102 *Be it enacted by the Legislature of the state of Utah:*

103 Section 1. Section **10-9a-509** is amended to read:

104 **10-9a-509. Applicant's entitlement to land use application approval --**
 105 **Municipality's requirements and limitations -- Vesting upon submission of development**
 106 **plan and schedule.**

107 (1) (a) (i) An applicant who has submitted a complete land use application as described
 108 in Subsection (1)(c), including the payment of all application fees, is entitled to substantive
 109 review of the application under the land use regulations:

110 (A) in effect on the date that the application is complete; and

111 (B) applicable to the application or to the information shown on the application.

112 (ii) An applicant is entitled to approval of a land use application if the application
 113 conforms to the requirements of the applicable land use regulations, land use decisions, and
 114 development standards in effect when the applicant submits a complete application and pays
 115 application fees, unless:

116 (A) the land use authority, on the record, formally finds that a compelling,
 117 countervailing public interest would be jeopardized by approving the application and specifies
 118 the compelling, countervailing public interest in writing; or

119 (B) in the manner provided by local ordinance and before the applicant submits the
120 application, the municipality formally initiates proceedings to amend the municipality's land
121 use regulations in a manner that would prohibit approval of the application as submitted.

122 (b) The municipality shall process an application without regard to proceedings the
123 municipality initiated to amend the municipality's ordinances as described in Subsection
124 (1)(a)(ii)(B) if:

125 (i) 180 days have passed since the municipality initiated the proceedings; and

126 (ii) the proceedings have not resulted in an enactment that prohibits approval of the
127 application as submitted.

128 (c) A land use application is considered submitted and complete when the applicant
129 provides the application in a form that complies with the requirements of applicable ordinances
130 and pays all applicable fees.

131 (d) A subsequent incorporation of a municipality or a petition that proposes the
132 incorporation of a municipality does not affect a land use application approved by a county in
133 accordance with Section [17-27a-508](#).

134 (e) The continuing validity of an approval of a land use application is conditioned upon
135 the applicant proceeding after approval to implement the approval with reasonable diligence.

136 (f) A municipality may not impose on an applicant who has submitted a complete
137 application a requirement that is not expressed in:

138 (i) this chapter;

139 (ii) a municipal ordinance; or

140 (iii) a municipal specification for public improvements applicable to a subdivision or
141 development that is in effect on the date that the applicant submits an application.

142 (g) A municipality may not impose on a holder of an issued land use permit or a final,
143 unexpired subdivision plat a requirement that is not expressed:

144 (i) in a land use permit;

145 (ii) on the subdivision plat;

146 (iii) in a document on which the land use permit or subdivision plat is based;

147 (iv) in the written record evidencing approval of the land use permit or subdivision
148 plat;

149 (v) in this chapter; or

150 (vi) in a municipal ordinance.

151 (h) Except as provided in Subsection (1)(i), a municipality may not withhold issuance
152 of a certificate of occupancy or acceptance of subdivision improvements because of an
153 applicant's failure to comply with a requirement that is not expressed:

154 (i) in the building permit or subdivision plat, documents on which the building permit
155 or subdivision plat is based, or the written record evidencing approval of the land use permit or
156 subdivision plat; or

157 (ii) in this chapter or the municipality's ordinances.

158 (i) A municipality may not unreasonably withhold issuance of a certificate of
159 occupancy where an applicant has met all requirements essential for the public health, public
160 safety, and general welfare of the occupants, in accordance with this chapter, unless:

161 (i) the applicant and the municipality have agreed in a written document to the
162 withholding of a certificate of occupancy; or

163 (ii) the applicant has not provided a financial assurance for required and uncompleted
164 landscaping or infrastructure improvements in accordance with an applicable ordinance that the
165 legislative body adopts under this chapter.

166 (2) A municipality is bound by the terms and standards of applicable land use
167 regulations and shall comply with mandatory provisions of those regulations.

168 (3) A municipality may not, as a condition of land use application approval, require a
169 person filing a land use application to obtain documentation regarding a school district's
170 willingness, capacity, or ability to serve the development proposed in the land use application.

171 (4) (a) Except as provided in Subsection (4)(b), for a period of 10 years after the day on
172 which a subdivision plat is recorded, a municipality may not impose on a building permit
173 applicant for a single-family dwelling located within the subdivision any land use regulation
174 that is enacted within 10 years after the day on which the subdivision plat is recorded.

175 (b) Subsection (4)(a) does not apply to any changes in the requirements of the
176 applicable building code, health code, or fire code, or other similar regulations.

177 (5) Upon a specified public agency's submission of a development plan and schedule as
178 required in Subsection 10-9a-305(8) that complies with the requirements of that subsection, the
179 specified public agency vests in the municipality's applicable land use maps, zoning map,
180 hookup fees, impact fees, other applicable development fees, and land use regulations in effect

181 on the date of submission.

