55 *Be it enacted by the Legislature of the state of Utah:*

56 Section 1. Section **53E-10-703** is amended to read:

57 **53E-10-703. ULEAD director -- Qualification and employment -- Duties --**
58 **Reporting -- Annual conference.**

- 59 (1) The ULEAD director shall:
- 60 (a) (i) hold a doctorate degree in education or an equivalent degree; and
- 61 (ii) have demonstrated experience in research and dissemination of best practices in
- 62 education; and
- 63 (b) (i) be a full-time employee; and
- 64 (ii) report to the state superintendent.
- 65 (2) The state superintendent shall:
- 66 (a) evaluate the director's performance annually;
- 67 (b) report on the director's performance to the selection committee; and
- 68 (c) provide space for the director and the director's staff.
- 69 (3) The director may hire staff, using only money specifically appropriated to ULEAD.
- 70 (4) The director shall perform the following duties and functions:
- 71 (a) gather current research on innovative and effective practices in K-12 education for
- 72 use by policymakers and practitioners;
- 73 (b) facilitate collaboration between LEAs, higher education researchers, and
- 74 practitioners by:
- 75 (i) sharing innovative and effective practices shown to improve student learning;
- 76 (ii) identifying experts in specific areas of practice; and
- 77 (iii) maintaining a research clearinghouse and directory of researchers; and
- 78 (c) analyze barriers to replication or adaption of innovative and successful practices
- 79 studied by ULEAD or contributed to the ULEAD research clearinghouse.
- 80 (5) The director shall:
- 81 (a) prioritize reports and other research based on recommendations of the steering
- 82 committee in accordance with Subsection 53E-10-707(5), and after consulting with individuals
- 83 described in Subsection 53E-10-707(6);
- 84 (b) identify Utah LEAs, or schools outside the public school system, that are:

- 85 (i) innovative in specific areas of practice; and
86 (ii) more effective or efficient than comparable LEAs in improving student learning;
87 (c) establish criteria for innovative practice reports to be performed by participating
88 institutions and included in the research clearinghouse, including report templates;
89 (d) arrange with participating institutions to generate innovative practice reports on
90 effective and innovative K-12 education practices; and
91 (e) (i) disseminate each innovative practice report to LEAs; and
92 (ii) publish innovative practice reports on the ULEAD website.
93 (6) In an innovative practice report, a participating institution shall:
94 (a) include or reference a review of research regarding the practice in which the subject
95 LEA has demonstrated success;
96 (b) identify through academically acceptable, evidence-based research methods the
97 causes of the LEA's successful practice;
98 (c) identify opportunities for LEAs to adopt or customize innovative or best practices;
99 (d) address limitations to successful replication or adaptation of the successful practice
100 by other LEAs, which may include barriers arising from federal or state law, state or LEA
101 policy, socioeconomic conditions, or funding limitations;
102 (e) include practical templates for successful replication and adaptation of successful
103 practices, following criteria established by the director;
104 (f) identify experts in the successful practice that is the subject of the innovative
105 practice report, including teachers or administrators at the subject LEA; and
106 (g) include:
107 (i) an executive summary describing the innovative practice report; and
108 (ii) a video component or other elements designed to ensure that an innovative practice
109 report is readily understandable by practitioners.
110 (7) (a) The director may, if requested by an LEA leader or policymaker, conduct an
111 evidence-based review of a possible innovation in an area of practice.
112 (b) The director shall:

113 (i) review the performance of an innovation program, as defined in Section
114 53G-10-601, to determine the extent to which the learning and performance of students in an
115 opportunity class, as defined in Section 53G-10-601, met the criteria established in the
116 innovation program; and

117 (ii) report on the director's findings under Subsection (7)(b)(i):
118 (A) to the LEA governing board that approved the innovation program; and
119 (B) within 120 days after the completion of the school year during which the
120 opportunity class was functioning.

121 (8) The director may also accept innovative practice reports from trained practitioners
122 that meet the criteria set by the director.

123 (9) The director or a participating institution, to enable successful replication or
124 adaption of successful practices, may recommend to:

- 125 (a) the Legislature, amendments to state law; or
- 126 (b) the state board, revisions to state board rule, made in accordance with Title 63G,
127 Chapter 3, Utah Administrative Rulemaking Act, or policy.

