(1) (a) (i) An applicant who has submitted a complete land use application as described in Subsection (1)(c), including the payment of all application fees, is entitled to substantive review of the application under the land use regulations:

HB0218S02 compared with HB0218S01

(A) in effect on the date that the application is complete; and

(B) applicable to the application or to the information shown on the application.

(ii) An applicant is entitled to approval of a land use application if the application conforms to the requirements of the applicable land use regulations, land use decisions, and development standards in effect when the applicant submits a complete application and pays application fees, unless:

(A) the land use authority, on the record, formally finds that a compelling, countervailing public interest would be jeopardized by approving the application and specifies the compelling, countervailing public interest in writing; or

(B) in the manner provided by local ordinance and before the applicant submits the application, the municipality formally initiates proceedings to amend the municipality's land use regulations in a manner that would prohibit approval of the application as submitted.

(b) The municipality shall process an application without regard to proceedings the municipality initiated to amend the municipality's ordinances as described in Subsection (1)(a)(ii)(B) if:

(i) 180 days have passed since the municipality initiated the proceedings; and

(ii) the proceedings have not resulted in an enactment that prohibits approval of the application as submitted.

(c) A land use application is considered submitted and complete when the applicant provides the application in a form that complies with the requirements of applicable ordinances and pays all applicable fees.

(d) A subsequent incorporation of a municipality or a petition that proposes the incorporation of a municipality does not affect a land use application approved by a county in accordance with Section 17-27a-508.

(e) The continuing validity of an approval of a land use application is conditioned upon the applicant proceeding after approval to implement the approval with reasonable diligence.

(f) A municipality may not impose on an applicant who has submitted a complete application a requirement that is not expressed in:

(i) this chapter;

(ii) a municipal ordinance; or

(iii) a municipal specification for public improvements applicable to a subdivision or

HB0218S02 compared with HB0218S01

development that is in effect on the date that the applicant submits an application.

(g) A municipality may not impose on a holder of an issued land use permit or a final, unexpired subdivision plat a requirement that is not expressed:

- (i) in a land use permit;
- (ii) on the subdivision plat;
- (iii) in a document on which the land use permit or subdivision plat is based;
- (iv) in the written record evidencing approval of the land use permit or subdivision plat;
- (v) in this chapter; or
- (vi) in a municipal ordinance.

(h) Except as provided in Subsection (1)(i), a municipality may not withhold issuance of a certificate of occupancy or acceptance of subdivision improvements because of an applicant's failure to comply with a requirement that is not expressed:

- (i) in the building permit or subdivision plat, documents on which the building permit or subdivision plat is based, or the written record evidencing approval of the land use permit or subdivision plat; or
- (ii) in this chapter or the municipality's ordinances.

(i) A municipality may not unreasonably withhold issuance of a certificate of occupancy where an applicant has met all requirements essential for the public health, public safety, and general welfare of the occupants, in accordance with this chapter, unless:

- (i) the applicant and the municipality have agreed in a written document to the withholding of a certificate of occupancy; or
- (ii) the applicant has not provided a financial assurance for required and uncompleted landscaping or infrastructure improvements in accordance with an applicable ordinance that the legislative body adopts under this chapter.

(2) A municipality is bound by the terms and standards of applicable land use regulations and shall comply with mandatory provisions of those regulations.

(3) A municipality may not, as a condition of land use application approval, require a person filing a land use application to obtain documentation regarding a school district's willingness, capacity, or ability to serve the development proposed in the land use application.

(4) (a) Except as provided in Subsection (4)(b), for a period of 10 years after the day on

HB0218S02 compared with HB0218S01

which a subdivision plat is recorded, a municipality may not impose on a building permit applicant for a single-family dwelling located within the subdivision any land use regulation that is enacted within 10 years after the day on which the subdivision plat is recorded.

(b) Subsection (4)(a) does not apply to any changes in the requirements of the applicable building code, health code, or fire code, or other similar regulations.

(5) Upon a specified public agency's submission of a development plan and schedule as required in Subsection 10-9a-305(8) that complies with the requirements of that subsection, the specified public agency vests in the municipality's applicable land use maps, zoning map, hookup fees, impact fees, other applicable development fees, and land use regulations in effect on the date of submission.

(6) (a) If sponsors of a referendum timely challenge a project in accordance with Subsection 20A-7-601(5), the project's affected owner may rescind the project's land use approval by delivering a written notice:

(i) to the local clerk as defined in Section 20A-7-101; and

(ii) no later than seven days after the day on which a petition for a referendum is determined sufficient under Subsection [~~20A-7-607(4)~~] 20A-7-607(5).

(b) Upon delivery of a written notice described in Subsection (6)(a) the following are rescinded and are of no further force or effect:

(2) (a) It is not necessary that all of the bonds be issued at one time, but, except as otherwise provided in this Subsection (2), bonds approved by the voters may not be issued more than 10 years after the day on which the election is held.

