58 direct line of ascent from the other individual.

59 (2) "Collateral" means an individual who is related to another individual under the law  
60 of intestate succession of this state but who is not the other individual's ascendant or

68 (5) "Heirs' property" means real property held in tenancy in common that satisfies all of  
69 the following requirements as of the filing of a partition action:

70 (a) there is no agreement in a record binding all the cotenants that governs the partition  
71 of the property;

72 (b) one or more of the cotenants acquired title from a relative, whether living or  
73 deceased; and

74 (c) any of the following applies:

75 (i) 20% or more of the interests are held by cotenants who are relatives;

88 Section 2. Section **78B-6-1271** is enacted to read:

89 **78B-6-1271. Applicability -- Relation to other law.**

90 (1) This part applies to partition actions filed on or after May 4, 2022.

91 (2) (a) In an action to partition real property under Title 78B, Chapter 6, Part 12,  
92 Partition, the court shall determine whether the property is heirs' property.

93 (b) If the court determines that the property is heirs' property, the property shall be  
94 partitioned under this part, unless all of the cotenants otherwise agree in a record.

95 (3) This part supplements Title 78B, Chapter 6, Part 12, Partition, and if an action is  
96 governed by this part, replaces provisions of Title 78B, Chapter 6, Part 12, Partition, that are  
97 inconsistent with this part.

98 Section 3. Section **78B-6-1272** is enacted to read:

99 **78B-6-1272. Service -- Notice by posting.**

100 (1) This part does not limit or affect the method by which service of a complaint in a  
101 partition action may be made.

102 (2) (a) If the plaintiff in a partition action files a notice by publication and the court  
103 determines that the property is heirs' property, the plaintiff, no later than 10 days after the day  
104 on which the court determines the property is heirs' property, shall post and maintain while the  
105 action is pending a conspicuous sign on the property that is the subject of the action.

106 (b) The sign shall:

107 (i) state that the action has commenced; and

108 (ii) identify the name and address of the court and the common designation by which  
109 the property is known.

110 (c) The court may require the plaintiff to publish on the sign the name of the plaintiff  
111 and the known defendants.

112 Section 4. Section **78B-6-1273** is enacted to read:

113 **78B-6-1273. Referees.**

114 If the court appoints referees, each referee, in addition to the requirements and  
115 disqualifications applicable to referees in Title 78B, Chapter 6, Part 12, Partition, shall be  
116 disinterested and impartial and not a party to or a participant in the action.

117 Section 5. Section **78B-6-1274** is enacted to read:

118 **78B-6-1274. Determination of value.**

119 (1) Except as otherwise provided in Subsections (2) and (3), if the court determines  
120 that the property that is the subject of a partition action is heirs' property, the court shall

121 determine the fair market value of the property by ordering an appraisal in accordance with  
122 Subsection (4).

123 (2) If all cotenants have agreed to the value of the property or to another method of  
124 valuation, the court shall adopt that value or the value produced by the agreed method of  
125 valuation.

126 (3) If the court determines that the evidentiary value of an appraisal is outweighed by  
127 the cost of the appraisal, the court, after an evidentiary hearing, shall determine the fair market  
128 value of the property and send notice to the parties of the value.

129 (4) (a) If the court orders an appraisal, the court shall appoint a disinterested real estate  
130 appraiser licensed in this state to determine the fair market value of the property assuming sole  
131 ownership of the fee simple estate.

132 (b) On completion of the appraisal, the appraiser shall file a sworn or verified appraisal  
133 with the court.

134 (5) If an appraisal is conducted in accordance with Subsection (4), no later than 10  
135 days after the day on which the appraisal is filed, the court shall send notice to each party with  
136 a known address, stating:

137 (a) the appraised fair market value of the property;

138 (b) that the appraisal is available at the court clerk's office; and

139 (c) that a party may file with the court an objection to the appraisal no later than 30  
140 days after the day on which the notice is sent, stating the grounds for the objection.

141 (6) (a) If an appraisal is filed with the court in accordance with Subsection (4), the  
142 court shall conduct a hearing to determine the fair market value of the property no sooner than  
143 31 days after the day on which a copy of the notice of the appraisal is sent to each party under  
144 Subsection (5), whether or not an objection to the appraisal is filed under Subsection (5)(c).