128 (10) The director shall:

- 129 (a) report on the activities of ULEAD annually to the state board; and
- 130 (b) provide reports or other information to the state board upon state board request.

131 (11) The director shall:

- 132 (a) prepare an annual report on ULEAD research and other activities;
- 133 (b) submit the report in accordance with Section 53E-1-201 and 53E-1-202;
- 134 (c) publish the annual report on the ULEAD website; and
- 135 (d) disseminate the report to LEAs through electronic channels.

136 (12) The director shall facilitate and conduct an annual conference on successful and
137 innovative K-12 education practices, featuring:

- 138 (a) Utah education leaders; and
- 139 (b) practitioners and researchers, chosen by the director, to discuss the subjects of LEA
140 and other ULEAD activities, or other innovative and successful education practices.

141 Section 2. Section **53G-10-601** is enacted to read:

142 **Part 6. Education Innovation Program**

143 **53G-10-601. Definitions.**

144 As used in this part:

145 (1) "Alternative classroom schedule" means a classroom schedule that is different than
146 the schedule followed by other classrooms in the applicable school or LEA.

147 (2) "Alternative curriculum" means curriculum in one or more subject areas that is
148 based on standards that are different than the standards:

149 (a) adopted by the state board; and

150 (b) applicable to the regular curriculum offered in the subject area or areas in the
151 applicable school or LEA.

152 (3) "Applicable school or LEA" means the school or LEA in which an innovation
153 program is proposed or implemented.

154 (4) "Innovation grant" means a grant of money under Section [53G-10-608](#) to pay for
155 some or all innovation program costs.

156 (5) "Innovation program" means a program establishing an alternative classroom
157 schedule or an alternative curriculum, or both.

158 (6) "Innovation program application" means an application:

159 (a) proposing the implementation of an innovation program; and

160 (b) submitted under Section [53G-10-603](#) to the LEA governing board for the LEA in
161 which the innovation program is proposed.

162 (7) "Innovation program costs" means costs occasioned by an innovation program that
163 exceed costs of a class that is not subject to an innovation program.

164 (8) "K-12" means kindergarten through grade 12.

165 (9) "Opportunity class" means a school class within the public education system that
166 implements an innovation program.

167 (10) "Participating student" means a K-12 student who participates in an opportunity
168 class under an approved innovation program.

169 Section 3. Section **53G-10-602** is enacted to read:

170 **53G-10-602. Establishment of innovation program -- LEA governing board**
171 **approval -- Parental consent required -- Renewal of program.**

172 (1) An innovation program may be established for a K-12 class as provided in this part
173 if the innovation program is approved by the LEA governing board for the LEA in which the
174 proposed innovation program is to be implemented.

175 (2) A public school teacher may submit an innovation program application to the LEA
176 governing board for the LEA of the class or school in which the teacher proposes to implement
177 an innovation program.

178 (3) Before submitting an innovation program application, the public school teacher
179 intending to submit the innovation program application shall obtain the written consent
180 described in Section [53G-10-603](#) signed by parents of at least 20 prospective participating
181 students.

182 (4) An innovation program application shall be submitted no less than 90 days before
183 the beginning of student registration for the school year for which the innovation program is
184 proposed.

185 (5) (a) An LEA governing board shall approve or deny an innovation program
186 application within 60 days after the application is submitted.

187 (b) An LEA governing board may approve an innovation program application subject
188 to modifications or additional terms that the LEA governing board determines appropriate.

189 (6) An innovation program may be renewed for another school year if:

190 (a) the teacher in the opportunity class requests renewal;

191 (b) the teacher submits with the renewal request the written consent described in
192 Section [53G-10-603](#) signed by parents of at least 20 prospective participating students; and

193 (c) the LEA governing board approves the renewal.

194 Section 4. Section **53G-10-603** is enacted to read:

195 **53G-10-603. Parental consent for student participating in opportunity class.**

196 (1) A parent of a K-12 student may give the parent's consent for the student to

197 participate in an opportunity class by submitting the parent's written and signed consent, as
198 described in Subsection (2), to the public school teacher who proposes to submit an innovation
199 program application.

200 (2) (a) A public school teacher who intends to submit an innovation program
201 application shall provide a consent form to a parent of a prospective participating student.