(b) The 10-year period described in Subsection (2)(a) is tolled if, at any time during the 10-year period:

HB0218S02 compared with HB0218S01

(B) the authority of the local political subdivision to issue the bonds;

(C) the provisions made for the security or payment of the bonds; or

(D) any other issue that materially and adversely affects the marketability of the bonds, as determined by the individual or body that holds the executive powers of the local political subdivision.

(c) For a bond described in this section that is approved by voters on or after May 8, 2002, but before May 14, 2019, a tolling period described in Subsection (2)(b)(i) ends on the later of the day on which:

(i) the local clerk determines that the petition is insufficient, in accordance with Subsection [~~20A-7-607(2)(c)~~] 20A-7-607(3)(d), unless an application, described in Subsection [~~20A-7-607(3)(a)~~] 20A-7-607(4)(a), is made to a court;

(ii) a court determines, under Subsection [~~20A-7-607(3)(c)~~] 20A-7-607(4)(c), that the petition for the referendum is not legally sufficient; or

(iii) for a referendum petition that is sufficient, the governing body declares, as provided by law, the results of the referendum election on the local obligation law.

(d) For a bond described in this section that was approved by voters on or after May 14, 2019, a tolling period described in Subsection (2)(b)(i) ends:

(i) if a county, city, town, metro township, or court determines, under Section 20A-7-602.7, that the proposed referendum is not legally referable to voters, the later of:

(A) the day on which the county, city, town, or metro township provides the notice described in Subsection 20A-7-602.7(1)(b)(ii); or

(B) if a sponsor appeals, under Subsection 20A-7-602.7(4), the day on which a court decision that the proposed referendum is not legally referable to voters becomes final; or

(B) if the local clerk determines, under Section 20A-7-607, that the number of certified names is sufficient for the proposed referendum to appear on the ballot, the day on which the governing body declares, as provided by law, the results of the referendum election on the local obligation law.

(e) A tolling period described in Subsection (2)(b)(ii) ends after:

(i) there is a final settlement, a final adjudication, or another type of final resolution of all challenges described in Subsection (2)(b)(ii); and

(ii) the individual or body that holds the executive powers of the local political subdivision issues a document indicating that all challenges described in Subsection (2)(b)(ii) are resolved and final.

(f) If the 10-year period described in Subsection (2)(a) is tolled under this Subsection (2) and, when the tolling ends and after giving effect to the tolling, the period of time remaining to issue the bonds is less than one year, the period of time remaining to issue the bonds shall be extended to one year.

(g) The tolling provisions described in this Subsection (2) apply to all bonds described in this section that were approved by voters on or after May 8, 2002.

(3) (a) Bonds approved by the voters may not be issued to an amount that will cause the indebtedness of the local political subdivision to exceed that permitted by the Utah Constitution or statutes.

(b) In computing the amount of indebtedness that may be incurred pursuant to constitutional and statutory limitations, the constitutionally or statutorily permitted percentage, as the case may be, shall be applied to the fair market value, as defined under Section 59-2-102, of the taxable property in the local political subdivision, as computed from the last applicable equalized assessment roll before the incurring of the additional indebtedness.

(c) In determining the fair market value of the taxable property in the local political subdivision as provided in this section, the value of all tax equivalent property, as defined in Section 59-3-102, shall be included as a part of the total fair market value of taxable property in the local political subdivision, as provided in Title 59, Chapter 3, Tax Equivalent Property

(4) Bonds of improvement districts issued in a manner that they are payable solely from the revenues to be derived from the operation of the facilities of the district may not be included as bonded indebtedness for the purposes of the computation.

(5) Where bonds are issued by a city, town, or county payable solely from revenues derived from the operation of revenue-producing facilities of the city, town, or county, or payable solely from a special fund into which are deposited excise taxes levied and collected by the city, town, or county, or excise taxes levied by the state and rebated pursuant to law to the city, town, or county, or any combination of those excise taxes, the bonds shall be included as bonded indebtedness of the city, town, or county only to the extent required by the Utah Constitution, and any bonds not so required to be included as bonded indebtedness of the city, town, or county need not be authorized at an election, except as otherwise provided by the Utah Constitution, the bonds being hereby expressly excluded from the election requirement of Section 11-14-201.

(6) A bond election is not void when the amount of bonds authorized at the election exceeded the limitation applicable to the local political subdivision at the time of holding the election, but the bonds may be issued from time to time in an amount within the applicable limitation at the time the bonds are issued.

(7) (a) A local political subdivision may not receive, from the issuance of bonds approved by the voters at an election, an aggregate amount that exceeds by more than 2% the maximum principal amount stated in the bond proposition.

(b) The provision in Subsection (7)(a) applies to bonds issued pursuant to an election held after January 1, 2019.
