(xiii) providing any other benefits identified by the division.

(b) If the division chooses to make a recommendation under Subsection (1)(a), the division shall make the recommendation in writing to the Legislature and governor.

(2) In determining whether to ~~dispose~~ recommend the disposal of state land in exchange for the execution of a restoration project, as provided in Subsection (1)(a) and pursuant to a restoration proposal, the division shall consider:

(a) the potential that the restoration project presents for additional revenue to state and local government entities;

(b) the ability of the proposed use of the state land given in exchange for the restoration project to enhance state property adjacent to Utah Lake;

(c) the proposed timetable for completion of the restoration project;

(d) the ability of the person who submits a restoration project to execute and complete the restoration project satisfactorily; and

(e) the desirability of the proposed use of Utah Lake and the surrounding areas as a result of the restoration project.

(3) The Legislature and governor may, through the adoption of a concurrent resolution, authorize the disposal of state land in and around Utah Lake as compensation for the comprehensive restoration of Utah Lake under a restoration proposal if:

(a) the division recommends the disposal as provided in Subsection (1); and

(b) the Legislature and governor make a determination, in a concurrent resolution adopted under this Subsection (3), that:

(i) the restoration project will accomplish the objectives listed in Subsection (1)(a); and

HB0240S02 compared with HB0240S01

(ii) the disposal is:

(A) a fiscally sound and fair method of providing for the comprehensive restoration of Utah Lake; and

(B) constitutionally sound and legal.

(4) In support of the required permitting application for a restoration project, the division shall:

(a) prepare recommendations for standards, criteria, and thresholds to define more specifically the objectives listed in Subsections (1)(a) and (3)(b)(ii) and how and when those objectives are to be met;

(b) report on the division's efforts under Subsection (4)(a) to the Natural Resources, Agriculture, and Environment Interim Committee, as requested by the committee chairs; and

(c) upon completion of recommendations under Subsection (4)(a), present the recommendations to the Natural Resources, Agriculture, and Environment Interim Committee.