202 (b) A form by which a parent consents to the enrollment of the parent's child in an
203 opportunity class shall contain:

204 (i) the name and a summary of the credentials of each teacher and other staff member
205 who will be teaching or working in the opportunity class;

206 (ii) an explanation that the opportunity class is experimental in nature and may not
207 receive approval to continue beyond the school year for which the innovation program is
208 approved;

209 (iii) a description of the alternative curriculum and alternative classroom schedule, as
210 applicable, that the innovation program application intends to seek approval for;

211 (iv) a description of how, when, and where the opportunity class instruction will take
212 place and whether the instruction will include in-person, virtual, or hybrid components;

213 (v) if the innovation application intends to include a proposed alternative curriculum, a
214 description of:

215 (A) the alternative curriculum and the instructional materials to be used in the
216 opportunity class; and

217 (B) the outcomes the opportunity class using the alternative curriculum is designed to
218 achieve; and

219 (vi) a statement accompanying the parent's signature indicating that the parent has read
220 the explanation of the opportunity class contained in the consent form and understands the
221 experimental nature of the opportunity class.

222 Section 5. Section **53G-10-604** is enacted to read:

223 **53G-10-604. Innovation program application -- Requirements.**

224 (1) An innovation program application shall include:

225 (a) the name and a summary of the credentials of each teacher and other staff member
226 who will be teaching or working in the opportunity class;

227 (b) the name of each student whose parent has submitted a consent form consenting to
228 the student becoming a participating student;

229 (c) a description of the alternative curriculum and alternative classroom schedule, as
230 applicable, that the innovation program application seeks approval for;

231 (d) a description of how, when, and where the opportunity class instruction will take
232 place and whether the instruction will include in-person, virtual, or hybrid components;

233 (e) any other innovative curriculum or classroom schedule adjustments intended to be
234 incorporated into the opportunity class to enhance the learning, performance, and educational
235 experience of participating students;

236 (f) criteria for measuring student learning and performance;

237 (g) an explanation of the assessment of the innovation program as provided in Section
238 [53G-10-607](#);

239 (h) if the innovation application includes a proposed alternative curriculum, a
240 description of:

241 (i) the alternative curriculum and the instructional materials to be used in the
242 opportunity class; and

243 (ii) the outcomes the opportunity class using the alternative curriculum is designed to
244 achieve;

245 (i) any additional funding needed to cover innovation program costs; and

246 (j) participating students' proposed access to or use of the transportation services,
247 playground facilities, cafeteria facilities, after-school or extra-curricular activities, special
248 education services, and other facilities, activities, or services normally provided by the
249 applicable school or LEA.

250 (2) An innovation program application that proposes an alternative curriculum may
251 include a proposal for a different curriculum or an innovative delivery of curriculum.

252 (3) An innovation program application that proposes an alternative classroom schedule

253 may include a proposal for a different classroom schedule that includes options for:

254 (a) different requirements for in-person, virtual, or hybrid instruction; and

255 (b) different provisions for length of student attendance at in-person, virtual, or hybrid
256 instruction.

257 (4) An innovation program application may include a request for an innovation grant.

258 Section 6. Section **53G-10-605** is enacted to read:

259 **53G-10-605. Alternative curriculum and alternative classroom schedule**
260 **provisions.**

261 (1) An alternative curriculum in an elementary school shall include English,
262 mathematics, science, or history and social science.

263 (2) If requested in an innovation program application that the LEA governing board
264 approves, a school in which an opportunity class is proposed to be located shall provide the
265 opportunity class with a classroom and other equipment and facilities normally provided to a
266 class within the school.

267 (3) A teacher in an opportunity class may make adjustments to the curriculum or
268 classroom schedule described in the approved innovation program as implementation of the
269 innovation program reveals the need or advisability of making adjustments to better meet the
270 needs of students or to better achieve the goals and objectives of the innovation program.

271 (4) A student may become a participating student in an opportunity class after the
272 beginning of a school year during a standard class change period if:

273 (a) the innovation program allows the addition of a participating student during the
274 school year;

275 (b) the student's parent consents as provided in Section [53G-10-603](#); and

276 (c) the teacher of the opportunity class consents.