145 (b) In addition to the court-ordered appraisal, the court may consider any other  
146 evidence of value offered by a party.

147 (7) After a hearing under Subsection (6), but before considering the merits of the  
148 partition action, the court shall determine the fair market value of the property and send notice  
149 to the parties of the value.

150 Section 6. Section **78B-6-1275** is enacted to read:

151 **78B-6-1275. Cotenant buyout.**

152 (1) If any cotenant requests a partition by sale, after the determination of value under  
153 Section 78B-6-1274, the court shall send notice to the parties that any cotenant, except a  
154 cotenant that requested the partition by sale, may buy all the interests of the cotenants that  
155 requested partition by sale.

156 (2) No later than 45 days after on the day on which the notice is sent under Subsection  
157 (1), any cotenant, except a cotenant that requested partition by sale, may give notice to the  
158 court that the cotenant elects to buy all the interests of the cotenants that requested partition by  
159 sale.

160 (3) The purchase price for each of the interests of a cotenant that requested partition by  
161 sale is the value of the entire parcel determined under Section 78B-6-1274 multiplied by the  
162 cotenant's fractional ownership of the entire parcel.

163 (4) After expiration of the 45-day period described in Subsection (2):

164 (a) if only one cotenant elects to buy all the interests of the cotenants that requested  
165 partition by sale, the court shall notify all the parties of the fact that the one cotenant seeks to  
166 buy all the interests of the other cotenants;

167 (b) if more than one cotenant elects to buy all the interests of the cotenants that  
168 requested partition by sale, the court shall:

169 (i) allocate the right to buy all the interests of the cotenants among the electing  
170 cotenants based on each electing cotenant's existing fractional ownership of the entire parcel  
171 divided by the total existing fractional ownership of all cotenants electing to buy; and

172 (ii) send notice to all the parties of that fact and of the price to be paid by each electing  
173 cotenant; or

174 (c) if no cotenant elects to buy all the interests of the cotenants that requested partition  
175 by sale, the court shall send notice to all the parties that no cotenant elects to buy all the  
176 interests of the cotenants and resolve the partition action under Subsections 78B-6-1276(1) and  
177 (2).

178 (5) (a) If the court sends notice to the parties under Subsection (4)(a) or (b), the court  
179 shall set a date, no sooner than 60 days after the day on which the notice was sent, by which  
180 electing cotenants shall pay each cotenant's apportioned price to the court.

181 (b) After the day described in Subsection (5)(a):

182 (i) if all electing cotenants timely pay each cotenant's apportioned price to the court, the

183 court shall issue an order reallocating all the interests of the cotenants and disburse the amounts  
184 held by the court to the persons entitled to the amounts;

185 (ii) if no electing cotenant timely pays each cotenant's apportioned price, the court shall  
186 resolve the partition action under Subsections 78B-6-1276(1) and (2) as if the interests of the  
187 cotenants that requested partition by sale were not purchased; or

188 (iii) if one or more but not all of the electing cotenants fail to pay a cotenant's  
189 apportioned price on time, the court, upon a motion, shall give notice to the electing cotenants  
190 that paid the cotenant's apportioned price of the interest remaining and the price for all that  
191 interest.

192 (6) (a) No later than 20 days after the day on which the court gives notice in accordance  
193 with Subsection (5)(a)(iii), any cotenant that paid may elect to purchase all of the remaining  
194 interest by paying the entire price to the court.

195 (b) After the 20-day period described in Subsection (6)(a):

196 (i) if only one cotenant pays the entire price for the remaining interest, the court shall:

197 (A) issue an order reallocating the remaining interest to that cotenant;

198 (B) issue an order promptly reallocating the interests of all of the cotenants; and

199 (C) disburse the amounts held by the court to the persons entitled to the amounts;

200 (ii) if no cotenant pays the entire price for the remaining interest, the court shall resolve  
201 the partition action under Subsections 78B-6-1276(1) and (2) as if the interests of the cotenants  
202 that requested partition by sale were not purchased; or

203 (iii) if more than one cotenant pays the entire price for the remaining interest, the court  
204 shall:

205 (A) reapportion the remaining interest among the paying cotenants, based on each  
206 paying cotenant's original fractional ownership of the entire parcel divided by the total original  
207 fractional ownership of all cotenants that paid the entire price for the remaining interest;

208 (B) issue an order promptly reallocating all of the cotenants' interests;

209 (C) disburse the amounts held by the court to the persons entitled to the amounts; and

210 (D) promptly refund any excess payment held by the court.