182 (6) (a) If sponsors of a referendum timely challenge a project in accordance with
183 Subsection 20A-7-601(5), the project's affected owner may rescind the project's land use
184 approval by delivering a written notice:

185 (i) to the local clerk as defined in Section 20A-7-101; and

186 (ii) no later than seven days after the day on which a petition for a referendum is
187 determined sufficient under Subsection [~~20A-7-607(4)~~] 20A-7-607(5).

188 (b) Upon delivery of a written notice described in Subsection (6)(a) the following are
189 rescinded and are of no further force or effect:

190 (i) the relevant land use approval; and

191 (ii) any land use regulation enacted specifically in relation to the land use approval.

192 Section 2. Section 11-14-301 is amended to read:

193 **11-14-301. Issuance of bonds by governing body -- Computation of indebtedness**
194 **under constitutional and statutory limitations.**

195 (1) If the governing body has declared the bond proposition to have carried and no
196 contest has been filed, or if a contest has been filed and favorably terminated, the governing
197 body may proceed to issue the bonds voted at the election.

198 (2) (a) It is not necessary that all of the bonds be issued at one time, but, except as
199 otherwise provided in this Subsection (2), bonds approved by the voters may not be issued
200 more than 10 years after the day on which the election is held.

201 (b) The 10-year period described in Subsection (2)(a) is tolled if, at any time during the
202 10-year period:

203 (i) an application for a referendum petition is filed with a local clerk, in accordance
204 with Section 20A-7-602, with respect to the local obligation law relating to the bonds; or

205 (ii) the bonds are challenged in a court of law or an administrative proceeding in
206 relation to:

207 (A) the legality or validity of the bonds, or the election or proceedings authorizing the
208 bonds;

209 (B) the authority of the local political subdivision to issue the bonds;

210 (C) the provisions made for the security or payment of the bonds; or

211 (D) any other issue that materially and adversely affects the marketability of the bonds,

212 as determined by the individual or body that holds the executive powers of the local political
213 subdivision.

214 (c) For a bond described in this section that is approved by voters on or after May 8,
215 2002, but before May 14, 2019, a tolling period described in Subsection (2)(b)(i) ends on the
216 later of the day on which:

217 (i) the local clerk determines that the petition is insufficient, in accordance with
218 Subsection [~~20A-7-607(2)(e)~~] 20A-7-607(3)(d), unless an application, described in Subsection
219 [~~20A-7-607(3)(a)~~] 20A-7-607(4)(a), is made to a court;

220 (ii) a court determines, under Subsection [~~20A-7-607(3)(c)~~] 20A-7-607(4)(c), that the
221 petition for the referendum is not legally sufficient; or

222 (iii) for a referendum petition that is sufficient, the governing body declares, as
223 provided by law, the results of the referendum election on the local obligation law.

224 (d) For a bond described in this section that was approved by voters on or after May
225 14, 2019, a tolling period described in Subsection (2)(b)(i) ends:

226 (i) if a county, city, town, metro township, or court determines, under Section
227 20A-7-602.7, that the proposed referendum is not legally referable to voters, the later of:

228 (A) the day on which the county, city, town, or metro township provides the notice
229 described in Subsection 20A-7-602.7(1)(b)(ii); or

230 (B) if a sponsor appeals, under Subsection 20A-7-602.7(4), the day on which a court
231 decision that the proposed referendum is not legally referable to voters becomes final; or

232 (ii) if a county, city, town, metro township, or court determines, under Section
233 20A-7-602.7, that the proposed referendum is legally referable to voters, the later of:

234 (A) the day on which the local clerk determines, under Section 20A-7-607, that the
235 number of certified names is insufficient for the proposed referendum to appear on the ballot;
236 or

237 (B) if the local clerk determines, under Section 20A-7-607, that the number of certified
238 names is sufficient for the proposed referendum to appear on the ballot, the day on which the
239 governing body declares, as provided by law, the results of the referendum election on the local
240 obligation law.

241 (e) A tolling period described in Subsection (2)(b)(ii) ends after:

242 (i) there is a final settlement, a final adjudication, or another type of final resolution of

243 all challenges described in Subsection (2)(b)(ii); and

244 (ii) the individual or body that holds the executive powers of the local political
245 subdivision issues a document indicating that all challenges described in Subsection (2)(b)(ii)
246 are resolved and final.

247 (f) If the 10-year period described in Subsection (2)(a) is tolled under this Subsection
248 (2) and, when the tolling ends and after giving effect to the tolling, the period of time
249 remaining to issue the bonds is less than one year, the period of time remaining to issue the
250 bonds shall be extended to one year.