277 Section 7. Section **53G-10-606** is enacted to read:

278 **53G-10-606. Provisions applicable to participating students, staff in an**
279 **opportunity class, innovation programs, and LEAs.**

280 (1) A participating student may use a transportation service offered to students who are

281 not participating students if:

282 (a) the participating student uses the transportation service on the same basis and at the
283 same times as the transportation service is offered to students who are not participating
284 students; or

285 (b) the innovation program provides for:

286 (i) the participating student's use of the transportation service; and

287 (ii) payment of the additional cost of the transportation service attributable to the
288 participating student's use of the transportation service.

289 (2) A participating student:

290 (a) shall be enrolled in the LEA where the opportunity class is operating; and

291 (b) is counted as any other student who is not a participating student for purposes of
292 calculating educational funding apportioned to the LEA.

293 (3) (a) A participating student is subject to a state assessment, as defined in Section
294 [53E-4-301](#), to the same extent as a student who is not a participating student.

295 (b) The results of state assessment taken by participating students may not be included
296 in assessment results for the school or LEA unless the test results are required to be included in
297 the school or LEA assessment results by:

298 (i) the approved innovation program; or

299 (ii) applicable law.

300 (4) A teacher or other staff member who teaches or works in an opportunity class:

301 (a) is an employee of the LEA where the opportunity class is located; and

302 (b) shall receive compensation and other benefits available generally to an individual
303 employed in a comparable position in the LEA.

304 (5) An opportunity class shall comply with:

305 (a) provisions of the approved innovation program; and

306 (b) all applicable federal, state, and local laws prohibiting discrimination or governing
307 the safety of students and teachers.

308 (6) An LEA:

309 (a) shall apportion education funds for instructional use of participating students in an
310 amount substantially similar to funds apportioned for instructional use of comparable students
311 who are not participating students; and

312 (b) is responsible to provide to participating students only the services described in the
313 approved innovation program.

314 Section 8. Section **53G-10-607** is enacted to read:

315 **53G-10-607. Assessment of innovation program.**

316 A teacher in an opportunity class shall:

317 (1) monitor the extent to which participating student learning and performance are
318 consistent with the criteria established in the innovation program;

319 (2) report the results under Subsection (1) to the LEA governing board, as provided in
320 the approved innovation program; and

321 (3) cooperate with and provide participating student learning and performance data to
322 the director of ULEAD, as defined in Section [53E-10-701](#), as the director performs the
323 director's duties under Subsection [53E-10-703\(7\)\(b\)](#).

324 Section 9. Section **53G-10-608** is enacted to read:

325 **53G-10-608. Innovation grants.**

326 (1) An LEA governing board may approve a grant of up to \$5,000 per opportunity class
327 for the school year if:

328 (a) a request for an innovation grant is included in the innovation application; and

329 (b) the LEA governing board determines that the grant is needed to:

330 (i) cover innovation program costs; and

331 (ii) help fulfill the goals and purposes of the opportunity class.

332 (2) If an LEA governing board approves a request for an innovation grant, the LEA
333 governing board shall send the state board written notice of the approval and the name of the
334 teacher who submitted the request for the innovation grant.

335 (3) (a) (i) Upon receipt of the written notice and authorization under Subsection (2), the
336 state board shall, subject to Subsection (3)(b), disburse the amount of the approved innovation

337 grant to the LEA governing board.

338 (ii) The LEA governing board shall distribute the money to the teacher of the
339 opportunity class to cover innovation program costs.

340 (b) (i) Except as provided in Subsection (3)(b)(iii), the maximum amount of money
341 that the state board may distribute for approved innovation grants is \$500,000 per school year.

342 (ii) If the state board receives a written notice and authorization under Subsection (2)
343 after already distributing \$500,000 for the school year, the state board shall notify the LEA
344 governing board that the grant money has been expended for the school year and that the state
345 board cannot distribute money for the approved innovation grant.

346 (iii) If the state board distributes less than \$500,000 for approved innovation grants for
347 a school year, the difference between \$500,000 and the amount distributed shall be rolled over
348 and included in the money available for distribution for approved innovation grants for the
349 following school year.

350 (4) The state board shall keep and account for all money appropriated for innovation
351 grants separate from other state board funds.

352 (5) A teacher receiving an innovation grant under this section may not use the money
353 from the grant for any purpose other than for innovation program costs.

354 (6) Any innovation grant money appropriated to the state board by the Legislature that
355 the state board has not distributed as provided in this section by June 30, 2027 shall lapse to the
356 Education Fund.