211 (7) No later than 45 days after the day on which the court sends notice to the parties in  
212 accordance with Subsection (1), any cotenant entitled to buy an interest under this section may  
213 request the court to authorize the sale, as part of the pending action, of the interests of

214 cotenants named as defendants and served with the complaint but that did not appear in the  
215 action.

216 (8) If the court receives a timely request under Subsection (7), the court, after a  
217 hearing, may deny the request or authorize the requested additional sale on such terms as the  
218 court determines are fair and reasonable if:

219 (a) a sale authorized under this Subsection (8) occurs only after the purchase prices for  
220 all interests subject to sale under Subsections (1) through (6) have been paid to the court and  
221 those interests have been reallocated among the cotenants as provided in Subsections (1)  
222 through (6); and

223 (b) the purchase price for the interest of a nonappearing cotenant is based on the court's  
224 determination of value of the property under Section [78B-6-1274](#).

225 Section 7. Section **78B-6-1276** is enacted to read:

226 **78B-6-1276. Partition alternatives.**

227 (1) (a) Except as provided in Subsection (1)(b), a court shall order partition in kind if:

228 (i) all the interests of all cotenants that requested partition by sale are not purchased by  
229 other cotenants in accordance with Section [78B-6-1275](#); or

230 (ii) after conclusion of the buyout under Section [78B-6-1275](#), a cotenant remains that  
231 has requested partition in kind.

232 (b) A court may not order a partition in kind if the court finds that partition in kind will  
233 result in great prejudice to the cotenants as a group after consideration of the factors listed in  
234 Section [78B-6-1277](#).

235 (c) In considering whether to order partition in kind under Subsection (1)(a), the court  
236 shall approve a request by two or more parties to have their individual interests aggregated.

237 (2) If the court does not order partition in kind under Subsection (1), the court shall  
238 order partition by sale in accordance with Section [78B-6-1278](#), or the court shall dismiss the  
239 action if no cotenant requested partition by sale.

240 (3) If the court orders partition in kind in accordance with Subsection (1), the court  
241 may require that one or more cotenants pay one or more other cotenants amounts so that the  
242 payments, taken together with the value of the in-kind distributions to the cotenants, will make  
243 the partition in kind just and proportionate in value to the fractional interests held.

244 (4) (a) If the court orders partition in kind, the court shall allocate to the cotenants that

245 are unknown, unlocatable, or the subject of a default judgment, if the cotenants' interests were  
246 not bought out in accordance with Section 78B-6-1275, a part of the property representing the  
247 combined interests of these cotenants as determined by the court.

248 (b) The part of the property allocated in accordance with Subsection (4)(a) shall remain  
249 undivided.

250 Section 8. Section 78B-6-1277 is enacted to read:

251 **78B-6-1277. Considerations for partition in kind.**

252 (1) In determining under Subsection 78B-6-1276(1) whether partition in kind would  
253 result in great prejudice to the cotenants as a group, the court shall consider:

254 (a) whether the heirs' property practicably can be divided among the cotenants;

255 (b) whether partition in kind would apportion the property in such a way that the  
256 aggregate fair market value of the parcels resulting from the division would be materially less  
257 than the value of the property if it were sold as a whole, taking into account the condition under  
258 which a court-ordered sale likely would occur;

259 (c) evidence of the collective duration of ownership or possession of the property by a  
260 tenant and one or more predecessors in title or predecessors in possession to the tenant  
261 who are or were relatives of the tenant or each other;

262 (d) a tenant's sentimental attachment to the property, including any attachment  
263 arising because the property has ancestral or other unique or special value to the tenant;

264 (e) the lawful use being made of the property by a tenant and the degree to which the  
265 tenant would be harmed if the tenant could not continue the same use of the property;

266 (f) the degree to which the tenants have contributed:

267 (i) the tenants' pro rata share of the property taxes, insurance, and other expenses  
268 associated with maintaining ownership of the property; or

269 (ii) to the physical improvement, maintenance, or upkeep of the property; and

270 (g) any other relevant factor.