251 (g) The tolling provisions described in this Subsection (2) apply to all bonds described
252 in this section that were approved by voters on or after May 8, 2002.

253 (3) (a) Bonds approved by the voters may not be issued to an amount that will cause
254 the indebtedness of the local political subdivision to exceed that permitted by the Utah
255 Constitution or statutes.

256 (b) In computing the amount of indebtedness that may be incurred pursuant to
257 constitutional and statutory limitations, the constitutionally or statutorily permitted percentage,
258 as the case may be, shall be applied to the fair market value, as defined under Section 59-2-102,
259 of the taxable property in the local political subdivision, as computed from the last applicable
260 equalized assessment roll before the incurring of the additional indebtedness.

261 (c) In determining the fair market value of the taxable property in the local political
262 subdivision as provided in this section, the value of all tax equivalent property, as defined in
263 Section 59-3-102, shall be included as a part of the total fair market value of taxable property
264 in the local political subdivision, as provided in Title 59, Chapter 3, Tax Equivalent Property
265 Act.

266 (4) Bonds of improvement districts issued in a manner that they are payable solely
267 from the revenues to be derived from the operation of the facilities of the district may not be
268 included as bonded indebtedness for the purposes of the computation.

269 (5) Where bonds are issued by a city, town, or county payable solely from revenues
270 derived from the operation of revenue-producing facilities of the city, town, or county, or
271 payable solely from a special fund into which are deposited excise taxes levied and collected by
272 the city, town, or county, or excise taxes levied by the state and rebated pursuant to law to the
273 city, town, or county, or any combination of those excise taxes, the bonds shall be included as

274 bonded indebtedness of the city, town, or county only to the extent required by the Utah
275 Constitution, and any bonds not so required to be included as bonded indebtedness of the city,
276 town, or county need not be authorized at an election, except as otherwise provided by the Utah
277 Constitution, the bonds being hereby expressly excluded from the election requirement of
278 Section 11-14-201.

279 (6) A bond election is not void when the amount of bonds authorized at the election
280 exceeded the limitation applicable to the local political subdivision at the time of holding the
281 election, but the bonds may be issued from time to time in an amount within the applicable
282 limitation at the time the bonds are issued.

283 (7) (a) A local political subdivision may not receive, from the issuance of bonds
284 approved by the voters at an election, an aggregate amount that exceeds by more than 2% the
285 maximum principal amount stated in the bond proposition.

286 (b) The provision in Subsection (7)(a) applies to bonds issued pursuant to an election
287 held after January 1, 2019.

288 Section 3. Section 17-27a-508 is amended to read:

293 (1) (a) (i) An applicant who has submitted a complete land use application, including
294 the payment of all application fees, is entitled to substantive review of the application under the
295 land use regulations:

296 (A) in effect on the date that the application is complete; and

297 (B) applicable to the application or to the information shown on the submitted
298 application.

299 (ii) An applicant is entitled to approval of a land use application if the application
300 conforms to the requirements of the applicable land use regulations, land use decisions, and
301 development standards in effect when the applicant submits a complete application and pays all
302 application fees, unless:

303 (A) the land use authority, on the record, formally finds that a compelling,
304 countervailing public interest would be jeopardized by approving the application and specifies

305 the compelling, countervailing public interest in writing; or

306 (B) in the manner provided by local ordinance and before the applicant submits the
307 application, the county formally initiates proceedings to amend the county's land use
308 regulations in a manner that would prohibit approval of the application as submitted.

309 (b) The county shall process an application without regard to proceedings the county
310 initiated to amend the county's ordinances as described in Subsection (1)(a)(ii)(B) if:

311 (i) 180 days have passed since the county initiated the proceedings; and

312 (ii) the proceedings have not resulted in an enactment that prohibits approval of the
313 application as submitted.

314 (c) A land use application is considered submitted and complete when the applicant
315 provides the application in a form that complies with the requirements of applicable ordinances
316 and pays all applicable fees.

317 (d) The continuing validity of an approval of a land use application is conditioned upon
318 the applicant proceeding after approval to implement the approval with reasonable diligence.

319 (e) A county may not impose on an applicant who has submitted a complete
320 application a requirement that is not expressed:

321 (i) in this chapter;

322 (ii) in a county ordinance; or

323 (iii) in a county specification for public improvements applicable to a subdivision or
324 development that is in effect on the date that the applicant submits an application.

326 unexpired subdivision plat a requirement that is not expressed:

327 (i) in a land use permit;

330 (iv) in the written record evidencing approval of the land use permit or subdivision
331 plat;

332 (v) in this chapter; or

333 (vi) in a county ordinance.

334 (g) Except as provided in Subsection (1)(h), a county may not withhold issuance of a
