary for the operation and maintenance of the
286 district.

287 (b) A county's use of property tax funds to establish and operate a public transit district
288 within any part of the county is a county purpose under Section [17-53-220](#).

289 (3) (a) To allocate resources and funds for development and operation of a public
290 transit district, whether received under this section or from other sources, and subject to
291 Section [72-1-202](#) pertaining to fixed guideway capital development within a large public transit
292 district, a public transit district may:

293 (i) give priority to public transit services that feed rail fixed guideway services; and

294 (ii) allocate funds according to population distribution within the public transit district.

295 (b) The comptroller of a public transit district shall report the criteria and data
296 supporting the allocation of resources and funds in the statement required in Section
297 [17B-2a-812](#).

298 Section 4. Section **17B-2a-808.2** is amended to read:

299 **17B-2a-808.2. Large public transit district local advisory council -- Powers and**
300 **duties.**

301 (1) A large public transit district shall create and consult with a local advisory council.

302 (2) (a) (i) For a large public transit district in existence as of January 1, 2019, the local

303 advisory council shall have membership selected as described in Subsection (2)(b).

304 (ii) (A) For a large public transit district created after January 1, 2019, the political
305 subdivision or subdivisions forming the large public transit district shall submit to the
306 Legislature for approval a proposal for the appointments to the local advisory council of the
307 large public transit district similar to the appointment process described in Subsection (2)(b).

308 (B) Upon approval of the Legislature, each nominating individual or body shall appoint
309 individuals to the local advisory council.

310 (b) (i) The council of governments of Salt Lake County shall appoint three members to
311 the local advisory council.

312 (ii) The mayor of Salt Lake City shall appoint one member to the local advisory
313 council.

314 (iii) The council of governments of Utah County shall appoint two members to the
315 local advisory council.

316 (iv) The council of governments of Davis County and Weber County shall each appoint
317 one member to the local advisory council.

318 (v) The councils of governments of Box Elder County and Tooele County shall jointly
319 appoint one member to the local advisory council.

320 (3) The local advisory council shall meet at least quarterly in a meeting open to the
321 public for comment to discuss the service, operations, and any concerns with the public transit
322 district operations and functionality.

323 (4) The duties of the local advisory council shall include:

324 (a) setting the compensation packages of the board of trustees, which salary may not
325 exceed \$150,000, plus additional retirement and other standard benefits;

326 (b) reviewing, approving, and recommending final adoption by the board of trustees of
327 the large public transit district service plans at least every two and one-half years;

328 (c) except for a fixed guideway capital development project under the authority of the
329 Department of Transportation as described in Section [72-1-202](#), reviewing, approving, and

330 recommending final adoption by the board of trustees of project development plans, including
331 funding, of all new capital development projects;

332 (d) reviewing, approving, and recommending final adoption by the board of trustees of
333 any plan for a transit-oriented development where a large public transit district is involved;

334 (e) at least annually, engaging with the safety and security team of the large public
335 transit district to ensure coordination with local municipalities and counties;

- 597 (b) The executive director may use fund money to exchange for an equal or greater
- 598 amount of federal transportation funds to be used as provided in Subsection (4)(a).
- 599 (5) (a) Except as provided in Subsection (5)(b), the executive director may not program

600 fund money to a project prioritized by the commission under Section 72-1-304, including fund
601 money from the Transit Transportation Investment Fund, within the boundaries of a
602 municipality that is required to adopt a moderate income housing plan element as part of the
603 municipality's general plan as described in Subsection 10-9a-401(3), if the municipality has
604 failed to adopt a moderate income housing plan element as part of the municipality's general
605 plan or has failed to implement the requirements of the moderate income housing plan as
606 determined by the results of the Department of Workforce Service's review of the annual
607 moderate income housing report described in Subsection 35A-8-803(1)(a)(vii).

608 (b) Within the boundaries of a municipality that is required under Subsection
609 10-9a-401(3) to plan for moderate income housing growth but has failed to adopt a moderate
610 income housing plan element as part of the municipality's general plan or has failed to
611 implement the requirements of the moderate income housing plan as determined by the results
612 of the Department of Workforce Service's review of the annual moderate income housing
613 report described in Subsection 35A-8-803(1)(a)(vii), the executive director:

614 (i) may program fund money in accordance with Subsection (4)(a) for a limited-access
615 facility or interchange connecting limited-access facilities;

616 (ii) may not program fund money for the construction, reconstruction, or renovation of
617 an interchange on a limited-access facility;

618 (iii) may program Transit Transportation Investment Fund money for a
619 multi-community fixed guideway public transportation project; and

620 (iv) may not program Transit Transportation Investment Fund money for the
621 construction, reconstruction, or renovation of a station that is part of a fixed guideway public
622 transportation project.

623 (c) Subsections (5)(a) and (b) do not apply to a project programmed by the executive
624 director before May 1, 2020, for projects prioritized by the commission under Section
625 72-1-304.