271 (2) The court may not consider any one factor in Subsection (1) to be dispositive  
272 without weighing the totality of all relevant factors and circumstances.

273 Section 9. Section 78B-6-1278 is enacted to read:

274 **78B-6-1278. Open-market sale, sealed bids, or auction.**

275 (1) If the court orders a sale of heirs' property, the sale must be an open-market sale

276 unless the court finds that a sale by sealed bids or an auction would be more economically  
277 advantageous and in the best interest of the cotenants as a group.

278 (2) (a) If the court orders an open-market sale and the parties agree on a real estate  
279 broker licensed in this state to offer the property for sale no later than 10 days after the day on  
280 which the court entered the order, the court shall appoint the broker and establish a reasonable  
281 commission.

282 (b) If the parties do not agree on a broker during the 10-day period described in  
283 Subsection (2)(a), the court shall appoint a disinterested real estate broker licensed in this state  
284 to offer the property for sale and shall establish a reasonable commission.

285 (c) The broker shall offer the property for sale in a commercially reasonable manner at  
286 a price no lower than the determination of value of the property and on the terms and  
287 conditions established by the court.

288 (3) If the broker appointed under Subsection (2) obtains within a reasonable time an  
289 offer to purchase the property for at least the determination of value:

290 (a) the broker shall comply with the reporting requirements in Section [78B-6-1279](#); and

291 (b) the sale may be completed in accordance with state law other than this part.

292 (4) If the broker appointed under Subsection (2) does not obtain within a reasonable  
293 time an offer to purchase the property for at least the determination of value, the court, after a  
294 hearing, may:

295 (a) approve the highest outstanding offer if there is an outstanding offer;

296 (b) redetermine the value of the property and order that the property continue to be  
297 offered for an additional time; or

298 (c) order that the property be sold by sealed bids or at an auction.

299 (5) (a) If the court orders a sale by sealed bids or an auction, the court shall set terms  
300 and conditions of the sale.

301 (b) If the court orders an auction, the auction shall be conducted in accordance with  
302 Section [78B-6-1224](#).

303 (6) If a purchaser is entitled to a share of the proceeds of the sale, the purchaser is  
304 entitled to a credit against the price in an amount equal to the purchaser's share of the proceeds.

305 Section 10. Section **78B-6-1279** is enacted to read:

306 **78B-6-1279. Report of open-market sale.**

307 (1) Unless required to do so within a shorter time by Title 78B, Chapter 6, Part 12,  
308 Partition, a broker appointed under Subsection 78B-6-1278(2) to offer heirs' property for  
309 open-market sale shall file a report with the court no later than seven days after the day on  
310 which the broker receives an offer to purchase the property for at least the determination of  
311 value under Section 78B-6-1274 or 78B-6-1278.

312 (2) The report required by Subsection (1) shall contain the following information:

313 (a) a description of the property to be sold to each buyer;

314 (b) the name of each buyer;

315 (c) the proposed purchase price;

316 (d) the terms and conditions of the proposed sale, including the terms of any owner  
317 financing;

318 (e) the amounts to be paid to lienholders;

319 (f) a statement of contractual or other arrangements or conditions of the broker's  
320 commission; and

321 (g) any other material fact relevant to the sale.

322 Section 11. Section **78B-6-1280** is enacted to read:

323 **78B-6-1280. Uniformity of application and construction.**

324 In applying and construing this part, consideration shall be given to the need to promote  
325 uniformity of this uniform law with respect to the subject matter of the uniform law among  
326 states that enact this uniform law.

327 Section 12. Section **78B-6-1281** is enacted to read:

328 **78B-6-1281. Relation to Electronic Signatures in Global and National Commerce**  
329 **Act.**

330 This part modifies, limits, and supersedes the Electronic Signatures in Global and  
331 National Commerce Act, 15 U.S.C. Sec. 7001 et seq., but does not modify, limit, or supersede  
332 Section 101(c) of that act, 15 U.S.C. Sec. 7001(c), or authorize electronic delivery of any of the  
333 notices described in Section 103(b) of that act, 15 U.S.C. Sec. 7003(b).