626 (6) (a) Except as provided in Subsection (6)(b), the executive director may not program

627 fund money to a project prioritized by the commission under Section 72-1-304, including fund
628 money from the Transit Transportation Investment Fund, within the boundaries of the
629 unincorporated area of a county, if the county is required to adopt a moderate income housing
630 plan element as part of the county's general plan as described in Subsection 17-27a-401(3) and
631 if the county has failed to adopt a moderate income housing plan element as part of the county's
632 general plan or has failed to implement the requirements of the moderate income housing plan
633 as determined by the results of the Department of Workforce Service's review of the annual
634 moderate income housing report described in Subsection 35A-8-803(1)(a)(vii).

635 (b) Within the boundaries of the unincorporated area of a county where the county is
636 required under Subsection 17-27a-401(3) to plan for moderate income housing growth but has
637 failed to adopt a moderate income housing plan element as part of the county's general plan or
638 has failed to implement the requirements of the moderate income housing plan as determined
639 by the results of the Department of Workforce Service's review of the annual moderate income
640 housing report described in Subsection 35A-8-803(1)(a)(vii), the executive director:

641 (i) may program fund money in accordance with Subsection (4)(a) for a limited-access
642 facility to a project prioritized by the commission under Section 72-1-304;

643 (ii) may not program fund money for the construction, reconstruction, or renovation of
644 an interchange on a limited-access facility;

645 (iii) may program Transit Transportation Investment Fund money for a
646 multi-community fixed guideway public transportation project; and

647 (iv) may not program Transit Transportation Investment Fund money for the
648 construction, reconstruction, or renovation of a station that is part of a fixed guideway public
649 transportation project.

650 (c) Subsections (5)(a) and (b) do not apply to a project programmed by the executive
651 director before July 1, 2020, for projects prioritized by the commission under Section
652 72-1-304.

653 (7) (a) Before bonds authorized by Section 63B-18-401 or 63B-27-101 may be issued

654 in any fiscal year, the department and the commission shall appear before the Executive
655 Appropriations Committee of the Legislature and present the amount of bond proceeds that the
656 department needs to provide funding for the projects identified in Subsections 63B-18-401(2),
657 (3), and (4) or Subsection 63B-27-101(2) for the current or next fiscal year.

658 (b) The Executive Appropriations Committee of the Legislature shall review and
659 comment on the amount of bond proceeds needed to fund the projects.

660 (8) The Division of Finance shall, from money deposited into the fund, transfer the
661 amount of funds necessary to pay principal, interest, and issuance costs of bonds authorized by
662 Section 63B-18-401 or 63B-27-101 in the current fiscal year to the appropriate debt service or
663 sinking fund.

664 (9) (a) There is created in the Transportation Investment Fund of 2005 the Transit
665 Transportation Investment Fund.

666 (b) The fund shall be funded by:

667 (i) contributions deposited into the fund in accordance with Section 59-12-103;

668 (ii) appropriations into the account by the Legislature;

669 (iii) deposits of sales and use tax increment related to a housing and transit
670 reinvestment zone as described in Section 63N-3-610;

671 (iv) private contributions; and

672 (v) donations or grants from public or private entities.

673 (c) (i) The fund shall earn interest.

674 (ii) All interest earned on fund money shall be deposited into the fund.

675 (d) Subject to Subsection (9)(e), the Legislature may appropriate money from the fund:

676 (i) for public transit capital development of new capacity projects and fixed guideway
677 capital development projects to be used as prioritized by the commission through the

678 prioritization process adopted under Section 72-1-304[?];

679 (ii) for development of the oversight plan described in Section 72-1-202(5); or

680 (iii) to the department for oversight of a fixed guideway capital development project

681 for which the department has responsibility.

682 (e) (i) The Legislature may only appropriate money from the fund for a public transit
683 capital development project or pedestrian or nonmotorized transportation project that provides
684 connection to the public transit system if the public transit district or political subdivision
685 provides funds of equal to or greater than 40% of the costs needed for the project.

686 (ii) A public transit district or political subdivision may use money derived from a loan
687 granted pursuant to Title 72, Chapter 2, Part 2, State Infrastructure Bank Fund, to provide all or
688 part of the 40% requirement described in Subsection (9)(e)(i) if:

689 (A) the loan is approved by the commission as required in Title 72, Chapter 2, Part 2,
690 State Infrastructure Bank Fund; and

691 (B) the proposed capital project has been prioritized by the commission pursuant to
692 Section [72-1-303](#).

693 (f) Before July 1, 2022, the department and a large public transit district shall enter into
694 an agreement for a large public transit district to pay the department \$5,000,000 per year for 15
695 years to be used to facilitate the purchase of zero emissions or low emissions rail engines and
696 trainsets for regional public transit rail systems.

697 (10) (a) There is created in the Transportation Investment Fund of 2005 the
698 Cottonwood Canyons Transportation Investment Fund.

699 (b) The fund shall be funded by:

700 (i) money deposited into the fund in accordance with Section [59-12-103](#);

701 (ii) appropriations into the account by the Legislature;

702 (iii) private contributions; and

703 (iv) donations or grants from public or private entities.

704 (c) (i) The fund shall earn interest.

705 (ii) All interest earned on fund money shall be deposited into the fund.

706 (d) The Legislature may appropriate money from the fund for public transit or
707 transportation projects in the Cottonwood Canyons of Salt Lake County.

708
